These forward-looking statements involve risks, uncertainties and other factors that may cause our actual results in future periods to differ materially from forecasted results. Factors that could have a material adverse effect on our operations and future prospects include, but are not limited to, changes in economic conditions generally and the real estate market specifically; adverse changes in the financing markets we access affecting our ability to finance our loan and investment portfolio; changes in interest rates; the quality and size of the investment pipeline and the rate at which we can invest our cash; impairments in the value of the collateral underlying our loans and investments; legislative/regulatory changes; the availability and cost of capital for future investments; competition; and other risks detailed from time to time in our SEC reports. Readers are cautioned not to place undue reliance on any of these forward-looking statements, which reflect management’s views as of the date of this report. The factors noted above could cause our actual results to differ significantly from those contained in any forward-looking statement. For a discussion of our critical accounting policies, see “Management’s Discussion and Analysis of Financial Condition and Results of Operations of Arbor Realty Trust, Inc. and Subsidiaries — Significant Accounting Estimates and Critical Accounting Policies” in our Annual Report on Form 10-K for the year ended December 31, 2013.

**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Unaudited)**  
**March 31, 2014**

**Note 1 —Description of Business**

Arbor Realty Trust, Inc. (the “Company”) is a Maryland corporation that was formed in June 2003 to invest in a diversified portfolio of multi-family and commercial real estate related assets, primarily consisting of bridge loans, mezzanine loans, junior participating interests in first mortgage loans, and preferred and direct equity. The Company may also directly acquire real property and invest in real estate-related notes and certain mortgage-related securities. The Company conducts substantially all of its operations through its operating partnership, Arbor Realty Limited Partnership (“ARLP”), and ARLP’s wholly-owned subsidiaries. The Company is externally managed and advised by Arbor Commercial Mortgage, LLC (“ACM”).

The Company organizes and conducts its operations to qualify as a real estate investment trust (“REIT”) for federal income tax purposes. A REIT is generally not subject to federal income tax on its REIT-taxable income distributed to its stockholders, provided that it distributes at least 90% of its REIT-taxable income and meets certain other requirements. Certain assets of the Company that produce non-qualifying income are owned by its taxable REIT subsidiaries, the income of which is subject to federal and state income taxes.

The Company’s charter provides for the issuance of up to 500 million shares of common stock, with a par value of \$0.01 per share, and 100 million shares of preferred stock, with a par value of \$0.01 per share.

**Note 2 — Summary of Significant Accounting Policies**

***Basis of Presentation and Principles of Consolidation***

The accompanying unaudited consolidated financial statements have been prepared in accordance with accounting principles generally accepted in the United States (“GAAP”), for interim financial statements and with the instructions to Form 10-Q and Rule 10-01 of Regulation S-X. Accordingly, certain information and footnote disclosures normally included in the consolidated financial statements prepared under GAAP have been condensed or omitted. In the opinion of management, all adjustments considered necessary for a fair presentation of the Company’s financial position, results of operations and cash flows have been included and are of a normal and recurring nature. The operating results presented for interim periods are not necessarily indicative of the results that may be expected for any other interim period or for the entire year. These consolidated financial statements should be read in conjunction with the Company’s consolidated financial statements and notes thereto included in the Company’s Annual Report on Form 10-K for the fiscal year ended December 31, 2013, which was filed with the Securities and Exchange Commission (“SEC”).

The accompanying unaudited consolidated financial statements include the financial statements of the Company, its wholly owned subsidiaries, partnerships or other joint ventures in which the Company owns a voting interest of greater than 50 percent, and Variable Interest Entities (“VIEs”) of which the Company is the primary beneficiary. VIEs are defined as entities in which equity investors do not have the characteristics of a controlling financial interest or do not have sufficient equity at risk for the entity to finance its activities without additional subordinated financial support from other parties. A VIE is required to be consolidated by its primary beneficiary, which is the party that (i) has the power to control the activities that most significantly impact the VIE’s economic performance and (ii) has the obligation to absorb losses of the VIE that could potentially be significant to the VIE or the right to receive benefits from the VIE that could potentially be significant to the VIE. Current accounting guidance requires the Company to present a) assets of a consolidated VIE that can be used only to settle obligations of the consolidated VIE, and b) liabilities of a consolidated VIE for which creditors (or beneficial interest holders) do not have recourse to the general credit of the primary beneficiary. As a result of this guidance, the Company has separately disclosed parenthetically the assets and liabilities of its three collateralized debt obligation (“CDO”) and two collateralized loan obligation (“CLO”) subsidiaries on its Consolidated Balance Sheets. Entities in which the Company has significant influence are accounted for primarily under the equity method.

The Company is organized and conducts its operations to qualify as a REIT for federal income tax purposes. As a REIT, the Company is generally not subject to federal income tax on its REIT—taxable income that it distributes to its stockholders, provided that it distributes at least 90% of its REIT—taxable income and meets certain other requirements. Also, under current federal tax law, the income and the tax on such income attributable to

certain debt extinguishment transactions realized in 2009 or 2010 have been deferred to future periods at the Company's election. As of March 31, 2014 and 2013, the Company was in compliance with all REIT requirements and, therefore, has not provided for income tax expense for the three months ended March 31, 2014 and 2013. Certain of the Company's assets that produce non-qualifying income are owned by its taxable REIT subsidiaries, the income of which is subject to federal and state income taxes. During the three months ended March 31, 2014 and 2013, the Company did not record any provision for income taxes for these taxable REIT subsidiaries.

The preparation of consolidated financial statements in conformity with GAAP requires management to make estimates and assumptions that could materially affect the amounts reported in the consolidated financial statements and accompanying notes. Actual results could differ from those estimates.

Certain prior year amounts have been reclassified to conform to current period presentation. During the third quarter of 2013, the Company classified a real estate investment that was part of a portfolio of multifamily properties as held-for-sale, resulting in reclassifications of property operating activity and related depreciation to discontinued operations for all prior periods presented.

***Significant Accounting Policies***

As of March 31, 2014, the Company's significant accounting policies, which are detailed in the Company's Annual Report on Form 10-K for the year ended December 31, 2013, have not changed materially.

***Recently Issued Accounting Pronouncements***

In April 2014, the Financial Accounting Standards Board ("FASB") issued updated guidance that changes the criteria for determining which disposals can be presented as discontinued operations and modifies related disclosure requirements. Under the new guidance, a discontinued operation is defined as a disposal of a component or group of components that is disposed of or is classified as held for sale and represents a strategic shift that has (or will have) a major effect on an entity's operations and financial results. The guidance is effective prospectively as of the first quarter of 2015, with early adoption permitted for new disposals or new classifications as held-for-sale. The Company early adopted this new guidance in the first quarter of 2014 and it did not have a material effect on the Company's Consolidated Financial Statements.

In July 2013, the FASB issued updated guidance that resolves the diversity in practice for the presentation of an unrecognized tax benefit when a net operating loss carryforward, a similar tax loss, or a tax credit carryforward exists. This new accounting guidance requires the netting of unrecognized tax benefits against a deferred tax asset for a net operating loss carryforward, a similar tax loss, or a tax credit carryforward that would apply in settlement of an uncertain tax position. The guidance was effective as of the first quarter of 2014 and its adoption did not have a material effect on the Company's Consolidated Financial Statements.

- (1) "Weighted Average Pay Rate" is a weighted average, based on the unpaid principal balances of each loan in the Company's portfolio, of the interest rate that is required to be paid monthly as stated in the individual loan agreements. Certain loans and investments that require an additional rate of interest "Accrual Rate" to be paid at the maturity are not included in the weighted average pay rate as shown in the table.
- (2) The "First Dollar LTV Ratio" is calculated by comparing the total of the Company's senior most dollar and all senior lien positions within the capital stack to the fair value of the underlying collateral to determine the point at which the Company will absorb a total loss of its position.
- (3) The "Last Dollar LTV Ratio" is calculated by comparing the total of the carrying value of the Company's loan and all senior lien positions within the capital stack to the fair value of the underlying collateral to determine the point at which the Company will initially absorb a loss.

**Concentration of Credit Risk**

The Company operates in one portfolio segment, commercial mortgage loans and investments. Commercial mortgage loans and investments can potentially subject the Company to concentrations of credit risk. The Company is subject to concentration risk in that, as of March 31, 2014, the unpaid principal balance related to 29 loans with five different borrowers represented approximately 26% of total assets. At December 31, 2013, the unpaid principal balance related to 28 loans with five different borrowers represented approximately 30% of total assets. The Company measures its relative loss position for its mezzanine loans, junior participation loans, and preferred equity investments by determining the point where the Company will be exposed to losses based on its position in the capital stack as compared to the fair value of the underlying collateral. The Company determines its loss position on both a first dollar loan-to-value ("LTV") and a last dollar LTV basis. First dollar LTV is calculated by comparing the total of the Company's senior most dollar and all senior lien positions within the capital stack to the fair value of the underlying collateral to determine the point at which the Company will absorb a total loss of its

**ARBOR REALTY TRUST, INC. AND SUBSIDIARIES**

position. Last dollar LTV is calculated by comparing the total of the carrying value of the Company's loan and all senior lien positions within the capital stack to the fair value of the underlying collateral to determine the point at which the Company will initially absorb a loss.

The Company assigns a credit risk rating to each loan and investment. Individual ratings range from one to five, with one being the lowest risk and five being the highest. Each credit risk rating has benchmark guidelines that pertain to debt-service coverage ratios, LTV ratios, borrower strength, asset quality, and funded cash reserves. Other factors such as guarantees, market strength, remaining loan term, and borrower equity are also reviewed and factored into determining the credit risk rating assigned to each loan. This metric provides a helpful snapshot of portfolio quality and credit risk. Given the Company's asset management approach, however, the risk rating process does not result in differing levels of diligence contingent upon credit rating. That is because all portfolio assets are subject to the level of scrutiny and ongoing analysis consistent with that of a 'high-risk' loan. All assets are subject to, at minimum, a thorough quarterly financial evaluation in which historical operating performance is reviewed, and forward-looking projections are created. Generally speaking, given the Company's typical loan and investment profile, a risk rating of three suggests that the Company expects the loan to make both principal and interest payments according to the contractual terms of the loan agreement, and is not considered impaired. A risk rating of four indicates the Company anticipates that the loan will require a modification of some kind. A risk rating of five indicates the Company expects the loan to underperform over its term, and that there could be loss of interest and/or principal. Ratings of 3.5 and 4.5 generally indicate loans that have characteristics of both the immediately higher and lower classifications. Further, while the above are the primary guidelines used in determining a certain risk rating, subjective items such as borrower strength, condition of the market of the underlying collateral, additional collateral or other credit enhancements, or loan terms, may result in a rating that is higher or lower than might be indicated by any risk rating matrix.

As a result of the loan review process at March 31, 2014 and December 31, 2013, the Company identified loans and investments that it considers higher-risk loans that had a carrying value, before loan loss reserves, of approximately \$188.1 million and \$187.5 million, respectively, and a weighted average last dollar LTV ratio of 92% and 93%, respectively.

***Geographic Concentration Risk***

As of March 31, 2014, 31% of the outstanding balance of the Company's loans and investments portfolio had underlying properties in New York. As of December 31, 2013, 36% and 10% of the outstanding balance of the Company's loans and investments portfolio had underlying properties in New York and Texas, respectively.

***Impaired Loans and Allowance for Loan Losses***

The Company performs an evaluation of the loan portfolio quarterly to assess the performance of its loans and whether a reserve for impairment should be recorded. The Company considers a loan impaired when, based upon current information and events, it is probable that it will be unable to collect all amounts due for both principal and interest according to the contractual terms of the loan agreement.

During the three months ended March 31, 2014, the Company determined that the fair value of the underlying collateral securing an impaired loan with a carrying value of \$4.8 million was less than the net carrying value of the loan, resulting in a \$1.0 million provision for loan loss. In addition, during the three months ended March 31, 2014, the Company recorded \$0.9 million of net recoveries of previously recorded loan loss reserves resulting in a provision for loan losses, net of recoveries, of \$0.1 million. The \$1.0 million of loan loss reserve recorded during the three months ended March 31, 2014 was attributable to a loan on which the Company had previously recorded reserves and is now fully reserved.

During the three months ended March 31, 2013, the Company determined that the fair value of the underlying collateral securing two impaired loans with an aggregate carrying value of \$13.5 million was less than the net carrying value of the loans, resulting in a \$2.5 million provision for loan losses. In addition, during the three months ended March 31, 2013, the Company recorded less than \$0.1 million of net recoveries of previously recorded loan loss reserves resulting in a provision for loan losses, net of recoveries, of \$2.5 million. The \$2.5 million of loan loss reserves recorded during the three months ended March 31, 2013 was attributable to two loans on which the Company had not previously recorded reserves.

There were no loans for which the value of the collateral securing the loan was less than the carrying value of the loan for which the Company had not recorded a provision for loan loss as of March 31, 2014 and 2013.

At March 31, 2014, the Company had a total of 14 loans with an aggregate carrying value, before loan loss reserves, of \$201.4 million for which impairment reserves have been recorded. At December 31, 2013, the Company had a total of 15 loans with an aggregate carrying value, before loan loss reserves, of \$207.5 million for which impairment reserves have been recorded. Additionally, the Company has seven loans with an unpaid principal balance totaling approximately \$111.6 million at March 31, 2014, which mature in September 2014, that are collateralized by a land development project. The loans do not carry a pay rate of interest, but four of the loans with an unpaid principal balance totaling approximately \$101.9 million entitle the Company to a weighted average accrual rate of interest of approximately 9.60%. During the fourth quarter of 2010, the Company suspended the recording of the accrual rate of interest on these loans, as these loans were impaired and management deemed the collection of this interest to be doubtful. The Company has recorded cumulative allowances for loan losses of \$43.7 million related to these loans as of March 31, 2014. The loans are subject to certain risks associated with a development project including, but not limited to, availability of construction financing, increases in projected construction costs, demand for the development's outputs upon completion of the project, and litigation risk. Additionally, these loans were not classified as non-performing as the borrower is in compliance with all of the terms and conditions of the loans.

During the quarter ended March 31, 2014, the Company wrote off a mezzanine loan with a carrying value of \$6.5 million and recorded a charge-off to previously recorded reserves of \$5.7 million, and recorded a cash recovery of \$0.8 million.

During the quarter ended March 31, 2013, the Company wrote off a bridge loan, two mezzanine loans and a junior participation loan with a total carrying value of \$18.5 million and recorded a charge-off to previously recorded reserves of \$18.5 million as well as a cash recovery of less than \$0.1 million.

At March 31, 2014, the Company had not refinanced and/or modified or extended any loans which were considered by the Company to be troubled debt restructurings. During the quarter ended March 31, 2013, the Company did not refinance and/or modify any loans, however, two loans with a combined unpaid principal balance of \$14.6 million that were extended during the period were considered to be trouble debt restructurings. The Company had no unfunded commitments on the modified and extended loans which were considered troubled debt restructurings as of March 31, 2013.

These loans were modified to increase the total recovery of the combined principal and interest from the loan.

As of March 31, 2014, the Company had total interest reserves of \$15.6 million on 53 loans with an aggregate unpaid principal balance of \$749.5 million and had a non-performing loan with an unpaid principal balance of \$4.2 million with a funded interest reserve of \$0.1 million.

Initially, the notes are secured by a portfolio of loan obligations with a face value of approximately \$125.1 million, consisting primarily of bridge loans and a senior participation interest in a first mortgage loan that were contributed from the Company's existing loan portfolio. The financing has a two-year replacement period that allows the principal proceeds and sale proceeds (if any) of the loan obligations to be reinvested in qualifying replacement loan obligations, subject to the satisfaction of certain conditions set forth in the indenture. Thereafter, the outstanding debt balance will be reduced as loans are repaid. The aggregate principal amounts of the two classes of notes are \$75.0 million of Class A senior secured floating rate notes and \$12.5 million of Class B secured floating rate notes. The Company retained a residual interest in the portfolio with a notional amount of \$37.6 million. The notes have an initial weighted average interest rate of approximately 3.39% plus one-month LIBOR and interest payments on the notes are payable monthly. The Company incurred approximately \$2.4 million of issuance costs which is being amortized on a level yield basis over the average estimated life of the CLO. Including certain fees and costs, the initial weighted average note rate was 4.35%. The Company accounts for this transaction on its balance sheet as a financing facility.

In January 2013, the Company completed its second CLO, issuing to third party investors two tranches of investment grade CLOs through two newly-formed wholly-owned subsidiaries. As of the CLO closing date, the notes are secured by a portfolio of loan obligations with a face value of approximately \$210.0 million, consisting primarily of bridge loans and a senior participation interest in a first mortgage loan that were contributed from the Company's existing loan portfolio. The financing has a two-year replacement period that allows the principal proceeds and sale proceeds (if any) of the loan obligations to be reinvested in qualifying replacement loan obligations, subject to the satisfaction of certain conditions set forth in the indenture. Thereafter, the outstanding debt balance will be reduced as loans are repaid. Initially, the proceeds of the issuance of the securities also included \$50.0 million for the purpose of acquiring additional loan obligations for a period of up to 90 days from the closing date of the CLO. Subsequently, the issuer owns loan obligations with a face value of approximately \$260.0 million. The aggregate principal amounts of the two classes of notes are \$156.0 million of Class A senior secured floating rate notes and \$21.0 million of Class B secured floating rate notes. The Company retained a residual interest in the portfolio with a notional amount of approximately \$83.0 million. The notes have an initial weighted average interest rate of approximately 2.36% plus one-month LIBOR and interest payments on the notes are payable monthly. The Company incurred approximately \$3.2 million of issuance costs which is being amortized on a level yield basis over the average estimated life of the CLO. Including certain fees and costs, the initial weighted average note rate was 3.00%. The Company accounts for this transaction on its balance sheet as a financing facility.

In April 2014, the Company completed its third CLO, issuing to third party investors three tranches of investment grade CLOs through two newly-formed wholly-owned subsidiaries. As of the CLO closing date, the

notes are secured by a portfolio of loan obligations with a face value of approximately \$307.3 million, consisting primarily of bridge loans that were contributed from the Company's existing loan portfolio. The financing has an approximate 2.5 year replacement period that allows the principal proceeds and sale proceeds (if any) of the loan obligations to be reinvested in qualifying replacement loan obligations, subject to the satisfaction of certain conditions set forth in the indenture. Thereafter, the outstanding debt balance will be reduced as loans are repaid. Initially, the proceeds of the issuance of the securities also included \$67.7 million for the purpose of acquiring additional loan obligations for a period of up to 120 days from the closing date of the CLO. Subsequently, it is expected that the issuer will own loan obligations with a face value of approximately \$281.3 million. The aggregate principal amounts of the three classes of notes are \$221.3 million of Class A senior secured floating rate notes, \$24.3 million of Class B secured floating rate notes and \$35.8 million of Class C secured floating rate notes. The Company retained a residual interest in the portfolio with a notional amount of approximately \$93.8 million. The notes have an initial weighted average interest rate of approximately 2.39% plus one-month LIBOR and interest payments on the notes are payable monthly. The Company expects to account for this transaction on its balance sheet as a financing facility.

The Company's CLO vehicles are VIEs for which the Company is the primary beneficiary and are consolidated in the Company's financial statements. The two investment grade tranches are treated as a secured financing, and are non-recourse to the Company.

At March 31, 2014 and December 31, 2013, the aggregate weighted average note rate for the Company's collateralized loan obligations was 2.89% and 2.91%, respectively. Including certain fees and costs, the weighted average note rate was 3.52% and 3.49% at March 31, 2014 and December 31, 2013, respectively.

*Junior Subordinated Notes*

The carrying value of borrowings under the Company's junior subordinated notes was \$159.4 million and \$159.3 million at March 31, 2014 and December 31, 2013, respectively, which is net of a deferred amount of \$16.4 million and \$16.6 million, respectively. These notes have maturities ranging from March 2034 through April 2037 and pay interest quarterly at a fixed or floating rate of interest based on three-month LIBOR and, absent the occurrence of special events, were not redeemable for the first two years. The current weighted average note rate was 3.01% at both March 31, 2014 and December 31, 2013, however, based upon the accounting treatment for the restructuring mentioned below, the effective rate was 3.04% and 3.06% at March 31, 2014 and December 31, 2013, respectively. Including certain fees and costs, the weighted average note rate was 3.17% and 3.18% at March 31, 2014 and December 31, 2013, respectively. The entities that issued the junior subordinated notes have been deemed VIEs. The impact of these variable interest entities with respect to consolidation is discussed in Note 9 — "Variable Interest Entities."

In 2009, the Company retired \$265.8 million of its then outstanding trust preferred securities, primarily consisting of \$258.4 million of junior subordinated notes issued to third party investors and \$7.4 million of common equity issued to the Company in exchange for \$289.4 million of newly issued unsecured junior subordinated notes, representing 112% of the original face amount. The notes bear interest equal to three month LIBOR plus a weighted average spread of 2.77%. The 12% increase to the face amount due upon maturity, which had a balance of \$16.4 million at March 31, 2014, is being amortized into interest expense over the life of the notes. The Company also paid transaction fees of approximately \$1.3 million to the issuers of the junior subordinated notes related to this restructuring which is being amortized into interest expense over the life of the notes.

At March 31, 2014 and December 31, 2013, the aggregate weighted average note rate for the Company's notes payable was 6.86% and 4.26%, respectively. There were no interest rate swaps on the notes payable at March 31, 2014 and December 31, 2013.

In March 2014, the Company entered into non-recourse junior loan participations with ACM totaling \$15.0 million on a \$70.1 million bridge loan. In October 2013, the Company entered into a non-recourse junior loan participation for approximately \$0.8 million on a \$3.0 million mezzanine loan. In September 2013, the Company entered into a non-recourse junior loan participation for approximately \$0.5 million on a \$3.0 million mezzanine loan. Interest expense is based on the portion of the interest received from the loan that is paid to the junior participant. The Company's obligation to pay interest on the participation is based on the performance of the related loan.

*Mortgage Note Payable — Real Estate Owned and Held-For-Sale*

During 2011, the Company assumed a \$55.4 million interest-only first lien mortgage in connection with the acquisition of real property pursuant to bankruptcy proceedings for an entity in which the Company had a \$29.8 million loan secured by the Multifamily Portfolio. The mortgage bears interest at a variable rate of one-month LIBOR plus 1.23% and in March 2014, the maturity date was extended to June 2014 with a one year extension option, subject to certain conditions. In 2011, one of the properties in the Multifamily Portfolio was sold to a third party for \$1.6 million and the proceeds were used to pay down the first lien mortgage to a balance of \$53.8 million. In September 2013, one of the properties in the Multifamily Portfolio was classified as held-for-sale and thus \$11.0 million of the first lien mortgage was classified as held-for-sale and the balance of \$42.7 million was classified as real estate owned at March 31, 2014.

*Debt Covenants*

The Company's debt facilities contain various financial covenants and restrictions, including minimum net worth, minimum liquidity and maximum debt balance requirements, as well as certain other debt service coverage ratios and debt to equity ratios. The Company was in compliance with all financial covenants and restrictions at March 31, 2014.

The Company's CDO and CLO vehicles contain interest coverage and asset overcollateralization covenants that must be met as of the waterfall distribution date in order for the Company to receive such payments. If the Company fails these covenants in any of its CDOs or CLOs, all cash flows from the applicable CDO or CLO would be diverted to repay principal and interest on the outstanding CDO or CLO bonds and the Company would not receive any residual payments until that CDO or CLO regained compliance with such tests. The Company's CDOs and CLOs were in compliance with all such covenants as of March 31, 2014, as well as on the most recent determination date in April 2014. In the event of a breach of the CDO or CLO covenants that could not be cured in the near-term, the Company would be required to fund its non-CDO or non-CLO expenses, including management fees and employee costs, distributions required to maintain REIT status, debt costs, and other expenses with (i) cash on hand, (ii) income from any CDO or CLO not in breach of a covenant test, (iii) income from real property and loan assets, (iv) sale of assets, or (v) or accessing the equity or debt capital markets, if available. The Company has the right to cure covenant breaches which would resume normal residual payments to it by purchasing non-performing loans out of the CDOs or CLOs. However, the Company may not have sufficient liquidity available to do so at such time.

The chart below is a summary of the Company's CDO and CLO compliance tests as of the most recent determination dates in April 2014:

Cash Flow Triggers	CDO I	CDO II	CDO III	CLO I	CLO II
<b>Overcollateralization (1)</b>					
Current	184.35%	138.15%	108.74%	142.96%	146.89%
Limit	145.00%	127.30%	105.60%	137.86%	144.25%
Pass / Fail	Pass	Pass	Pass	Pass	Pass
<b>Interest Coverage (2)</b>					
Current	541.25%	457.31%	495.38%	232.75%	365.43%
Limit	160.00%	147.30%	105.60%	120.00%	120.00%
Pass / Fail	Pass	Pass	Pass	Pass	Pass

(1) The overcollateralization ratio divides the total principal balance of all collateral in the CDO and CLO by the total principal balance of the bonds associated with the applicable ratio. To the extent an asset is considered a defaulted security, the asset's principal balance for purposes of the overcollateralization test is the lesser of the asset's market value or the principal balance of the defaulted asset multiplied by the asset's recovery rate which is determined by the rating agencies. Rating downgrades of CDO and CLO collateral will generally not have a direct impact on the principal balance of a CDO and CLO asset for purposes of calculating the CDO and CLO overcollateralization test unless the rating downgrade is below a significantly low threshold (e.g. CCC-) as defined in each CDO and CLO vehicle.

(2) The interest coverage ratio divides interest income by interest expense for the classes senior to those retained by the Company.

The chart below is a summary of the Company's CDO and CLO overcollateralization ratios as of the following determination dates:

Determination Date	CDO I	CDO II	CDO III	CLO I	CLO II
April 2014	184.35%	138.15%	108.74%	142.96%	146.89%
January 2014	167.15%	137.87%	107.80%	142.96%	146.89%
October 2013	166.88%	133.77%	106.64%	142.96%	146.89%
July 2013	176.69%	139.10%	106.61%	142.96%	146.89%
April 2013	174.76%	138.97%	106.56%	142.96%	146.89%

The ratio will fluctuate based on the performance of the underlying assets, transfers of assets into the CDOs and CLOs prior to the expiration of their respective replenishment dates, purchase or disposal of other investments, and loan payoffs. No payment due under the Junior Subordinated Indentures may be paid if there is a default under any senior debt and the senior lender has sent notice to the trustee. The Junior Subordinated Indentures are also cross-defaulted with each other.

**Note 8 — Derivative Financial Instruments**

The following is a summary of the derivative financial instruments held by the Company as of March 31, 2014 and December 31, 2013 (dollars in thousands):

Designation\ Cash Flow	Derivative	Count	Notional Value		Expiration Date	Balance Sheet Location	Fair Value	
			March 31, 2014	December 31, 2013			March 31, 2014	December 31, 2013
Non- Qualifying	Basis Swaps	1	\$ 3,000	1	2015	Other Assets	\$ 4	\$ 5
Non- Qualifying	LIBOR Cap	1	\$ 71,701	—	2015	Other Assets	\$ —	\$ —
Qualifying	Interest Rate Swaps	12	\$ 265,473	14	2015 - 2017	Other Liabilities	\$ (21,921)	\$ (24,794)
Non- Qualifying	Forward Contracts	2	\$ —	8	2019 - 2036	Other Assets	\$ 2,930	\$ 6,397

The Non-Qualifying Basis Swaps Hedges are used to manage the Company's exposure to interest rate movements and other identified risks but do not meet hedge accounting requirements. The Company is exposed to changes in the fair value of certain of its fixed rate obligations due to changes in benchmark interest rates and uses interest rate swaps to manage its exposure to changes in fair value on these instruments attributable to changes in the benchmark interest rate. These interest rate swaps designated as fair value hedges involve the receipt of variable-rate amounts from a counterparty in exchange for the Company making fixed-rate payments over the life of the agreements without the exchange of the underlying notional amount. The Non-Qualifying LIBOR Cap Hedge had a notional value of approximately \$71.7 million at March 31, 2014. The Company entered into this hedge in the first quarter of 2014 due to a loan agreement which required a LIBOR Cap of 6%. During the three months ended March 31, 2014, the notional value on a basis swap decreased by approximately \$8.6 million pursuant to the contractual terms of the respective swap agreement. During the three months ended March 31, 2013, six basis swaps matured with a combined notional value of approximately \$464.4 million and the notional value of a basis swap decreased by approximately \$10.0 million pursuant to the contractual terms of the respective swap agreement. For the three months ended March 31, 2014 and 2013, the change in fair value of the Non-Qualifying Basis Swaps was less than \$(0.1) million and \$(0.1) million, respectively, and was recorded in interest expense on the Consolidated Statements of Income.

**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Unaudited)**  
**March 31, 2014**

The change in the fair value of Qualifying Interest Rate Swap Cash Flow Hedges was recorded in accumulated other comprehensive loss on the Consolidated Balance Sheets. These interest rate swaps are used to hedge the variable cash flows associated with existing variable-rate debt, and amounts reported in accumulated other comprehensive loss related to derivatives will be reclassified to interest expense as interest payments are made on the Company's variable-rate debt. During the three months ended March 31, 2014, two interest swaps matured with a combined notional value of approximately \$32.0 million. During the three months ended March 31, 2013, the notional value on an interest rate swap decreased by approximately \$14.5 million pursuant to the contractual terms of the respective swap agreement. As of March 31, 2014, the Company expects to reclassify approximately \$(11.9) million of other comprehensive loss from Qualifying Cash Flow Hedges to interest expense over the next twelve months assuming interest rates on that date are held constant. These swap agreements must be effective in reducing the variability of cash flows of the hedged items in order to qualify for the aforementioned hedge accounting treatment. Gains and losses on terminated swaps are being deferred and recognized in earnings over the original life of the hedged item. As of March 31, 2014 and December 31, 2013, the Company has a net deferred loss of \$1.4 million and \$1.6 million, respectively, in accumulated other comprehensive loss, related to these terminated swap agreements. The Company recorded \$0.2 million as additional interest expense related to the amortization of the loss for both the three months ended March 31, 2014 and 2013, and \$0.1 million as a reduction to interest expense related to the accretion of the net gains for both the three months ended March 31, 2014 and 2013. The Company expects to record approximately \$0.4 million of net deferred loss to interest expense over the next twelve months.

The fair value of Non-Qualifying Forward Contracts was \$2.9 million as of March 31, 2014 and was recorded in other assets on the Consolidated Balance Sheets and consisted of \$16.6 million of RMBS investments, which is net of \$0.6 million of net unrealized losses in fair value, and \$13.7 million of repurchase financing. The fair value of Non-Qualifying Forward Contracts was \$6.4 million as of December 31, 2013 and was recorded in other assets on the Consolidated Balance Sheets and consisted of \$66.0 million of RMBS investments, which is net of \$1.5 million of net unrealized losses in fair value, and \$59.6 million of repurchase financing. The RMBS investments are financed with repurchase agreements and are accounted for as linked transactions, which are considered forward contracts. The repurchase agreements generally finance 80% - 90% of the purchase and bear interest at a rate of 125 to 175 basis points over LIBOR. During the three months ended March 31, 2014, the Company received total principal paydowns on the RMBS of \$2.4 million and paid down the associated repurchase agreements by \$4.1 million, which includes a decrease in the amount financed on the repurchase agreements of \$1.7 million. In the first quarter of 2014, the Company sold six RMBS investments, which were accounted for as linked transactions, with an aggregate carrying value of \$47.8 million for approximately \$48.0 million and recorded a net gain of \$0.2 million related to the settlement of these linked transactions. The six RMBS investments were financed with repurchase agreements totaling \$41.8 million which were repaid with the proceeds. For the three months ended March 31, 2014, \$0.1 million of net interest income and a less than \$0.1 million decrease in fair value was recorded to other income in the Consolidated Statements of Income. For the three months ended March 31, 2013, \$0.5 million of net interest income and a \$0.2 million increase in fair value was recorded to other income in the Consolidated Statements of Income. The remaining RMBS investments bear interest at a weighted average fixed rate of 5.37%, have a weighted average stated maturity of 22.5 years, but have weighted average estimated lives of 3.0 years based on the estimated maturities of the RMBS investments.

The cumulative amount of other comprehensive loss related to net unrealized losses on derivatives designated as qualifying hedges as of March 31, 2014 and December 31, 2013 of approximately \$(23.3) million and approximately \$(26.3) million, respectively, is a combination of the fair value of qualifying cash flow hedges of \$(21.9) million and \$(24.8) million, respectively, deferred losses on terminated interest swaps of \$(1.7) million and \$(1.9) million, respectively, and deferred net gains on termination of interest swaps of \$0.3 million and \$0.3 million, respectively.

The Company has agreements with certain of its derivative counterparties that contain a provision where if the Company defaults on any of its indebtedness, including default where repayment of the indebtedness has not been accelerated by the lender, then the Company could also be declared in default on its derivative obligations. As of March 31, 2014 and December 31, 2013, the fair value of derivatives in a net liability position, which includes accrued interest, was \$(12.7) million and \$(13.8) million, respectively. As of March 31, 2014 and December 31, 2013, the Company had minimum collateral posting thresholds with certain of its derivative counterparties and had posted collateral of \$13.1 million and \$14.2 million, respectively, which is recorded in other assets in the Company's Consolidated Balance Sheets.

#### Note 9 — Variable Interest Entities

The Company has evaluated its loans and investments, mortgage related securities, investments in equity affiliates, junior subordinated notes, CDOs and CLOs, in order to determine if they qualify as VIEs or as variable interests in VIEs. This evaluation resulted in the Company determining that its bridge loans, junior participation loans, mezzanine loans, preferred equity investments, investments in equity affiliates, junior subordinated notes, CDOs, CLOs and investments in mortgage related securities are potential VIEs.

The Company's involvement with VIEs primarily affects its financial performance and cash flows through amounts recorded in interest income, interest expense, provision for loan losses and through activity associated with its derivative instruments.

#### Consolidated VIEs

The Company consolidates its three CDO and two CLO subsidiaries, which qualify as VIEs, of which the Company is the primary beneficiary. These CDOs and CLOs invest in real estate and real estate-related securities and are financed by the issuance of CDO and CLO debt securities. The Company, or one of its affiliates, is named collateral manager, servicer, and special servicer for all CDO and CLO collateral assets which the Company believes gives it the power to direct the most significant economic activities of the entity. The Company also has

**ARBOR REALTY TRUST, INC. AND SUBSIDIARIES**  
**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Unaudited)**  
**March 31, 2014**

exposure to CDO and CLO losses to the extent of its equity interests and also has rights to waterfall payments in excess of required payments to CDO and CLO bond investors. As a result of consolidation, equity interests in these CDOs and CLOs have been eliminated, and the Consolidated Balance Sheets reflect both the assets held and debt issued by the CDOs and CLOs to third parties. The Company's operating results and cash flows include the gross amounts related to CDO and CLO assets and liabilities as opposed to the Company's net economic interests in the CDO and CLO entities.

Assets held by the CDOs and CLOs are restricted and can be used only to settle obligations of the CDOs and CLOs. The liabilities of the CDOs and CLOs are non-recourse to the Company and can only be satisfied from each CDOs and CLOs respective asset pool. Assets and liabilities related to the CDOs and CLOs are disclosed parenthetically, in the aggregate, in the Company's Consolidated Balance Sheets. See Note 7 — "Debt Obligations" for further details.

The Company is not obligated to provide, has not provided, and does not intend to provide financial support to any of the consolidated CDOs and CLOs.

#### *Unconsolidated VIEs*

The Company determined that it is not the primary beneficiary of 25 VIEs in which it has a variable interest as of March 31, 2014 because it does not have the ability to direct the activities of the VIEs that most significantly impact each entity's economic performance. VIEs, of which the Company is not the primary beneficiary, have an aggregate carrying amount of \$561.6 million and exposure to real estate debt of approximately \$2.3 billion at March 31, 2014.

The following is a summary of the Company's variable interests in identified VIEs, of which the Company is not the primary beneficiary, as of March 31, 2014:

Type	Carrying Amount (1)	Maximum Exposure to Loss (2)
Loans	\$ 414,291,044	\$ 414,291,044
Loans and equity investments	127,407,073	127,407,073
RMBS (3)	17,175,514	17,175,514
CMBS	2,100,000	2,100,000
Junior subordinated notes (4)	578,000	578,000
Total	<u>\$ 561,551,631</u>	<u>\$ 561,551,631</u>

(1) Represents the carrying amount of loans and investments before reserves. At March 31, 2014, \$185.4 million of loans to VIEs had corresponding loan loss reserves of approximately \$111.9 million and \$44.3 million of loans to VIEs were related to loans classified as non-performing. See Note 3 — "Loans and Investments" for further details.

(2) The Company's maximum exposure to loss as of March 31, 2014 would not exceed the carrying amount of its investment.

(3) Represents RMBS securities classified as forward contract derivatives.

(4) These entities that issued the junior subordinated notes are VIEs. It is not appropriate to consolidate these entities as equity interests are variable interests only to the extent that the investment is considered to be at risk. Since the Company's investments were funded by the entities that issued the junior subordinated notes, it is not considered to be at risk.

#### **Note 10 — Fair Value**

##### *Fair Value of Financial Instruments*

Fair value estimates are dependent upon subjective assumptions and involve significant uncertainties resulting in variability in estimates with changes in assumptions. *Fair Value Measurement*

Fair value is defined as the price at which an asset could be exchanged in a current transaction between knowledgeable, willing parties. A liability's fair value is defined as the amount that would be paid to transfer the liability to a new obligor, not the amount that would be paid to settle the liability with the creditor. Where available, fair value is based on observable market prices or parameters or derived from such prices or parameters. Where observable prices or inputs are not available, valuation models are applied. These valuation techniques involve some level of management estimation and judgment, the degree of which is dependent on the price transparency for the instruments or market and the instruments' complexity.

Assets and liabilities disclosed at fair value are categorized based upon the level of judgment associated with the inputs used to measure their fair value. Hierarchical levels directly related to the amount of subjectivity associated with the inputs to fair valuation of these assets and liabilities are as follows:

- Level 1 — Inputs are unadjusted and quoted prices exist in active markets for identical assets or liabilities at the measurement date. The types of assets and liabilities carried at Level 1 fair value generally are government and agency securities, equities listed in active markets, investments in publicly traded mutual funds with quoted market prices and listed derivatives.
- Level 2 — Inputs (other than quoted prices included in Level 1) are either directly or indirectly observable for the asset or liability through correlation with market data at the measurement date and for the duration of the instrument's anticipated life. Level 2 inputs include quoted market prices in markets that are not active for an identical or similar asset or liability, and quoted market prices in active markets for a similar asset or liability. Fair valued assets and liabilities that are generally included in this category are non-government securities, municipal bonds, certain hybrid financial instruments, certain mortgage and asset-backed securities, certain corporate debt, certain commitments and guarantees, certain private equity investments and certain derivatives.
- Level 3 — Inputs reflect management's best estimate of what market participants would use in pricing the asset or liability at the measurement date. These valuations are based on significant unobservable inputs that require a considerable amount of judgment and assumptions. Consideration is given to the risk inherent in the valuation technique and the risk inherent in the inputs to the model. Generally, assets and liabilities carried at fair value and included in this category are certain mortgage and asset-backed securities, certain corporate debt, certain private equity investments, certain municipal bonds, certain commitments and guarantees and certain derivatives.

Determining which category an asset or liability falls within the hierarchy requires significant judgment and the Company evaluates its hierarchy disclosures each quarter.

The following is a description of the valuation techniques used to measure fair value and the general classification of these instruments pursuant to the fair value hierarchy.

**Loans and investments, net:** Fair values of loans and investments that are not impaired are estimated using Level 3 inputs based on discounted cash flow methodology, using discount rates, which, in the opinion of management, best reflect current market interest rates that would be offered for loans with similar characteristics and credit quality. Fair values of loans and investments that are impaired are estimated using Level 3 inputs by the Company that require significant judgments, which include assumptions regarding discount rates, capitalization rates, leasing, creditworthiness of major tenants, occupancy rates, availability of financing, exit plan, loan sponsorship, actions of other lenders and other factors deemed necessary by management.

**Available-for-sale securities:** Fair values are approximated based on current market quotes received from active markets or financial sources that trade such securities. The fair values of available-for-sale equity securities traded in active markets are approximated using Level 1 inputs, while the fair values of available-for-sale debt securities that are approximated using current, non-binding market quotes received from financial sources that trade such investments are valued using Level 3 inputs. The fair values of RMBS investments at December 31, 2013 were approximated using Level 3 inputs that required significant judgments, and were used in internally developed valuation models, which were compared to current non-binding market quotes received from financial sources that trade such securities. The fair value of a CMBS security is estimated by the Company using Level 3 inputs that require significant judgments, which include assumptions regarding capitalization rates, leasing, creditworthiness of major tenants, occupancy rates, availability of financing, exit plan, loan sponsorship, actions of other lenders and other factors deemed necessary by management.

**Derivative financial instruments:** Fair values of interest rate swap derivatives are approximated using Level 2 inputs based on current market data received from financial sources that trade such instruments and are based on prevailing market data and derived from third party proprietary models based on well recognized financial principles including counterparty risks, credit spreads and interest rate projections, as well as reasonable estimates about relevant future market conditions. These items are included in other assets and other liabilities on the Consolidated Balance Sheets. The Company incorporates credit valuation adjustments in the fair values of its derivative financial instruments to reflect counterparty nonperformance risk. The fair values of RMBS underlying linked transactions are estimated using Level 3 inputs based on internally developed valuation models, which are compared to broker quotations. The value of the underlying RMBS is then netted against the carrying amount (which approximates fair value) of the repurchase agreement borrowing at the valuation date. The fair value of linked transactions also includes accrued interest receivable on the RMBS and accrued interest payable on the underlying repurchase agreement borrowings.

**Repurchase agreements, credit facilities, notes payable and mortgage notes payable:** Fair values are estimated at Level 3 using discounted cash flow methodology, using discount rates, which, in the opinion of management, best reflect current market interest rates for financing with similar characteristics and credit quality.

**Collateralized debt obligations and collateralized loan obligations:** Fair values are estimated at Level 3 based on broker quotations, representing the discounted expected future cash flows at a yield that reflects current market interest rates and credit spreads.

**Junior subordinated notes:** Fair values are estimated at Level 3 based on broker quotations, representing the discounted expected future cash flows at a yield that reflects current market interest rates and credit spreads.

The Company measures certain financial assets and financial liabilities at fair value on a recurring basis. The fair value of these financial assets and liabilities was determined using the following inputs as of March 31, 2014:

(2) The Company recorded an impairment loss on one of the properties in its Multifamily Portfolio in the first quarter of 2014.

**Loan impairment assessments:** Loans held for investment are intended to be held to maturity and, accordingly, are carried at cost, net of unamortized loan origination costs and fees, loan purchase discounts, and net of the allowance for loan losses when such loan or investment is deemed to be impaired. The Company considers a loan impaired when, based upon current information and events, it is probable that it will be unable to collect all amounts due for both principal and interest according to the contractual terms of the loan agreement. The Company performs evaluations of its loans to determine if the value of the underlying collateral securing the impaired loan is less than the net carrying value of the loan, which may result in an allowance and corresponding charge to the provision for loan losses. These valuations require significant judgments, which include assumptions regarding capitalization rates, leasing, creditworthiness of major tenants, occupancy rates, availability of financing, exit plan, loan sponsorship, actions of other lenders and other factors deemed necessary by management. The table above includes all impaired loans, regardless of the period in which an impairment was recognized.

**Real estate owned and land investments:** The Company performs evaluations of its real estate owned and land investments to determine if the fair value of the property is less than the net carrying value, which may result in impairment. These valuations require significant judgments, which include assumptions regarding capitalization rates, leasing, creditworthiness of major tenants, occupancy rates, availability of financing, exit plan, comparable sales and other factors deemed necessary by management.

- (2) Each forward contract derivative is associated with an underlying security that is individually modeled and valued based on the security's specific characteristics, which include current collateral composition, collateral performance projections, tranche credit enhancement and other market factors. Accordingly, as the range of the unobservable inputs used to value each individual security varies greatly, disclosing a range or weighted average of such inputs would not be meaningful. In the first quarter of 2014, the Company sold the majority of these forward contract derivatives.

Specific requirements include, but are not limited to, property renovations, building construction, and building conversions based on criteria met by the borrower in accordance with the loan agreements. In relation to the \$6.3 million outstanding balance at March 31, 2014, the Company's restricted cash balance contained approximately \$5.4 million available to fund the portion of the unfunded commitments for loans financed by the Company's CDO and CLO vehicles.

*Litigation*

The Company currently is neither subject to any material litigation nor, to management's knowledge, is any material litigation currently threatened against the Company other than the following:

On June 15, 2011, three related lawsuits were filed by the Extended Stay Litigation Trust (the "Trust"), a post-bankruptcy litigation trust alleged to have standing to pursue claims that previously had been held by Extended Stay, Inc. and the Homestead Village L.L.C. family of companies (together "ESI") (formerly Chapter 11 debtors, together the "Debtors") that have emerged from bankruptcy. Two of the lawsuits were filed in the United States Bankruptcy Court for the Southern District of New York, and the third in the Supreme Court of the State of New York, New York County. There were 73 defendants in the three lawsuits, including 55 corporate and partnership entities and 18 individuals. A subsidiary of the Company and certain other entities that are affiliates of the

**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Unaudited)**  
**March 31, 2014**

Company are included as defendants. The New York State Court action has been removed to the Bankruptcy Court. The Company's affiliates filed a motion to dismiss the three lawsuits.

The lawsuits all allege, as a factual basis and background certain facts surrounding the June 2007 leveraged buyout of ESI from affiliates of Blackstone Capital. The Company's subsidiary, Arbor ESH II, LLC, had a \$115.0 million investment in the Series A1 Preferred Units of a holding company of Extended Stay, Inc. The New York State Court action and one of the two federal court actions name as defendants, Arbor ESH II, LLC, Arbor Commercial Mortgage, LLC and ABT-ESI LLC, an entity in which the Company has a membership interest, among the broad group of defendants. These two actions were commenced by substantially identical complaints. The defendants are alleged in these complaints, among other things, to have breached fiduciary and contractual duties by causing or allowing the Debtors to pay illegal dividends or other improper distributions of value at a time when the Debtors were insolvent. These two complaints also allege that the defendants aided and abetted, induced, or participated in breaches of fiduciary duty, waste, and unjust enrichment ("Fiduciary Duty Claims") and name a director of the Company, and a former general counsel of Arbor Commercial Mortgage, LLC, each of whom had served on the Board of Directors of ESI for a period of time. The Company is defending these two defendants and paying the costs of such defense. On the basis of the foregoing allegations, the Trust has asserted claims under a number of common law theories, seeking the return of assets transferred by the Debtors prior to the Debtors' bankruptcy filing.

In the third action, filed in Bankruptcy Court, the same plaintiff, the Trust, has named Arbor Commercial Mortgage, LLC and ABT-ESI LLC, together with a number of other defendants and asserts claims, including constructive and fraudulent conveyance claims under state and federal statutes, as well as a claim under the Federal Debt Collection Procedure Act.

On June 28, 2013, the Trust filed a motion to amend the lawsuits, to, among other things, (i) consolidate the lawsuits into one lawsuit, (ii) remove 47 defendants, none of whom are related to the Company, from the lawsuits so that there are 26 remaining defendants, including 16 corporate and partnership entities and 10 individuals, and (iii) reduce the counts within the lawsuits from over 100 down to 17. The remaining counts in the amended complaint against affiliates of the Company are principally state law claims for breach of fiduciary duties, waste, unlawful dividends and unjust enrichment, and claims under the Bankruptcy Code for avoidance and recovery actions, among others. The bankruptcy court granted the motion and the amended complaint has been filed. The amended complaint seeks \$139.0 million in the aggregate from director designees and affiliates of the Company. The Company has moved to dismiss the referenced actions and intends to vigorously defend against the claims asserted therein. During a status conference held on March 18, 2014, the Court heard oral argument on the motion to dismiss and adjourned the case pending a ruling.

The Company has not made a loss accrual for this litigation because it believes that it is not probable that a loss has been incurred and an amount cannot be reasonably estimated.

In the fourth quarter of 2013, the entity’s operating agreement was amended to provide joint control to the members of the entity, and therefore, the entity was deconsolidated. Upon completion of this transaction, the Company deconsolidated the entity and noncontrolling interest was reduced to zero. For the three months ended March 31, 2013, the Company recorded income of \$0.1 million as well as distributions of \$0.1 million attributable to the noncontrolling interest.

**Note 13 — Earnings Per Share**

Basic earnings per share (“EPS”) is calculated by dividing net income (loss) attributable to Arbor Realty Trust, Inc. by the weighted average number of shares of common stock outstanding during each period inclusive of unvested restricted stock with full dividend participation rights. Diluted EPS is calculated by dividing net income (loss) by the weighted average number of shares of common stock outstanding plus the additional dilutive effect of common stock equivalents during each period using the treasury stock method. The Company’s common stock equivalents include the dilutive effect of warrants outstanding.

**Note 14 — Agreements and Transactions with Related Parties**

*Management Agreement*

The Company, ARLP and Arbor Realty SR, Inc. have a management agreement with ACM, pursuant to which ACM provides certain services and the Company pays ACM a base management fee and under certain circumstances, an annual incentive fee.

The base management fee is an arrangement whereby the Company reimburses ACM for its actual costs incurred in managing the Company's business based on the parties' agreement in advance on an annual budget with subsequent quarterly true-ups to actual costs. All origination fees on investments are retained by the Company.

The incentive fee is measured on an annual basis and is calculated as (1) 25% of the amount by which (a) the Company's funds from operations per share, adjusted for certain gains and losses including gains from the retirement and restructuring of debt and 60% of any loan loss reserve recoveries (spread over a three year period), exceeds (b) the product of (x) 9.5% per annum or the Ten Year U.S. Treasury Rate plus 3.5%, whichever is greater, and (y) the greater of \$10.00 or the weighted average of book value of the net assets contributed by ACM to ARLP per ARLP partnership unit, the offering price per share of the Company's common equity in the private offering on July 1, 2003 and subsequent offerings and the issue price per ARLP partnership unit for subsequent contributions to ARLP, multiplied by (2) the weighted average of the Company's outstanding shares.

The minimum return, or incentive fee hurdle to be reached before an incentive fee is earned, is a percentage applied on a per share basis to the greater of \$10.00 or the average gross proceeds per share. In addition, 60% of any loan loss and other reserve recoveries are eligible to be included in the incentive fee calculation, which recoveries are spread over a three year period.

**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Unaudited)**  
**March 31, 2014**

The management agreement also allows the Company to consider, from time to time, the payment of additional “success-based” fees to ACM for accomplishing certain specified corporate objectives; has a termination fee of \$10.0 million; and is renewable automatically for successive one-year terms, unless terminated with six months prior written notice. If the Company terminates or elects not to renew the management agreement without cause, it is required to pay the termination fee of \$10.0 million.

The following table sets forth the Company’s base and incentive management fees for the periods indicated:

<b>Management Fees:</b>	<b>Three Months Ended March 31,</b>	
	<b>2014</b>	<b>2013</b>
Base	\$ 2,450,000	\$ 2,800,000
Incentive	—	—
<b>Total management fee</b>	<b>\$ 2,450,000</b>	<b>\$ 2,800,000</b>

- (1) Included in base management fees at March 31, 2014 and 2013, was \$1.2 million and \$1.3 million, respectively, that was included in due to related party.

Beginning January 1, 2014, the Company will directly compensate its chief executive officer \$1.0 million in annual base compensation as an employee. As such, this compensation will be recorded as employee compensation and benefits, which was previously recorded as part of the base management fee prior to 2014. For the three months ended March 31, 2014 and 2013, no success-based payments were made.

In 2007, ACM received an incentive fee installment totaling \$19.0 million which was recorded as a prepaid management fee related to the incentive fee on \$77.1 million of deferred revenue recognized on the transfer of control of the 450 West 33<sup>rd</sup> Street property, which is one of the Company’s equity affiliates.

#### *Other Related Party Transactions*

Due from related party was approximately \$0.3 million and \$0.1 million at March 31, 2014 and December 31, 2013, respectively, and consisted primarily of escrows held by ACM and its affiliates related to real estate transactions.

Due to related party was \$1.1 million at March 31, 2014 and consisted primarily of base management fees due to ACM, of which \$0.7 million will be remitted by the Company in the following quarter. At December 31, 2013, due to related party was \$2.8 million and consisted primarily of base management fees due to ACM that were remitted by the Company in the following quarter.

In March 2014, the Company originated a bridge loan to a third party borrower for a portfolio of properties with an unpaid principal balance of \$70.1 million, of which, \$15.0 million was financed with junior loan participations to ACM. The loan has a weighted average interest rate of 6.38% and a maturity date of March 2016. The participations have a weighted average interest rate of 7.20% and a maturity date of March 2016. Interest income recorded from this loan totaled approximately \$0.2 million for the three months ended March 31, 2014.

The Company had two loans totaling \$22.4 million, which were secured by a property purchased in 2011 by a third party borrower from ACM. In the first quarter 2014, ACM purchased the property from the prior borrower subject to the Company’s loans. In connection with this purchase, ACM paid down the loans by \$2.3 million and the Company restructured its remaining debt outstanding into a first mortgage of \$14.6 million with a maturity date of June 2014 and a second mortgage of \$5.1 million with a maturity date of April 2015, both with an interest rate of LIBOR plus 4.80%. Interest income recorded from these loans totaled approximately \$0.3 million and \$0.4 million for the three months ended March 31, 2014 and 2013, respectively.

**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Unaudited)**  
**March 31, 2014**

In October 2013, the Company purchased, at par, a \$3.0 million mezzanine loan from ACM who originated the loan in September 2013 to a third party entity. The loan has a fixed interest rate of 13.00% and a maturity date of October 2018. Interest income recorded from this loan was approximately \$0.1 million for the three months ended March 31, 2014.

In June 2013, the Company's board of directors formed a Special Committee consisting of independent directors in connection with the exploration and evaluation of a potential transaction with the Company's manager involving the acquisition of its manager's Fannie Mae, DUS, FHA and CMBS platforms, as well as the internalization of the management of its current business. Although there have been preliminary discussions between the Special Committee and representatives of the Company's manager, it cannot provide any assurance regarding the timing, terms or form of any such transaction, including the amount or type of consideration (including the issuance of common stock) or related financing, or whether any transaction between the Company and its manager will occur at all. Also, in connection with evaluating a potential transaction with the Company's manager, the Special Committee engaged legal, financial and accounting advisors resulting in approximately \$1.4 million of advisory fees for the year ended December 31, 2013. No advisory fees were incurred during the three months ended March 31, 2014 and 2013.

In April 2013, the Company originated six bridge loans totaling \$53.0 million for a portfolio of multifamily properties owned by a consortium of investors including Mr. Ivan Kaufman and his affiliates and Mr. Fred Weber, who together own an interest of approximately 19% in the borrowing entity. The loans had an interest rate of one-month LIBOR plus 7.25% and a maturity date of April 2015, which were paid off in the fourth quarter of 2013. In November 2013, the Company originated a new bridge loan for \$2.0 million with an interest rate of one-month LIBOR plus 5.50%. Interest income recorded from these loans totaled approximately \$0.1 million for the three months ended March 31, 2014.

In April 2013, the Company also purchased, at par, a \$6.4 million bridge loan from ACM who originated the loan in March 2013 to a third party entity that acquired the property from an entity owned by Mr. Ivan Kaufman and his affiliates and Mr. Fred Weber, who together also provided a \$1.1 million preferred equity contribution to the overall transaction. Mr. Ivan Kaufman also provided a \$1.0 million personal guaranty on the bridge loan. The bridge loan bears interest at a rate of one-month LIBOR plus 5.00% for the first year then one-month LIBOR plus 6.00% thereafter and has a maturity date of March 2015 with three one year extension options. Interest income recorded from these loans totaled approximately \$0.1 million for the three months ended March 31, 2014.

In January 2013, the Company originated a \$7.5 million bridge loan for a multifamily property in Charlotte, North Carolina. William C. Green, who serves on the Company's Board of Directors, holds a 6.6% partnership interest in the borrowing entity and is the chief financial officer of an affiliated entity that is a partner in, and the management company for, the borrowing entity. Mr. Green also provided a \$0.4 million personal guaranty on the bridge loan. The loan bore interest at a rate of one-month LIBOR plus 6.00%, had a maturity date of January 2015, and was paid off in the second quarter of 2014. Interest income recorded from this loan totaled approximately \$0.1 million for both the three months ended March 31, 2014 and 2013.

In December 2011, the Company completed a restructuring of a \$67.6 million preferred equity investment on the Lexford Portfolio ("Lexford"), which is a portfolio of multi-family assets. The Company, along with a consortium of independent outside investors, made an additional preferred equity investment of \$25.0 million in Lexford of which the Company held a \$10.5 million interest, and Mr. Fred Weber, the Company's executive vice president of structured finance, held a \$0.5 million interest, which was paid down to \$22.5 million in the third quarter of 2013, and then paid off in the fourth quarter of 2013. The original preferred equity investment now bears a fixed rate of interest of 2.36%, revised from an original rate of LIBOR plus 5.00% (the loan was paying a modified rate of LIBOR plus 1.65% at the time of the new investment). The original preferred equity investment matures in June 2020. Interest income recorded from the preferred equity investment totaled approximately \$0.3 million for the three months ended March 31, 2013. The new preferred equity investment had a fixed interest rate of 12% and a maturity date in June 2020. The Company, along with the same outside investors, also made a \$0.1 million equity investment into Lexford, of which the Company held a \$44,000 noncontrolling interest, and does not have the power to control the significant activities of the entity. During the fourth quarter of 2011, the Company recorded losses

**March 31, 2014**

from the entity against the equity investment, reducing the balance to zero. The Company records this investment under the equity method of accounting. In addition, under the terms of the restructuring, Lexford's first mortgage lender required a change of property manager for the underlying assets. The new management company is an affiliate of Mr. Ivan Kaufman, the Company's chairman and chief executive officer, and has a contract with the new entity for 7.5 years and will be entitled to 4.75% of gross revenues of the underlying properties, along with the potential to share in the proceeds of a sale or refinancing of the debt should the management company remain engaged by the new entity at the time of such capital event. In the first quarter of 2012, Mr. Fred Weber invested \$250,000 in the new management company and currently owns a 23.5% ownership interest. Mr. Ivan Kaufman and his affiliates currently own a 53.9% ownership interest. The Company has provided limited ("bad boy") guarantees for certain debt controlled by Lexford. The bad boy guarantees may become a liability for the Company upon standard "bad" acts such as fraud or a material misrepresentation by Lexford or the Company. At March 31, 2014, this debt had an aggregate outstanding balance of \$734.4 million and is scheduled to mature between 2017 and 2023.

Interest income recorded from loans originated in 2012 or prior years with the Company's affiliates totaled \$0.5 million and \$1.2 million for the three months ended March 31, 2014 and 2013, respectively.

The Company is dependent upon its manager, ACM, with whom it has a conflict of interest, to provide services to the Company that are vital to its operations. The Company's chairman, chief executive officer and president, Mr. Ivan Kaufman, is also the chief executive officer and president of ACM, and, the Company's chief financial officer and treasurer, Mr. Paul Elenio, is the chief financial officer of ACM. In addition, Mr. Kaufman and his affiliated entities ("the Kaufman Entities") together beneficially own approximately 92% of the outstanding membership interests of ACM and certain of the Company's employees and directors also hold an ownership interest in ACM. Furthermore, one of the Company's former directors is general counsel to ACM and another of the Company's directors also serves as the trustee of one of the Kaufman Entities that holds a majority of the outstanding membership interests in ACM and co-trustee of another Kaufman Entity that owns an equity interest in ACM. ACM currently holds approximately 5.3 million of the Company's common shares, representing approximately 11% of the voting power of the Company's outstanding stock as of March 31, 2014. The Company's Board of Directors approved a resolution under the Company's charter allowing Ivan Kaufman and ACM, (which Mr. Kaufman has a controlling equity interest in), to own more than the 5% ownership interest limit of the Company's common stock stated in the Company's charter as amended.

**Note 15 — Due to Borrowers**

Due to borrowers represents borrowers' funds held by the Company to fund certain expenditures or to be released at the Company's discretion upon the occurrence of certain pre-specified events, and to serve as additional collateral for borrowers' loans. While retained, these balances earn interest in accordance with the specific loan terms they are associated with.

## Item 2. MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS

*You should read the following discussion in conjunction with the unaudited consolidated interim financial statements, and related notes included herein.*

### Overview

We invest in multi-family and commercial real estate-related bridge loans, junior participating interests in first mortgages, mezzanine loans, preferred and direct equity and, in limited cases, discounted mortgage notes and other real estate-related assets, which we refer to collectively as structured finance investments. We are organized and conduct our operations to qualify as a REIT and to comply with the provisions of the Internal Revenue Code. A REIT is generally not subject to federal income tax on its REIT—taxable income that is distributed to its stockholders, provided that at least 90% of its REIT—taxable income is distributed and provided that certain other requirements are met. We have also invested in mortgage-related securities. We conduct substantially all of our operations through our operating partnership and its wholly-owned subsidiaries.

Our operating performance is primarily driven by the following factors:

- *Net interest income earned on our investments* — Net interest income represents the amount by which the interest income earned on our assets exceeds the interest expense incurred on our borrowings. If the yield earned on our assets decreases or the cost of borrowings increases, this will have a negative impact on earnings. However, if the yield earned on our assets increases or the cost of borrowings decreases, this will have a positive impact on earnings. Net interest income is also directly impacted by the size and performance of our asset portfolio.
- *Credit quality of our assets* — Effective asset and portfolio management is essential to maximize the performance and value of a real estate/mortgage investment. Maintaining the credit quality of our loans and investments is of critical importance. Loans that do not perform in accordance with their terms may have a negative impact on earnings and liquidity.
- *Cost control* — We seek to minimize our operating costs, which consist primarily of employee compensation and related costs, management fees and other general and administrative expenses. If there are increases in foreclosures and non-performing loans and investments, certain of these expenses, particularly employee compensation expenses and asset management related expenses, may increase.

### Recent Developments

*Loan and Investment Activity* — We originated 18 loans totaling \$274.9 million with a weighted average interest rate of 6.86%. We received full satisfaction of 12 loans totaling \$224.5 million with a weighted average interest rate of 6.15% and a partial paydown of \$2.3 million on a preferred equity investment with an interest rate of 8.51%.

*Capital Raising Activities* — We raised \$21.6 million of capital through the issuance of 8.50% Series C cumulative redeemable preferred stock and \$6.5 million through an “At-The-Market” (“ATM”) common stock offering.

*Financing Activities* — We expanded the capacity on two existing debt facilities by an aggregate of \$40.0 million, including a temporary increase on one of the facilities of \$10.0 million until June 2014. In April 2014, we closed our third CLO totaling approximately \$375.0 million of real estate related assets and cash. See “Liquidity and Capital Resources” below for further details.

*Sale of Securities* — We sold the majority of our RMBS securities available-for-sale for \$33.9 million and recognized a net gain of \$0.5 million on these sales.

## **Current Market Conditions, Risks and Recent Trends**

Our ability to execute our business strategy, particularly the growth of our portfolio of loans and investments, is dependent on many factors, including our ability to access capital and financing on favorable terms. Although economic and market conditions in the United States have generally improved over the past several years, the overall market recovery remains uncertain. The impact of the previous economic downturn had a significant negative impact and continues to affect both us and our borrowers. Weak economic conditions may limit our options for raising capital and obtaining financing on favorable terms and may also adversely impact the creditworthiness of our borrowers which could result in their inability to repay their loans.

The capital markets began to substantially open up in 2012 and access to the equity and debt markets continued to improve through the first quarter of 2014. We rely on these markets to generate capital for financing the growth of our business. During the first quarter of 2014, we raised \$21.6 million of capital through a preferred stock offering and \$6.5 million through an ATM offering. While there can be no assurance that we will continue to have access to the equity and debt markets, we will continue to pursue these and other available market opportunities as means to increase our liquidity and capital base. If we were to experience another prolonged downturn in the stock or credit markets, it could cause us to seek alternative sources of potentially less attractive financing, and may require us to adjust our business plan accordingly.

The commercial real estate markets continue to improve, but uncertainty remains as a result of global market instability, the current political climate and other matters and their potential impact on the United States economy. If real estate values decline again, it may limit our new mortgage loan originations since borrowers often use increases in the value of their existing properties to support the purchase or investment in additional properties. Declining real estate values may also significantly increase the likelihood that we will incur losses on our loans in the event of default because the value of our collateral may be insufficient to cover our cost on the loan. Any sustained period of increased payment delinquencies, foreclosures or losses could adversely affect both our net interest income from loans as well as our ability to originate, sell and securitize loans, which would significantly impact our revenues, results of operations, financial condition, business prospects and our ability to make distributions to our stockholders.

During the first quarter of 2014 we recorded \$1.0 million of new provisions for loan losses due to declining collateral values and recorded net recoveries of reserves of \$0.9 million. During fiscal year 2013, we recorded \$6.5 million of new provisions for loan losses, due to declining collateral values, and \$2.2 million in net recoveries of reserves. In addition, during the first quarter of 2014 and fiscal year 2013 we recorded impairment losses on a real estate owned asset of \$0.3 million and \$1.0 million, respectively. We have made, and continue to make modifications and extensions to loans when it is economically feasible to do so. In some cases, a modification is a more viable alternative to foreclosure proceedings when a borrower cannot comply with loan terms. In doing so, lower borrower interest rates, combined with non-performing loans, would lower our net interest margins when comparing interest income to our costs of financing. However, since 2013, the level of modifications and extensions have declined and repayments of loans increased as borrowers access to financing improved. If trends were to deteriorate and another prolonged economic downturn were to occur, we believe there could be additional loan modifications and delinquencies, which may result in reduced net interest margins and additional losses throughout our sector.

Refer to our Annual Report on Form 10-K for the year ended December 31, 2013 for additional risk factors.

## **Primary Sources of Operating Revenues**

We derive our operating revenues primarily through interest received from making real estate-related bridge, mezzanine and junior participation loans and preferred equity investments. For the three months ended March 31, 2014 and 2013, interest income earned on these loans and investments represented 72% and 68% of our total revenues, respectively.

Property operating income is derived from our hotel and multifamily real estate owned assets. For the three months ended March 31, 2014 and 2013, property operating income represented 25% and 26% of our total revenues,

respectively. The operation of a portfolio of hotel properties that we own is seasonal with the majority of revenues earned in the first two quarters of the calendar year.

### **Changes in Financial Condition**

#### *Assets — Comparison of balances at March 31, 2014 to December 31, 2013:*

Our loan and investment portfolio balance, including our available-for-sale securities, was \$1.72 billion and \$1.67 billion at March 31, 2014 and December 31, 2013, respectively, with a weighted average current interest pay rate of 5.26% and 5.21%, respectively. Including certain fees and costs associated with the loan and investment portfolio, the weighted average current interest rate was 5.79% and 5.69%, respectively. Advances on our financing facilities totaled \$1.21 billion and \$1.19 billion at March 31, 2014 and December 31, 2013, respectively, with a weighted average funding cost of 3.16% and 3.03%, respectively, which excludes changes in the market value of certain interest rate swaps and financing costs. Including the financing costs, the weighted average funding rate was 3.52% and 3.34%, respectively.

Cash and cash equivalents decreased \$27.7 million primarily due to funding new loan originations and investments, payment of dividends and related party payables, net of proceeds received from our equity offerings in 2014, as well as increases to financing facilities, loan payoffs and interest from our investments.

Restricted cash increased \$42.2 million primarily due to payoffs of loans from our CDOs net of principal repayments. Restricted cash is kept on deposit with the trustees for our CDOs, all three of which have reached their respective replenishment dates, and primarily represents proceeds from loan payoffs and paydowns net of principal repayments to the CDO bondholders, as well as unfunded loan commitments and interest payments received from loans.

Loans and investments increased \$51.1 million. First quarter 2014 loan and investment activity was comprised of:

- Originated 18 loans totaling \$274.9 million with a weighted average interest rate of 6.86%.
- Received full satisfaction of 12 loans totaling \$224.5 million that had a weighted average interest rate of 6.15%
- Received a partial paydown of \$2.3 million on a preferred equity investment with an interest rate of 8.51%.
- Extended seven loans totaling \$35.2 million.

Our allowance for loan losses was \$116.7 million at March 31, 2014, a decrease of \$5.5 million from December 31, 2013. During the first quarter of 2014, we recorded charge-offs to our allowance totaling approximately \$5.7 million and recorded a provision for loan loss, net of recoveries totaling \$0.1 million.

Available-for-sale securities decreased \$34.5 million primarily due to the sale of \$33.4 million of available-for-sale RMBS securities for \$33.9 million.

#### *Liabilities — Comparison of balances at March 31, 2014 to December 31, 2013:*

Repurchase agreements and credit facilities increased \$89.1 million primarily due to an increase of outstanding amounts on amended credit facilities as a result of new loan originations, net of the payoff of our repurchase agreements due to the sale of the related available-for-sale securities.

Collateralized debt obligations decreased \$119.9 million primarily due to payments to investors due to runoff.

Notes payable increased \$15.0 million primarily due to junior loan participations to ACM on a loan for \$70.1 million in our portfolio.

Due to borrowers increased \$12.3 million due to an increase in unfunded commitments on the loans originated during the first quarter of 2014.

## Equity

#### Net Interest Income

Interest income increased \$1.9 million, or 8%, for the three months ended March 31, 2014 as compared to the same period in 2013. This increase was primarily due to an 11% increase in the average yield on core interest-earning assets from 5.63% for the three months ended March 31, 2013 to 6.23% for the three months ended March 31, 2014, due to higher interest rates on our net originations. The increase was net of a 2% decrease in our average core interest-earning assets from \$1.65 billion for the three months ended March 31, 2013 to \$1.62 billion for the three months ended March 31, 2014, due to payoffs, net of originations.

Interest expense decreased \$0.1 million for the three months ended March 31, 2014 as compared to the same period in 2013. The decrease was primarily due to a 9% decrease in the average balance of our interest-bearing liabilities from \$1.28 billion for the three months ended March 31, 2013 to \$1.17 billion for the three months ended March 31, 2014. The decrease in the average balance was primarily due to a decrease in CDO debt due to runoff, net of an increase in our CLO financing facility as well as increased borrowing in our warehouse facilities. The decrease was net of a 9% increase in the average cost of these interest-bearing liabilities from 3.38% for the three months ended March 31, 2013 to 3.68% for the three months ended March 31, 2014.

## [Table of Contents](#)

### *Other Revenue*

Other income, net decreased \$0.5 million, or 38%, for the three months ended March 31, 2014 as compared to the same period in 2013, primarily due to a decrease of \$0.6 million in miscellaneous asset management fees and recuperations on our loan and investment portfolio, as well as a \$0.4 million decrease in net interest income, and is net of a \$0.5 million gain on the sale of RMBS investments held as available-for-sale.

### *Other Expenses*

Employee compensation and benefits expense increased \$0.3 million, or 10%, for the three months ended March 31, 2014 as compared to the same period in 2013. An increase in staffing resulting from higher loan origination volume from 2013 to 2014 as well as our CEO's base salary being directly compensated by us effective January 1, 2014, contributed \$0.5 million of this increase, net of a decrease of \$0.2 million in stock-based compensation due to a portion of restricted common stock granted to certain employees in the first quarter of 2013 that immediately vested on the grant date.

Selling and administrative expense decreased \$0.2 million, or 9%, for the three months ended March 31, 2014 as compared to the same period in 2013. These costs include, but are not limited to, professional and consulting fees, marketing costs, insurance expense, travel and placement fees, director's fees, licensing fees and stock-based compensation relating to our directors and certain employees of our manager. This decrease was primarily due to a portion of restricted common stock granted to certain directors, and employees of our manager, in the first quarter of 2013 that immediately vested on the grant date.

Depreciation and amortization expense increased \$0.3 million, or 21%, for the three months ended March 31, 2014 as compared to the same period in 2013, primarily due to an increase in capital expenditures associated with two real estate owned investments.

Impairment loss on real estate owned of \$0.3 million for the three months ended March 31, 2014 resulted from our determination of impairment based on the analysis of one of the properties in our Multifamily Portfolio in the first quarter of 2014.

Provision for loan losses (net of recoveries) totaled \$0.1 million for the three months ended March 31, 2014, and \$2.5 million for the three months ended March 31, 2013. At March 31, 2014, we performed an evaluation of our loan portfolio and determined that the fair value of the underlying collateral securing an impaired loan with a carrying value of \$4.8 million was less than the net carrying value of the loan, resulting in us recording an additional \$1.0 million provision for loan losses. We also recorded \$0.9 million of recoveries of previously recorded loan loss reserves in the first quarter of 2014, netting the provision to \$0.1 million for the three months ended March 31, 2014. At March 31, 2013, we determined that the fair value of the underlying collateral securing two impaired loans with an aggregate carrying value of \$13.5 million was less than the net carrying value of the loans, resulting in us recording an additional \$2.5 million provision for loan losses. We also recorded a recovery of less than \$0.1 million in the first quarter of 2013, netting the provision to \$2.5 million for the three months ended March 31, 2013.

Management fees decreased \$0.4 million, or 13%, for the three months ended March 31, 2014 as compared to the same period in 2013. These amounts represent compensation in the form of base management fees, on a cost reimbursement basis. The decrease is primarily due to recording a portion of the management fee as employee compensation and benefits in connection with our CEO's base salary being directly compensated by us effective January 1, 2014. Including the portion of this fee that is recorded as employee compensation and benefits, we currently expect that the annual management fee for 2014 will approximate the 2013 fee paid to our manager.

### *Gain on Extinguishment of Debt*

During the three months ended March 31, 2013, we purchased, at a discount, a \$7.1 million investment grade rated Class H note originally issued by our CDO III issuing entity from a third party investor and recorded a gain on early extinguishment of debt of \$3.8 million. There was no gain on extinguishment of debt during the three months ended March 31, 2014.

### *Preferred Stock Dividends*

Preferred stock dividends increased \$1.1 million for the three months ended March 31, 2014 as compared to the same period in 2013. Dividends on our 7.75% Series B preferred stock that was issued in May 2013 contributed \$0.6 million of this increase while the full quarter impact of dividends on our 8.25% Series A preferred stock that was issued in February 2013 contributed an additional \$0.3 million. In addition, we accrued dividends of \$0.2 million on our 8.5% Series C preferred stock that was issued in February 2014.

## **Liquidity and Capital Resources**

### *Sources of Liquidity*

Liquidity is a measurement of the ability to meet potential cash requirements. Our short-term and long-term liquidity needs include ongoing commitments to repay borrowings, fund future loans and investments, fund additional cash collateral from potential declines in the value of a portion of our interest rate swaps, fund operating costs and distributions to our stockholders as well as other general business needs. Our primary sources of funds for liquidity consist of proceeds from equity offerings, debt facilities and cash flows from our operations. Our equity sources, depending on market conditions, consist of proceeds from capital market transactions including the issuance of common, convertible and/or preferred equity securities. Our debt facilities include the issuance of floating rate notes resulting from our CDOs and CLOs, the issuance of junior subordinated notes and borrowings under warehousing facilities and a line of credit. Net cash flows from operations include interest income from our loan and investment portfolio reduced by interest expense on our debt facilities, cash from other investments reduced by expenses, repayments of outstanding loans and investments and funds from junior loan participation arrangements.

We believe our existing sources of funds will be adequate for meeting our short-term and long-term liquidity needs. A majority of our loans and investments are financed under existing debt obligations and their credit status is continuously monitored; therefore, these loans and investments are expected to generate a generally stable return. Our ability to meet our long-term liquidity and capital resource requirements is subject to obtaining additional debt and equity financing. Any decision by our lenders and investors to enter into such transactions with us will depend upon a number of factors, such as our financial performance, compliance with the terms of our existing credit arrangements, industry or market trends, the general availability of and rates applicable to financing transactions, such lenders' and investors' resources and policies concerning the terms under which they make such capital commitments and the relative attractiveness of alternative investment or lending opportunities.

While we have been successful in obtaining proceeds from equity offerings, CLOs and certain financing facilities from 2012 to date, current conditions in the capital and credit markets have and may continue to make certain forms of financing less attractive and, in certain cases, less available. Therefore we will continue to rely, in part, on cash flows provided by operating and investing activities for working capital.

To maintain our status as a REIT under the Internal Revenue Code, we must distribute annually at least 90% of our REIT—taxable income. These distribution requirements limit our ability to retain earnings and thereby replenish or increase capital for operations. However, we believe that our capital resources and access to financing will provide us with financial flexibility and market responsiveness at levels sufficient to meet current and anticipated capital requirements.

### *Cash Flows*

Our cash flows from operating activities increased by \$2.7 million for the three months ended March 31, 2014 compared to the same period in 2013 primarily due to a decrease in cash posted against our derivative instruments.

[Table of Contents](#)

Cash flows used in investing activities improved by \$78.1 million for the three months ended March 31, 2014 compared to the same period in 2013 primarily due to a \$193.4 million increase in payoffs and paydowns, \$33.9 million from the proceeds from the sale of available-for-sale securities and a \$20.5 million decrease in the purchase of investments, net of principal collections, and is net of a \$166.9 million increase in the origination of loans, as compared to the same period in 2013.

Cash flows from financing activities decreased by \$157.3 million for the three months ended March 31, 2014 compared to the same period in 2013. Our second CLO closed in the first quarter of 2013, resulting in additional proceeds of \$177.0 million in the comparative period, proceeds from our common and preferred stock offerings decreased by \$97.9 million, payoffs and paydowns of our CDO vehicles increased by \$61.5 million, use of restricted cash increased by \$12.2 million, dividends paid on our common and preferred stock increased by \$3.6 million. These decreases to cash flows from financing activities were partially offset by the increase in proceeds from repurchase agreements and credit facilities of \$108.4 million and an decrease in the repayment of repurchase agreements and credit facilities of \$77.0 million.

*Cash Flow From Operations*

We continually monitor our cash position to determine the best use of funds to both maximize our return on funds and maintain an appropriate level of liquidity. Historically, in order to maximize the return on our funds, cash generated from operations has generally been used to temporarily pay down borrowings under credit facilities whose primary purpose is to fund our new loans and investments. Consequently, when making distributions in the past, we have borrowed the required funds by drawing on credit capacity available under our credit facilities. Since the terms of our short-term debt have changed due to market conditions, we may have to maintain adequate liquidity from operations to make any future distributions.

*Debt Facilities*

We maintain various forms of short-term and long-term financing arrangements. Borrowings underlying these arrangements are primarily secured by a significant amount of our loans and investments. The following is a summary of our debt facilities as of March 31, 2014:

Debt Facilities	March 31, 2014			
	Commitment	Debt Carrying Value	Available	Maturity Dates

These debt facilities are described in further detail in Note 7 of the “Notes to the Consolidated Financial Statements” set forth in Item 1 hereof. London inter-bank offered rate, or LIBOR, refers to one-month LIBOR unless specifically stated.

*Credit Facilities*

*Warehouse Facilities.* We utilize warehouse facilities to finance first mortgage loans on multifamily properties. At March 31, 2014, we have four warehouse facilities with outstanding debt balances totaling \$228.2 million. Our warehouse facilities are described below.

In July 2011, we entered into a two year, \$50.0 million warehouse facility with a financial institution to finance first mortgage loans on multifamily properties. In 2013, we amended the facility increasing the committed amount to \$75.0 million, decreased the rate of interest from 275 basis points over LIBOR to 225 basis points over LIBOR and decreased certain commitment, warehousing and non-use fees. In March 2014, the facility's committed amount was increased to \$110.0 million, which includes a temporary increase of \$10.0 million until June 2014 and requires a 0.13% commitment fee. The facility has a maximum advance rate of 75% and contains several restrictions including full repayment of an advance if a loan becomes 60 days past due, is in default or is written down by us. The facility has various financial covenants including a minimum liquidity requirement of \$20.0 million, minimum tangible net worth, which includes junior subordinated notes as equity of \$150.0 million, maximum total liabilities less subordinate debt of \$2.0 billion, as well as certain other debt service coverage ratios and debt to equity ratios. The facility has a compensating balance requirement of \$50.0 million to be maintained by us and our affiliates. At March 31, 2014, the outstanding balance of this facility was \$104.5 million. In April 2014, the facility's \$10.0 million temporary increase was repaid as part of the issuance of our third CLO.

In February 2013, we entered into a one year, \$50.0 million warehouse facility with a financial institution to finance first mortgage loans on multifamily properties. In April 2014, we amended the facility, increasing the committed amount to \$75.0 million. The facility bears interest at a rate of 225 basis points over LIBOR which was originally 250 basis points over LIBOR, upon closing, requires a 35 basis point commitment fee, which was originally 12.5 basis points, upon closing, matures in March 2015, has warehousing and non-use fees and allows for an original warehousing period of up to 24 months from the initial advance on an asset. The facility has a maximum advance rate of 75% and contains certain restrictions including partial prepayment of an advance if a loan becomes 90 days past due or in the process of foreclosure, subject to certain conditions. The facility has various financial covenants including a minimum liquidity requirement of \$20.0 million, minimum tangible net worth which includes junior subordinated notes as equity of \$150.0 million, maximum total liabilities less subordinate debt of \$2.0 billion, as well as certain other debt service coverage ratios and debt to equity ratios. At March 31, 2014, the outstanding balance of this facility was \$49.2 million.

In June 2013, we entered into a one year, \$40.0 million warehouse facility with a financial institution to finance first mortgage loans on multifamily properties, including a \$10.0 million sublimit to finance retail and office properties. In February 2014, we amended the facility, increasing the committed amount to \$45.0 million, and in April 2014 the committed amount was raised to \$60.0 million. The facility bears interest at a rate of 200 basis points over LIBOR, matures in April 2015, has warehousing fees and allows for an original warehousing period of up to 24 months from the initial advance on an asset. The facility has a maximum advance rate of 70% or 75%, depending on the property type, and contains certain restrictions including prepayment of an advance if a loan becomes 60 days past due or in the process of foreclosure, subject to certain conditions. The facility has various financial covenants including a minimum liquidity requirement of \$20.0 million, minimum tangible net worth of \$150.0 million, as well as a minimum debt service coverage ratio. At March 31, 2014, the outstanding balance of this facility was \$41.5 million.

In December 2013, we entered into a \$33.0 million warehouse facility with a financial institution to finance the first mortgage loan on a multifamily property. The facility bears interest at a rate of 225 basis points over LIBOR which increased to 250 basis points over LIBOR in February 2014, requires up to a 45 basis point commitment fee and matures in November 2015 with a one year extension option. The facility has various financial covenants including a minimum liquidity requirement of \$20.0 million, minimum tangible net worth which includes junior subordinated notes as equity of \$150.0 million, maximum total liabilities less subordinate debt of \$2.0 billion, as well as certain other debt service coverage ratios and debt to equity ratios. At March 31, 2014, the outstanding balance of this facility was \$33.0 million. In April 2014, the facility was repaid in full as part of the issuance of our third CLO.

**Line of Credit.** In May 2012, we entered into a \$15.0 million committed revolving line of credit with a one year term maturing in May 2013, which is secured by a portion of the bonds originally issued by our CDO entities that have been repurchased by us. This facility has a 1% commitment fee, a 1% non-use fee and pays interest at a fixed rate of 8% on any drawn portion of the line. The facility has a debt service coverage ratio requirement for the posting of collateral. In January 2013, we amended the facility, increasing the committed amount to \$20.0 million and a fixed rate of interest of 8.5% on any drawn portion of the \$20.0 million commitment. The amendment also included a one year extension option upon maturity in May 2013 and required a 1% commitment fee and a 1% non-use fee. In May 2013, we extended the facility to a maturity in May 2014 with a one year extension option and a 1% extension fee, as well as amended the facility to have an 8.5% non-use fee on the first \$5.0 million not borrowed and a 1% non-use fee on the remaining funds not borrowed. At March 31, 2014, the outstanding balance of this facility was \$20.0 million.

**Repurchase Agreements.** We have utilized repurchase agreements to finance the purchase of RMBS investments, which were paid off at March 31, 2014. The first repurchase agreement generally financed between 60% and 90% of the value of each non-linked and linked RMBS investment, had a rolling monthly term, and bore interest at a rate of 125 to 200 basis points over LIBOR. This facility also included a minimum net worth covenant of \$100.0 million. The second repurchase agreement generally financed between 75% and 90% of the value of each non-linked and linked RMBS investment, had a rolling monthly term, and bore interest at a rate of 165 to 185 basis points over LIBOR.

## **CDOs**

We completed the formation of three separate CDO entities since 2005 by issuing to third party investors, tranches of investment grade CDOs through newly-formed wholly-owned subsidiaries. The issuers hold assets, consisting primarily of real-estate related assets and cash, which serve as collateral for the CDOs. The assets pledged as collateral for the CDOs were contributed from our portfolio of assets. By contributing these real estate assets to the various CDOs, these transactions resulted in a decreased cost of funds relating to the corresponding CDO assets and created capacity in our debt facilities.

The CDOs could be replenished with substitute collateral for loans that are repaid during the first four years for CDO I and the first five years for CDO II and CDO III, subject to certain customary provisions. Thereafter, the outstanding debt balance is reduced as loans are repaid. All three CDOs have reached their respective replenishment dates and thus proceeds from the repayment of assets, which serve as collateral for the CDOs, must be retained in its structure as restricted cash and therefore is not available to fund current cash needs. Investor capital will be repaid quarterly from proceeds received from loan repayments held as collateral in accordance with the terms of the CDO. Proceeds distributed will be recorded as a reduction of the CDO liability. Our CDO vehicles are VIEs for which we are the primary beneficiary and are consolidated in our financial statements.

The following table outlines borrowings and the corresponding collateral under our CDOs as of March 31, 2014:

	Debt		Collateral			
	face Value	Carrying Value	Unpaid Principal (1)	Carrying Value (1)	Cash Restricted Cash (2)	Collateral At-Risk (3)

CDO I — Issued four investment grade tranches in January 2005 with a reinvestment period through April 2009 and a stated maturity date of February 2040. Interest is variable based on three-month LIBOR; the weighted average note rate was 3.10%.

CDO II — Issued nine investment grade tranches in January 2006 with a reinvestment period through April 2011 and a stated maturity date of April 2038. Interest is variable based on three-month LIBOR; the weighted average note rate was 3.37%.

[Table of Contents](#)

CDO III — Issued ten investment grade tranches in December 2006 with a reinvestment period through January 2012 and a stated maturity date of January 2042. Interest is variable based on three-month LIBOR; the weighted average note rate was 0.82%.

- (1) Amounts include loans to real estate assets consolidated by us that were reclassified to real estate owned and held-for-sale, net on the Consolidated Financial Statements.
- (2) Represents restricted cash held for principal repayments in the CDOs. Does not include restricted cash related to interest payments, delayed fundings and expenses.
- (3) Amounts represent the face value of collateral in default, as defined by the CDO indenture, as well as assets deemed to be “credit risk.” Credit risk assets are reported by each of the CDOs and are generally defined as one that, in the CDO collateral manager’s reasonable business judgment, has a significant risk of declining in credit quality or, with a passage of time, becoming a defaulted asset.

At March 31, 2014 and December 31, 2013, the aggregate weighted average note rate for our CDOs, including the cost of interest rate swaps on assets financed in these facilities, was 2.24% and 2.18%, respectively. Excluding the effect of swaps, the weighted average note rate at March 31, 2014 and December 31, 2013 was 0.88% and 0.83%, respectively. Including certain fees and costs, the weighted average note rate was 3.67% and 3.26% at March 31, 2014 and December 31, 2013, respectively.

The following table sets forth the face amount and gain on extinguishment of our CDO bonds repurchased in the following periods by bond class:

Class:	Three Months Ended March 31,			
	2014		2013	
	face Amount	Gain	face Amount	Gain
H	\$ —	\$ —	\$ 7,100,000	\$ 3,763,000

In 2010, we re-issued our own CDO bonds we had acquired during 2009 with an aggregate face amount of \$42.8 million, as well as CDO bonds from other issuers acquired in 2008 with an aggregate face amount of \$25.0 million and a carrying value of \$0.4 million, and \$10.5 million in cash, as part of an exchange for the retirement of \$114.1 million of our junior subordinated notes. The transaction resulted in the recording of \$65.2 million of additional CDO debt, of which \$42.3 million represents the portion of our CDO bonds that were exchanged and \$22.9 million represents the estimated interest due on the reissued bonds through their maturity, of which \$19.9 million remains at March 31, 2014.

*CLOs*

The following table outlines borrowings and the corresponding collateral under our CLOs as of March 31, 2014:

	Debt		Collateral		Cash	Collateral At-Risk (2)
	face Value	Carrying Value	Unpaid Principal	Carrying Value	Restricted Cash (1)	
CLO I	\$ 87,500,000	\$ 87,500,000	\$ 113,961,304	\$ 113,548,264	\$ 11,125,346	\$ —
CLO II	177,000,000	177,000,000	259,638,391	258,752,946	92	—

CLO I — Issued two investment grade tranches in September 2012 with a replacement period through September 2014 and a stated maturity date of October 2022. Interest is variable based on three-month LIBOR; the weighted average note rate was 3.59%.

CLO II — Issued two investment grade tranches in January 2013 with a replacement period through January 2015 and a stated maturity date of February 2023. Interest is variable based on three-month LIBOR; the weighted average note rate was 2.54%.

- (1) Represents restricted cash held for principal repayments in the CLOs. Does not include restricted cash related to interest payments, delayed fundings and expenses.

## [Table of Contents](#)

- (2) Amounts represent the face value of collateral in default, as defined by the CLO indenture, as well as assets deemed to be “credit risk.” Credit risk assets are reported by each of the CLOs and are generally defined as one that, in the CLO collateral manager’s reasonable business judgment, has a significant risk of declining in credit quality or, with a passage of time, becoming a defaulted asset.

In September 2012, we completed our first collateralized loan obligation, or CLO, issuing to third party investors two tranches of investment grade CLOs through two newly-formed wholly-owned subsidiaries. Initially, the notes are secured by a portfolio of loan obligations with a face value of approximately \$125.1 million, consisting primarily of bridge loans and a senior participation interest in a first mortgage loan that were contributed from our existing loan portfolio. The financing has a two-year replacement period that allows the principal proceeds and sale proceeds (if any) of the loan obligations to be reinvested in qualifying replacement loan obligations, subject to the satisfaction of certain conditions set forth in the Indenture. Thereafter, the outstanding debt balance will be reduced as loans are repaid. The aggregate principal amounts of the two classes of notes are \$75.0 million of Class A senior secured floating rate notes and \$12.5 million of Class B secured floating rate notes. We retained a residual interest in the portfolio with a notional amount of \$37.6 million. The notes have an initial weighted average interest rate of approximately 3.39% plus one-month LIBOR and interest payments on the notes are payable monthly, beginning on November 15, 2012, to and including October 15, 2022, the stated maturity date of the notes.

In January 2013, we completed our second CLO, issuing to third party investors two tranches of investment grade CLOs through two newly-formed wholly-owned subsidiaries. Initially, the notes are secured by a portfolio of loan obligations with a face value of approximately \$210.0 million, consisting primarily of bridge loans and a senior participation interest in a first mortgage loan that were contributed from our existing loan portfolio. The financing has a two-year replacement period that allows the principal proceeds and sale proceeds (if any) of the loan obligations to be reinvested in qualifying replacement loan obligations, subject to the satisfaction of certain conditions set forth in the indenture. Thereafter, the outstanding debt balance will be reduced as loans are repaid. Initially, the proceeds of the issuance of the securities also included \$50.0 million for the purpose of acquiring additional loan obligations for a period of up to 90 days from the closing date of the CLO. Subsequently, the issuer owns loan obligations with a face value of approximately \$260.0 million. The aggregate principal amounts of the two classes of notes are \$156.0 million of Class A senior secured floating rate notes and \$21.0 million of Class B secured floating rate notes. We retained a residual interest in the portfolio with a notional amount of approximately \$83.0 million. The notes have an initial weighted average interest rate of approximately 2.36% plus one-month LIBOR and interest payments on the notes are payable monthly, through February 15, 2023, the stated maturity date of the notes.

In April 2014, we completed our third CLO, issuing to third party investors three tranches of investment grade CLOs through two newly-formed wholly-owned subsidiaries. As of the CLO closing date, the notes are secured by a portfolio of loan obligations with a face value of approximately \$307.3 million, consisting primarily of bridge loans that were contributed from the Company’s existing loan portfolio. The financing has an approximate 2.5 year replacement period that allows the principal proceeds and sale proceeds (if any) of the loan obligations to be reinvested in qualifying replacement loan obligations, subject to the satisfaction of certain conditions set forth in the indenture. Thereafter, the outstanding debt balance will be reduced as loans are repaid. Initially, the proceeds of the issuance of the securities also included \$67.7 million for the purpose of acquiring additional loan obligations for a period of up to 120 days from the closing date of the CLO. Subsequently, it is expected that the issuer will own loan obligations with a face value of approximately \$281.3 million. The aggregate principal amounts of the three classes of notes are \$221.3 million of Class A senior secured floating rate notes, \$24.3 million of Class B secured floating rate notes and \$35.8 million of Class C secured floating rate notes. We retained a residual interest in the portfolio with a notional amount of approximately \$93.8 million. The notes have an initial weighted average interest rate of approximately 2.39% plus one-month LIBOR and interest payments on the notes are payable monthly. We expect to account for this transaction on its balance sheet as a financing facility.

At March 31, 2014 and December 31, 2013, the aggregate weighted average note rate for our CLOs was 2.89% and 2.91%, respectively. Including certain fees and costs, the weighted average note rate was 3.52% and 3.49% at March 31, 2014 and December 31, 2013, respectively.

Our CLO vehicles are VIEs for which we are the primary beneficiary and are consolidated in our financial statements. The two investment grade tranches are treated as a secured financing, and are non-recourse to us.

### *Junior Subordinated Notes*

At March 31, 2014, the aggregate carrying value of borrowings under our junior subordinated notes was \$159.4 million, which is net of a deferred amount of \$16.4 million being amortized into interest expense over the life of the notes, with a current weighted average pay rate of 3.01%, however, based upon the accounting treatment for a prior year restructuring, the effective rate was 3.04%. See Note 7 of the “Notes to the Consolidated Financial Statements” set forth in Item 1 hereof for a further description of this transaction.

The junior subordinated notes are unsecured, have maturities of 25 to 28 years, pay interest quarterly at a floating rate of interest based on three-month LIBOR and, absent the occurrence of special events, were not redeemable during the first two years.

### *Notes Payable*

At March 31, 2014, notes payable consisted of four junior loan participations with an aggregate outstanding balance of \$17.5 million.

### *Mortgage Note Payable — Real Estate Owned and Held-For-Sale*

During 2011, we assumed a \$55.4 million interest-only first lien mortgage in connection with the acquisition of real property pursuant to bankruptcy proceedings for an entity in which we had a \$29.8 million loan secured by our Multifamily Portfolio. The mortgage bears interest at a variable rate of one-month LIBOR plus 1.23% and in March 2014, the maturity date was extended to June 2014 with a one year extension option, subject to certain conditions. In September 2013, one of the properties in the Multifamily Portfolio was classified as held-for-sale and thus \$11.0 million of the first lien mortgage was classified as held-for-sale and the balance of \$42.7 million remained classified as real estate owned at March 31, 2014.

### *Restrictive Covenants*

Our debt facilities contain various financial covenants and restrictions, including minimum net worth, minimum liquidity and maximum debt balance requirements, as well as certain other debt service coverage ratios and debt to equity ratios. We were in compliance with all financial covenants and restrictions at March 31, 2014.

Our CDO and CLO vehicles contain interest coverage and asset over collateralization covenants that must be met as of the waterfall distribution date in order for us to receive such payments. If we fail these covenants in any of our CDOs or CLOs, all cash flows from the applicable CDO or CLO would be diverted to repay principal and interest on the outstanding CDO or CLO bonds and we would not receive any residual payments until that CDO or CLO regained compliance with such tests. Our CDOs and CLOs were in compliance with all such covenants as of March 31, 2014 as well as on the most recent determination date in April 2014. In the event of a breach of the CDO or CLO covenants that could not be cured in the near-term, we would be required to fund our non-CDO or non-CLO expenses, including management fees and employee costs, distributions required to maintain REIT status, debt costs, and other expenses with (i) cash on hand, (ii) income from any CDO or CLO not in breach of a covenant test, (iii) income from real property and loan assets, (iv) sale of assets, or (v) or accessing the equity or debt capital markets, if available. We have the right to cure covenant breaches, which would resume normal residual payments to us by purchasing non-performing loans out of the CDOs or CLOs. However, we may not have sufficient liquidity available to do so at such time.

The chart below is a summary of our CDO and CLO compliance tests as of the most recent determination dates in April 2014:

Cash Flow Triggers	CDO I	CDO II	CDO III	CLO I	CLO II
<b>Overcollateralization (1)</b>					
Current	184.35%	138.15%	108.74%	142.96%	146.89%
Limit	145.00%	127.30%	105.60%	137.86%	144.25%
Pass / Fail	Pass	Pass	Pass	Pass	Pass
<b>Interest Coverage (2)</b>					
Current	541.25%	457.31%	495.38%	232.75%	365.43%
Limit	160.00%	147.30%	105.60%	120.00%	120.00%
Pass / Fail	Pass	Pass	Pass	Pass	Pass

(1) The overcollateralization ratio divides the total principal balance of all collateral in the CDO and CLO by the total principal balance of the bonds associated with the applicable ratio. To the extent an asset is considered a defaulted security, the asset's principal balance for purposes of the overcollateralization test, is the lesser of the asset's market value or the principal balance of the defaulted asset multiplied by the asset's recovery rate which is determined by the rating agencies. Rating downgrades of CDO and CLO collateral will generally not have a direct impact on the principal balance of a CDO and CLO asset for purposes of calculating the CDO and CLO overcollateralization test unless the rating downgrade is below a significantly low threshold (e.g. CCC-) as defined in each CDO and CLO vehicle.

(2) The interest coverage ratio divides interest income by interest expense for the classes senior to those retained by us.

The chart below is a summary of our CDO and CLO overcollateralization ratios as of the following determination dates:

Determination Date	CDO I	CDO II	CDO III	CLO I	CLO II
April 2014	184.35%	138.15%	108.74%	142.96%	146.89%
January 2014	167.15%	137.87%	107.80%	142.96%	146.89%
October 2013	166.88%	133.77%	106.64%	142.96%	146.89%
July 2013	176.69%	139.10%	106.61%	142.96%	146.89%
April 2013	174.76%	138.97%	106.56%	142.96%	146.89%

The ratio will fluctuate based on the performance of the underlying assets, transfers of assets into the CDOs and CLOs prior to the expiration of their respective replenishment dates, purchase or disposal of other investments, and loan payoffs. No payment due under the Junior Subordinated Indentures may be paid if there is a default under any senior debt and the senior lender has sent notice to the trustee. The Junior Subordinated Indentures are also cross-defaulted with each other.

Specific requirements include, but are not limited to, property renovations, building construction, and building conversions based on criteria met by the borrower in accordance with the loan agreements. In relation to the \$6.3 million outstanding balance at March 31, 2014, our restricted cash balance contained approximately \$5.4 million available to fund the portion of the unfunded commitments for loans financed by our CDO and CLO vehicles.

## Agreements and Transactions with Related Parties

### Management Agreement

We, ARLP and Arbor Realty SR, Inc. have a management agreement with ACM, pursuant to which ACM provides certain services and we pay ACM a base management fee and under certain circumstances, an annual incentive fee.

The base management fee is an arrangement whereby we reimburse ACM for its actual costs incurred in managing our business based on the parties' agreement in advance on an annual budget with subsequent quarterly true-ups to actual costs. All origination fees on investments are retained by us.

## [Table of Contents](#)

We incurred \$2.5 million and \$2.8 million of base management fee for services rendered in the three months ended March 31, 2014 and 2013, respectively.

The incentive fee is measured on an annual basis and is calculated as (1) 25% of the amount by which (a) our funds from operations per share, adjusted for certain gains and losses including gains from the retirement and restructuring of debt and 60% of any loan loss reserve recoveries (spread over a three year period), exceeds (b) the product of (x) 9.5% per annum or the Ten Year U.S. Treasury Rate plus 3.5%, whichever is greater, and (y) the greater of \$10.00 or the weighted average of book value of the net assets contributed by ACM to ARLP per ARLP partnership unit, the offering price per share of our common equity in the private offering on July 1, 2003 and subsequent offerings and the issue price per ARLP partnership unit for subsequent contributions to ARLP, multiplied by (2) the weighted average of our outstanding shares.

The minimum return, or incentive fee hurdle to be reached before an incentive fee is earned, is a percentage applied on a per share basis to the greater of \$10.00 or the average gross proceeds per share. In addition, 60% of any loan loss and other reserve recoveries are eligible to be included in the incentive fee calculation, which recoveries are spread over a three year period. For the three months ended March 31, 2014 and 2013, no incentive fee payments were made.

The management agreement also allows us to consider, from time to time, the payment of additional “success-based” fees to ACM for accomplishing certain specified corporate objectives; has a termination fee of \$10.0 million; and is renewable automatically for successive one-year terms, unless terminated with six months prior written notice. If we terminate or elect not to renew the management agreement without cause, we are required to pay the termination fee of \$10.0 million. For the three months ended March 31, 2014 and 2013, no success-based payments were made.

In 2007, ACM received an incentive fee installment totaling \$19.0 million which was recorded as a prepaid management fee related to the incentive fee on \$77.1 million of deferred revenue recognized on the transfer of control of the 450 West 33rd Street property, which is one of our equity affiliates.

### Related Party Transactions

Due from related party was approximately \$0.3 million and \$0.1 million at March 31, 2014 and December 31, 2013, respectively, and consisted primarily of escrows held by ACM and its affiliates related to real estate transactions.

Due to related party was \$1.1 million at March 31, 2014 and consisted primarily of base management fees due to ACM, of which \$0.7 million will be remitted by us in the following quarter. At December 31, 2013, due to related party was \$2.8 million and consisted primarily of base management fees due to ACM that were remitted by us in the following quarter.

In March 2014, we originated a bridge loan to a third party borrower for a portfolio of properties with an unpaid principal balance of \$70.1 million, of which, \$15.0 million was financed with junior loan participations to ACM. The loan has a weighted average interest rate of 6.38% and a maturity date of March 2016. The participations have a weighted average interest rate of 7.20% and a maturity date of March 2016. Interest income recorded from this loan totaled approximately \$0.2 million for the three months ended March 31, 2014.

We had two loans totaling \$22.4 million, which were secured by a property purchased in 2011 by a third party borrower from ACM. In the first quarter 2014, ACM purchased the property from the prior borrower subject to the Company’s loans. In connection with this purchase, ACM paid down the loans by \$2.3 million and the Company restructured its remaining debt outstanding into a first mortgage of \$14.6 million with a maturity date of June 2014 and a second mortgage of \$5.1 million with a maturity date of April 2015, both with an interest rate of LIBOR plus 4.80%. Interest income recorded from these loans totaled approximately \$0.3 million and \$0.4 million for the three months ended March 31, 2014 and 2013, respectively.

## [Table of Contents](#)

In October 2013, we purchased, at par, a \$3.0 million mezzanine loan from ACM who originated the loan in September 2013 to a third party entity. The loan has a fixed interest rate of 13.00% and a maturity date of October 2018. Interest income recorded from this loan was approximately \$0.1 million for the three months ended March 31, 2014.

In April 2013, we originated six bridge loans totaling \$53.0 million for a portfolio of multifamily properties owned by a consortium of investors including Mr. Ivan Kaufman and his affiliates and Mr. Fred Weber, who together own an interest of approximately 19% in the borrowing entity. The loans had an interest rate of one-month LIBOR plus 7.25% and a maturity date of April 2015, which were paid off in the fourth quarter of 2013. In November 2013, we originated a new bridge loan for \$2.0 million with an interest rate of one-month LIBOR plus 5.50%. Interest income recorded from these loans totaled approximately \$0.1 million for the three months ended March 31, 2014.

In June 2013, our board of directors formed a Special Committee consisting of independent directors in connection with the exploration and evaluation of a potential transaction with our manager involving the acquisition of our manager's Fannie Mae, DUS, FHA and CMBS platforms, as well as the internalization of the management of our current business. Although there have been preliminary discussions between the Special Committee and representatives of our manager, we cannot provide any assurance regarding the timing, terms or form of any such transaction, including the amount or type of consideration (including the issuance of common stock) or related financing, or whether any transaction between us and our manager will occur at all. Also, in connection with evaluating a potential transaction with our manager, the Special Committee engaged legal, financial and accounting advisors resulting in approximately \$1.4 million of advisory fees for the year ended December 31, 2013. No advisory fees were incurred during the three months ended March 31, 2014 and 2013.

In April 2013, we purchased, at par, a \$6.4 million bridge loan from ACM who originated the loan in March 2013 to a third party entity that acquired the property from an entity owned by Mr. Ivan Kaufman and his affiliates and Mr. Fred Weber, who together also provided a \$1.1 million preferred equity contribution to the overall transaction. Mr. Ivan Kaufman also provided a \$1.0 million personal guaranty on the bridge loan. The bridge loan bears interest at a rate of one-month LIBOR plus 5.00% for the first year then one-month LIBOR plus 6.00% thereafter and has a maturity date of March 2015 with three one year extension options. Interest income recorded from this loan totaled approximately \$0.1 million for the three months ended March 31, 2014.

In January 2013, we originated a \$7.5 million bridge loan for a multifamily property in Charlotte, North Carolina. William C. Green, who serves on our Board of Directors, holds a 6.6% partnership interest in the borrowing entity and is the chief financial officer of an affiliated entity that is a partner in, and the management company for, the borrowing entity. Mr. Green also provided a \$0.4 million personal guaranty on the bridge loan. The loan bore interest at a rate of one-month LIBOR plus 6.00%, had a maturity date of January 2015, and was paid off in the second quarter of 2014. Interest income recorded from this loan totaled approximately \$0.1 million for both the three months ended March 31, 2014 and 2013.

In December 2011, we completed a restructuring of a \$67.6 million preferred equity investment on the Lexford Portfolio ("Lexford"), which is a portfolio of multi-family assets. We, along with a consortium of independent outside investors, made an additional preferred equity investment of \$25.0 million in Lexford of which we held a \$10.5 million interest, and Mr. Fred Weber, our executive vice president of structured finance, held a \$0.5 million interest, which was paid down to \$22.5 million in the third quarter of 2013, and then paid off in the fourth quarter of 2013. The original preferred equity investment now bears a fixed rate of interest of 2.36%, revised from an original rate of LIBOR plus 5.00% (the loan was paying a modified rate of LIBOR plus 1.65% at the time of the new investment). The original preferred equity investment matures in June 2020. Interest income recorded from the preferred equity investment totaled approximately \$0.3 million for the three months ended March 31, 2013. The new preferred equity investment had a fixed interest rate of 12% and a maturity date in June 2020. We, along with the same outside investors, also made a \$0.1 million equity investment into Lexford, of which we held a \$44,000 noncontrolling interest, and do not have the power to control the significant activities of the entity. During the fourth quarter of 2011, we recorded losses from the entity against the equity investment, reducing the balance to zero. We record this investment under the equity method of accounting. In addition, under the terms of the restructuring, Lexford's first mortgage lender required a change of property manager for the underlying assets. The new management company is an affiliate of Mr. Ivan Kaufman, our chairman and chief executive officer, and has a

## [Table of Contents](#)

contract with the new entity for 7.5 years and will be entitled to 4.75% of gross revenues of the underlying properties, along with the potential to share in the proceeds of a sale or refinancing of the debt should the management company remain engaged by the new entity at the time of such capital event. In the first quarter of 2012, Mr. Fred Weber invested \$250,000 in the new management company and currently owns a 23.5% ownership interest. Mr. Ivan Kaufman and his affiliates currently own a 53.9% ownership interest. We have provided limited (“bad boy”) guarantees for certain debt controlled by Lexford. The bad boy guarantees may become a liability for us upon standard “bad” acts such as fraud or a material misrepresentation by Lexford or us. At March 31, 2014, this debt had an aggregate outstanding balance of \$734.4 million and is scheduled to mature between 2017 and 2023.

Interest income recorded from loans originated in 2012 or prior years with our affiliates totaled \$0.5 million and \$1.2 million for the three months ended March 31, 2014 and 2013, respectively.

We are dependent upon our manager, ACM, with whom we have a conflict of interest, to provide services to us that are vital to our operations. Our chairman, chief executive officer and president, Mr. Ivan Kaufman, is also the chief executive officer and president of our manager, and, our chief financial officer and treasurer, Mr. Paul Elenio, is the chief financial officer of our manager. In addition, Mr. Kaufman and his affiliated entities (the “Kaufman Entities”) together beneficially own approximately 92% of the outstanding membership interests of ACM and certain of our employees and directors also hold an ownership interest in ACM. Furthermore, one of our former directors is general counsel to ACM and another of our directors also serves as the trustee of one of the Kaufman Entities that holds a majority of the outstanding membership interests in ACM and co-trustee of another Kaufman Entity that owns an equity interest in our manager. ACM currently holds approximately 5.3 million of our common shares, representing approximately 11% of the voting power of our outstanding stock as of March 31, 2014. Our Board of Directors approved a resolution under our charter allowing Ivan Kaufman and ACM, (which Mr. Kaufman has a controlling equity interest in), to own more than the 5% ownership interest limit of our common stock as stated in our charter as amended.

### **Critical Accounting Policies**

Please refer to the section of our Annual Report on Form 10-K for the year ended December 31, 2013 entitled “Management’s Discussion and Analysis of Financial Condition and Results of Operations — Significant Accounting Estimates and Critical Accounting Policies” for a discussion of our critical accounting policies. During the three months ended March 31, 2014, there were no material changes to these policies.

### **Hedging Activities and Derivatives**

We recognize all derivatives as either assets or liabilities at fair value and these amounts are recorded in other assets or other liabilities on the Consolidated Balance Sheets. Additionally, the fair value adjustments will affect either accumulated other comprehensive income (loss) until the hedged item is recognized in earnings, or net income (loss) depending on whether the derivative instrument qualifies as a hedge for accounting purposes and, if so, the nature of the hedging activity. We use derivatives for hedging purposes rather than speculation. Fair values are approximated based on current market data received from financial sources that trade such instruments and are based on prevailing market data and derived from third party proprietary models based on well recognized financial principles and reasonable estimates about relevant future market conditions.

We record all derivatives on the Consolidated Balance Sheets at fair value. Additionally, the accounting for changes in the fair value of derivatives depends on the intended use of the derivative, whether a company has elected to designate a derivative in a hedging relationship and apply hedge accounting and whether the hedging relationship has satisfied the criteria necessary to apply hedge accounting. Derivatives designated and qualifying as a hedge of the exposure to changes in the fair value of an asset, liability, or firm commitment attributable to a particular risk, such as interest rate risk, are considered fair value hedges. Derivatives designated and qualifying as a hedge of the exposure to variability in expected future cash flows, or other types of forecasted transactions, are considered cash flow hedges. Hedge accounting generally provides for the matching of the timing of gain or loss recognition on the hedging instrument with the recognition of the changes in the fair value of the hedged asset or liability that are attributable to the hedged risk in a fair value hedge or the earnings effect of the hedged forecasted transactions in a cash flow hedge. We may enter into derivative contracts that are intended to economically hedge certain of our risks, even though hedge accounting does not apply or we elect not to apply hedge accounting.

## [Table of Contents](#)

In the normal course of business, we may use a variety of derivative financial instruments to manage, or hedge, interest rate risk. These derivative financial instruments must be effective in reducing its interest rate risk exposure in order to qualify for hedge accounting. When the terms of an underlying transaction are modified, or when the underlying hedged item ceases to exist, all changes in the fair value of the instrument are marked-to-market with changes in value included in net income for each period until the derivative instrument matures or is settled. Any derivative instrument used for risk management that does not meet the hedging criteria is marked-to-market with the changes in value included in net income. In cases where a derivative financial instrument is terminated early, any gain or loss is generally amortized over the remaining life of the hedged item.

During the three months ended March 31, 2014 we entered into a LIBOR Cap with a notional value of approximately \$71.7 million that was not designated as cash flow hedge, the notional value on a basis swap decreased by approximately \$8.6 million pursuant to the contractual terms of the respective swap agreement and two interest rate swaps matured with a combined notional value of approximately \$32.0 million. Gains and losses on terminated swaps are deferred and recognized in interest expense over the original life of the hedged item. The fair value of our qualifying hedge portfolio has decreased by approximately \$2.9 million from December 31, 2013 as a result of the amortized notional value of swaps. During the three months ended March 31, 2013 we entered into a LIBOR Cap with a notional value of approximately \$6.0 million that was not designated as cash flow hedge. In certain circumstances, we have financed the purchase of RMBS investments through a repurchase agreement with the same counterparty which qualified as a linked transaction. If both transactions are entered into contemporaneously or in contemplation of each other, the transactions are presumed to be linked transactions and we account for the purchase of such securities and the repurchase agreement on a combined basis as a forward contract derivative at fair value which is reported in other assets on the Consolidated Balance Sheets with changes in the fair value of the assets and liabilities underlying linked transactions and associated interest income and expense reported in other income on the Consolidated Statements of Income. The analysis of transactions under these rules requires management's judgment and experience. During the three months ended March 31, 2014, we sold six RMBS investments, which were accounted for as linked transactions, with an aggregate carrying value of \$47.8 million for approximately \$48.0 million and recorded a net gain of \$0.2 million related to the settlement of these linked transactions. The six RMBS investments were financed with repurchase agreements totaling \$41.8 million which were repaid with the proceeds. The RMBS investments, net of their respective financing, had a total fair value at March 31, 2014 and December 31, 2013 of \$2.9 million and \$6.4 million, respectively, which is recorded in other assets on the Consolidated Balance Sheets.

Because the valuations of our derivatives are based on estimates, the fair value may change if our estimates are inaccurate. For the effect of hypothetical changes in market interest rates on our interest rate swaps, see "Interest Rate Risk" in "Quantitative and Qualitative Disclosures About Market Risk," set forth in Item 3 hereof.

## Non-GAAP Financial Measures

### Funds from Operations

We present funds from operations (“FFO”) because we believe it to be an important supplemental measure of our operating performance in that it is frequently used by analysts, investors and other parties in the evaluation of REITs. The National Association of Real Estate Investment Trusts, or NAREIT, defines FFO as net income (loss) attributable to common stockholders (computed in accordance with GAAP), excluding gains (losses) from sales of depreciated real properties, plus impairments of depreciated properties and real estate related depreciation and amortization, and after adjustments for unconsolidated ventures. We consider gains and losses on the sales of undepreciated real estate investments to be a normal part of our recurring operating activities in accordance with GAAP and should not be excluded when calculating FFO. In accordance with the revised white paper, losses from discontinued operations are not excluded when calculating FFO.

FFO is not intended to be an indication of our cash flow from operating activities (determined in accordance with GAAP) or a measure of our liquidity, nor is it entirely indicative of funding our cash needs, including our ability to make cash distributions. Our calculation of FFO may be different from the calculation used by other companies and, therefore, comparability may be limited.

FFO for the three months ended March 31, 2014 and 2013 is as follows:

	Three Months Ended March 31,	
	2014	2013
Net income attributable to Arbor Realty Trust, Inc. common stockholders	\$ 5,874,761	\$ 6,640,239
Add:		
Impairment loss on real estate owned	250,000	—
Depreciation — real estate owned and held-for-sale (1)	1,811,683	1,632,131
Depreciation — investment in equity affiliates	69,370	22,599
Funds from operations (FFO)	\$ 8,005,814	\$ 8,294,969
Diluted FFO per common share	\$ 0.16	\$ 0.24
Diluted weighted average common shares outstanding	49,752,813	34,236,689

(1) Includes discontinued operations.

### Adjusted Book Value per Common Share

We believe that adjusted book value per common share is an additional appropriate measure given the magnitude and the deferral structure of the 450 West 33rd Street transaction from 2007, as well as the significance of the unrealized gain and/or loss position of our qualifying derivative instruments. Adjusted book value per common share currently reflects the future impact of the 450 West 33rd Street transaction, as well as the removal of the temporary nature of unrealized gains or losses as a component of equity from qualifying interest rate swaps on our financial position. Over time, as these qualifying interest rate swaps reach their maturity, the fair value of these swaps will return to their original par value. We consider this non-GAAP financial measure to be an effective indicator of our financial condition for both us and our investors. We do not advocate that investors consider this non-GAAP financial measure in isolation from, or as a substitute for, financial measures prepared in accordance with GAAP. In addition, GAAP book value per common share and adjusted book value per common share calculations do not take into account any dilution from the potential exercise of the warrants issued to Wachovia as part of the 2009 debt restructuring.

GAAP book value per share and adjusted book value per share as of March 31, 2014 and December 31, 2013 is as follows:

**Item 3. QUANTITATIVE AND QUALITATIVE DISCLOSURES ABOUT MARKET RISK**

Market risk is the exposure to loss resulting from changes in interest rates, foreign currency exchange rates, commodity prices, equity prices and real estate values. The primary market risks that we are exposed to are real estate risk and interest rate risk.

**Market Conditions**

We are subject to market changes in the debt and secondary mortgage markets. These markets have experienced disruptions in the past, which have and may in the future have an adverse impact on our earnings and financial condition.

In general, credit markets have experienced difficulty over the past several years. However, of late, we have been able to access equity and debt markets through equity offerings and the issuance of CLOs. While there can be no assurance that we will continue to have access to the equity and debt markets, we will continue to pursue these and other available market opportunities as means to increase our liquidity and capital base.

**Real Estate Risk**

Commercial mortgage assets may be viewed as exposing an investor to greater risk of loss than residential mortgage assets since such assets are typically secured by larger loans to fewer obligors than residential mortgage assets. Multi-family and commercial property values and net operating income derived from such properties are subject to volatility and may be affected adversely by a number of factors, including, but not limited to, events such as natural disasters including hurricanes and earthquakes, acts of war and/or terrorism and others that may cause unanticipated and uninsured performance declines and/or losses to us or the owners and operators of the real estate securing our investment; national, regional and local economic conditions (which may be adversely affected by industry slowdowns and other factors); local real estate conditions (such as an oversupply of housing, retail, industrial, office or other commercial space); changes or continued weakness in specific industry segments; construction quality, construction delays, construction cost, age and design; demographic factors; retroactive changes to building or similar codes; and increases in operating expenses (such as energy costs). In the event net operating income decreases, a borrower may have difficulty repaying our loans, which could result in losses to us.

[Table of Contents](#)

In addition, decreases in property values reducing the value of collateral, and a lack of liquidity in the market, could reduce the potential proceeds available to a borrower to repay our loans, which could also cause us to suffer losses. Even when the net operating income is sufficient to cover the related property's debt service, there can be no assurance that this will continue to be the case in the future.

## Interest Rate Risk

Interest rate risk is highly sensitive to many factors, including governmental monetary and tax policies, domestic and international economic and political considerations and other factors beyond our control.

Our operating results will depend in large part on differences between the income from our loans and our borrowing costs. Most of our loans and borrowings are variable-rate instruments, based on LIBOR. The objective of this strategy is to minimize the impact of interest rate changes on our net interest income. In addition, we have various fixed rate loans in our portfolio, which are financed with variable rate LIBOR borrowings. We have entered into various interest swaps to hedge our exposure to interest rate risk on our variable rate LIBOR borrowings as it relates to our fixed rate loans. Certain of these swaps are scheduled to mature on the original maturity dates of their corresponding loans. However, loans are sometimes extended and, consequently, do not pay off on their original maturity dates. If a loan is extended, whether it is through an existing extension option or a modification, our exposure to interest rate risk may be increased. In these instances, we could have a fixed rate loan in our portfolio financed with variable debt and, since the corresponding interest swap already matured, a portion of our debt is no longer protected against interest rate risk. Some of our loans and borrowings are subject to various interest rate floors. As a result, the impact of a change in interest rates may be different on our interest income than it is on our interest expense.

We have utilized interest rate swaps to limit interest rate risk. Derivatives are used for hedging purposes rather than speculation. We do not enter into financial instruments for trading purposes.

The following table projects the potential impact on interest income and interest expense for a 12-month period, and the potential change in fair value of our derivative financial instruments as of March 31, 2014, assuming an instantaneous increase or decrease of both 25 and 50 basis points in LIBOR and forward interest rate curves, adjusted for the effects of our interest rate hedging activities.

	Assets (Liabilities) Subject to Interest Rate Sensitivity (1)	25 Basis Point Increase	25 Basis Point Decrease (2)	50 Basis Point Increase	50 Basis Point Decrease (1)
Interest income from loans and investments	\$ 1,712,425,103	\$ 2,329,028	\$ (791,267)	\$ 5,182,655	\$ (791,267)
Interest expense from debt obligations	(1,205,948,461)	2,294,941	(1,395,324)	4,589,881	(1,395,324)
Total net interest income (expense)		\$ 34,087	\$ 604,057	\$ 592,773	\$ 604,057
Fair value of derivative financial instruments	\$ (18,987,131)	\$ 1,325,395	\$ (1,328,072)	\$ 2,641,521	\$ (2,509,444)

(1) Represents the unpaid principal balance of our loan portfolio and the net fair value of our derivative financial instruments, which includes interest rate swaps, basis swaps, LIBOR caps and forward contracts.

(2) Assumes the LIBOR rate will not decrease below zero. The quoted one-month LIBOR rate was 0.15% as March 31, 2014.

## [Table of Contents](#)

In the event of a significant rising interest rate environment and/or economic downturn, defaults could increase and result in credit losses to us, which could adversely affect our liquidity and operating results. Further, such delinquencies or defaults could have an adverse effect on the spreads between interest-earning assets and interest-bearing liabilities.

Certain of our interest rate swaps, which are designed to hedge interest rate risk associated with a portion of our loans and investments, could require the funding of additional cash collateral for changes in the market value of these swaps. Due to the prolonged volatility in the financial markets that began in 2007, the values of these interest rate swaps have declined substantially. As a result, at March 31, 2014 and December 31, 2013, we funded approximately \$13.1 million and \$14.2 million, respectively, in cash related to these swaps. If we continue to experience significant changes in the outlook of interest rates, these contracts could continue to decline in value, which would require additional cash to be funded. However, at maturity the value of these contracts return to par and all cash will be recovered. If we do not have available cash to meet these requirements, this could result in the early termination of these interest rate swaps, leaving us exposed to interest rate risk associated with these loans and investments, which could adversely impact our financial condition.

Our hedging transactions using derivative instruments also involve certain additional risks such as counterparty credit risk, the enforceability of hedging contracts and the risk that unanticipated and significant changes in interest rates will cause a significant loss of basis in the contract. The counterparties to our derivative arrangements are major financial institutions with high credit ratings with which we and our affiliates may also have other financial relationships. As a result, we do not anticipate that any of these counterparties will fail to meet their obligations. There can be no assurance that we will be able to adequately protect against the foregoing risks and will ultimately realize an economic benefit that exceeds the related amounts incurred in connection with engaging in such hedging strategies.

### **Item 4. CONTROLS AND PROCEDURES**

Management, with the participation of our Chief Executive Officer and Chief Financial Officer, has evaluated the effectiveness of our disclosure controls and procedures at March 31, 2014. Based on this evaluation, our Chief Executive Officer and Chief Financial Officer have concluded that our disclosure controls and procedures were effective as of March 31, 2014.

No change in internal control over financial reporting occurred during the quarter ended March 31, 2014 that has materially affected, or is reasonably likely to materially affect, internal controls over financial reporting.

## **PART II. OTHER INFORMATION**

### **Item 1. LEGAL PROCEEDINGS**

We are not involved in any material litigation nor, to our knowledge, is any material litigation threatened against us other than the following:

On June 15, 2011, three related lawsuits were filed by the Extended Stay Litigation Trust (the “Trust”), a post-bankruptcy litigation trust alleged to have standing to pursue claims that previously had been held by Extended Stay, Inc. and the Homestead Village L.L.C. family of companies (together “ESI”) (formerly Chapter 11 debtors, together the “Debtors”) that have emerged from bankruptcy. Two of the lawsuits were filed in the United States Bankruptcy Court for the Southern District of New York, and the third in the Supreme Court of the State of New York, New York County. There were 73 defendants in the three lawsuits, including 55 corporate and partnership entities and 18 individuals. A subsidiary of ours and certain other entities that are affiliates of ours are included as defendants. The New York State Court action has been removed to the Bankruptcy Court. Our affiliates filed a motion to dismiss the three lawsuits.

## [Table of Contents](#)

The lawsuits all allege, as a factual basis and background, certain facts surrounding the June 2007 leveraged buyout of ESI from affiliates of Blackstone Capital. Our subsidiary, Arbor ESH II, LLC, had a \$115.0 million investment in the Series A1 Preferred Units of a holding company of Extended Stay, Inc. The New York State Court action and one of the two federal court actions name as defendants, Arbor ESH II, LLC, Arbor Commercial Mortgage, LLC and ABT-ESI LLC, an entity in which we have a membership interest, among the broad group of defendants. These two actions were commenced by substantially identical complaints. The defendants are alleged in these complaints, among other things, to have breached fiduciary and contractual duties by causing or allowing the Debtors to pay illegal dividends or other improper distributions of value at a time when the Debtors were insolvent. These two complaints also allege that the defendants aided and abetted, induced, or participated in breaches of fiduciary duty, waste, and unjust enrichment (“Fiduciary Duty Claims”) and name a director of ours, and a former general counsel of Arbor Commercial Mortgage, LLC, each of whom had served on the Board of Directors of ESI for a period of time. We are defending these two defendants and paying the costs of such defense. On the basis of the foregoing allegations, the Trust has asserted claims under a number of common law theories, seeking the return of assets transferred by the Debtors prior to the Debtors’ bankruptcy filing.

In the third action, filed in Bankruptcy Court, the same plaintiff, the Trust, has named Arbor Commercial Mortgage, LLC and ABT-ESI LLC, together with a number of other defendants and asserts claims, including constructive and fraudulent conveyance claims under state and federal statutes, as well as a claim under the Federal Debt Collection Procedure Act.

On June 28, 2013, the Trust filed a motion to amend the lawsuits, to, among other things, (i) consolidate the lawsuits into one lawsuit, (ii) remove 47 defendants, none of whom are related to us, from the lawsuits so that there are 26 remaining defendants, including 16 corporate and partnership entities and 10 individuals, and (iii) reduce the counts within the lawsuits from over 100 down to 17. The remaining counts in the amended complaint against affiliates of ours are principally state law claims for breach of fiduciary duties, waste, unlawful dividends and unjust enrichment, and claims under the Bankruptcy Code for avoidance and recovery actions, among others. The bankruptcy court granted the motion and the amended complaint has been filed. The amended complaint seeks \$139.0 million in the aggregate from director designees and affiliates of ours. We have moved to dismiss the referenced actions and intend to vigorously defend against the claims asserted therein. During a status conference held on March 18, 2014, the Court heard oral argument on the motion to dismiss and adjourned the case pending a ruling.

We have not made a loss accrual for this litigation because we believe that it is not probable that a loss has been incurred and an amount cannot be reasonably estimated.

(c) For each Due Period, the Scheduled Distribution on any Loan Obligation (other than a Defaulted Obligation, which, except as otherwise provided herein, shall be assumed to have a Scheduled Distribution of zero) or Eligible Investment shall be the sum of (i) the total amount of payments and collections in respect of such Loan Obligation or Eligible Investment (including all Sales Proceeds received during the Due Period and not reinvested in Replacement Loan Obligations or retained in the Principal Collection Account for subsequent reinvestment) that, if paid as scheduled, will be available in the Collection Accounts at the end of such Due Period for payment on the Notes and of expenses of the Issuer and the Co-Issuer pursuant to the Priority of Payments and (ii) any such amounts received in prior Due Periods that were not disbursed on a previous Payment Date and do not constitute amounts which have been used as reimbursement with respect to a prior Interest Advance pursuant to the terms of this Indenture. On any date of determination, the amount of any Scheduled Distribution due on any future date with respect to any Loan Obligation as to which any interest or other payment thereon is subject to withholding tax of any relevant jurisdiction shall be assumed to be made net of any such uncompensated withholding tax based upon withholding tax rates in effect on such date of determination.

(e) For purposes of calculating the Interest Coverage Ratio, (1) the expected interest income on the Loan Obligations and Eligible Investments and the expected interest payable on the Notes shall be calculated using the interest rates applicable thereto on the applicable Measurement Date, (2) accrued original issue discount on Eligible Investments shall

be deemed to be Scheduled Distributions due on the date such original issue discount is scheduled to be paid, (3) with respect to each Defaulted Obligation as to which the Loan Obligation Manager has delivered written notice to the Issuer and the Trustee of its intent to engage in either (x) Credit Risk/Defaulted Obligation Cash Purchase or (y) an exchange for an Exchange Obligation, the Loan Obligation Manager will have 45 days to exercise such purchase or exchange and during such period such Loan Obligation will not be treated as a Defaulted Obligation, (4) there will be excluded all scheduled or deferred payments of interest on or principal of Loan Obligations and any payment that the Loan Obligation Manager has determined in its reasonable judgment will not be made in cash or received when due and (5) with respect to any Loan Obligation as to which any interest or other payment thereon is subject to withholding tax of any relevant jurisdiction, each payment thereon shall be deemed to be payable net of such withholding tax unless the related borrower is required to make additional payments to fully compensate the Issuer for such withholding taxes (including in respect of any such additional payments).

(f) Each Scheduled Distribution receivable with respect to a Loan Obligation or Eligible Investment shall be assumed to be received on the applicable Due Date, and each such Scheduled Distribution shall be assumed to be immediately deposited in the applicable Collection Account except to the extent the Loan Obligation Manager has a reasonable expectation that such Scheduled Distribution will not be received on the applicable Due Date. All such funds shall be assumed to continue to earn interest until the date on which they are required to be available in the applicable Collection Account for transfer to the Payment Account for application, in accordance with the terms hereof, to payments of principal of or interest on the Notes or other amounts payable pursuant to this Indenture.

(g) All calculations required to be made and all reports which are to be prepared pursuant to this Indenture with respect to the Assets, shall be made on the basis of the date on which the Issuer makes a binding commitment to purchase or sell a Loan Obligation or Eligible Investment rather than the date upon which such purchase or sale settles.

(e) Transfers of Global Securities. Notwithstanding any provision to the contrary herein, so long as a Global Security remains outstanding and is held by or on behalf of the Depository, transfers of a Global Security, in whole or in part, shall be made only in accordance with Section 2.2(c) and this Section 2.5(e).

then the Notes Registrar shall either (x) if the transferee is taking a beneficial interest in a Rule 144A Global Security, approve the instructions at DTC to reduce, or cause to be reduced, the Regulation S Global Security by the aggregate principal amount of the beneficial interest in the Regulation S Global Security to be transferred or exchanged and the Notes Registrar shall instruct DTC, concurrently with such reduction, to credit or cause to be credited to the securities account of the Person specified in such instructions a beneficial interest in the corresponding Rule 144A Global Security equal to the reduction in the principal amount of the Regulation S Global Security or (y) if the transferee is taking an interest in a Definitive Note, the Notes Registrar shall record the transfer in the Notes Register in accordance with Section 2.5(a) and, upon execution by the Issuers, the Authenticating Agent shall authenticate and deliver one or more Definitive Notes, as applicable, registered in the names specified in the instructions described above, in principal amounts designated by the transferee (the aggregate of such principal amounts being equal to the aggregate principal amount of the interest in the Regulation S Global Security transferred by the transferor).

If a holder of a beneficial interest in a Rule 144A Global Security or a Holder of a Definitive Note wishes at any time to exchange its interest in such Rule 144A Global Security or Definitive Note for an interest in the corresponding Regulation S Global Security, or to transfer its interest in such Rule 144A Global Security or Definitive Note to a Person who wishes to take delivery thereof in the form of an interest in the corresponding Regulation S Global Security, such holder, provided such holder or, in the case of a transfer, the transferee is not a U.S. person and is acquiring such interest in an

offshore transaction, may, subject to the immediately succeeding sentence and the rules and procedures of DTC, exchange or transfer, or cause the exchange or transfer of, such interest for an equivalent beneficial interest in the corresponding Regulation S Global Security. Upon receipt by the Trustee or the Notes Registrar of:

- (1) instructions given in accordance with DTC's procedures from an Agent Member directing the Trustee or the Notes Registrar to credit or cause to be credited a beneficial interest in the corresponding Regulation S Global Security, but not less than the minimum denomination applicable to such holder's Notes, in an amount equal to the beneficial interest in the Rule 144A Global Security or Definitive Note to be exchanged or transferred, and in the case of a transfer of Definitive Notes, such Holder's Definitive Notes properly endorsed for assignment to the transferee,

- (4) a duly completed certificate in the form of Exhibit D-1 attached hereto,

then the Trustee or the Notes Registrar shall approve the instructions at DTC to reduce the principal amount of the Rule 144A Global Security (or, in the case of a transfer of Definitive Notes, the Trustee or the Notes Registrar shall cancel such Definitive Notes) and to increase the principal amount of the Regulation S Global Security by the aggregate principal amount of the beneficial interest in the Rule 144A Global Security or Definitive Note to be exchanged or transferred, and to credit or cause to be credited to the securities account of the Person specified in such instructions a beneficial interest in the corresponding Regulation S Global Security equal to the reduction in the principal amount of the Rule 144A Global Security (or, in the case of a cancellation of Definitive Notes, equal to the principal amount of Definitive Notes so cancelled).

(iv) Transfer of Rule 144A Global Securities to Definitive Notes. If, in accordance with Section 2.10, a holder of a beneficial interest in a Rule 144A Global Security wishes at any time to exchange its interest in such Rule 144A Global Security for a Definitive Note or to transfer its interest in such Rule 144A Global Security to a Person who wishes to take delivery thereof in the form of a Definitive Note in accordance with Section 2.10, such holder may, subject to the immediately succeeding sentence and the rules and procedures of DTC, exchange or transfer, or cause the exchange or transfer of, such interest for a Definitive Note. Upon receipt by the Trustee or the Notes Registrar of (A) a duly complete certificate substantially in the form of Exhibit D-3 and (B) appropriate instructions from DTC, if required, the Trustee or the Notes Registrar shall approve the instructions at DTC to reduce, or cause to be reduced, the Rule 144A

Global Security by the aggregate principal amount of the beneficial interest in the Rule 144A Global Security to be transferred or exchanged, record the transfer in the Register in accordance with Section 2.5(a) and upon execution by the Issuers authenticate and deliver one or more Definitive Notes, registered in the names specified in the instructions described in clause (B) above, in principal amounts designated by the transferee (the aggregate of such principal amounts being equal to the aggregate principal amount of the interest in the Rule 144A Global Security transferred by the transferor).

(v) Transfer of Definitive Notes to Rule 144A Global Securities. If a holder of a Definitive Note wishes at any time to exchange its interest in such Definitive Note for a beneficial interest in a Rule 144A Global Security or to transfer such Definitive Note to a Person who wishes to take delivery thereof in the form of a beneficial interest in a Rule 144A Global Security, such holder may, subject to the immediately succeeding sentence and the rules and procedures of DTC, exchange or transfer, or cause the exchange or transfer of, such Definitive Note for beneficial interest in a Rule 144A Global Security (provided that no IAI may hold an interest in a Rule 144A Global Security). Upon receipt by the Trustee or the Notes Registrar of (A) a Holder's Definitive Note properly endorsed for assignment to the transferee; (B) a duly completed certificate substantially in the form of Exhibit D-2 attached hereto; (C) instructions given in accordance with DTC's procedures from an Agent Member to instruct DTC to cause to be credited a beneficial interest in the Rule 144A Global Securities in an amount equal to the Definitive Notes to be transferred or exchanged; and (D) a written order given in accordance with DTC's procedures containing information regarding the participant's account of DTC to be credited with such increase, the Trustee or the Notes Registrar shall cancel such Definitive Note in accordance herewith, record the transfer in the Notes Register in accordance with Section 2.5(a) and approve the instructions at DTC, concurrently with such cancellation, to credit or cause to be credited to the securities account of the Person specified in such instructions a beneficial interest in the corresponding Rule 144A Global Security equal to the principal amount of the Definitive Note transferred or exchanged.

(vi) Other Exchanges. In the event that, pursuant to Section 2.10 hereof, a Global Security is exchanged for Definitive Notes, such Notes may be exchanged for one another only in accordance with such procedures as are substantially consistent with the provisions above (including certification requirements intended to ensure that such transfers are to a QIB who is also a Qualified Purchaser or are to a non-U.S. Person, or otherwise comply with Rule 144A or Regulation S, as the case may be) and as may be from time to time adopted by the Issuer, the Co-Issuer and the Trustee.

(f) Removal of Legend. If Notes are issued upon the transfer, exchange or replacement of Notes bearing the applicable legends set forth in Exhibits A and B hereto, and if a request is made to remove such applicable legend on such Notes, the Notes so issued shall bear such applicable legend, or such applicable legend shall not be removed, as the case may be, unless there is delivered to the Issuer and the Co-Issuer such satisfactory evidence, which may include an Opinion of Counsel of an attorney at law licensed to practice law in the State of New York (and addressed to the Issuer and the Trustee), as may be reasonably required by the Issuer and the Co-Issuer, if applicable, to the effect that neither such applicable legend nor the

restrictions on transfer set forth therein are required to ensure that transfers thereof comply with the provisions of Rule 144A or Regulation S, as applicable, the 1940 Act or ERISA. So long as the Issuer or the Co-Issuer is relying on an exemption under or promulgated pursuant to the 1940 Act, the Issuer or the Co-Issuer shall not remove that portion of the legend required to maintain an exemption under or promulgated pursuant to the 1940 Act. Upon provision of such satisfactory evidence, as confirmed in writing by the Issuer and the Co-Issuer, if applicable, to the Trustee, the Trustee, at the direction of the Issuer and the Co-Issuer, if applicable, shall authenticate and deliver Notes that do not bear such applicable legend.

(g) Each beneficial owner of Regulation S Global Securities shall be deemed to make the representations and agreements set forth in Exhibit D-1 hereto.

(h) Each beneficial owner of Rule 144A Global Securities shall be deemed to make the representations and agreements set forth in Exhibit D-2 hereto.

(i) Each Holder of Definitive Notes shall make the representations and agreements set forth in the certificate attached as Exhibit D-3 hereto.

(j) Any purported transfer of a Note not in accordance with Section 2.5(a) shall be null and void and shall not be given effect for any purpose hereunder.

(k) Notwithstanding anything contained in this Indenture to the contrary, neither the Trustee nor the Notes Registrar (nor any other Transfer Agent) shall be responsible or liable for compliance with applicable federal or state securities laws (including, without limitation, the Securities Act or Rule 144A or Regulation S promulgated thereunder), the 1940 Act, ERISA or the Code (or any applicable regulations thereunder); provided, however, that if a specified transfer certificate or Opinion of Counsel is required by the express terms of this Section 2.5 to be delivered to the Trustee or Notes Registrar prior to registration of transfer of a Note, the Trustee and/or Notes Registrar, as applicable, is required to request, as a condition for registering the transfer of the Note, such certificate or Opinion of Counsel and to examine the same to determine whether it conforms on its face to the requirements hereof (and the Trustee or Notes Registrar, as the case may be, shall promptly notify the party delivering the same if it determines that such certificate or Opinion of Counsel does not so conform).

(l) If the Trustee determines or is notified by the Issuer, the Co-Issuer or the Loan Obligation Manager that (i) a transfer or attempted or purported transfer of any interest in any Note was consummated in compliance with the provisions of this Section 2.5 on the basis of a materially incorrect certification from the transferee or purported transferee, (ii) a transferee failed to deliver to the Trustee any certification required to be delivered hereunder or (iii) the holder of any interest in a Note is in breach of any representation or agreement set forth in any certification or any deemed representation or agreement of such holder, the Trustee shall not register such attempted or purported transfer and if a transfer has been registered, such transfer shall be absolutely null and void *ab initio* and shall vest no rights in the purported transferee (such purported transferee, a “Disqualified Transferee”) and the last preceding holder of such interest in such Note that was not a Disqualified Transferee shall be restored to all rights as a Holder thereof retroactively to the date of transfer of such Note by such Holder.

In addition, the Trustee may require that the interest in the Note referred to in (i), (ii) or (iii) in the preceding paragraph be transferred to any person designated by the Issuer or the Loan Obligation Manager at a price determined by the Issuer or the Loan Obligation Manager, as applicable, based upon its estimation of the prevailing price of such interest and each Holder, by acceptance of an interest in a Note, authorizes the Trustee to take such action. In any case, none of the Issuer, the Trustee nor the Loan Obligation Manager shall be held responsible for any losses that may be incurred as a result of any required transfer under this Section 2.5(l).

(m) Each Holder of Notes approves and consents to (i) the initial purchase of the Loan Obligations by the Issuer from Affiliates of the Loan Obligation Manager on the Closing Date and (ii) any other transaction between the Issuer and the Loan Obligation Manager or its Affiliates that are permitted under the terms of this Indenture or the Loan Obligation Management Agreement.

(n) As long as any Note is Outstanding, Notes held by Issuer Parent or an Issuer Parent Disregarded Entity may not be transferred, pledged or hypothecated to any other Person (except to Issuer Parent or an Issuer Parent Disregarded Entity) unless the Issuer receives an opinion of Cadwalader, Wickersham & Taft LLP or another nationally recognized tax counsel experienced in such matters that such transfer will not cause the Issuer to be treated as a foreign corporation engaged in a trade or business in the United States for federal income tax purposes or to otherwise become subject to federal income tax on a net income basis (or has previously received an opinion of Cadwalader, Wickersham & Taft LLP or another nationally recognized tax counsel experienced in such matters that the Issuer will be treated as a foreign corporation that is not engaged in a trade or business in the United States for federal income tax purposes).

Section 2.6 Mutilated, Defaced, Destroyed, Lost or Stolen Note.

If (a) any mutilated or defaced Note is surrendered to a Transfer Agent, or if there shall be delivered to the Issuer, the Co-Issuer, the Trustee and the relevant Transfer Agent (each a “Specified Person”) evidence to their reasonable satisfaction of the destruction, loss or theft of any Note, and (b) there is delivered to the Specified Person such security or indemnity as may be required by each Specified Person to save each of them and any agent of any of them harmless (an unsecured indemnity agreement delivered to the Trustee by an institutional investor with a net worth of at least U.S.\$200,000,000 being deemed sufficient to satisfy such security or indemnity requirement), then, in the absence of notice to the Specified Persons that such Note has been acquired by a bona fide purchaser, the Issuer and the Co-Issuer shall execute and, upon Issuer Request, the Trustee shall authenticate and deliver, in lieu of any such mutilated, defaced, destroyed, lost or stolen Note, a new Note, of like tenor (including the same date of issuance) and equal principal amount, registered in the same manner, dated the date of its authentication, bearing interest from the date to which interest has been paid on the mutilated, defaced, destroyed, lost or stolen Note and bearing a number not contemporaneously outstanding.

If, after delivery of such new Note, a bona fide purchaser of the predecessor Note presents for payment, transfer or exchange such predecessor Note, any Specified Person shall be entitled to recover such new Note from the Person to whom it was delivered or any Person taking therefrom, and each Specified Person shall be entitled to recover upon the security or indemnity

provided therefor to the extent of any loss, damage, cost or expense incurred by such Specified Person in connection therewith.

In case any such mutilated, defaced, destroyed, lost or stolen Note has become due and payable, the Issuer and the Co-Issuer, if applicable, in their discretion may, instead of issuing a new Note, pay such Note without requiring surrender thereof except that any mutilated or defaced Note shall be surrendered.

Upon the issuance of any new Note under this Section 2.6, the Issuer and the Co-Issuer, if applicable, may require the payment by the registered Holder thereof of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Trustee) connected therewith.

Every new Note issued pursuant to this Section 2.6 in lieu of any mutilated, defaced, destroyed, lost or stolen Note shall constitute an original additional contractual obligation of the Issuer and the Co-Issuer, if applicable, and such new Note shall be entitled, subject to the second paragraph of this Section 2.6, to all the benefits of this Indenture equally and proportionately with any and all other Notes duly issued hereunder.

The provisions of this Section 2.6 are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, defaced, destroyed, lost or stolen Notes.

Section 2.7      Payment of Principal and Interest and Other Amounts; Principal and Interest Rights Preserved.

(a)      The Class A Notes shall accrue interest during each Interest Accrual Period at the Class A Rate. Interest on each Class A Note shall be due and payable on each Payment Date immediately following the related Interest Accrual Period in the proportion that the outstanding principal amount of such Class A Note bears to the Aggregate Outstanding Amount of all Class A Notes; provided, however, that the payment of interest on the Class A Notes is subordinated to the payment on each Payment Date of certain amounts in accordance with the Priority of Payments.

(b)      The Class B Notes shall accrue interest during each Interest Accrual Period at the Class B Rate. Interest on each Class B Note shall be due and payable on each Payment Date immediately following the related Interest Accrual Period in the proportion that the outstanding principal amount of such Class B Note bears to the Aggregate Outstanding Amount of all Class B Notes; provided, however, that the payment of interest on the Class B Notes is subordinated to the payment on each Payment Date of the interest due and payable on the Class A Notes (including any Class A Defaulted Interest Amount) and certain other amounts in accordance with the Priority of Payments.

(c)      The Class C Notes shall accrue interest during each Interest Accrual Period at the Class C Rate. Interest on each Class C Note shall be due and payable on each Payment Date immediately following the related Interest Accrual Period in the proportion that the outstanding principal amount of such Class C Note bears to the Aggregate Outstanding Amount of all Class C Notes; provided, however, that the payment of interest on the Class C

Notes is subordinated to the payment on each Payment Date of the interest due and payable on the Class A Notes and the Class B Notes (including any Class A Defaulted Interest Amount and any Class B Defaulted Interest Amount) and certain other amounts in accordance with the Priority of Payments.

(d) Upon any Optional Redemption, Tax Redemption or Clean-up Call, all net proceeds remaining after the sale of the Loan Obligations in accordance with Article 12 hereof and Cash and proceeds from Eligible Investments (other than the Issuer's right, title and interest in the property described in clause (i) of the definition of "Excepted Assets"), after the payment of the amounts referred to in clauses (1) through (11) of Section 11.1(a)(i) and clauses (1) through (7) of Section 11.1(a)(ii) will be distributed by the Trustee to the Preferred Shares Paying Agent for distribution to the Holders of the Preferred Shares in accordance with the Preferred Share Paying Agency Agreement, whereupon the Preferred Shares will be cancelled and deemed paid in full for all purposes.

(e) Interest shall cease to accrue on each Class of Notes, or in the case of a partial repayment, on such part, from the date of repayment or the Stated Maturity Date, whichever occurs first, unless payment of principal is improperly withheld or unless a Default has occurred with respect to such payments of principal.

(f) The principal of each Class of Notes matures at par and is due and payable on the Stated Maturity Date, unless such principal has been previously repaid or unless the unpaid principal of such Class of Notes becomes due and payable at an earlier date by declaration of acceleration, call for redemption or otherwise; provided, however, that the payment of principal on the Class B Notes (other than payment of principal pursuant to Section 9.5) may only occur after the principal on the Class A Notes has been paid in full and is subordinated to the payment on each Payment Date of the principal and interest due and payable on the Class A Notes and other amounts in accordance with the Priority of Payments and any payment of principal on the Class B Notes which is not paid, in accordance with the Priority of Payments, on any Payment Date, shall not be considered "due and payable" solely for purposes of Section 5.1(b) until the Payment Date on which such principal may be paid in accordance with the Priority of Payments or all of the Class A Notes have been paid in full; provided, further, that the payment of principal on the Class C Notes (other than payment of principal pursuant to Section 9.5) may only occur after the principal on the Class B Notes has been paid in full and is subordinated to the payment on each Payment Date of the principal and interest due and payable on the Class B Notes and other amounts in accordance with the Priority of Payments and any payment of principal on the Class C Notes which is not paid, in accordance with the Priority of Payments, on any Payment Date, shall not be considered "due and payable" solely for purposes of Section 5.1(b) until the Payment Date on which such principal may be paid in accordance with the Priority of Payments or all of the Class B Notes have been paid in full. Payments of principal on the Notes in connection with a Clean-up Call, Tax Redemption or Optional Redemption will be made in accordance with Section 9.1 and the Priority of Payments.

(g) As a condition to the payment of principal of and interest on any Note without the imposition of U.S. withholding tax, the Issuer shall require certification acceptable to it to enable the Issuer, the Co-Issuer, the Trustee, the Preferred Shares Paying Agent and the Paying Agent to determine their duties and liabilities with respect to any taxes or other charges

that they may be required to deduct or withhold from payments in respect of such Security under any present or future law or regulation of the United States or any present or future law or regulation of any political subdivision thereof or taxing authority therein or to comply with any reporting or other requirements under any such law or regulation. Such certification may include U.S. federal income tax forms (such as IRS Form W-8BEN or W-8BEN-E (Certification of Foreign Status of Beneficial Owner), Form W-8IMY (Certification of Foreign Intermediary Status), IRS Form W-9 (Request for Taxpayer Identification Number and Certification), or IRS Form W-8ECI (Certification of Foreign Person's Claim for Exemption from Withholding on Income Effectively Connected with Conduct of a U.S. Trade or Business) or any successors to such IRS forms). In addition, each of the Issuer, Co-Issuer, the Trustee, Preferred Shares Paying Agent or any Paying Agent may require certification acceptable to it to enable the Issuer to qualify for a reduced rate of withholding in any jurisdiction from or through which the Issuer receives payments on its assets. Each Holder and each beneficial owner of Notes agree to provide any certification requested pursuant to this Section 2.7(g) and to update or replace such form or certification in accordance with its terms or its subsequent amendments. Furthermore, (i) if a Holder is a "foreign financial institution" or other foreign financial entity subject to FATCA or (ii) if the Issuer is no longer a Qualified REIT Subsidiary, but is instead a foreign corporation for U.S. federal income tax purposes, the Issuer shall require information to comply with FATCA requirements pursuant to clause (xii) of the representations and warranties set forth under the third paragraph of Exhibit D-1 hereto, as deemed made pursuant to Section 2.5(g) hereto, or pursuant to clause (xiii) of the representations and warranties set forth under the third paragraph of Exhibit D-2 hereto, as deemed made pursuant to Section 2.5(h) hereto, or pursuant to clause (xi) of the representations and warranties set forth under the third paragraph of Exhibit D-3 hereto, made pursuant to Section 2.5(i) hereto, as applicable. In the event a Holder fails to provide such information, or to the extent the Holder's ownership of Notes would otherwise cause the Issuer to be subject to any tax under FATCA, (A) the Issuer is authorized to withhold amounts otherwise distributable to the Holder as compensation for any tax imposed under FATCA as a result of such failure or the Holder's ownership, and (B) to the extent necessary to avoid an adverse effect on the Issuer as a result of such failure or the Holder's ownership, the Issuer will have the right to compel the Holder to sell its Notes, and, if the Holder does not sell its Notes within 10 Business Days after notice from the Issuer, to sell such Notes at a public or private sale called and conducted in any manner permitted by law, and to remit the net proceeds of such sale (taking into account any taxes incurred by the Issuer in connection with such sale) to the Holder as payment in full for such Notes. The Issuer may also assign each such Note a separate CUSIP number or CUSIP numbers in the Issuer's sole discretion.

(h) Payments in respect of interest on and principal on the Notes shall be payable by wire transfer in immediately available funds to a Dollar account maintained by the Holder or its nominee; provided that the Holder has provided wiring instructions to the Trustee on or before the related Record Date or, if wire transfer cannot be effected, by a Dollar check drawn on a bank in the United States, or by a Dollar check mailed to the Holder at its address in the Notes Register. The Issuer expects that the Depository or its nominee, upon receipt of any payment of principal or interest in respect of a Global Security held by the Depository or its nominee, shall immediately credit the applicable Agent Members' accounts with payments in amounts proportionate to the respective beneficial interests in such Global Security as shown on the records of the Depository or its nominee. The Issuer also expects that payments by Agent Members to owners of beneficial interests in such Global Security held through Agent Members

will be governed by standing instructions and customary practices, as is now the case with securities held for the accounts of customers registered in the names of nominees for such customers. Such payments will be the responsibility of the Agent Members. Upon final payment due on the Maturity of a Note, the Holder thereof shall present and surrender such Note at the Corporate Trust Office of the Trustee or at the office of the Paying Agent (outside of the United States if then required by applicable law in the case of a Definitive Note issued in exchange for a beneficial interest in the Regulation S Global Security) on or prior to such Maturity. None of the Issuer, the Co-Issuer, the Trustee or the Paying Agent will have any responsibility or liability with respect to any records maintained by the Holder of any Note with respect to the beneficial holders thereof or payments made thereby on account of beneficial interests held therein. In the case where any final payment of principal and interest is to be made on any Note (other than on the Stated Maturity Date thereof) the Issuer or, upon Issuer Request, the Trustee, in the name and at the expense of the Issuer, shall not more than 30 nor fewer than five Business Days prior to the date on which such payment is to be made, mail to the Persons entitled thereto at their addresses appearing on the Notes Register, a notice which shall state the date on which such payment will be made and the amount of such payment and shall specify the place where such Notes may be presented and surrendered for such payment.

(i) Subject to the provisions of Sections 2.7(a) through (h) and Section 2.7(l) hereof, Holders of Notes as of the Record Date in respect of a Payment Date shall be entitled to the interest accrued and payable in accordance with the Priority of Payments and principal payable in accordance with the Priority of Payments on such Payment Date. All such payments that are mailed or wired and returned to the Paying Agent shall be held for payment as herein provided at the office or agency of the Issuer and the Co-Issuer to be maintained as provided in Section 7.2 (or returned to the Trustee).

(j) Interest on any Note which is payable, and is punctually paid or duly provided for, on any Payment Date shall be paid to the Person in whose name that Note (or one or more predecessor Notes) is registered at the close of business on the Record Date for such interest.

(k) Payments of principal to Holders of the Notes of each Class shall be made in the proportion that the Aggregate Outstanding Amount of the Notes of such Class registered in the name of each such Holder on such Record Date bears to the Aggregate Outstanding Amount of all Notes of such Class on such Record Date.

(l) Interest accrued with respect to the Notes shall be calculated as described in the applicable form of Note attached hereto.

(m) All reductions in the principal amount of a Note (or one or more predecessor Notes) effected by payments of installments of principal made on any Payment Date, Redemption Date or upon Maturity shall be binding upon all future Holders of such Note and of any Note issued upon the registration of transfer thereof or in exchange therefor or in lieu thereof, whether or not such payment is noted on such Note.

(n) Notwithstanding anything contained in this Indenture to the contrary, the obligations of the Issuer and the Co-Issuer under the Notes, this Indenture and the other

Transaction Documents are limited-recourse obligations of the Issuer and non-recourse obligations of the Co-Issuer payable solely from the Assets and following realization of the Assets, all obligations of the Co-Issuers and any claims of the Noteholders, the Trustee or any other parties to any Transaction Documents shall be extinguished and shall not thereafter revive. No recourse shall be had for the payment of any amount owing in respect of the Notes against any Officer, director, employee, shareholder, limited partner or incorporator of the Issuer, the Co-Issuer or any of their respective successors or assigns for any amounts payable under the Notes or this Indenture. It is understood that the foregoing provisions of this paragraph shall not (i) prevent recourse to the Assets for the sums due or to become due under any security, instrument or agreement which is part of the Assets or (ii) constitute a waiver, release or discharge of any indebtedness or obligation evidenced by the Notes or secured by this Indenture (to the extent it relates to the obligation to make payments on the Notes) until such Assets have been realized, whereupon any outstanding indebtedness or obligation in respect of the Notes, this Indenture and the other Transaction Documents shall be extinguished and shall not thereafter revive. It is further understood that the foregoing provisions of this paragraph shall not limit the right of any Person to name the Issuer or the Co-Issuer as a party defendant in any Proceeding or in the exercise of any other remedy under the Notes or this Indenture, so long as no judgment in the nature of a deficiency judgment or seeking personal liability shall be asked for or (if obtained) enforced against any such Person or entity.

(o) Subject to the foregoing provisions of this Section 2.7, each Note delivered under this Indenture and upon registration of transfer of or in exchange for or in lieu of any other Note shall carry the rights of unpaid interest and principal that were carried by such other Note.

(p) Notwithstanding any of the foregoing provisions with respect to payments of principal of and interest on the Notes (but subject to Sections 2.7(f) and (l)), if the Notes have become or been declared due and payable following an Event of Default and such acceleration of Maturity and its consequences have not been rescinded and annulled and the provisions of Section 5.5 are not applicable, then payments of principal of and interest on such Notes shall be made in accordance with Section 5.7 hereof.

(q) Payments in respect of the Preferred Shares as contemplated by Sections 11.1(a)(i)(12) and 11.1(a)(ii)(8) shall be made by the Trustee to the Preferred Shares Paying Agent.

Section 2.8      Persons Deemed Owners.

The Issuer, the Co-Issuer, the Trustee, and any agent of the Issuer, the Co-Issuer or the Trustee may treat as the owner of a Note the Person in whose name such Note is registered on the Notes Register on the applicable Record Date for the purpose of receiving payments of principal of and interest and other amounts on such Note and on any other date for all other purposes whatsoever (whether or not such Note is overdue), and none of the Issuer, the Co-Issuer or the Trustee nor any agent of the Issuer, the Co-Issuer or the Trustee shall be affected by notice to the contrary; provided, however, that the Depository, or its nominee, shall be deemed the owner of the Global Securities, and owners of beneficial interests in Global Securities will not be considered the owners of any Notes for the purpose of receiving notices. With respect to the

Preferred Shares, on any Payment Date, the Trustee shall deliver to the Preferred Shares Paying Agent the distributions thereon for distribution to the Preferred Shareholders.

Section 2.9      Cancellation.

All Notes surrendered for payment, registration of transfer, exchange or redemption, or deemed lost or stolen, shall, if surrendered to any Person other than the Trustee, be delivered to the Trustee, and shall be promptly canceled by the Trustee and may not be reissued or resold. No Notes shall be authenticated in lieu of or in exchange for any Notes canceled as provided in this Section 2.9, except as expressly permitted by this Indenture. All canceled Notes held by the Trustee shall be destroyed or held by the Trustee in accordance with its standard retention policy unless the Issuer and the Co-Issuer shall direct by an Issuer Order that they be returned to them. Notes of the most senior Class Outstanding that are held by the Issuer, the Co-Issuer, the Loan Obligation Manager or any of their respective Affiliates may be submitted to the Trustee for cancellation at any time.

Section 2.10      Global Securities; Definitive Notes; Temporary Notes.

(a)      Definitive Notes. Definitive Notes shall only be issued in the following limited circumstances:

(i)      upon Transfer of Global Securities to an IAI in accordance with the procedures set forth in Section 2.5(e)(ii) or Section 2.5(e)(iii);

(ii)      if a holder of a Definitive Note wishes at any time to exchange such Definitive Note for one or more Definitive Notes or transfer such Definitive Note to a transferee who wishes to take delivery thereof in the form of a Definitive Note in accordance with Section 2.10, such holder may effect such exchange or transfer upon receipt by the Trustee or the Notes Registrar of (A) a Holder's Definitive Note properly endorsed for assignment to the transferee, and (B) duly completed certificates in the form of Exhibit D-3, upon receipt of which the Trustee or the Notes Registrar shall then cancel such Definitive Note in accordance herewith, record the transfer in the Notes Register in accordance with Section 2.5(a) and upon execution by the Co-Issuers authenticate and deliver one or more Definitive Notes bearing the same designation as the Definitive Note endorsed for transfer, registered in the names specified in the assignment described in clause (A) above, in principal amounts designated by the transferee (the aggregate of such principal amounts being equal to the aggregate principal amount of the Definitive Note surrendered by the transferor).

(iii)      in the event that the Depository notifies the Issuer and the Co-Issuer that it is unwilling or unable to continue as Depository for a Global Security or if at any time such Depository ceases to be a "Clearing Agency" registered under the Exchange Act and a successor depository is not appointed by the Issuer within 90 days of such notice, the Global Securities deposited with the Depository pursuant to Section 2.2 hereof shall be transferred to the beneficial owners thereof subject to the procedures and conditions set forth in this Section 2.10.

(b) Any Global Security that is exchanged for a Definitive Note shall be surrendered by the Depository to the Trustee's Corporate Trust Office together with necessary instruction for the registration and delivery of a Definitive Note to the beneficial owners (or such owner's nominee) holding the ownership interests in such Global Security. Any such transfer shall be made, without charge, and the Trustee shall authenticate and deliver, upon such transfer of each portion of such Global Security, an equal aggregate principal amount of Definitive Notes of the same Class and authorized denominations. Any Definitive Notes delivered in exchange for an interest in a Global Security shall, except as otherwise provided by Section 2.5(f), bear the applicable legend set forth in Exhibits C-1 or C-2, as applicable, and shall be subject to the transfer restrictions referred to in such applicable legend. The Holder of each such registered individual Global Security may transfer such Global Security by surrendering it at the Corporate Trust Office of the Trustee, or at the office of the Paying Agent.

(c) Subject to the provisions of Section 2.10(b) above, the registered Holder of a Global Security may grant proxies and otherwise authorize any Person, including Agent Members and Persons that may hold interests through Agent Members, to take any action which a Holder is entitled to take under this Indenture or the Notes.

(d) In the event of the occurrence of either of the events specified in Section 2.10(a) above, the Issuer and the Co-Issuer shall promptly make available to the Trustee a reasonable supply of Definitive Notes.

Pending the preparation of Definitive Notes pursuant to this Section 2.10, the Issuer and the Co-Issuer may execute and, upon Issuer Order, the Trustee shall authenticate and deliver, temporary Class A Notes, Class B Notes or Class C Notes that are printed, lithographed, typewritten, mimeographed or otherwise reproduced, in any authorized denomination, substantially of the tenor of the Definitive Notes in lieu of which they are issued and with such appropriate insertions, omissions, substitutions and other variations as the Officers executing such Definitive Notes may determine, as conclusively evidenced by their execution of such Definitive Notes.

If temporary Definitive Notes are issued, the Issuer and the Co-Issuer shall cause permanent Definitive Notes to be prepared without unreasonable delay. The Definitive Notes shall be printed, lithographed, typewritten or otherwise reproduced, or provided by any combination thereof, or in any other manner permitted by the rules and regulations of any applicable notes exchange, all as determined by the Officers executing such Definitive Notes. After the preparation of Definitive Notes, the temporary Notes shall be exchangeable for Definitive Notes upon surrender of the applicable temporary Class A, Class B or Class C Notes at the office or agency maintained by the Issuer and the Co-Issuer for such purpose, without charge to the Holder. Upon surrender for cancellation of any one or more temporary Class A Notes, Class B Notes or Class C Notes, the Issuer and the Co-Issuer shall execute, and the Trustee shall authenticate and deliver, in exchange therefor the same aggregate principal amount of Definitive Notes of authorized denominations. Until so exchanged, the temporary Class A Notes, Class B Notes or Class C Notes shall in all respects be entitled to the same benefits under this Indenture as Definitive Notes.

Section 2.11 U.S. Tax Treatment of Notes and the Issuer.

(a) Each of the Issuer and the Co-Issuer intends that, for U.S. federal income tax purposes, the Notes (unless held by Issuer Parent or an Issuer Parent Disregarded Entity) be treated as debt and that the Issuer be treated as a Qualified REIT Subsidiary (unless the Issuer has received an opinion of Cadwalader, Wickersham & Taft LLP or another nationally recognized tax counsel experienced in such matters opining that the Issuer will be treated as a foreign corporation not engaged in a trade or business in the United States for U.S. federal income tax purposes). Each prospective purchaser and any subsequent transferee of a Note or any interest therein shall, by virtue of its purchase or other acquisition of such Note or interest therein, be deemed to have agreed to treat such Note in a manner consistent with the preceding sentence for U.S. federal income tax purposes.

(b) The Issuer and the Co-Issuer shall account for the Notes and prepare any reports to Noteholders and tax authorities consistent with the intentions expressed in Section 2.11(a) above.

(c) Each Holder of Notes shall timely furnish to the Issuer, the Co-Issuer or its agents any U.S. federal income tax form or certification (such as IRS Form W-8BEN (Certification of Foreign Status of Beneficial Owner) (with Part III marked), IRS Form W-8BEN-E, IRS Form W-8IMY (Certification of Foreign Intermediary Status), IRS Form W-9 (Request for Taxpayer Identification Number and Certification), or IRS Form W-8ECI (Certification of Foreign Person's Claim for Exemption from Withholding on Income Effectively Connected with Conduct of a U.S. Trade or Business) or any successors to such IRS forms that the Issuer, the Co-Issuer or its agents may reasonably request and shall update or replace such forms or certification in accordance with its terms or its subsequent amendments. Furthermore, if the Issuer is no longer treated as a Qualified REIT Subsidiary but is instead a foreign corporation for U.S. federal income tax purposes or if a Noteholder is a "foreign financial institution" or other foreign financial entity subject to FATCA, Noteholders shall timely furnish any information required pursuant to Section 2.7(g).

Section 2.12 Authenticating Agents.

Upon the request of the Issuer and the Co-Issuer, the Trustee shall, and if the Trustee so chooses the Trustee may, pursuant to this Indenture, appoint one or more Authenticating Agents with power to act on its behalf and subject to its direction in the authentication of Notes in connection with issuance, transfers and exchanges under Sections 2.4, 2.5, 2.6 and 8.5 hereof, as fully to all intents and purposes as though each such Authenticating Agent had been expressly authorized by such Sections to authenticate such Notes. For all purposes of this Indenture, the authentication of Notes by an Authenticating Agent pursuant to this Section 2.12 shall be deemed to be the authentication of Notes by the Trustee.

Any corporation or banking association into which any Authenticating Agent may be merged or converted or with which it may be consolidated, or any corporation or banking association resulting from any merger, consolidation or conversion to which any Authenticating Agent shall be a party, or any corporation succeeding to the corporate trust business of any Authenticating Agent, shall be the successor of such Authenticating Agent hereunder, without

the execution or filing of any further act on the part of the parties hereto or such Authenticating Agent or such successor corporation. Any Authenticating Agent may at any time resign by giving written notice of resignation to the Trustee, the Issuer and the Co-Issuer. The Trustee may at any time terminate the agency of any Authenticating Agent by giving written notice of termination to such Authenticating Agent, the Issuer and the Co-Issuer. Upon receiving such notice of resignation or upon such a termination, the Trustee shall promptly appoint a successor Authenticating Agent and shall give written notice of such appointment to the Issuer.

The Trustee agrees to pay to each Authenticating Agent appointed by it from time to time reasonable compensation for its services, and reimbursement for its reasonable expenses relating thereto and the Trustee shall be entitled to be reimbursed for such payments, subject to Section 6.7 hereof. The provisions of Sections 2.9, 6.4 and 6.5 hereof shall be applicable to any Authenticating Agent.

Section 2.13      Forced Sale on Failure to Comply with Restrictions.

(a)      Notwithstanding anything to the contrary elsewhere in this Indenture, any transfer of a Note or interest therein to a U.S. Person who is determined not to have been both a QIB and a Qualified Purchaser at the time of acquisition of the Note or interest therein shall be null and void and any such proposed transfer of which the Issuer, the Co-Issuer or the Trustee shall have notice may be disregarded by the Issuer, the Co-Issuer and the Trustee for all purposes.

(b)      If the Issuer determines that any Holder of a Note has not satisfied the applicable requirement described in Section 2.13(a) above (any such person a “Non-Permitted Holder”), then the Issuer shall promptly after discovery that such Person is a Non-Permitted Holder by the Issuer, the Co-Issuer or the Trustee (and notice by the Trustee or the Co-Issuer to the Issuer, if either of them makes the discovery), send notice (or procure that notice is sent) to such Non-Permitted Holder demanding that such Non-Permitted Holder transfer its interest to a Person that is not a Non-Permitted Holder within 30 days of the date of such notice. If such Non-Permitted Holder fails to so transfer its Note or interest therein, the Issuer shall have the right, without further notice to the Non-Permitted Holder, to sell such Note or interest therein to a purchaser selected by the Issuer that is not a Non-Permitted Holder on such terms as the Issuer may choose. The Issuer, or the Trustee acting on behalf of the Issuer, may select the purchaser by soliciting one or more bids from one or more brokers or other market professionals that regularly deal in securities similar to the Note, and selling such Note to the highest such bidder. However, the Issuer or the Trustee may select a purchaser by any other means determined by it in its sole discretion. The Holder of such Note, the Non-Permitted Holder and each other Person in the chain of title from the Holder to the Non-Permitted Holder, by its acceptance of an interest in the Note, agrees to cooperate with the Issuer and the Trustee to effect such transfers. The proceeds of such sale, net of any commissions, expenses and taxes due in connection with such sale shall be remitted to the Non-Permitted Holder. The terms and conditions of any sale under this Section 2.13(b) shall be determined in the sole discretion of the Issuer, and the Issuer shall not be liable to any Person having an interest in the Note sold as a result of any such sale of exercise of such discretion.

Section 2.14      No Gross Up.

The Issuer shall not be obligated to pay any additional amounts to the Holders or beneficial owners of the Notes as a result of any withholding or deduction for, or on account of, any present or future taxes, duties, assessments or governmental charges.

Section 5.2 Acceleration of Maturity; Rescission and Annulment.

(a) If an Event of Default shall occur and be continuing (other than the Events of Default specified in Section 5.1(f) or 5.1(g)), the Trustee may (and shall at the direction of a

Majority, by outstanding principal amount, of each Class of Notes voting as a separate Class (excluding any Notes owned by the Loan Obligation Manager or any of its Affiliates or by any accounts managed by them), declare the principal of and accrued and unpaid interest on all the Notes to be immediately due and payable (and any such acceleration shall automatically terminate the Replacement Period). Upon any such declaration such principal, together with all accrued and unpaid interest thereon, and other amounts payable thereunder in accordance with the Priority of Payments will become immediately due and payable (except that in the case of an Event of Default described in Section 5.1(f) or 5.1(g) above, such an acceleration shall occur automatically and without any further action and any such acceleration shall automatically terminate the Replacement Period). If the Notes are accelerated, payments shall be made in the order and priority set forth in Section 11.1(a) hereof. If the Notes are accelerated (whether such acceleration is automatic or otherwise), the Issuer (or the Loan Obligation Manager on its behalf) shall take the actions described in Section 18.1(c) herein.

(b) At any time after such a declaration of acceleration of Maturity of the Notes has been made, and before a judgment or decree for payment of the amounts due has been obtained by the Trustee as hereinafter provided in this Article 5, a Majority of each Class of Notes (voting as a separate Class), other than with respect to an Event of Default specified in Section 5.1(d), 5.1(e), 5.1(h) or 5.1(i), by written notice to the Issuer, the Co-Issuer and the Trustee, may rescind and annul such declaration and its consequences if:

(i) the Issuer or the Co-Issuer has paid or deposited with the Trustee a sum sufficient to pay:

(A) all unpaid installments of interest on and principal on the Notes that would be due and payable hereunder if the Event of Default giving rise to such acceleration had not occurred;

(B) all unpaid taxes of the Issuer and the Co-Issuer, Company Administrative Expenses and other sums paid or advanced by or otherwise due and payable to the Trustee hereunder;

(C) with respect to the Advancing Agent and the Backup Advancing Agent, any amount due and payable for unreimbursed Interest Advances and Reimbursement Interest; and

(D) with respect to the Loan Obligation Management Agreement, any Loan Obligation Manager Fee then due and any Company Administrative Expense due and payable to the Loan Obligation Manager thereunder; and

(ii) the Trustee has determined that all Events of Default of which it has actual knowledge, other than the non-payment of the interest and principal on the Notes that have become due solely by such acceleration, have been cured and a Majority of the Controlling Class, by written notice to the Trustee, has agreed with such determination (which agreement shall not be unreasonably withheld or delayed) or waived as provided in Section 5.14.

At any such time that the Trustee, subject to Section 5.2(b), shall rescind and annul such declaration and its consequences as permitted hereinabove, the Trustee shall preserve the Assets in accordance with the provisions of Section 5.5 with respect to the Event of Default that gave rise to such declaration; provided, however, that if such preservation of the Assets is rescinded pursuant to Section 5.5, the Notes may be accelerated pursuant to the first paragraph of this Section 5.2, notwithstanding any previous rescission and annulment of a declaration of acceleration pursuant to this paragraph.

No such rescission shall affect any subsequent Default or impair any right consequent thereon.

(c) Subject to Sections 5.4 and 5.5, a Majority of the Controlling Class shall have the right to direct the Trustee in the conduct of any Proceedings for any remedy available to the Trustee or in the sale of any or all of the Assets; provided that (i) such direction will not conflict with any rule of law or this Indenture; (ii) the Trustee may take any other action not inconsistent with such direction; (iii) the Trustee determines that such action will not subject it to liability (unless the Trustee has received satisfactory indemnity or reasonable security against any such liability); and (iv) any direction to undertake a sale of the Assets may be made only as described in Section 5.17.

(d) As security for the payment by the Issuer of the compensation and expenses of the Trustee and any sums the Trustee may be entitled to receive as indemnification by the Issuer, the Issuer hereby grants the Trustee a lien on the Assets, which lien is senior to the lien of the Noteholders. The Trustee's lien shall be subject to the Priority of Payments and exercisable by the Trustee only if the Notes have been declared due and payable following an Event of Default and such acceleration has not been rescinded or annulled.

(e) A Majority of the Aggregate Outstanding Amount of Notes of the Controlling Class, may, prior to the time a judgment or decree for the payment of amounts due has been obtained by the Trustee, waive any past Default on behalf of the holders of all the Notes and its consequences in accordance with Section 5.14.

Section 5.3      Collection of Indebtedness and Suits for Enforcement by Trustee.

(a) The Issuer covenants that if a Default shall occur in respect of the payment of any interest on any Class A Note, the payment of principal on any Class A Note (but only after interest with respect to the Class A Notes and any amounts payable pursuant to Section 11.1(a) having a higher priority have been paid in full), the payment of interest on any Class B Note (but only after interest with respect to the Class A Notes and any amounts payable pursuant to Section 11.1(a) having a higher priority have been paid in full), the payment of principal on any Class B Note (but only after interest and principal with respect to the Class A Notes and interest with respect to the Class B Notes and any amounts payable pursuant to Section 11.1(a) having a higher priority have been paid in full), the payment of interest on any Class C Note (but only after interest with respect to the Class A Notes and Class B Notes and any amounts payable pursuant to Section 11.1(a) having a higher priority have been paid in full) or the payment of principal on any Class C Note (but only after interest and principal with respect to the Class A Notes and the Class B Notes and interest with respect to the Class C Notes and any amounts

payable pursuant to Section 11.1(a) having a higher priority have been paid in full), the Issuer and Co-Issuer shall, upon demand of the Trustee or any affected Noteholder, pay to the Trustee, for the benefit of the Holder of such Note, the whole amount, if any, then due and payable on such Note for principal and interest or other payment with interest on the overdue principal and, to the extent that payments of such interest shall be legally enforceable, upon overdue installments of interest, at the applicable interest rate and, in addition thereto, such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee and such Noteholder and their respective agents and counsel.

If the Issuer or the Co-Issuer fails to pay such amounts forthwith upon such demand, the Trustee, in its own name and as Trustee of an express trust, may institute a Proceeding for the collection of the sums so due and unpaid, and may prosecute such Proceeding to judgment or final decree, and may enforce the same against the Issuer and the Co-Issuer or any other obligor upon the Notes and collect the amounts adjudged or decreed to be payable in the manner provided by law out of the Assets.

If an Event of Default occurs and is continuing, the Trustee shall proceed to protect and enforce its rights and the rights of the Noteholders by such Proceedings (x) as directed by a Majority of the Controlling Class or (y) in the absence of direction by a Majority of the Controlling Class, as deemed most effectual by the Trustee; provided, that (a) such direction must not conflict with any rule of law or with any express provision of this Indenture, (b) the Trustee may take any other action deemed proper by the Trustee that is not inconsistent with such direction, (c) the Trustee has been provided with security or indemnity reasonably satisfactory to it, and (d) notwithstanding the foregoing, any direction to the Trustee to undertake a sale of Assets may be given only in accordance with the preceding paragraph, in connection with any sale and liquidation of all or a portion of the Assets, the preceding sentence, and, in all cases, the applicable provisions of this Indenture. Such Proceedings shall be used for the specific enforcement of any covenant or agreement in this Indenture or in aid of the exercise of any power granted herein, or to enforce any other proper remedy or legal or equitable right vested in the Trustee by this Indenture or by law.

In the case where (x) there shall be pending Proceedings relative to the Issuer or the Co-Issuer under the Bankruptcy Code, any bankruptcy, insolvency, reorganization or similar law enacted under the laws of the Cayman Islands, or any other applicable bankruptcy, insolvency or other similar law, (y) a receiver, assignee or trustee in bankruptcy or reorganization, liquidator, sequestrator or similar official shall have been appointed for or taken possession of the Issuer or the Co-Issuer, or their respective property, or (z) there shall be any other comparable Proceedings relative to the Issuer or the Co-Issuer, or the creditors or property of the Issuer or the Co-Issuer, regardless of whether the principal of any Notes shall then be due and payable as therein expressed or by declaration, or otherwise and regardless of whether the Trustee shall have made any demand pursuant to the provisions of this Section 5.3, the Trustee shall be entitled and empowered, by intervention in such Proceedings or otherwise:

(b) to file and prove a claim or claims for the whole amount of principal and interest owing and unpaid in respect of the Notes and to file such other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for

reasonable compensation to the Trustee and each predecessor Trustee, and their respective agents, attorneys and counsel, and for reimbursement of all expenses and liabilities incurred, and all advances made, by the Trustee and each predecessor Trustee, except as a result of negligence or bad faith) and of the Noteholders allowed in any Proceedings relative to the Issuer, the Co-Issuer or other obligor upon the Notes or to the creditors or property of the Issuer, the Co-Issuer or such other obligor;

(c) unless prohibited by applicable law and regulations, to vote on behalf of the Noteholders in any election of a trustee or a standby trustee in arrangement, reorganization, liquidation or other bankruptcy or insolvency proceedings or of a Person performing similar functions in comparable Proceedings; and

(d) to collect and receive any amounts or other property payable to or deliverable on any such claims, and to distribute all amounts received with respect to the claims of the Noteholders and of the Trustee on their behalf; and any trustee, receiver or liquidator, custodian or other similar official is hereby authorized by each of the Noteholders to make payments to the Trustee, and, in the event that the Trustee shall consent to the making of payments directly to the Noteholders, to pay to the Trustee such amounts as shall be sufficient to cover reasonable compensation to the Trustee, each predecessor Trustee and their respective agents, attorneys and counsel, and all other reasonable expenses and liabilities incurred, and all advances made, by the Trustee and each predecessor Trustee except as a result of its own negligence, willful misconduct or bad faith.

Nothing herein contained shall be deemed to authorize the Trustee to authorize, consent to, vote for, accept or adopt, on behalf of any Noteholder, any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder thereof, or to authorize the Trustee to vote in respect of the claim of any Noteholder in any such Proceeding except, as aforesaid, to vote for the election of a trustee in bankruptcy or similar Person.

All rights of action and of asserting claims under this Indenture, or under any of the Notes, may be enforced by the Trustee without the possession of any of the Notes or the production thereof in any trial or other Proceedings relative thereto, and any action or Proceedings instituted by the Trustee shall be brought in its own name as trustee of an express trust, and any recovery of judgment, shall be applied as set forth in Section 5.7.

In any Proceedings brought by the Trustee on behalf of the Noteholders, the Trustee shall be held to represent all the Holders of the Notes.

Notwithstanding anything in this Section 5.3 to the contrary, the Trustee may not sell or liquidate the Assets or institute Proceedings in furtherance thereof pursuant to this Section 5.3 unless the conditions specified in Section 5.5(a) are met.

#### Section 5.4 Remedies.

(a) If an Event of Default has occurred and is continuing, and the Notes have been declared due and payable and such declaration and its consequences have not been rescinded and annulled, the Issuer and the Co-Issuer agree that the Trustee may, after notice to

the Noteholders, and shall, upon direction by a Majority of the Controlling Class, to the extent permitted by applicable law, exercise one or more of the following rights, privileges and remedies:

- (i) institute Proceedings for the collection of all amounts then payable on the Notes or otherwise payable under this Indenture (whether by declaration or otherwise), enforce any judgment obtained and collect from the Assets any amounts adjudged due;
- (ii) sell all or a portion of the Assets or rights of interest therein, at one or more public or private sales called and conducted in any manner permitted by law and in accordance with Section 5.17 hereof;
- (iii) institute Proceedings from time to time for the complete or partial foreclosure of this Indenture with respect to the Assets;
- (iv) exercise any remedies of a secured party under the UCC and take any other appropriate action to protect and enforce the rights and remedies of the Secured Parties hereunder; and
- (v) exercise any other rights and remedies that may be available at law or in equity;

provided, however, that the Trustee may not sell or liquidate the Assets or institute Proceedings in furtherance thereof pursuant to this Section 5.4 unless either of the conditions specified in Section 5.5(a) is met.

The Trustee may, but need not, obtain and rely upon an opinion of an Independent investment banking firm of national reputation with demonstrated capabilities in structuring and distributing notes or certificates similar to the Notes as to the feasibility of any action proposed to be taken in accordance with this Section 5.4 and as to the sufficiency of the proceeds and other amounts receivable with respect to the Assets to make the required payments of principal of and interest on the Notes and other amounts payable hereunder, which opinion shall be conclusive evidence as to such feasibility or sufficiency.

(b) If an Event of Default as described in Section 5.1(e) hereof shall have occurred and be continuing, the Trustee may, and at the request of the Holders of not less than 25% of the Aggregate Outstanding Amount of the Controlling Class shall, institute a Proceeding solely to compel performance of the covenant or agreement or to cure the representation or warranty, the breach of which gave rise to the Event of Default under such Section, and enforce any equitable decree or order arising from such Proceeding.

(c) Upon any Sale, whether made under the power of sale hereby given or by virtue of judicial proceedings, any Noteholder, Preferred Shareholder or the Loan Obligation Manager or any of its Affiliates may bid for and purchase the Assets or any part thereof and, upon compliance with the terms of Sale, may hold, retain, possess or dispose of such property in its or their own absolute right without accountability; and any purchaser at any such Sale may, in paying the purchase money, turn in any of the Notes in lieu of Cash equal to the amount which shall, upon distribution of the net proceeds of such sale, be payable on the Notes so turned in by

such Holder (taking into account the Class of such Notes). Such Notes, in case the amounts so payable thereon shall be less than the amount due thereon, shall either be returned to the Holders thereof after proper notation has been made thereon to show partial payment or a new note shall be delivered to the Holders reflecting the reduced interest thereon.

Upon any Sale, whether made under the power of sale hereby given or by virtue of judicial proceedings, the receipt of the Trustee or of the Officer making a sale under judicial proceedings shall be a sufficient discharge to the purchaser or purchasers at any sale for its or their purchase money and such purchaser or purchasers shall not be obliged to see to the application thereof.

Any such Sale, whether under any power of sale hereby given or by virtue of judicial proceedings, shall (x) bind the Issuer, the Co-Issuer, the Trustee, the Noteholders and the Preferred Shareholders, shall operate to divest all right, title and interest whatsoever, either at law or in equity, of each of them in and to the property sold and (y) be a perpetual bar, both at law and in equity, against each of them and their successors and assigns, and against any and all Persons claiming through or under them.

(d) Notwithstanding any other provision of this Indenture or any other Transaction Document, none of the Advancing Agent, the Trustee or any other Secured Party, any other party to any Transaction Document or third party beneficiary of this Indenture may, prior to the date which is one year and one day, or, if longer, the applicable preference period then in effect (including any period established pursuant to the laws of the Cayman Islands) after the payment in full of all Notes, institute against, or join any other Person in instituting against, the Issuer, the Co-Issuer or any Issuer Permitted Subsidiary any bankruptcy, reorganization, arrangement, insolvency, moratorium or liquidation proceedings, or other proceedings under federal or State bankruptcy or similar laws of any jurisdiction. Nothing in this Section 5.4 shall preclude, or be deemed to stop, the Advancing Agent, the Trustee or any other Secured Party or any other party to any Transaction Document (i) from taking any action prior to the expiration of the aforementioned one year and one day period, or, if longer, the applicable preference period then in effect (including any period established pursuant to the laws of the Cayman Islands) period in (A) any case or proceeding voluntarily filed or commenced by the Issuer or the Co-Issuer or (B) any involuntary insolvency proceeding filed or commenced by a Person other than the Trustee or any other Secured Party or any other party to any Transaction Document, or (ii) from commencing against the Issuer or the Co-Issuer or any of their respective properties any legal action which is not a bankruptcy, reorganization, arrangement, insolvency, moratorium or liquidation proceeding.

#### Section 5.5      Preservation of Assets.

(a) Notwithstanding anything to the contrary herein, if an Event of Default shall have occurred and be continuing when any of the Notes are Outstanding, the Trustee shall (except as otherwise expressly permitted or required under this Indenture) retain the Assets securing the Notes, collect and cause the collection of the proceeds thereof and make and apply all payments and deposits and maintain all accounts in respect of the Assets and the Notes in accordance with the Priority of Payments and the provisions of Articles 10, 12 and 13 and shall not sell or liquidate the Assets, unless either:

(i) the Trustee, pursuant to Section 5.5(c), determines that the anticipated proceeds of a sale or liquidation of the Assets (after deducting the reasonable expenses of such sale or liquidation) would be sufficient to discharge in full the amounts then due and unpaid on the Notes, Company Administrative Expenses due and payable pursuant to the Priority of Payments, the Loan Obligation Manager Fees due and payable pursuant to the Priority of Payments and amounts due and payable to the Advancing Agent and the Backup Advancing Agent, in respect of unreimbursed Interest Advances and Reimbursement Interest, and the holders of a Majority of the Controlling Class agrees with such determination; or

(ii) the Holders of at least 66-2/3% of the Aggregate Outstanding Amount of each Class of Notes (each voting as a separate Class) direct, subject to the provisions of this Indenture, the sale and liquidation of all or a portion of the Assets.

In the event of a sale of a portion of the Assets pursuant to clause (ii) above, the Trustee shall sell those Assets identified by requisite Noteholders pursuant to a written direction in form and substance satisfactory to the Trustee and all proceeds of such sale shall be distributed in the order set forth in Section 11.1(a)(iii).

The Trustee shall give written notice of the retention of the Assets to the Issuer, the Co-Issuer, the Loan Obligation Manager and the Rating Agencies. So long as such Event of Default is continuing, any such retention pursuant to this Section 5.5(a) may be rescinded at any time when the conditions specified in clause (i) or (ii) above exist.

(b) Nothing contained in Section 5.5(a) shall be construed to require the Trustee to sell the Assets securing the Notes if the conditions set forth in Section 5.5(a) are not satisfied. Nothing contained in Section 5.5(a) shall be construed to require the Trustee to preserve the Assets securing the Notes if prohibited by applicable law.

(c) To assist the Trustee in determining whether the condition specified in Section 5.5(a)(i) exists, the Loan Obligation Manager shall obtain bid prices with respect to each Pledged Loan Obligation from two dealers (Independent of the Loan Obligation Manager and any of its Affiliates) at the time making a market in such Loan Obligations (or, if there is only one market maker, then the Loan Obligation Manager shall obtain a bid price from that market maker or, if no market maker, from a pricing service). The Loan Obligation Manager shall compute the anticipated proceeds of sale or liquidation on the basis of the lowest of such bid prices for each such Pledged Loan Obligation and provide the Trustee with the results thereof. For the purposes of determining issues relating to the market value of any Pledged Loan Obligation and the execution of a sale or other liquidation thereof, the Trustee may, but need not, retain at the expense of the Issuer and rely on an opinion of an Independent investment banking firm of national reputation in connection with a determination (notwithstanding that such opinion will not be the basis for such determination) as to whether the condition specified in Section 5.5(a)(i) exists.

The Trustee shall promptly deliver to the Noteholders a report stating the results of any determination required to be made pursuant to Section 5.5(a)(i). If requested by a

Majority of the Controlling Class, the Trustee shall make the determinations required by Section 5.5(a)(i) within 30 days of such request.

Section 5.6      Trustee May Enforce Claims Without Possession of Notes.

All rights of action and claims under this Indenture or under any of the Notes may be prosecuted and enforced by the Trustee without the possession of any of the Notes or the production thereof in any trial or other Proceeding relating thereto, and any such action or Proceeding instituted by the Trustee shall be brought in its own name as trustee of an express trust. Any recovery of judgment in respect of the Notes shall be applied as set forth in Section 5.7 hereof.

In any Proceedings brought by the Trustee (and in any Proceedings involving the interpretation of any provision of this Indenture to which the Trustee shall be a party) in respect of the Notes, the Trustee shall be deemed to represent all the Holders of the Notes.

Section 5.7      Application of Amounts Collected.

Any amounts collected by the Trustee with respect to the Notes pursuant to this Article 5 and any amounts that may then be held or thereafter received by the Trustee with respect to the Notes hereunder shall be applied subject to Section 13.1 hereof and in accordance with the Priority of Payments set forth in Section 11.1 hereof, at the date or dates fixed by the Trustee.

Section 5.8      Limitation on Suits.

No Holder of any Notes shall have any right to institute any Proceedings (the right of a Noteholder to institute any proceeding with respect to the Indenture is subject to any non-petition covenants set forth in the Indenture), judicial or otherwise, with respect to this Indenture, or for the appointment of a receiver or trustee, or for any other remedy hereunder, unless:

- (a) such Holder has previously given to the Trustee written notice of an Event of Default;
  - (b) except as otherwise provided in Section 5.9 hereof, the Holders of at least 25% of the then Aggregate Outstanding Amount of the Controlling Class shall have made written request to the Trustee to institute Proceedings in respect of such Event of Default in its own name as Trustee hereunder and such Holders have offered to the Trustee reasonable indemnity against the costs, expenses and liabilities to be incurred in compliance with such request;
  - (c) the Trustee for 30 days after its receipt of such notice, request and offer of indemnity has failed to institute any such Proceeding;
- and
- (d) no direction inconsistent with such written request has been given to the Trustee during such 30-day period by a Majority of the Controlling Class; it being understood and intended that no one or more Holders of Notes shall have any right in any manner whatsoever by virtue of, or by availing of, any provision of this Indenture to affect, disturb or

prejudice the rights of any other Holders of Notes of the same Class or to obtain or to seek to obtain priority or preference over any other Holders of the Notes of the same Class or to enforce any right under this Indenture, except in the manner herein provided and for the equal and ratable benefit of all the Holders of Notes of the same Class subject to and in accordance with Section 13.1 hereof and the Priority of Payments.

In the event the Trustee shall receive conflicting or inconsistent requests and indemnity from two or more groups of Holders of the Controlling Class, each representing less than a Majority of the Controlling Class, the Trustee in its sole discretion may determine what action, if any, shall be taken, notwithstanding any other provisions of this Indenture.

Section 5.9      Unconditional Rights of Noteholders to Receive Principal and Interest .

Notwithstanding any other provision in this Indenture (except for Section 2.7(e) and 2.7(n)), the Holder of any Class of Note shall have the right, which is absolute and unconditional, to receive payment of the principal of and interest on such Class of Note as such principal, interest and other amounts become due and payable in accordance with the Priority of Payments and Section 13.1, and, subject to the provisions of Sections 5.4 and 5.8 to institute Proceedings for the enforcement of any such payment, and such right shall not be impaired without the consent of such Holder; provided, however, that the right of such Holder to institute proceedings for the enforcement of any such payment shall not be subject to the 25% threshold requirement set forth in Section 5.8(b).

Section 5.10      Restoration of Rights and Remedies.

If the Trustee or any Noteholder has instituted any Proceeding to enforce any right or remedy under this Indenture and such Proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to such Noteholder, then (and in every such case) the Issuer, the Co-Issuer, the Trustee, and the Noteholder shall, subject to any determination in such Proceeding, be restored severally and respectively to their former positions hereunder, and thereafter all rights and remedies of the Trustee and the Noteholders shall continue as though no such Proceeding had been instituted.

Section 5.11      Rights and Remedies Cumulative.

No right or remedy herein conferred upon or reserved to the Trustee or to the Noteholders is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

Section 5.12      Delay or Omission Not Waiver.

No delay or omission of the Trustee or of any Noteholder to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein or a waiver of a subsequent

Event of Default. Every right and remedy given by this Article 5 or by law to the Trustee, or to the Noteholders may be exercised from time to time, and as often as may be deemed expedient, by the Trustee, or by the Noteholders, as the case may be.

Section 5.13      Control by the Controlling Class.

Notwithstanding any other provision of this Indenture, if an Event of Default shall have occurred and be continuing when any of the Notes are Outstanding, a Majority of the Controlling Class shall have the right to cause the institution of, and direct the time, method and place of conducting, any Proceeding for any remedy available to the Trustee and for exercising any trust, right, remedy or power conferred on the Trustee in respect of the Notes; provided that:

- (a) such direction shall not conflict with any rule of law or with this Indenture;
- (b) the Trustee may take any other action deemed proper by the Trustee that is not inconsistent with such direction; provided, however, that, subject to Section 6.1, the Trustee shall not be required to take any action that it reasonably determines might subject it to liability;
- (c) the Trustee shall have been provided with indemnity satisfactory to it; and
- (d) any direction to the Trustee to undertake a Sale of the Assets shall be by the Holders of Notes secured thereby representing at least 66-<sup>2</sup>/<sub>3</sub>% of the Aggregate Outstanding Amount of each Class of Notes.

Section 5.14      Waiver of Past Defaults.

Prior to the time a judgment or decree for payment of the amounts due has been obtained by the Trustee, as provided in this Article 5, a Majority of each and every Class of Notes (voting as a separate Class) may, on behalf of the Holders of all the Notes, waive any past Default in respect of the Notes and its consequences, except a Default:

- (a) in the payment of principal of any Note;
- (b) in the payment of interest in respect of the Controlling Class;
- (c) in respect of a covenant or provision hereof that, under Section 8.2, cannot be modified or amended without the waiver or consent of the Holder of each Outstanding Note adversely affected thereby; or
- (d) in respect of any right, covenant or provision hereof for the individual protection or benefit of the Trustee, without the Trustee's express written consent thereto.

In the case of any such waiver, the Issuer, the Co-Issuer, the Trustee, and the Holders of the Notes shall be restored to their respective former positions and rights hereunder, but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereto. The Trustee shall promptly give written notice of any such waiver to the Loan Obligation Manager and each Noteholder.

Upon any such waiver, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured, for every purpose of this Indenture, but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereto.

Section 5.15      Undertaking for Costs.

All parties to this Indenture agree, and each Holder of any Note by its acceptance thereof shall be deemed to have agreed, that any court may in its discretion require, in any suit for the enforcement of any right or remedy under this Indenture, or in any suit against the Trustee for any action taken or omitted by it as Trustee, the filing by any party litigant in such suit of an undertaking to pay the costs of such suit, and that such court may in its discretion assess reasonable costs, including reasonable attorneys' fees, against any party litigant in such suit, having due regard to the merits and good faith of the claims or defenses made by such party litigant; but the provisions of this Section 5.15 shall not apply to any suit instituted by (x) the Trustee, (y) any Noteholder, or group of Noteholders, holding in the aggregate more than 10% of the Aggregate Outstanding Amount of the Controlling Class or (z) any Noteholder for the enforcement of the payment of the principal of or interest on any Note or any other amount payable hereunder on or after the Stated Maturity Date (or, in the case of redemption, on or after the applicable Redemption Date).

Section 5.16      Waiver of Stay or Extension Laws.

Each of the Issuer and the Co-Issuer covenants (to the extent that it may lawfully do so) that it will not at any time insist upon, plead or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law wherever enacted, now or at any time hereafter in force (including but not limited to filing a voluntary petition under Chapter 11 of the Bankruptcy Code and by the voluntary commencement of a proceeding or the filing of a petition seeking winding up, liquidation, reorganization or other relief under any bankruptcy, insolvency, reorganization, moratorium, receivership, conservatorship or other similar laws now or hereafter in effect), which may affect the covenants, the performance of or any remedies under this Indenture; and each of the Issuer and the Co-Issuer (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law, and covenants that it will not hinder, delay or impede the execution of any power herein granted to the Trustee, but will suffer and permit the execution of every such power as though no such law had been enacted.

Section 5.17      Sale of Assets.

(a)      The power to effect any sale (a "Sale") of any portion of the Assets pursuant to Sections 5.4 and 5.5 hereof shall not be exhausted by any one or more Sales as to any portion of such Assets remaining unsold, but shall continue unimpaired until all amounts secured by the Assets shall have been paid or if there are insufficient proceeds to pay such amount until the entire Assets shall have been sold. The Trustee may, upon notice to the Securityholders, and shall, upon direction of a Majority of the Controlling Class, from time to time postpone any Sale by public announcement made at the time and place of such Sale; provided, however, that if the Sale is rescheduled for a date more than three Business Days after the date of the determination by the Trustee pursuant to Section 5.5(a)(i) hereof, such Sale shall not occur unless and until the

Trustee has again made the determination required by Section 5.5(a)(i) hereof. The Trustee hereby expressly waives its rights to any amount fixed by law as compensation for any Sale; provided that the Trustee shall be authorized to deduct the reasonable costs, charges and expenses incurred by it in connection with such Sale from the proceeds thereof notwithstanding the provisions of Section 6.7 hereof.

(b) The Trustee may bid for and acquire any portion of the Assets in connection with a public Sale thereof, and may pay all or part of the purchase price by crediting against amounts owing on the Notes or other amounts secured by the Assets, all or part of the net proceeds of such Sale after deducting the reasonable costs, charges and expenses incurred by the Trustee in connection with such Sale notwithstanding the provisions of Section 6.7 hereof. The Notes need not be produced in order to complete any such Sale, or in order for the net proceeds of such Sale to be credited against amounts owing on the Notes. The Trustee may hold, lease, operate, manage or otherwise deal with any property so acquired in any manner permitted by law in accordance with this Indenture.

(c) If any portion of the Assets consists of securities issued without registration under the Securities Act (“Unregistered Securities”), the Trustee may seek an Opinion of Counsel, or, if no such Opinion of Counsel can be obtained and with the consent of a Majority of the Controlling Class, seek a no action position from the SEC or any other relevant federal or State regulatory authorities, regarding the legality of a public or private Sale of such Unregistered Securities. In no event shall the Trustee be required to register Unregistered Securities under the Securities Act.

(d) The Trustee shall execute and deliver an appropriate instrument of conveyance transferring its interest in any portion of the Assets in connection with a Sale thereof. In addition, the Trustee is hereby irrevocably appointed the agent and attorney in fact of the Issuer to transfer and convey its interest in any portion of the Assets in connection with a Sale thereof, and to take all action necessary to effect such Sale. No purchaser or transferee at such a Sale shall be bound to ascertain the Trustee’s authority, to inquire into the satisfaction of any conditions precedent or to see to the application of any amounts.

(e) In the event of any Sale of the Assets pursuant to Section 5.4 or Section 5.5, payments shall be made in the order and priority set forth in Section 11.1(a) in the same manner as if the Notes had been accelerated.

Section 5.18      Action on the Notes.

The Trustee’s right to seek and recover judgment on the Notes or under this Indenture shall not be affected by the application for or obtaining of any other relief under or with respect to this Indenture. Neither the lien of this Indenture nor any rights or remedies of the Trustee or the Noteholders shall be impaired by the recovery of any judgment by the Trustee against the Issuer or the Co-Issuer or by the levy of any execution under such judgment upon any portion of the Assets or upon any of the assets of the Issuer or the Co-Issuer.

## ARTICLE 6

### THE TRUSTEE

#### Section 6.1 Certain Duties and Responsibilities.

(a) Except during the continuance of an Event of Default:

(i) the Trustee undertakes to perform such duties and only such duties as are set forth in this Indenture, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(ii) in the absence of manifest error, or bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture; provided, however, that in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall be under a duty to examine the same to determine whether or not they substantially conform to the requirements of this Indenture and shall promptly, but in any event within three Business Days in the case of an Officer's Certificate furnished by the Loan Obligation Manager, notify the party delivering the same if such certificate or opinion does not conform. If a corrected form shall not have been delivered to the Trustee within 15 days after such notice from the Trustee, the Trustee shall so notify the Noteholders.

(b) In case an Event of Default known to the Trustee has occurred and is continuing, the Trustee shall, prior to the receipt of directions, if any, from a Majority of the Controlling Class (or other Noteholders to the extent provided in Article 5 hereof), exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in its exercise as a prudent Person would exercise or use under the circumstances in the conduct of such Person's own affairs.

(c) If, in performing its duties under this Indenture, the Trustee is required to decide between alternative courses of action, the Trustee may request written instructions from the Loan Obligation Manager as to courses of action desired by it. If the Trustee does not receive such instructions within two Business Days after it has requested them, it may, but shall be under no duty to, take or refrain from taking such action. The Trustee shall act in accordance with instructions received after such two-Business Day period except to the extent it has already taken, or committed itself to take, action inconsistent with such instructions. The Trustee shall be entitled to rely on the advice of legal counsel and Independent accountants in performing its duties hereunder and be deemed to have acted in good faith if it acts in accordance with such advice.

(d) No provision of this Indenture shall be construed to relieve the Trustee from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(i) this subsection shall not be construed to limit the effect of Section 6.1(a);

(ii) the Trustee shall not be liable for any error of judgment made in good faith by a Trust Officer, unless it shall be proven that the Trustee was negligent in ascertaining the pertinent facts;

(iii) the Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Issuer in accordance with this Indenture and/or the Controlling Class relating to the time, method and place of conducting any Proceeding for any remedy available to the Trustee in respect of any Note or exercising any trust or power conferred upon the Trustee under this Indenture;

(iv) no provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers contemplated hereunder, if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it (if the amount of such funds or risk or liability does not exceed the amount payable to the Trustee pursuant to Section 11.1(a)(i)(3) and Section 11.1(a)(ii)(1) net of the amounts specified in Section 6.7(a)(i), the Trustee shall be deemed to be reasonably assured of such repayment) unless such risk or liability relates to its ordinary services under this Indenture, except where this Indenture provides otherwise; and

(v) the Trustee shall not be liable to the Noteholders for any action taken or omitted by it at the direction of the Issuer, the Co-Issuer, the Loan Obligation Manager, the Controlling Class and/or a Noteholder under circumstances in which such direction is required or permitted by the terms of this Indenture.

(e) For all purposes under this Indenture, the Trustee shall not be deemed to have notice or knowledge of any Event of Default described in Section 5.1(d), 5.1(f), 5.1(g), 5.1(h) or 5.1(i) or any Default described in Section 5.1(e) unless a Trust Officer assigned to and working in the Corporate Trust Office has actual knowledge thereof or unless written notice of any event which is in fact such an Event of Default or Default is received by the Trustee at the Corporate Trust Office, and such notice references, as applicable, the Notes generally, the Issuer, the Assets or this Indenture. For purposes of determining the Trustee's responsibility and liability hereunder, whenever reference is made in this Indenture to such an Event of Default or a Default, such reference shall be construed to refer only to such an Event of Default or Default of which the Trustee is deemed to have notice as described in this Section 6.1.

(f) Whether or not therein expressly so provided, every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of Sections 6.1(a), (b), (c), (d) and (e).

(g) The Trustee shall, upon reasonable prior written notice, permit the Issuer, the Co-Issuer, the Loan Obligation Manager or the Rating Agencies, during the Trustee's normal business hours, to examine all books of account, records, reports and other papers of the Trustee relating to the Notes, to make copies and extracts therefrom (the reasonable out-of-pocket expenses incurred in making any such copies or extracts to be reimbursed to the Trustee by such Person) and to discuss the Trustee's actions, as such actions relate to the Trustee's duties with

respect to the Notes, with the Trustee's officers and employees responsible for carrying out the Trustee's duties with respect to the Notes.

Section 6.2      Notice of Default.

Promptly (and in no event later than three Business Days) after the occurrence of any Default known to the Trustee or after any declaration of acceleration has been made or delivered to the Trustee pursuant to Section 5.2, the Trustee shall transmit by mail to the Loan Obligation Manager, the Rating Agency (for so long as any Class of Notes is Outstanding and rated by the Rating Agencies) and to all Holders of Notes as their names and addresses appear on the Notes Register, notice of all Defaults hereunder known to the Trustee, unless such Default shall have been cured or waived.

Section 6.3      Certain Rights of Trustee.

Except as otherwise provided in Section 6.1:

(a) the Trustee may rely and shall be protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, note or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties;

(b) any request or direction of the Issuer or the Co-Issuer mentioned herein shall be sufficiently evidenced by an Issuer Request or Issuer Order, as the case may be;

(c) whenever in the administration of this Indenture the Trustee shall (i) deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Trustee (unless other evidence be herein specifically prescribed) may, in the absence of bad faith on its part, rely upon an Officer's Certificate or (ii) be required to determine the value of any Assets or funds hereunder or the cash flows projected to be received therefrom, the Trustee may, in the absence of bad faith on its part, rely on reports of nationally recognized accountants, investment bankers or other persons qualified to provide the information required to make such determination, including nationally recognized dealers in securities of the type being valued and securities quotation services;

(d) as a condition to the taking or omitting of any action by it hereunder, the Trustee may consult with counsel and the advice of such counsel or any Opinion of Counsel (including with respect to any matters, other than factual matters, in connection with the execution by the Trustee of a supplemental indenture pursuant to Section 8.3) shall be full and complete authorization and protection in respect of any action taken or omitted by it hereunder in good faith and in reliance thereon;

(e) the Trustee shall be under no obligation to exercise or to honor any of the rights or powers vested in it by this Indenture at the request or direction of any of the Noteholders pursuant to this Indenture, unless such Noteholders shall have offered to the Trustee reasonable security or indemnity against the costs, expenses and liabilities which might reasonably be incurred by it in compliance with such request or direction;

(f) the Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, note or other paper documents, but the Trustee, in its discretion, may and, upon the written direction of a Majority of the Controlling Class, shall make such further inquiry or investigation into such facts or matters as it may see fit or as it shall be directed and shall have received indemnification reasonably acceptable to the Trustee, and, the Trustee shall be entitled, on reasonable prior notice to the Issuer, the Co-Issuer, the Loan Obligation Manager and the CLO Servicer, to examine the books and records relating to the Notes and the Assets, as applicable, at the premises of the Issuer, the Co-Issuer and the Loan Obligation Manager, personally or by agent or attorney during the Issuer's, the Co-Issuer's or the Loan Obligation Manager's normal business hours upon not less than three Business Days' prior written notice; provided that the Trustee shall, and shall cause its agents to, hold in confidence all such information, except (i) to the extent disclosure may be required by law by any regulatory authority and (ii) to the extent that the Trustee, in its sole judgment, may determine that such disclosure is consistent with its obligations hereunder;

(g) the Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder (except with respect to its duty to make any Interest Advance under the circumstances specified in Section 10.9) either directly or by or through agents or attorneys provided that the Trustee shall not be responsible for any willful misconduct or negligence on the part of any agent appointed and supervised, or attorney appointed, with due care by it hereunder (other than for affiliates of the Collateral Administrator); provided, however, that the Trustee in any event shall remain responsible for the performance of its duties hereunder;

(h) the Trustee shall not be liable for any action it takes or omits to take in good faith that it reasonably and prudently believes to be authorized or within its rights or powers hereunder;

(i) the Trustee shall not be responsible for the accuracy of the books or records of, or for any acts or omissions of, the Depository, any Transfer Agent (other than the Trustee itself acting in that capacity), Clearstream, Luxembourg, Euroclear, any Calculation Agent (other than the Trustee itself acting in that capacity) or any Paying Agent (other than the Trustee itself acting in that capacity);

(j) the Trustee shall not be liable for the actions or omissions of the Loan Obligation Manager; and without limiting the foregoing, the Trustee shall not (except to the extent, if at all, otherwise expressly stated in this Indenture) be under any obligation to monitor, evaluate or verify compliance by the Loan Obligation Manager with the terms hereof or the Loan Obligation Management Agreement, or to verify or independently determine the accuracy of information received by it from the Loan Obligation Manager (or from any selling institution, agent bank, trustee or similar source) with respect to the Loan Obligations;

(k) to the extent any defined term hereunder, or any calculation required to be made or determined by the Trustee hereunder, is dependent upon or defined by reference to generally accepted accounting principles in the United States in effect from time to time ("GAAP"), the Trustee shall be entitled to request and receive (and rely upon) instruction from

the Issuer or the accountants appointed pursuant to Section 10.12 as to the application of GAAP in such connection, in any instance; and

(l) neither the Trustee nor the Collateral Administrator shall have any responsibility to the Issuer or the Secured Parties hereunder to make any inquiry or investigation as to, and shall have no obligation in respect of, the terms of any engagement of Independent accountants by the Issuer (or the Loan Obligation Manager on behalf of the Issuer); provided, however, that the Trustee shall be authorized, upon receipt of an Issuer Order directing the same, to execute any acknowledgement or other agreement with the Independent accountants required for the Trustee to receive any of the reports or instructions provided for herein, which acknowledgement or agreement may include, among other things, (i) acknowledgement that the Issuer has agreed that the “agreed upon procedures” between the Issuer and the Independent accountants are sufficient for its purposes, (ii) releases by the Trustee (on behalf of itself and the Holders) of claims and acknowledgement of other limitation of liability in favor of the Independent accounts, and (iii) restrictions or prohibitions on the disclosure of information or documents provided to it by such firm of Independent accounts (including to the Holders). Notwithstanding the foregoing, in no event shall the Trustee be required to execute any agreement in respect of the Independent accountants that the Trustee determines adversely affects it in its individual capacity.

Section 6.4      Not Responsible for Recitals or Issuance of Notes.

The recitals contained herein and in the Notes, other than the Certificate of Authentication thereon, shall be taken as the statements of the Issuer and the Co-Issuer, and the Trustee assumes no responsibility for their correctness. The Trustee makes no representation as to the validity or sufficiency of this Indenture (except as may be made with respect to the validity of the Trustee’s obligations hereunder), the Assets or the Notes. The Trustee shall not be accountable for the use or application by the Issuer or the Co-Issuer of the Notes or the proceeds thereof or any amounts paid to the Issuer or the Co-Issuer pursuant to the provisions hereof.

Section 6.5      May Hold Notes.

The Trustee, the Paying Agent, the Notes Registrar or any other agent of the Issuer or the Co-Issuer, in its individual or any other capacity, may become the owner or pledgee of Notes and may otherwise deal with the Issuer and the Co-Issuer with the same rights it would have if it were not Trustee, Paying Agent, Notes Registrar or such other agent.

Section 6.6      Amounts Held in Trust.

Amounts held by the Trustee hereunder shall be held in trust to the extent required herein. The Trustee shall be under no liability for interest on any amounts received by it hereunder except as otherwise agreed upon with the Issuer and except to the extent of income or other gain on investments which are deposits in or certificates of deposit of the Trustee in its commercial capacity and income or other gain actually received by the Trustee on Eligible Investments.

Section 6.7      Compensation and Reimbursement.

(a)      Subject to the Priority of Payments, the Issuer agrees:

(i)      to pay the Trustee on each Payment Date in accordance with the Priority of Payments reasonable compensation for all services rendered by it hereunder (which compensation shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust);

(ii)      except as otherwise expressly provided herein, to reimburse the Trustee (subject to any written agreement between the Issuer and the Trustee) in a timely manner upon its request for all reasonable expenses, disbursements and advances (except as otherwise provided herein with respect to Interest Advances) incurred or made by the Trustee in accordance with any provision of this Indenture (including securities transaction charges to the extent not waived due to the Trustee's receipt of payments from a financial institution with respect to certain Eligible Investments, as specified by the Loan Obligation Manager and the reasonable compensation and expenses and disbursements of its agents and legal counsel and of any accounting firm or investment banking firm employed by the Trustee pursuant to Section 5.4, 5.5, 10.11 or 10.13 hereof, except any such expense, disbursement or advance as may be attributable to its negligence, willful misconduct or bad faith);

(iii)      to indemnify the Trustee and its Officers, directors, employees and agents for, and to hold them harmless against, any loss, liability or expense incurred without negligence, willful misconduct or bad faith on their part, arising out of or in connection with the acceptance or administration of this trust, including the costs and expenses of defending themselves against any claim or liability in connection with the exercise or performance of any of their powers or duties hereunder; and

(iv)      to pay the Trustee reasonable additional compensation together with its expenses (including reasonable counsel fees) for any collection action taken pursuant to Section 6.13 hereof.

(b)      The Issuer may remit payment for such fees and expenses to the Trustee or, in the absence thereof, the Trustee may from time to time deduct payment of its fees and expenses hereunder from amounts on deposit in the Payment Account in accordance with the Priority of Payments.

(c)      The Trustee, in its capacity as Trustee, Paying Agent, Calculation Agent, Transfer Agent, Custodial Securities Intermediary, Backup Advancing Agent and Notes Registrar, hereby agrees not to cause the filing of a petition in bankruptcy against the Issuer, the Co-Issuer or any Permitted Subsidiary until at least one year and one day (or, if longer, the applicable preference period then in effect) after the payment in full of all Notes issued under this Indenture. This provision shall survive termination of this Indenture.

(d)      The Trustee agrees that the payment of all amounts to which it is entitled pursuant to Sections 6.7(a)(i), (a)(ii), (a)(iii) and (a)(iv) shall be subject to the Priority of Payments, shall be payable only to the extent funds are available in accordance with such

Priority of Payments, shall be payable solely from the Assets and following realization of the Assets, any such claims of the Trustee against the Issuer, and all obligations of the Issuer, shall be extinguished. The Trustee will have a lien upon the Assets to secure the payment of such payments to it in accordance with the Priority of Payments; provided that the Trustee shall not institute any proceeding for enforcement of such lien except in connection with an action taken pursuant to Section 5.3 hereof for enforcement of the lien of this Indenture for the benefit of the Noteholders.

Fees shall be accrued on the actual number of days in the related Interest Accrual Period. The Trustee shall receive amounts pursuant to this Section 6.7 and Section 11.1(a) only to the extent that such payment is made in accordance with the Priority of Payments and the failure to pay such amounts to the Trustee will not, by itself, constitute an Event of Default. Subject to Section 6.9, the Trustee shall continue to serve as Trustee under this Indenture notwithstanding the fact that the Trustee shall not have received amounts due to it hereunder. No direction by a Majority of the Controlling Class shall affect the right of the Trustee to collect amounts owed to it under this Indenture.

If on any Payment Date when any amount shall be payable to the Trustee pursuant to this Indenture is not paid because there are insufficient funds available for the payment thereof, all or any portion of such amount not so paid shall be deferred and payable on any later Payment Date on which a fee shall be payable and sufficient funds are available therefor in accordance with the Priority of Payments.

Section 6.8      Corporate Trustee Required; Eligibility.

There shall at all times be a Trustee hereunder which shall be a corporation organized and doing business under the laws of the United States of America or of any State thereof, authorized under such laws to exercise corporate trust powers, having a combined capital and surplus of at least U.S.\$200,000,000, subject to supervision or examination by federal or State authority, having a rating of at least "Baa1" by Moody's and "A" by DBRS or, if not rated by DBRS, an equivalent (or higher) rating by any two other NRSROs (which may include Moody's)) (or such other lower rating as may be approved by the Rating Agencies from time to time) and having an office within the United States. If such corporation publishes reports of condition at least annually, pursuant to law or to the requirements of the aforesaid supervising or examining authority, then for the purposes of this Section 6.8, the combined capital and surplus of such corporation shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. If at any time the Trustee shall cease to be eligible in accordance with the provisions of this Section 6.8, it shall resign immediately in the manner and with the effect hereinafter specified in this Article 6.

Section 6.9      Resignation and Removal; Appointment of Successor.

(a)      No resignation or removal of the Trustee and no appointment of a successor Trustee pursuant to this Article 6 shall become effective until the acceptance of appointment by such successor Trustee under Section 6.10.

(b) The Trustee may resign at any time by giving written notice thereof to the Issuer, the Co-Issuer, the Loan Obligation Manager, the Noteholders and the Rating Agencies. Upon receiving such notice of resignation, the Issuer and the Co-Issuer shall promptly appoint a successor trustee or trustees by written instrument, in duplicate, executed by an Authorized Officer of the Issuer and an Authorized Officer of the Co-Issuer, one copy of which shall be delivered to the Trustee so resigning and one copy to the successor Trustee or Trustees, together with a copy to each Noteholder and the Loan Obligation Manager; provided that such successor Trustee shall be appointed only upon the written consent of a Majority of the Notes (or if there are no Notes Outstanding, a Majority of Preferred Shareholders) or, at any time when an Event of Default shall have occurred and be continuing or when a successor Trustee has been appointed pursuant to Section 6.10, by Act of a Majority of the Controlling Class. If no successor Trustee shall have been appointed and an instrument of acceptance by a successor Trustee shall not have been delivered to the Trustee within 30 days after the giving of such notice of resignation, the resigning Trustee, the Controlling Class of Notes or any Holder of a Note, on behalf of himself and all others similarly situated, may petition any court of competent jurisdiction for the appointment of a successor Trustee.

(c) The Trustee may be removed (i) at any time by Act of at least 66-2/3% of the Notes (or if there are no Notes Outstanding, a Majority of Preferred Shareholders) or (ii) at any time when an Event of Default shall have occurred and be continuing or when a successor Trustee has been appointed pursuant to Section 6.10, by Act of a Majority of the Controlling Class, in each case, upon written notice delivered to the Trustee and to the Issuer and the Co-Issuer.

(d) If at any time:

(i) the Trustee shall cease to be eligible under Section 6.8 and shall fail to resign after written request therefor by the Issuer, the Co-Issuer, or by any Holder; or

(ii) the Trustee shall become incapable of acting or there shall be instituted any proceeding pursuant to which it could be adjudged as bankrupt or insolvent or a receiver or liquidator of the Trustee or of its property shall be appointed or any public officer shall take charge or control of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation;

then, in any such case (subject to Section 6.9(a)), (a) the Issuer or the Co-Issuer, by Issuer Order, may remove the Trustee or (b) subject to Section 5.15, a Majority of the Controlling Class or any Holder may, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

(e) If the Trustee shall resign, be removed or become incapable of acting, or if a vacancy shall occur in the office of the Trustee for any reason, the Issuer and the Co-Issuer, by Issuer Order, subject to the written consent of the Loan Obligation Manager, shall promptly appoint a successor Trustee. If the Issuer and the Co-Issuer shall fail to appoint a successor Trustee within 60 days after such resignation, removal or incapability or the occurrence of such vacancy, a successor Trustee may be appointed by Act of a Majority of the Controlling Class delivered to the Issuer, the Co-Issuer, the Loan Obligation Manager and the retiring Trustee. The

successor Trustee so appointed shall, forthwith upon its acceptance of such appointment, become the successor Trustee and supersede any successor Trustee proposed by the Issuer and the Co-Issuer. If no successor Trustee shall have been so appointed by the Issuer and the Co-Issuer or a Majority of the Controlling Class and shall have accepted appointment in the manner hereinafter provided, subject to Section 5.15, the Controlling Class or any Holder may, on behalf of itself or himself and all others similarly situated, petition any court of competent jurisdiction for the appointment of a successor Trustee.

(f) The Issuer and the Co-Issuer shall give prompt notice of each resignation and each removal of the Trustee and each appointment of a successor Trustee by mailing written notice of such event by first class mail, postage prepaid, to the Rating Agencies, the Preferred Shares Paying Agent, the Loan Obligation Manager and to the Holders of the Notes as their names and addresses appear in the Notes Register. Each notice shall include the name of the successor Trustee and the address of its Corporate Trust Office. If the Issuer or the Co-Issuer fail to mail such notice within ten days after acceptance of appointment by the successor Trustee, the successor Trustee shall cause such notice to be given at the expense of the Issuer or the Co-Issuer, as the case may be.

Section 6.10 Acceptance of Appointment by Successor.

Every successor Trustee appointed hereunder shall execute, acknowledge and deliver to the Issuer, the Co-Issuer, the Loan Obligation Manager, the CLO Servicer and the retiring Trustee an instrument accepting such appointment. Upon delivery of the required instruments, the resignation or removal of the retiring Trustee shall become effective and such successor Trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, trusts, duties and obligations of the retiring Trustee; but, on request of the Issuer and the Co-Issuer or a Majority of the Controlling Class or the Loan Obligation Manager or the successor Trustee, such retiring Trustee shall, upon payment of its charges then unpaid, execute and deliver an instrument transferring to such successor Trustee all the rights, powers and trusts of the retiring Trustee, and shall duly assign, transfer and deliver to such successor Trustee all property and amounts held by such retiring Trustee hereunder, subject nevertheless to its lien, if any, provided for in Section 6.7(d). Upon request of any such successor Trustee, the Issuer and the Co-Issuer shall execute any and all instruments for more fully and certainly vesting in and confirming to such successor Trustee all such rights, powers and trusts.

No successor Trustee shall accept its appointment unless (a) at the time of such acceptance such successor shall be qualified and eligible under this Article 6, (b) such successor shall have long-term debt rated within the four highest rating categories by the Rating Agencies, and (c) the Rating Agency Condition is satisfied.

Section 6.11 Merger, Conversion, Consolidation or Succession to Business of Trustee.

Any corporation or banking association into which the Trustee may be merged or converted or with which it may be consolidated, or any corporation or banking association resulting from any merger, conversion or consolidation to which the Trustee shall be a party, or any corporation or banking association succeeding to all or substantially all of the corporate trust

business of the Trustee, shall be the successor of the Trustee hereunder; provided such corporation or banking association shall be otherwise qualified and eligible under this Article 6, without the execution or filing of any paper or any further act on the part of any of the parties hereto. In case any of the Notes have been authenticated, but not delivered, by the Trustee then in office, any successor by merger, conversion or consolidation to such authenticating Trustee may adopt such authentication and deliver the Notes so authenticated with the same effect as if such successor Trustee had itself authenticated such Notes.

Section 6.12      Co-Trustees and Separate Trustee.

At any time or times, including for the purpose of meeting the legal requirements of any jurisdiction in which any part of the Assets may at the time be located, the Issuer, the Co-Issuer and the Trustee shall have power to appoint, one or more Persons to act as co-trustee jointly with the Trustee of all or any part of the Assets, with the power to file such proofs of claim and take such other actions pursuant to Section 5.6 herein and to make such claims and enforce such rights of action on behalf of the Holders of the Notes as such Holders themselves may have the right to do, subject to the other provisions of this Section 6.12.

Each of the Issuer and the Co-Issuer shall join with the Trustee in the execution, delivery and performance of all instruments and agreements necessary or proper to appoint a co-trustee. If the Issuer and the Co-Issuer do not both join in such appointment within 15 days after the receipt by them of a request to do so, the Trustee shall have power to make such appointment on its own.

Should any written instrument from the Issuer or the Co-Issuer be required by any co-trustee, so appointed, more fully confirming to such co-trustee such property, title, right or power, any and all such instruments shall, on request, be executed, acknowledged and delivered by the Issuer or the Co-Issuer, as the case may be. The Issuer agrees to pay (but only from and to the extent of the Assets) to the extent funds are available therefor under the Priority of Payments, for any reasonable fees and expenses in connection with such appointment.

Every co-trustee, shall, to the extent permitted by law, but to such extent only, be appointed subject to the following terms:

(a)            the Notes shall be authenticated and delivered and all rights, powers, duties and obligations hereunder in respect of the custody of securities, Cash and other personal property held by, or required to be deposited or pledged with, the Trustee hereunder, shall be exercised solely by the Trustee;

(b)            the rights, powers, duties and obligations hereby conferred or imposed upon the Trustee in respect of any property covered by the appointment of a co-trustee shall be conferred or imposed upon and exercised or performed by the Trustee or by the Trustee and such co-trustee jointly in the case of the appointment of a co-trustee as shall be provided in the instrument appointing such co-trustee, except to the extent that under any law of any jurisdiction in which any particular act is to be performed, the Trustee shall be incompetent or unqualified to perform such act, in which event such rights, powers, duties and obligations shall be exercised and performed by a co-trustee;

(c) the Trustee at any time, by an instrument in writing executed by it, with the concurrence of the Issuer and the Co-Issuer evidenced by an Issuer Order, may accept the resignation of, or remove, any co-trustee appointed under this Section 6.12, and in case an Event of Default has occurred and is continuing, the Trustee shall have the power to accept the resignation of, or remove, any such co-trustee without the concurrence of the Issuer or the Co-Issuer. A successor to any co-trustee so resigned or removed may be appointed in the manner provided in this Section 6.12;

(d) no co-trustee hereunder shall be personally liable by reason of any act or omission of the Trustee hereunder;

(e) the Trustee shall not be liable by reason of any act or omission of a co-trustee; and

(f) any Act of Securityholders delivered to the Trustee shall be deemed to have been delivered to each co-trustee.

Section 6.13 Certain Duties of Trustee Related to Delayed Payment of Proceeds.

In the event that in any month the Trustee shall not have received a Scheduled Distribution, (a) the Trustee shall promptly notify the Issuer and the Loan Obligation Manager in writing and (b) unless within three Business Days (or the end of the applicable grace period for such payment, if longer) after such notice such payment shall have been received by the Trustee, or the Issuer, in its absolute discretion (but only to the extent permitted by Section 10.2(a)), shall have made provision for such payment satisfactory to the Trustee in accordance with Section 10.2(a), the Trustee shall request the obligor of such Asset, the trustee under the related Underlying Instrument or paying agent designated by either of them, as the case may be, to make such payment as soon as practicable after such request but in no event later than three Business Days after the date of such request. In the event that such payment is not made within such time period, the Trustee, subject to the provisions of Section 6.1(d)(iv), shall take such action as the Loan Obligation Manager reasonably shall direct in writing. Any such action shall be without prejudice to any right to claim a Default or Event of Default under this Indenture. In the event that the Issuer or the Loan Obligation Manager requests a release of an Asset in connection with any such action under the Loan Obligation Management Agreement, such release shall be subject to Section 10.12 and Article 12 of this Indenture, as the case may be. Notwithstanding any other provision hereof, the Trustee shall deliver to the Issuer or its designee any payment with respect to any Asset received after the Due Date thereof to the extent the Issuer previously made provisions for such payment satisfactory to the Trustee in accordance with this Section 6.13 and such payment shall not be deemed part of the Assets.

Section 6.14 Representations and Warranties of the Trustee.

The Trustee represents and warrants that:

(a) the Trustee is a national banking association with trust powers, duly and validly existing under the laws of the United States of America, with corporate power and authority to execute, deliver and perform its obligations under this Indenture, and is duly eligible and qualified to act as trustee under this Indenture;

(b) this Indenture has been duly authorized, executed and delivered by the Trustee and constitutes the valid and binding obligation of the Trustee, enforceable against it in accordance with its terms except (i) as limited by bankruptcy, fraudulent conveyance, fraudulent transfer, insolvency, reorganization, liquidation, receivership, moratorium or other similar laws now or hereafter in effect relating to creditors' rights generally and by general equitable principles, regardless of whether considered in a proceeding in equity or at law, and (ii) that the remedy of specific performance and injunctive and other forms of equitable relief may be subject to equitable defenses and to the discretion of the court before which any proceeding therefor may be brought;

(c) neither the execution or delivery by the Trustee of this Indenture nor the performance by the Trustee of its obligations under this Indenture requires the consent or approval of, the giving of notice to or the registration or filing with, any governmental authority or agency under any existing law of the United States of America governing the banking or trust powers of the Trustee;

(d) neither the execution, delivery and performance of this Indenture, nor the consummation of the transactions contemplated by this Indenture, (i) is prohibited by, or requires the Trustee to obtain any consent, authorization, approval or registration under, any law, statute, rule, regulation, or any judgment, order, writ, injunction or decree that is binding upon the Trustee or any of its properties or assets, (ii) will violate the provisions of the Governing Documents of the Trustee or (iii) will violate any provision of, result in any default or acceleration of any obligations under, result in the creation or imposition of any lien pursuant to, or require any consent under, any material agreement to which the Trustee is a party or by which it or any of its property is bound, the violation of which would have a material adverse effect on the Trustee or its property; and

(e) there are no proceedings pending or, to the best knowledge of the Trustee, threatened against the Trustee before any Federal, state or other governmental agency, authority, administrator or regulatory body, arbitrator, court or other tribunal, foreign or domestic, which could have a material adverse effect on the Assets or the performance by the Trustee of its obligations under this Indenture.

Section 6.15      Requests for Consents.

In the event that the Trustee receives written notice of any proposed amendment, consent or waiver under the Underlying Instruments of any Loan Obligation (before or after any default) or in the event any action is required to be taken in respect to an Underlying Instrument, the Trustee shall promptly contact the Issuer and the Loan Obligation Manager. The Loan Obligation Manager may, on behalf of the Issuer, instruct the Trustee pursuant to an Issuer Order to, and the Trustee shall, with respect to which a Loan Obligation as to which a consent or waiver under the Underlying Instruments of such Loan Obligation (before or after any default) has been proposed or with respect to action required to be taken in respect of an Underlying Instrument, give consent, grant a waiver, vote or exercise any or all other rights or remedies with respect to any such Loan Obligation in accordance with such Issuer Order. In the absence of any instruction from the Loan Obligation Manager, the Trustee shall not engage in any vote or take any action with respect to such a Loan Obligation.

Section 6.16      Withholding.

If any amount is required to be deducted or withheld from any payment to any Noteholder, such amount shall reduce the amount otherwise distributable to such Noteholder. The Trustee is hereby authorized to withhold or deduct from amounts otherwise distributable to any Noteholder sufficient funds for the payment of any tax that is legally required to be withheld or deducted (but such authorization shall not prevent the Trustee from contesting any such tax in appropriate proceedings and legally withholding payment of such tax, pending the outcome of such proceedings). The amount of any withholding tax imposed with respect to any Noteholder shall be treated as Cash distributed to such Noteholder at the time it is deducted or withheld by the Issuer or the Trustee, as applicable, and remitted to the appropriate taxing authority. If there is a possibility that withholding tax is payable with respect to a distribution, the Trustee may in its sole discretion withhold such amounts in accordance with this Section 6.16. If any Noteholder wishes to apply for a refund of any such withholding tax, the Trustee shall reasonably cooperate with such Noteholder in making such claim so long as such Noteholder agrees to reimburse the Trustee for any out-of-pocket expenses incurred. Nothing herein shall impose an obligation on the part of the Trustee to determine the amount of any tax or withholding obligation on the part of the Issuer or in respect of the Notes.

**ARTICLE 7**

**COVENANTS**

Section 7.1      Payment of Principal and Interest.

The Issuer and the Co-Issuer shall duly and punctually pay the principal of and interest on each Class of Notes in accordance with the terms of this Indenture. Amounts properly withheld under the Code or other applicable law by any Person from a payment to any Noteholder of interest and/or principal shall be considered as having been paid by the Issuer and the Co-Issuer, and, with respect to the Preferred Shares, by the Issuer, to such Preferred Shareholder for all purposes of this Indenture.

The Trustee shall, unless prevented from doing so for reasons beyond its reasonable control, give notice to each Securityholder of any such withholding requirement no later than ten days prior to the related Payment Date from which amounts are required (as directed by the Issuer (or the Loan Obligation Manager on behalf of the Issuer)) to be withheld, provided that, despite the failure of the Trustee to give such notice, amounts withheld pursuant to applicable tax laws shall be considered as having been paid by the Issuer and the Co-Issuer, as provided above.

Section 7.2      Maintenance of Office or Agency.

The Issuer and the Co-Issuer hereby appoint the Trustee as a Paying Agent for the payment of principal of and interest on the Notes and where Notes may be surrendered for registration of transfer or exchange and the Issuer and the Co-Issuer hereby appoint CT Corporation System, 111 Eighth Avenue, 13th Floor, New York, New York 10011, as their agent

where notices and demands to or upon the Co-Issuer in respect of the Notes or this Indenture, or the Issuer in respect of the Notes or this Indenture, may be served.

The Issuer or the Co-Issuer may at any time and from time to time vary or terminate the appointment of any such agent or appoint any additional agents for any or all of such purposes; provided, however, that the Issuer and the Co-Issuer, if applicable, will maintain in the Borough of Manhattan, The City of New York, an office or agency where notices and demands to or upon the Issuer and the Co-Issuer in respect of the Notes and this Indenture may be served, and, subject to any laws or regulations applicable thereto, an office or agency outside of the United States where Notes may be presented and surrendered for payment; provided, further, that no paying agent shall be appointed in a jurisdiction which subjects payments on the Notes to withholding tax. The Issuer or the Co-Issuer, as the case may be, shall give prompt written notice to the Trustee, the Rating Agencies and the Noteholders of the appointment or termination of any such agent and of the location and any change in the location of any such office or agency.

If at any time the Issuer and the Co-Issuer, if applicable, shall fail to maintain any such required office or agency in the Borough of Manhattan, The City of New York, or outside the United States, or shall fail to furnish the Trustee with the address thereof, presentations and surrenders may be made (subject to the limitations described in the preceding paragraph) at and notices and demands may be served on the Issuer and the Co-Issuer, and Notes may be presented and surrendered for payment to the appropriate Paying Agent at its main office and the Issuer and the Co-Issuer hereby appoint the same as their agent to receive such respective presentations, surrenders, notices and demands.

Section 7.3      Amounts for Note Payments to be Held in Trust.

(a)      All payments of amounts due and payable with respect to any Notes that are to be made from amounts withdrawn from the Payment Account shall be made on behalf of the Issuer and the Co-Issuer by the Trustee or a Paying Agent (in each case, from and to the extent of available funds in the Payment Account and subject to the Priority of Payments) with respect to payments on the Notes.

When the Paying Agent is not also the Notes Registrar, the Issuer and the Co-Issuer shall furnish, or cause the Notes Registrar to furnish, no later than the fifth calendar day after each Record Date a list, if necessary, in such form as such Paying Agent may reasonably request, of the names and addresses of the Holders of Notes and of the certificate numbers of individual Notes held by each such Holder.

Whenever the Paying Agent is not also the Trustee, the Issuer, the Co-Issuer, and such Paying Agent shall, on or before the Business Day next preceding each Payment Date or Redemption Date, as the case may be, direct the Trustee to deposit on such Payment Date with such Paying Agent, if necessary, an aggregate sum sufficient to pay the amounts then becoming due pursuant to the terms of this Indenture (to the extent funds are then available for such purpose in the Payment Account, and subject to the Priority of Payments), such sum to be held for the benefit of the Persons entitled thereto and (unless such Paying Agent is the Trustee) the Issuer and the Co-Issuer shall promptly notify the Trustee of its action or failure so to act. Any

amounts deposited with a Paying Agent (other than the Trustee) in excess of an amount sufficient to pay the amounts then becoming due on the Notes with respect to which such deposit was made shall be paid over by such Paying Agent to the Trustee for application in accordance with Article 11. Any such Paying Agent shall be deemed to agree by assuming such role not to cause the filing of a petition in bankruptcy against the Issuer, the Co-Issuer or any Permitted Subsidiary for the non-payment to the Paying Agent of any amounts payable thereto until at least one year and one day (or, if longer, the applicable preference period then in effect) after the payment in full of all Notes issued under this Indenture.

The initial Paying Agent shall be as set forth in Section 7.2. Any additional or successor Paying Agents shall be appointed by Issuer Order of the Issuer and Issuer Order of the Co-Issuer with written notice thereof to the Trustee; provided, however, that so long as any Class of the Notes are rated by a Rating Agency and with respect to any additional or successor Paying Agent for the Notes, either (i) such Paying Agent has a long-term debt rating of “Aa3” or higher by Moody’s, “AA-” or higher by Fitch and “AA-” or higher by S&P and “AA (low)” or higher by DBRS (or, if not rated by DBRS, an equivalent rating by any two other NRSROs (which may include Moody’s)) or a short-term debt rating of “P-1” by Moody’s, “F1+” by Fitch and “A-1+” by S&P or (ii) each of the Rating Agencies confirms that employing such Paying Agent shall not adversely affect the then-current ratings of the Notes. In the event that such successor Paying Agent ceases to have a long-term debt rating of “Aa3” or higher by Moody’s, “AA-” or higher by Fitch, “AA-” or higher by S&P or “AA (low)” or higher by DBRS (or, if not rated by DBRS, an equivalent rating by any two other NRSROs (which may include Moody’s)) or a short-term debt rating of at least “P-1” by Moody’s, “F1+” by Fitch and “A-1+” by S&P, the Issuer and the Co-Issuer shall promptly remove such Paying Agent and appoint a successor Paying Agent. The Issuer and the Co-Issuer shall not appoint any Paying Agent that is not, at the time of such appointment, a depository institution or trust company subject to supervision and examination by federal and/or state and/or national banking authorities. The Issuer and the Co-Issuer shall cause the Paying Agent other than the Trustee to execute and deliver to the Trustee an instrument in which such Paying Agent shall agree with the Trustee (and if the Trustee acts as Paying Agent, it hereby so agrees), subject to the provisions of this Section 7.3, that such Paying Agent will:

- (a) allocate all sums received for payment to the Holders of Notes for which it acts as Paying Agent on each Payment Date and Redemption Date among such Holders in the proportion specified in the applicable report or Redemption Date Statement, as the case may be, in each case to the extent permitted by applicable law;
- (b) hold all sums held by it for the payment of amounts due with respect to the Notes for the benefit of the Persons entitled thereto until such sums shall be paid to such Persons or otherwise disposed of as herein provided and pay such sums to such Persons as herein provided;
- (c) if such Paying Agent is not the Trustee, immediately resign as a Paying Agent and forthwith pay to the Trustee all sums held by it for the payment of Notes if at any time it ceases to meet the standards set forth above required to be met by a Paying Agent at the time of its appointment;

(d) if such Paying Agent is not the Trustee, immediately give the Trustee notice of any Default by the Issuer or the Co-Issuer (or any other obligor upon the Notes) in the making of any payment required to be made; and

(e) if such Paying Agent is not the Trustee at any time during the continuance of any such Default, upon the written request of the Trustee, forthwith pay to the Trustee all sums so held by such Paying Agent.

The Issuer or the Co-Issuer may at any time, for the purpose of obtaining the satisfaction and discharge of this Indenture or for any other purpose, pay, or by Issuer Order direct the Paying Agent to pay, to the Trustee all sums held by the Issuer or the Co-Issuer or held by the Paying Agent for payment of the Notes, such sums to be held by the Trustee in trust for the same Noteholders as those upon which such sums were held by the Issuer, the Co-Issuer or the Paying Agent; and, upon such payment by the Paying Agent to the Trustee, the Paying Agent shall be released from all further liability with respect to such amounts.

Except as otherwise required by applicable law, any amounts deposited with the Trustee in trust or deposited with the Paying Agent for the payment of the principal of or interest on any Note and remaining unclaimed for two years after such principal or interest has become due and payable shall be paid to the Issuer on request; and the Holder of such Note shall thereafter, as an unsecured general creditor, look only to the Issuer for payment of such amounts and all liability of the Trustee or the Paying Agent with respect to such amounts (but only to the extent of the amounts so paid to the Issuer or the Co-Issuer, as applicable) shall thereupon cease. The Trustee or the Paying Agent, before being required to make any such release of payment, may, but shall not be required to, adopt and employ, at the expense of the Issuer or the Co-Issuer, as the case may be, any reasonable means of notification of such release of payment, including, but not limited to, mailing notice of such release to Holders whose Notes have been called but have not been surrendered for redemption or whose right to or interest in amounts due and payable but not claimed is determinable from the records of the Paying Agent, at the last address of record of each such Holder.

Section 7.4      Existence of the Issuer and Co-Issuer.

(a) So long as any Note is Outstanding, the Issuer shall, to the maximum extent permitted by applicable law, maintain in full force and effect its existence and rights as an exempted company incorporated with limited liability under the laws of the Cayman Islands and shall obtain and preserve its qualification to do business as a foreign limited liability company in each jurisdiction in which such qualifications are or shall be necessary to protect the validity and enforceability of this Indenture, the Notes or any of the Assets; provided that the Issuer shall be entitled to change its jurisdiction of registration from the Cayman Islands to any other jurisdiction reasonably selected by the Issuer so long as (i) such change is not disadvantageous in any material respect to the Holders of the Notes or the Preferred Shares, (ii) written notice of such change shall have been given by the Trustee to the Holders of the Notes or Preferred Shares, the Preferred Shares Paying Agent and the Rating Agencies 15 Business Days prior to such change and (iii) on or prior to the 15th Business Day following such notice the Trustee shall not have received written notice from a Majority of the Controlling Class or a Majority of Preferred Shareholders objecting to such change. So long as any Note is Outstanding, the Issuer shall not take any action or conduct its affairs in a manner that is likely to result in its separate existence being ignored or its assets and liabilities being substantively consolidated with any other Person in a bankruptcy, reorganization or other insolvency proceeding. So long as any Note is Outstanding, the Issuer shall maintain and implement administrative and operating procedures reasonably necessary in the performance of the Issuer's obligations hereunder, and the Issuer shall at all times keep and maintain, or cause to be kept and maintained, separate books, records, accounts and other information customarily maintained for the performance of the Issuer's obligations hereunder. Without limiting the foregoing, so long as any Note is Outstanding, (i) the Issuer shall (A) pay its own liabilities only out of its own funds and (B) use separate stationery, invoices and checks, (C) hold itself out and identify itself as a separate and distinct entity under its own name and (ii) the Issuer shall not (A) have any subsidiaries (other than a Permitted Subsidiary and, in the case of the Issuer, the Co-Issuer), (B) have any employees (other than its directors), (C) engage in any transaction with any shareholder that is not permitted under the terms of the Loan Obligation Management Agreement, (D) pay dividends other than in accordance with the terms of this Indenture, its governing documents and the Preferred Share Paying Agency Agreement, (E) conduct business under an assumed name (i.e., no "DBAs"), (F) commingle its funds or assets with those of any other Person, or (G) enter into any contract or agreement with any of its Affiliates, except upon terms and conditions that are commercially reasonable and substantially similar to those available in arm's-length transactions; provided that the foregoing shall not prohibit the Issuer from entering into the transactions contemplated by the Registered Office Agreement with the registered office provider, the Company Administration Agreement with the Company Administrator, the Preferred Share Paying Agency Agreement with the Share Registrar and any other agreement contemplated or permitted by the Loan Obligation Management Agreement or this Indenture.

(d) So long as any Note is Outstanding, the Co-Issuer shall ensure that all limited liability company or other formalities regarding its existence are followed, as well as correcting any known misunderstanding regarding its separate existence. The Co-Issuer shall not take any action or conduct its affairs in a manner, that is likely to result in its separate existence being ignored or its assets and liabilities being substantively consolidated with any other Person in a bankruptcy, reorganization or other insolvency proceeding. The Co-Issuer shall maintain and implement administrative and operating procedures reasonably necessary in the performance of the Co-Issuer's obligations hereunder, and the Co-Issuer shall at all times keep and maintain, or cause to be kept and maintained, books, records, accounts and other information customarily maintained for the performance of the Co-Issuer's obligations hereunder. (a) The Trustee, on behalf of the Issuer, pursuant to any Opinion of Counsel received pursuant to Section 7.5(d) shall execute and deliver all such Financing Statements, continuation statements, instruments of further assurance and other instruments, and shall take such other action as may be necessary or advisable or desirable to secure the rights and remedies of the Holders and to:

The Issuer hereby designates the Trustee as its agent and attorney-in-fact to execute any Financing Statement, continuation statement or other instrument required pursuant to this Section 7.5. The Trustee agrees that it will from time to time execute and cause to be filed Financing Statements and continuation statements (it being understood that the Trustee shall be

entitled to rely upon an Opinion of Counsel described in Section 7.5(d), at the expense of the Issuer, as to the need to file such Financing Statements and continuation statements, the dates by which such filings are required to be made and the jurisdictions in which such filings are required to be made).

(b) The Trustee shall not (except in accordance with Section 10.12(a), (b) or (c) and except for payments, deliveries and distributions otherwise expressly permitted under this Indenture) (i) remove any portion of the Assets that consists of Cash or is evidenced by an instrument, certificate or other writing (A) from the jurisdiction in which it was held at the date as described in the Opinion of Counsel delivered at the Closing Date pursuant to Section 3.1(d) or (B) from the possession of the Person who held it on such date or (ii) cause or permit the Custodial Account or the Custodial Securities Intermediary to be located in a different jurisdiction from the jurisdiction in which such securities accounts and Custodial Securities Intermediary were located on the Closing Date, unless the Trustee shall have first received an Opinion of Counsel to the effect that the lien and security interest created by this Indenture with respect to such property will continue to be maintained after giving effect to such action or actions.

(c) The Issuer shall (i) pay or cause to be paid taxes, if any, levied on account of the beneficial ownership by the Issuer of any Assets that secure the Notes and timely file all tax returns and information statements as required, (ii) take all actions necessary or advisable to prevent the Issuer from becoming subject to any withholding or other taxes or assessments and to allow the Issuer to comply with FATCA, and (iii) if required to prevent the withholding or imposition of United States income tax, deliver or cause to be delivered a United States Internal Revenue Service Form W-9 (or the applicable form W-8, if appropriate) or successor applicable form, to each borrower, counterparty or paying agent with respect to (as applicable) an item included in the Assets at the time such item is purchased or entered into and thereafter prior to the expiration or obsolescence of such form.

(d) For so long as the Notes are Outstanding, (i) on January 31, 2019 and (ii) every 60 months after such date, the Issuer (or the Loan Obligation Manager on behalf of the Issuer) shall deliver to the Trustee for the benefit of the Trustee, the Loan Obligation Manager and the Rating Agencies, at the expense of the Issuer, an Opinion of Counsel stating what is required, in the opinion of such counsel, as of the date of such opinion, to maintain the lien and security interest created by this Indenture with respect to the Assets, and confirming the matters set forth in the Opinion of Counsel, furnished pursuant to Section 3.1(d), with regard to the perfection and priority of such security interest (and such Opinion of Counsel may likewise be subject to qualifications and assumptions similar to those set forth in the Opinion of Counsel delivered pursuant to Section 3.1(d)).

Section 7.6      Notice of Any Amendments.

Each of the Issuer and the Co-Issuer shall give notice to each Rating Agency of, and satisfy the Rating Agency Condition with respect to, any amendments to its Governing Documents.

Section 7.7      Performance of Obligations.

(a) Each of the Issuer and the Co-Issuer shall not take any action, and will use commercially reasonable efforts not to permit any action to be taken by others, that would release any Person from any of such Person's covenants or obligations under any instrument included in the Assets, except in the case of enforcement action taken with respect to any Defaulted Obligation in accordance with the provisions hereof and as otherwise required hereby.

(b) The Issuer or the Co-Issuer may, with the prior written consent of the Majority of the Notes (or if there are no Notes Outstanding, a Majority of Preferred Shareholders), contract with other Persons, including the Loan Obligation Manager or the Trustee, for the performance of actions and obligations to be performed by the Issuer or the Co-Issuer, as the case may be, hereunder by such Persons and the performance of the actions and other obligations with respect to the Assets of the nature set forth in the Loan Obligation Management Agreement by the Loan Obligation Manager. Notwithstanding any such arrangement, the Issuer or the Co-Issuer, as the case may be, shall remain primarily liable with respect thereto. In the event of such contract, the performance of such actions and obligations by such Persons shall be deemed to be performance of such actions and obligations by the Issuer or the Co-Issuer; and the Issuer or the Co-Issuer shall punctually perform, and use commercially reasonable efforts to cause the Loan Obligation Manager or such other Person to perform, all of their obligations and agreements contained in the Loan Obligation Management Agreement or such other agreement.

(c) Unless the Rating Agency Condition is satisfied with respect thereto, the Issuer shall maintain the Servicing Agreement in full force and effect so long as any Notes remain Outstanding and shall not terminate the Servicing Agreement with respect to any Loan Obligation except upon the sale or other liquidation of such Loan Obligation in accordance with the terms and conditions of this Indenture.

(d) If the Co-Issuers receive a notice from the Rating Agencies stating that they are not in compliance with Rule 17g-5, the Co-Issuers shall take such action as mutually agreed between the Co-Issuers and the Rating Agencies in order to comply with Rule 17g-5.

Section 7.8      Negative Covenants.

(a) The Issuer and the Co-Issuer shall not:

(i) sell, assign, participate, transfer, exchange or otherwise dispose of, or pledge, mortgage, hypothecate or otherwise encumber (or permit such to occur or suffer such to exist), any part of the Assets, except as otherwise expressly permitted by this Indenture or the Loan Obligation Management Agreement;

(ii) claim any credit on, make any deduction from, or dispute the enforceability of, the payment of the principal or interest payable in respect of the Notes (other than amounts required to be paid, deducted or withheld in accordance with any applicable law or regulation of any governmental authority) or assert any claim against any present or future Noteholder by reason of the payment of any taxes levied or assessed upon any part of the Assets;

(iii) (A) incur or assume or guarantee any indebtedness, other than the Notes and this Indenture and the transactions contemplated hereby; (B) issue any additional class of securities, other than the Notes, the Preferred Shares, the ordinary shares of the Issuer and the limited liability company membership interests of the Co-Issuer; or (C) issue any additional shares of stock, other than the ordinary shares of the Issuer and the Preferred Shares;

(v) amend the Loan Obligation Management Agreement, except pursuant to the terms thereof;

(vi) amend the Preferred Share Paying Agency Agreement, except pursuant to the terms thereof;

(vii) to the maximum extent permitted by applicable law, dissolve or liquidate in whole or in part, except as permitted hereunder;

(x) maintain any bank accounts other than the Accounts and the bank account in the Cayman Islands in which ( *inter alia*) the proceeds of the Issuer's issued share capital and the transaction fees paid to the Issuer for agreeing to issue the Securities will be kept;

(xi) conduct business under an assumed name, or change its name without first delivering at least 30 days' prior written notice to the Trustee, the Noteholders and the Rating Agencies and an Opinion of Counsel to the effect that such name change will not adversely affect the security interest hereunder of the Trustee or the Secured Parties;

(xii) take any action that would result in it failing to qualify as a Qualified REIT Subsidiary of the Arbor Parent for federal income tax purposes (including, but not limited to, an election to treat the Issuer as a “taxable REIT subsidiary,” as defined in Section 856(l) of the Code), unless (A) based on an Opinion of Counsel, the Issuer will be treated as a Qualified REIT Subsidiary of a REIT other than Arbor Parent, or (B) based on an Opinion of Counsel, the Issuer will be treated as a foreign corporation that is not engaged in a trade or business in the United States for U.S. federal income tax purposes;

(xiv) amend their respective organizational documents without satisfaction of the Rating Agency Condition in connection therewith;

(xv) with respect to any Loan Obligation that by its terms permits the conversion from a LIBOR-based interest rate to a fixed interest rate, convert such Loan Obligation from a LIBOR-based interest rate to a fixed interest rate; or

(xvi) acquire (whether directly or indirectly, in any Account or in any sub-account) any assets that do not consist of Loan Obligations, Eligible Investments or cash (or the proceeds with respect to the foregoing). The foregoing is not intended to limit the Issuer’s ability to enter into or enforce its rights under the Loan Obligation Management Agreement, each Loan Obligation Purchase Agreement (including any Loan Obligation Purchase Agreement entered into after the Closing Date) or the Servicing Agreement.

(b) Neither the Issuer nor the Trustee shall sell, transfer, exchange or otherwise dispose of Assets, or enter into or engage in any business with respect to any part of the Assets, except as expressly permitted or required by this Indenture or the Loan Obligation Management Agreement.

(c) The Co-Issuer shall not invest any of its assets in “securities” (as such term is defined in the 1940 Act) and shall keep all of the Co-Issuer’s assets in Cash.

(d) For so long as any of the Notes are Outstanding, the Co-Issuer shall not issue any limited liability company membership interests of the Co-Issuer to any Person other than the Issuer Parent or an Issuer Parent Disregarded Entity.

(e) The Issuer shall not enter into any material new agreements (other than any Loan Obligation, Loan Obligation Purchase Agreement or other agreement (including, without limitation, in connection with the sale of Assets by the Issuer) contemplated by this Indenture) without the prior written consent of the Holders of a Majority of the Notes (or if there are no Notes Outstanding, a Majority of Preferred Shareholders) and shall provide notice of all new agreements (other than any Loan Obligation or other agreement specifically contemplated by this Indenture) to the Holders of the Notes. The foregoing notwithstanding, the Issuer may agree to any material new agreements; provided that (i) the Issuer (or the Loan Obligation

Manager on behalf of the Issuer) determines that such new agreements would not, upon or after becoming effective, adversely affect the rights or interests of any Class or Classes of Noteholders and (ii) subject to satisfaction of the Rating Agency Condition.

(f) As long as any Note is Outstanding, Issuer Parent or any Issuer Parent Disregarded Entity may not transfer, pledge or hypothecate any retained or repurchased Notes or Preferred Shares (whether issued on the Closing Date or reissued in a single or multiple classes on a later date) or ordinary shares of the Issuer to any other Person (except to Issuer Parent or any Issuer Parent Disregarded Entity) unless the Issuer receives an opinion of Cadwalader, Wickersham & Taft LLP or another nationally recognized tax counsel experienced in such matters that such transfer, pledge or hypothecation will not cause the Issuer to be treated as a foreign corporation engaged in a trade or business in the United States for federal income tax purposes or to otherwise become subject to federal income tax on a net income basis, or has previously received an opinion of Cadwalader, Wickersham & Taft LLP or another nationally recognized tax counsel experienced in such matters that the Issuer will be treated as a foreign corporation that is not engaged in a trade or business in the United States for federal income tax purposes.

Section 7.9      Statement as to Compliance.

On or before January 31, in each calendar year, commencing in 2015 or immediately if there has been a Default in the fulfillment of an obligation under this Indenture, the Issuer shall deliver to the Trustee (which will deliver a copy to each Rating Agency) an Officer's Certificate given on behalf of the Issuer and without personal liability stating, as to each signer thereof, that, since the date of the last certificate or, in the case of the first certificate, the Closing Date, to the best of the knowledge, information and belief of such Officer, the Issuer has fulfilled all of its obligations under this Indenture or, if there has been a Default in the fulfillment of any such obligation, specifying each such Default known to them and the nature and status thereof.

(viii) the Issuer has received an opinion from Cadwalader, Wickersham & Taft LLP or an opinion of other nationally recognized U.S. tax counsel experienced in such matters that such action will not adversely affect the tax treatment of the Noteholders as described in the Offering Memorandum under the heading "Certain U.S. Federal Income Tax Considerations" to any material extent; and

(ix) after giving effect to such transaction, the Issuer shall not be required to register as an investment company under the 1940 Act.

(ii) the Rating Agency Condition has been satisfied;

(iii) if the Co-Issuer is not the surviving entity, the Person formed by such consolidation or into which the Co-Issuer is merged or to which all or substantially all of the assets of the Co-Issuer are transferred shall have agreed with the Trustee (A) to observe the same legal requirements for the recognition of such formed or surviving entity as a legal entity separate and apart from any of its Affiliates as are applicable to the

Co-Issuer with respect to its Affiliates and (B) not to consolidate or merge with or into any other Person or transfer or convey all or substantially all of its assets to any other Person except in accordance with the provisions of this Section 7.10;

(iv) if the Co-Issuer is not the surviving entity, the Person formed by such consolidation or into which the Co-Issuer is merged or to which all or substantially all of the assets of the Co-Issuer are transferred shall have delivered to the Trustee and the Rating Agencies an Officer's Certificate and an Opinion of Counsel each stating that such Person is duly organized, validly existing and in good standing in the jurisdiction in which such Person is organized; that such Person has sufficient power and authority to assume the obligations set forth in Section 7.10(b)(i) above and to execute and deliver an indenture supplemental hereto for the purpose of assuming such obligations; that such Person has duly authorized the execution, delivery and performance of an indenture supplemental hereto for the purpose of assuming such obligations and that such supplemental indenture is a valid, legal and binding obligation of such Person, enforceable in accordance with its terms, subject only to bankruptcy, reorganization, insolvency, moratorium and other laws affecting the enforcement of creditors' rights generally and to general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law); such other matters as the Trustee or any Noteholder may reasonably require;

Section 7.11 Successor Substituted.

Upon any consolidation or merger, or transfer or conveyance of all or substantially all of the assets of the Issuer or the Co-Issuer, in accordance with Section 7.10 hereof, the Person formed by or surviving such consolidation or merger (if other than the Issuer or the Co-Issuer), or the Person to which such consolidation, merger, transfer or conveyance is made, shall succeed to, and be substituted for, and may exercise every right and power of, the Issuer or the Co-Issuer, as the case may be, under this Indenture with the same effect as if such Person had been named as the Issuer or the Co-Issuer, as the case may be, herein. In the event of any such consolidation, merger, transfer or conveyance, the Person named as the "Issuer" or the "Co-Issuer" in the first paragraph of this Indenture or any successor which shall theretofore have become such in the manner prescribed in this Article 7 may be dissolved, wound-up and

liquidated at any time thereafter, and such Person thereafter shall be released from its liabilities as obligor and maker on all the Notes and from its obligations under this Indenture.

At any time when the Issuer and/or the Co-Issuer is not subject to Section 13 or 15(d) of the Exchange Act and is not exempt from reporting pursuant to Rule 12g3-2(b) under the Exchange Act, upon the request of a Holder or beneficial owner of a Note, the Issuer and/or the Co-Issuer shall promptly furnish or cause to be furnished "Rule 144A Information" (as defined below) to such Holder or beneficial owner, to a prospective purchaser of such Note designated by such Holder or beneficial owner or to the Trustee for delivery to such Holder or beneficial owner or a prospective purchaser designated by such Holder or beneficial owner, as the case may be, in order to permit compliance by such Holder or beneficial owner with Rule 144A under the Securities Act in connection with the resale of such Note by such Holder or beneficial owner. "Rule 144A Information" shall be such information as is specified pursuant to Rule 144A(d)(4) under the Securities Act (or any successor provision thereto). The Trustee shall reasonably cooperate with the Issuer and/or the Co-Issuer in mailing or otherwise distributing (at the Issuer's expense) to such Noteholders or prospective purchasers, at and pursuant to the Issuer's and/or the Co-Issuer's written direction the foregoing materials prepared by or on behalf of the Issuer and/or the Co-Issuer; provided, however, that the Trustee shall be entitled to prepare and affix thereto or enclose therewith reasonable disclaimers to the effect that such Rule 144A Information was not assembled by the Trustee, that the Trustee has not reviewed or verified the accuracy thereof, and that it makes no representation as to such accuracy or as to the sufficiency of such information under the requirements of Rule 144A or for any other purpose.

Section 7.14      Calculation Agent.

(a)      The Issuer and the Co-Issuer hereby agree that for so long as any Notes remain Outstanding there shall at all times be an agent appointed to calculate LIBOR in respect of each Interest Accrual Period in accordance with the terms of Schedule B attached hereto (the "Calculation Agent"). The Issuer and the Co-Issuer initially have appointed the Trustee as Calculation Agent for purposes of determining LIBOR for each Interest Accrual Period. The Calculation Agent may be removed by the Issuer at any time. The Calculation Agent may resign at any time by giving written notice thereof to the Issuer, the Co-Issuer, the Loan Obligation

Manager, the Noteholders and the Rating Agencies. If the Calculation Agent is unable or unwilling to act as such or is removed by the Issuer, or if the Calculation Agent fails to determine LIBOR or the Interest Distribution Amount for any Class of Notes for any Interest Accrual Period, the Issuer shall promptly appoint as a replacement Calculation Agent a leading bank which is engaged in transactions in Eurodollar deposits in the international Eurodollar market and which does not control or is not controlled by or under common control with the Issuer or its Affiliates. The Calculation Agent may not resign its duties without a successor having been duly appointed. If no successor Calculation Agent shall have been appointed within 30 days after giving of a notice of resignation, the resigning Calculation Agent, a Majority of the Notes or any Holder of a Note, on behalf of himself and all others similarly situated, may petition a court of competent jurisdiction for the appointment of a successor Calculation Agent.

(b) The Calculation Agent shall be required to agree that, as soon as practicable after 11:00 a.m. (London time) on each LIBOR Determination Date (as defined in Schedule B attached hereto), but in no event later than 11:00 a.m. (New York time) on the London Banking Day immediately following each LIBOR Determination Date, the Calculation Agent shall calculate LIBOR for the next Interest Accrual Period and will communicate such rates to the Issuer, the Co-Issuer, the Trustee, the Loan Obligation Manager, the Paying Agent and, if any Note is in the form of a Regulation S Global Security, to Euroclear and Clearstream, Luxembourg. The Calculation Agent shall also specify to the Issuer and the Co-Issuer the quotations upon which LIBOR is based, and in any event the Calculation Agent shall notify the Issuer and the Co-Issuer before 5:00 p.m. (New York time) on each LIBOR Determination Date if it has not determined and is not in the process of determining LIBOR and the Interest Distribution Amounts for each Class of Notes, together with the reasons therefor. The determination of the Class A Rate, Class B Rate and Class C Rate and the related Class A Interest Distribution Amount, Class B Interest Distribution Amount and Class C Interest Distribution Amount, respectively, by the Calculation Agent shall, absent manifest error, be final and binding on all parties.

Section 7.15      REIT Status.

(a) The Issuer Parent shall not take any action that results in the Issuer failing to qualify as a Qualified REIT Subsidiary of the Issuer Parent for federal income tax purposes, unless (A) based on an Opinion of Counsel, the Issuer will be treated as a Qualified REIT Subsidiary of a REIT other than Issuer Parent, or (B) based on an Opinion of Counsel, the Issuer will be treated as a foreign corporation that is not engaged in a trade or business in the United States for U.S. federal income tax purposes.

(b) If the Issuer is no longer a Qualified REIT Subsidiary, prior to the time that:

(i) any Loan Obligation would cause the Issuer to be treated as engaged in a trade or business in the United States or to become subject to U.S. federal tax on a net income basis,

(ii) the Issuer would acquire or receive any asset in connection with a workout or restructuring of a Loan Obligation that could cause the Issuer to be treated as engaged

in a trade or business in the United States or to become subject to U.S. federal tax on a net income basis,

(iii) the Issuer would acquire the real property underlying any Loan Obligation pursuant to a foreclosure or deed-in-lieu of foreclosure,  
or

(iv) any Loan Obligation is modified in such a manner that could cause the Issuer to be treated as engaged in a trade or business in the United States or to become subject to U.S. federal tax on a net income basis,

the Issuer will either (x) organize one or more Permitted Subsidiaries and contribute the subject property to such Permitted Subsidiary, (y) contribute such Loan Obligation to an existing Permitted Subsidiary, or (z) sell such Loan Obligation in accordance with Section 12.1.

Section 7.16 Permitted Subsidiaries.

Notwithstanding any other provision of this Indenture, the Loan Obligation Manager on behalf of the Issuer shall be permitted to sell to a Permitted Subsidiary at any time any Sensitive Asset for consideration consisting entirely of the equity interests of such Permitted Subsidiary (or for an increase in the value of equity interests already owned). The Trustee shall, upon receipt of an Issuer Order certifying that the sale of a Sensitive Asset is being made in accordance with satisfaction of all requirements of this Indenture, release such Sensitive Asset and shall deliver such Sensitive Asset as specified in such Issuer Order. The following provisions shall apply to all Sensitive Assets and Permitted Subsidiaries:

(a) For all purposes under this Indenture, any Sensitive Asset transferred to a Permitted Subsidiary shall be treated as if it were an asset owned directly by the Issuer.

(b) Any distribution of Cash by a Permitted Subsidiary to the Issuer shall be characterized as Interest Proceeds or Principal Proceeds to the same extent that such Cash would have been characterized as Interest Proceeds or Principal Proceeds if received directly by the Issuer and each Permitted Subsidiary shall cause all proceeds of and collections on each Sensitive Asset owned by such Permitted Subsidiary to be deposited into the applicable Collection Account.

(c) To the extent applicable, the Issuer shall form one or more Securities Accounts with the Custodial Securities Intermediary for the benefit of each Permitted Subsidiary and shall, to the extent applicable, cause Sensitive Assets to be credited to such Securities Accounts.

(d) Notwithstanding the complete and absolute transfer of a Sensitive Asset to a Permitted Subsidiary, for purposes of measuring compliance with the Note Protection Tests, the ownership interests of the Issuer in a Permitted Subsidiary or any property distributed to the Issuer by a Permitted Subsidiary shall be treated as a continuation of its ownership of the Sensitive Asset that was transferred to such Permitted Subsidiary (and shall be treated as having the same characteristics as such Sensitive Asset).

(e) If the Trustee or any other authorized party takes any action under this Indenture to sell, liquidate or dispose of all or substantially all of the Assets, the Issuer or the Loan Obligation Manager on the Issuer's behalf shall cause each Permitted Subsidiary to sell each Sensitive Asset and all other assets held by such Permitted Subsidiary and distribute the proceeds of such sale, net of any amounts necessary to satisfy any related expenses and tax liabilities, to the Issuer in exchange for the equity interest in such Permitted Subsidiary held by the Issuer.

Section 7.17      Repurchase Requests.

If the Issuer, the Trustee or the Loan Obligation Manager receives or otherwise becomes aware of any request or demand whether oral or written that a Loan Obligation be repurchased or replaced arising from any breach of a representation or warranty made with respect to such Loan Obligation (any such request or demand, a "Repurchase Request") or a withdrawal of a Repurchase Request from any Person other than the CLO Servicer, then the Trustee or the Loan Obligation Manager on behalf of the Issuer, as applicable, shall promptly forward or otherwise provide written notice of such Repurchase Request or withdrawal of a Repurchase Request, as the case may be, to the CLO Servicer, and include the following statement in the related correspondence: "This is a "[Repurchase Request]/[withdrawal of a Repurchase Request]" under Section 3.01(c) of the Servicing Agreement relating to Arbor Realty Collateralized Loan Obligation 2014-1, Ltd. requiring action by you as the "Repurchase Request Recipient" thereunder." Upon receipt of such Repurchase Request or withdrawal of a Repurchase Request by the Trustee or Loan Obligation Manager pursuant to the prior sentence, the CLO Servicer shall be deemed to be the Repurchase Request Recipient in respect of such Repurchase Request or withdrawal of a Repurchase Request, as the case may be, and shall be responsible for complying with the procedures set forth in Section 3.01(c) of the Servicing Agreement with respect to such Repurchase Request. If the Trustee, the Issuer or the Loan Obligation Manager receives notice or has knowledge of a withdrawal of a Repurchase Request of which notice has been previously received or given, and such notice was not received from or copied to the CLO Servicer, then the Trustee or the Loan Obligation Manager on behalf of the Issuer, as applicable, shall promptly give notice of such withdrawal to the CLO Servicer.

Section 7.18      Purchase of Additional Loan Obligations.

The Issuer (or the Loan Obligation Manager on behalf of the Issuer) shall, prior to the Portfolio Finalization Date, use commercially reasonable efforts to apply amounts on deposit in the Unused Proceeds Account to purchase Additional Loan Obligations in accordance with Section 10.4(d) (which shall be, and hereby are, Granted to the Trustee pursuant to the Granting Clause of this Indenture) for inclusion in the Assets upon receipt by the Trustee of an Issuer Order executed by the Issuer (or the Loan Obligation Manager on behalf of the Issuer) with respect thereto directing the Trustee to pay out the amount specified therein against delivery of the Additional Loan Obligation specified therein and a certificate of an Authorized Officer of the Issuer (or the Loan Obligation Manager), dated as of the trade date, and delivered to the Trustee on or prior to the date of such purchase and Grant, to the effect that after giving effect to such purchase and Grant of the Additional Loan Obligations, except for Closing Date Loan Obligations acquired during the Post-Closing Acquisition Period, the Eligibility Criteria are met with respect to the Additional Loan Obligations purchased. Each Additional Loan Obligation,

except for Closing Date Loan Obligations acquired during the Post-Closing Acquisition Period, shall satisfy the applicable Eligibility Criteria.

Section 7.19      Portfolio Finalization Date Actions.

(a)            The Issuer (or the Loan Obligation Manager on behalf of the Issuer) shall cause to be delivered to the Trustee and the Rating Agencies on the Portfolio Finalization Date an amended Schedule A listing all Loan Obligations Granted to the Trustee pursuant to Section 7.18 on or before the Portfolio Finalization Date and included in the Assets on the Portfolio Finalization Date, which schedule shall supersede any prior Schedule A delivered to the Trustee.

(b)            Within 30 Business Days after the Portfolio Finalization Date, the Issuer shall provide, or (at the Issuer's expense) cause the Loan Obligation Manager to provide, the following documents to the Trustee and the Rating Agencies: (A) a report of the Collateral Administrator (x) confirming the name of the borrower, the unpaid principal balance, coupon, maturity date and Moody's Rating with respect to each Additional Loan Obligation owned by the Issuer as of the Portfolio Finalization Date, and (y) confirming that, as of the Portfolio Finalization Date, the Note Protection Tests were satisfied (the "Portfolio Finalization Date Report") and (B) a certificate of the Loan Obligation Manager on behalf of the Issuer (x) certifying the satisfaction of the items set forth in clause (A) above, and the receipt of an accountants' report specifying the agreed-upon procedures performed, at the request of the Issuer, on the items set forth in the Portfolio Finalization Date Report and (y) certifying that each Additional Loan Obligation satisfied all of the Eligibility Criteria applicable to Additional Loan Obligations. If the Portfolio Finalization Date Report provided by the Collateral Administrator confirms that the immediately foregoing subclause (A) have been met, then a Moody's Portfolio Finalization Date Deemed Rating Confirmation shall occur. If, within such 30 Business Day period the Issuer, or the Loan Obligation Manager on behalf of the Issuer, fails to provide the items described in foregoing subclauses (A) and (B) or any rating assigned as of the Closing Date to any Class of Notes has been downgraded or withdrawn, a "Rating Confirmation Failure." shall occur; provided that Issuer Parent or an Issuer Parent Disregarded Entity may contribute additional Cash, Eligible Investments and/or Loan Obligations to the Issuer in accordance with Section 12.2(c) of this Agreement.

For the avoidance of doubt, the Loan Obligation Manager's certificate described in the foregoing clause (B) shall not include the Accountants' Report.

**ARTICLE 8**

Section 8.1      Supplemental Indentures Without Consent of Securityholders.

- (vi) modify the restrictions on and procedures for resales and other transfers of Notes to reflect any changes in applicable law or regulation (or the interpretation thereof) or to enable the Issuer and the Co-Issuer to rely upon any exemption from registration under the Securities Act, the Exchange Act or the 1940 Act or to remove restrictions on resale and transfer to the extent not required thereunder;

- (xvi) modify the procedures set forth in this Indenture relating to compliance with Rule 17g-5 of the Exchange Act; provided that the change would not materially increase the obligations of the Loan Obligation Manager, the Trustee, any paying agent, the servicer or the special servicer (in each case, without such party's consent) and would not adversely affect in any material respect the interests of any Noteholder or holder of the Preferred Shares; provided, further, that the Loan Obligation Manager must provide a copy of any such amendment to the Information Agent for posting to the Rule 17g-5 Website and provide notice of any such amendment to the Rating Agencies;
- (xvii) make any change to any other provisions with respect to matters or questions arising under this Indenture; provided that the required action will not adversely affect in any material respect the interests of any Noteholder not consenting thereto, as evidenced by (A) an Opinion of Counsel or (B) an Officer's Certificate of the Loan Obligation Manager; and
- (xviii) make any modification or amendment determined by the Issuer or the Loan Obligation Manager (in consultation with legal counsel of national reputation experienced in such matters and independent of the Issuer and any Affiliates thereof) as necessary or advisable (A) for any Class of Notes to not be considered an "ownership interest" as defined for purposes of the Volcker Rule or (B) (1) to enable the Issuer to rely upon the exemption or exclusion from registration as an investment company provided by Rule 3a-7 under the Investment Company Act or another exemption or

exclusion from registration as an investment company under the Investment Company Act (other than Section 3(c)(1) or Section 3(c)(7) thereof) or (2) for the Issuer to not otherwise be considered a “covered fund” as defined for purposes of the Volcker Rule, in each case so long as any such modification or amendment would not have a material adverse effect on any Class of Notes.

The Trustee is hereby authorized to join in the execution of any such supplemental indenture and to make any further appropriate agreements and stipulations which may be therein contained, but the Trustee shall not be obligated to enter into any such supplemental indenture which affects the Trustee’s own rights, duties, liabilities or immunities under this Indenture or otherwise, except to the extent required by law.

If any Class of Notes is Outstanding and rated, the Trustee shall not enter into any such supplemental indenture unless the Rating Agency Condition has been satisfied, the notice of which may be in electronic form. At the cost of the Issuer, the Trustee shall provide to each Noteholder and each holder of Preferred Shares and, for so long as any Class of Notes shall remain Outstanding and is rated, the Trustee shall provide to the Rating Agencies a copy of any proposed supplemental indenture at least 15 Business Days prior to the execution thereof by the Trustee, and, for so long as such Notes are Outstanding and so rated, request written confirmation, which may be in electronic form, from each noteholder and holder of Preferred Shares, that such proposed supplemental indenture will not materially and adversely affect such Noteholder or holder of Preferred Shares, and, as soon as practicable after the execution by the Trustee, the Issuer and the Co-Issuer of any such supplemental indenture, provide to the Rating Agencies a copy of the executed supplemental indenture. Following such initial 15 Business Day period, the Trustee will provide an additional 15 Business Days’ notice to any Noteholder or holder of Preferred Shares that did not respond to the initial notice and, unless the Trustee is notified (after giving such initial 15 Business Days’ notice and second 15 Business Days’ notice, as applicable) by such Noteholder or such holder of Preferred Shares that such Person will be materially and adversely affected by the proposed supplemental indenture, the interests of such Person will be deemed not to be materially and adversely affected by such proposed supplemental indenture.

The Trustee shall not enter into any such supplemental indenture if such action would adversely affect the tax treatment of the Holders of the Notes as described in the Offering Memorandum under the heading “Certain U.S. Federal Income Tax Considerations” to any material extent or otherwise cause any of the statements described in the Offering Memorandum under the heading “Certain U.S. Federal Income Tax Considerations” to be inaccurate or incorrect to any material extent. The Trustee shall be entitled to rely upon (i) the receipt of notice from the Rating Agencies or the Requesting Party, which may be in electronic form, that the Rating Agency Condition has been satisfied and (ii) receipt of an Officer’s Certificate of the Loan Obligation Manager certifying that, following provision of notice of such supplemental indenture to the Noteholders and holders of the Preferred Shares and expiry of the time period set forth in the above paragraph, that the Holders of Securities would not be materially and adversely affected by such supplemental indenture. Such determination shall be conclusive and binding on all present and future Holders of Securities. The Trustee shall not be liable for any such determination made in good faith and in reliance upon such Officer’s Certificate.

Furthermore, the Trustee shall not enter into any such supplemental indenture unless the Trustee has received an Opinion of Counsel from Cadwalader, Wickersham & Taft LLP or other nationally recognized U.S. tax counsel experienced in such matters that the proposed supplemental indenture will not cause the Issuer to (x) fail to be treated as a Qualified REIT Subsidiary or other disregarded entity of a REIT for U.S. federal income tax purposes or (y) be treated as a foreign corporation that is engaged in a trade or business in the United States for U.S. federal income tax purposes or to otherwise become subject to U.S. federal income tax on a net income basis.

(b) Notwithstanding Section 8.1(a) or any other provision of this Indenture, without the consent of the Holders of any Notes or any Preferred Shareholders, the Issuer, the Co-Issuer, when authorized by Board Resolutions of the Co-Issuers, and when authorized by the Trustee, the Trustee, may enter into one or more indentures supplemental hereto, in form satisfactory to the Trustee, for any of the following purposes:

- (i) conform this Indenture to the provisions described in the Offering Memorandum (or any supplement thereto);
- (ii) to correct any defect or ambiguity in this Indenture in order to address any manifest error in any provision of this Indenture; and
- (iii) to update this Indenture for any Moody's Test Modification in the manner set forth in Section 12.4 hereof.

Section 8.2 Supplemental Indentures with Consent of Securityholders.

Except as set forth below, the Trustee and the Co-Issuers may enter into one or more indentures supplemental hereto to add any provisions to, or change in any manner or eliminate any of the provisions of, this Indenture or modify in any manner the rights of the Holders of any Class of Notes or the Preferred Shares under this Indenture only (x) with the written consent of the Holders of a Majority in Aggregate Outstanding Amount of the Notes of each Class materially and adversely affected thereby (excluding any Notes owned by the Loan Obligation Manager or any of its Affiliates or by any accounts managed by them) and the Holder of Preferred Shares if materially and adversely affected thereby, by Act of said Securityholders delivered to the Trustee and the Co-Issuers, and (y) subject to satisfaction of the Rating Agency Condition, notice of which may be in electronic form. Unless the Trustee is notified (after giving (x) 15 Business Days' notice of such change to the Holders of each Class of Notes and the Holder of the Preferred Shares requesting notification by such Noteholders and holders of the Preferred Shares if any such Noteholders or holders of the Preferred Shares would be materially and adversely affected by the proposed supplemental indenture and (y) following such initial 15 Business Day period, an additional 15 Business Days' notice to any holder of Notes or Preferred Shares that did not respond to the initial notice) by Holders of a Majority in Aggregate Outstanding Amount of the Notes of any Class that such Class of Notes will be materially and adversely affected by the proposed supplemental indenture (and upon receipt of an Officer's Certificate of the Loan Obligation Manager), the interests of such Class and the interests of the Preferred Shares will be deemed not to be materially and adversely affected by such proposed supplemental indenture and the Trustee will be permitted to enter into such supplemental

indenture. Such determinations shall be conclusive and binding on all present and future Noteholders. The consent of the Holders of the Preferred Shares shall be binding on all present and future Holders of the Preferred Shares. The Trustee shall not be liable for any such determination made in good faith and in reliance upon an Officer's Certificate of the Loan Obligation Manager.

Without the consent of (x) all of the Holders of each Outstanding Class of Notes materially adversely affected and (y) all of the Holders of the Preferred Shares materially adversely affected thereby, no supplemental indenture may:

(a) change the Stated Maturity Date of the principal of or the due date of any installment of interest on any Note, reduce the principal amount thereof or the Note Interest Rate thereon or the Redemption Price with respect to any Note, change the date of any scheduled distribution on the Preferred Shares, or the Redemption Price with respect thereto, change the earliest date on which any Note may be redeemed at the option of the Issuer, change the provisions of this Indenture that apply proceeds of any Assets to the payment of principal of or interest on Notes or of distributions to the Preferred Shares Paying Agent for the payment of distributions in respect of the Preferred Shares or change any place where, or the coin or currency in which, any Note or the principal thereof or interest thereon is payable, or impair the right to institute suit for the enforcement of any such payment on or after the Stated Maturity Date thereof (or, in the case of redemption, on or after the applicable Redemption Date);

(b) reduce the percentage of the Aggregate Outstanding Amount of Holders of Notes of each Class or the Notional Amount of Preferred Shares of the Holders thereof whose consent is required for the authorization of any such supplemental indenture or for any waiver of compliance with certain provisions of this Indenture or certain Defaults hereunder or their consequences provided for in this Indenture;

(c) impair or adversely affect the Assets except as otherwise permitted in this Indenture;

(d) permit the creation of any lien ranking prior to or on a parity with the lien of this Indenture with respect to any part of the Assets or terminate such lien on any property at any time subject hereto or deprive the Holder of any Note, or the Holder of any Preferred Share as an indirect beneficiary, of the security afforded to such Holder by the lien of this Indenture;

(e) reduce the percentage of the Aggregate Outstanding Amount of Holders of Notes of each Class whose consent is required to request the Trustee to preserve the Assets or rescind the Trustee's election to preserve the Assets pursuant to Section 5.5 or to sell or liquidate the Assets pursuant to Section 5.4 or 5.5 hereof;

(f) modify any of the provisions of this Section 8.2, except to increase the percentage of Outstanding Notes whose holders' consent is required for any such action or to provide that other provisions of this Indenture cannot be modified or waived without the consent of the Holder of each Outstanding Note affected thereby;

(g) modify the definition of the term "Outstanding" or the provisions of Section 11.1 or Section 13.1 hereof;

(h) modify any of the provisions of this Indenture in such a manner as to affect the calculation of the amount of any payment of interest on or principal of any Note on any Payment Date or of distributions to the Preferred Shares Paying Agent for the payment of distributions in respect of the Preferred Shares on any Payment Date (or any other date) or to affect the rights of the Holders of Securities to the benefit of any provisions for the redemption of such Securities contained herein;

(i) reduce the permitted minimum denominations of the Notes below the minimum denomination necessary to maintain an exemption from the registration requirements of the Securities Act or the 1940 Act; or

(j) modify any provisions regarding non- recourse or non-petition covenants with respect to the Issuer and the Co-Issuer.

The Trustee shall be entitled to rely upon an Officer's Certificate of the Issuer or the Loan Obligation Manager on behalf of the Issuer in determining whether or not the Holders of Securities would be adversely affected by such change (after giving notice of such change to the Holders of Securities). Such determination shall be conclusive and binding on all present and future Holders of Securities. The Trustee shall not be liable for any such determination made in good faith and in reliance upon such Officer's Certificate of the Issuer or the Loan Obligation Manager on behalf of the Issuer, as described in Section 8.3 hereof.

It shall not be necessary for any Act of Securityholders under this Section 8.2 to approve the particular form of any proposed supplemental indenture, but it shall be sufficient if such Act shall approve the substance thereof.

Promptly after the execution by the Issuer, the Co-Issuer and the Trustee of any supplemental indenture pursuant to this Section 8.2, the Trustee, at the expense of the Issuer, shall mail to the Securityholders, the Preferred Shares Paying Agent, the Loan Obligation Manager, and, so long as the Notes are Outstanding and so rated, the Rating Agencies a copy thereof based on an outstanding rating. Any failure of the Trustee to publish or mail such notice, or any defect therein, shall not, however, in any way impair or affect the validity of any such supplemental indenture.

Section 8.3      Execution of Supplemental Indentures.

In executing or accepting the additional trusts created by any supplemental indenture permitted by this Article 8 or the modifications thereby of the trusts created by this Indenture, the Trustee shall be entitled to receive, and shall be fully protected in relying upon, an Officer's Certificate of the Issuer or the Loan Obligation Manager on behalf of the Issuer stating that the execution of such supplemental indenture is authorized or permitted by this Indenture and that all conditions precedent thereto have been satisfied. The Trustee may, but shall not be obligated to, enter into any such supplemental indenture which affects the Trustee's own rights, duties or immunities under this Indenture or otherwise. The Loan Obligation Manager will be bound to follow any amendment or supplement to this Indenture of which it has received written notice at least ten Business Days prior to the execution and delivery of such amendment or supplement; provided, however, that with respect to any amendment or supplement to this

Indenture which may, in the judgment of the Loan Obligation Manager adversely affect the Loan Obligation Manager, the Loan Obligation Manager shall not be bound (and the Issuer agrees that it will not permit any such amendment to become effective) unless the Loan Obligation Manager gives written consent to the Trustee and the Issuer to such amendment. The Issuer and the Trustee shall give written notice to the Loan Obligation Manager of any amendment made to this Indenture pursuant to its terms. In addition, the Loan Obligation Manager's written consent shall be required prior to any amendment to this Indenture by which it is adversely affected.

Section 8.4      Effect of Supplemental Indentures.

Upon the execution of any supplemental indenture under this Article 8, this Indenture shall be modified in accordance therewith, such supplemental indenture shall form a part of this Indenture for all purposes and every Holder of Notes theretofore and thereafter authenticated and delivered hereunder, and every Holder of Preferred Shares, shall be bound thereby.

Section 8.5      Reference in Notes to Supplemental Indentures.

Notes authenticated and delivered after the execution of any supplemental indenture pursuant to this Article 8 may, and if required by the Trustee shall, bear a notice in form approved by the Trustee as to any matter provided for in such supplemental indenture. If the Issuer and the Co-Issuer shall so determine, new Notes, so modified as to conform in the opinion of the Trustee and the Issuer and the Co-Issuer to any such supplemental indenture, may be prepared and executed by the Issuer and the Co-Issuer and authenticated and delivered by the Trustee in exchange for Outstanding Notes. Notwithstanding the foregoing, any Note authenticated and delivered hereunder shall be subject to the terms and provisions of this Indenture, and any supplemental indenture.

## ARTICLE 9

### REDEMPTION OF SECURITIES; REDEMPTION PROCEDURES

Section 9.1      Clean-up Call; Tax Redemption and Optional Redemption.

(a)      The Notes may be redeemed by the Issuer at the option of and at the direction of the Loan Obligation Manager (such redemption, a "Clean-up Call"), in whole but not in part, at a price equal to the applicable Redemption Prices on any Payment Date (the "Clean-up Call Date") on or after the Payment Date on which the Aggregate Outstanding Amount of the Notes has been reduced to 10% of the Aggregate Outstanding Amount of the Notes on the Closing Date; provided that that the funds available to be used for such Clean-up Call will be sufficient to pay the Total Redemption Price.

(b)      The Notes and the Preferred Shares shall be redeemable, in whole but not in part, by Act of a Majority of Preferred Shareholders delivered to the Trustee, on the Payment Date (the "Tax Redemption Date") following the occurrence of a Tax Event if the Tax Materiality Condition is satisfied at a price equal to the applicable Redemption Prices (such redemption, a "Tax Redemption"); provided that that the funds available to be used for such Tax

Redemption will be sufficient to pay the Total Redemption Price. Upon the occurrence of a Tax Event, the Issuer and the Co-Issuer, at the direction of the Loan Obligation Manager shall provide written notice thereof to the Trustee and the Rating Agencies.

(c) The Notes and the Preferred Shares shall be redeemable, in whole but not in part, at a price equal to the applicable Redemption Prices, on any Payment Date after the end of the Non-call Period, at the direction of the Issuer (such redemption, an “Optional Redemption”) by Act of a Majority of Preferred Shareholders delivered to the Trustee; provided, however, that the funds available to be used for such Optional Redemption will be sufficient to pay the Total Redemption Price. Notwithstanding anything herein to the contrary, the Issuer shall not sell any Asset to the Loan Obligation Manager or any Affiliate of the Loan Obligation Manager other than ARMS Equity in connection with an Optional Redemption.

(d) The election by the Loan Obligation Manager to redeem the Notes pursuant to a Clean-up Call shall be evidenced by an Officer’s Certificate from the Loan Obligation Manager directing the Trustee to make the payment to the Paying Agent of the applicable Redemption Price of all of the Notes to be redeemed from funds in the Payment Account in accordance with the Priority of Payments. In connection with a Tax Redemption, the occurrence of a Tax Event and satisfaction of the Tax Materiality Condition shall be evidenced by an Issuer Order from the Issuer or from the Loan Obligation Manager on behalf of the Issuer certifying that such conditions for a Tax Redemption have occurred. The election by the Loan Obligation Manager to redeem the Notes pursuant to an Optional Redemption shall be evidenced by an Officer’s Certificate from the Loan Obligation Manager on behalf of the Issuer certifying that the conditions for an Optional Redemption have occurred.

(e) A redemption pursuant to Section 9.1(a), 9.1(b) or 9.1(c) shall not occur unless (i) at least six Business Days before the scheduled Redemption Date, (A) the Loan Obligation Manager shall have certified to the Trustee that the Loan Obligation Manager, on behalf of the Issuer, has entered into a binding agreement or agreements with (1) one or more financial institutions whose long-term unsecured debt obligations (other than such obligations whose rating is based on the credit of a Person other than such institution) have a credit rating from Moody’s and DBRS (if rated by DBRS) at least equal to the highest rating of any Notes then Outstanding or whose short-term unsecured debt obligations have a credit rating of “P-1” by Moody’s (as long as the term of such agreement is 90 days or less) and “A-1” by S&P or (2) one or more Affiliates of the Loan Obligation Manager, to sell all or part of the Assets not later than the Business Day immediately preceding the scheduled Redemption Date or (B) the Trustee shall have received written confirmation that the method of redemption satisfies the Rating Agency Condition and (ii) the related Sale Proceeds (in immediately available funds), together with all other available funds (including proceeds from the sale of the Assets, Eligible Investments maturing on or prior to the scheduled Redemption Date, all amounts in the Collection Accounts and available Cash), shall be an aggregate amount sufficient to pay all amounts, payments, fees and expenses in accordance with the Priority of Payments due and owing on such Redemption Date.

Section 9.2      Notice of Redemption.

(a) In connection with an Optional Redemption, a Clean-up Call or a Tax Redemption pursuant to Section 9.1, the Trustee on behalf of the Issuer and the Co-Issuer shall (i) set the applicable Record Date and (ii) at least 45 days prior to the proposed Redemption Date, notify the Loan Obligation Manager, the Rating Agencies, the Preferred Share Paying Agent and each Preferred Shareholder at such Preferred Shareholder's address in the register maintained by the Share Registrar, of such proposed Redemption Date, the applicable Record Date, the principal amount of Notes to be redeemed on such Redemption Date and the Redemption Price of such Notes in accordance with Section 9.1. The Redemption Price shall be determined no earlier than 60 days prior to the proposed Redemption Date.

(b) Any such notice of an Optional Redemption, a Clean-up Call or a Tax Redemption may be withdrawn by the Issuer and the Co-Issuer at the direction of the Loan Obligation Manager up to the fourth Business Day prior to the scheduled Redemption Date by written notice to the Trustee, the Preferred Share Paying Agent, to each Holder of Notes to be redeemed, and the Loan Obligation Manager only if the Loan Obligation Manager is unable to deliver the sale agreement or agreements or certifications referred to in Section 9.1(e), as the case may be.

Section 9.3      Notice of Redemption or Maturity by the Issuer.

Notice of redemption pursuant to Section 9.1 or the Maturity of any Notes shall be given by first class mail, postage prepaid, mailed not less than ten Business Days (or four Business Days where the notice of an Optional Redemption, a Clean-up Call or a Tax Redemption is withdrawn pursuant to Section 9.2(b)) prior to the applicable Redemption Date or Maturity, to each Holder of Notes to be redeemed, at its address in the Notes Register.

All notices of redemption shall state:

- (a) the applicable Redemption Date;
- (b) the applicable Redemption Price;
- (c) that all the Notes are being paid in full and that interest on the Notes shall cease to accrue on the Redemption Date specified in the notice; and
- (d) the place or places where such Notes to be redeemed in whole are to be surrendered for payment of the Redemption Price which shall be the office or agency of the Paying Agent as provided in Section 7.2.

Notice of redemption shall be given by the Issuer and Co-Issuer, or at their request, by the Trustee in their names, and at the expense of the Issuer. Failure to give notice of redemption, or any defect therein, to any Holder of any Note shall not impair or affect the validity of the redemption of any other Notes.

Section 9.4      Notes Payable on Redemption Date.

Notice of redemption having been given as aforesaid, the Notes to be redeemed shall, on the Redemption Date, become due and payable at the Redemption Price therein specified, and from and after the Redemption Date (unless the Issuer shall Default in the payment of the Redemption Price and accrued interest thereon) the Notes shall cease to bear interest on the Redemption Date. Upon final payment on a Note to be redeemed, the Holder shall present and surrender such Note at the place specified in the notice of redemption on or prior to such Redemption Date; provided, however, that if there is delivered to the Issuer, the Co-Issuer and the Trustee such security or indemnity as may be required by them to hold each of them harmless (an unsecured indemnity agreement delivered to the Issuer, the Co-Issuer and the Trustee by an institutional investor with a net worth of at least U.S.\$200,000,000 being deemed to satisfy such security or indemnity requirement) and an undertaking thereafter to surrender such Note, then, in the absence of notice to the Issuer, the Co-Issuer and the Trustee that the applicable Note has been acquired by a bona fide purchaser, such final payment shall be made without presentation or surrender. Payments of interest on Notes of a Class so to be redeemed whose Maturity is on or prior to the Redemption Date shall be payable to the Holders of such Notes, or one or more predecessor Notes, registered as such at the close of business on the relevant Record Date according to the terms and provisions of Section 2.7(g).

If any Note called for redemption shall not be paid upon surrender thereof for redemption, the principal thereof shall, until paid, bear interest from the Redemption Date at the applicable Note Interest Rate for each successive Interest Accrual Period the Note remains Outstanding.

Section 9.5      Mandatory Redemption.

On any Payment Date on which any of the Note Protection Tests applicable to any Class of Notes is not satisfied as of the most recent Measurement Date, the Notes shall be redeemed (a “Mandatory Redemption”), first from Interest Proceeds, net of amounts set forth in Section 11.1(a)(i)(1) through (7), and then from Principal Proceeds, as set forth in clause (1) of Section 11.1(a)(ii), in an amount necessary, and only to the extent necessary, to cause each of the Note Protection Tests to be satisfied). Such Principal Proceeds and Interest Proceeds shall be applied to each of the Outstanding Classes of Notes in accordance with its relative seniority in accordance with the Priority of Payments. On or promptly after such Mandatory Redemption, the Issuer and the Co-Issuer shall certify or cause to be certified to the Rating Agencies and the Trustee whether the Note Protection Tests have been met.

## ARTICLE 10

### ACCOUNTS, ACCOUNTINGS AND RELEASES

Section 10.1      Collection of Amounts; Custodial Account.

(a) Except as otherwise expressly provided herein, the Trustee may demand payment or delivery of, and shall receive and collect, directly and without intervention or assistance of any fiscal agent or other intermediary, all amounts and other property payable to or

receivable by the Trustee pursuant to this Indenture, including all payments due on the Assets in accordance with the terms and conditions of such Assets. The Trustee shall segregate and hold all such amounts and property received by it in trust for the Secured Parties, and shall apply it as provided in this Indenture.

(b) The Trustee shall credit all Loan Obligations and Eligible Investments to an Eligible Account in the name of the Issuer for the benefit of the Secured Parties designated as the “Custodial Account.”

Section 10.2 Collection Accounts.

(a) The Trustee shall, prior to the Closing Date, establish a Securities Account with the Custodial Securities Intermediary which shall be designated as the “Collection Account” (which may be a subaccount of the Custodial Account) and shall consist of two subaccounts, the “Interest Collection Account” and the “Principal Collection Account” (collectively, the “Collection Accounts”), which shall be held in trust in the name of the Trustee for the benefit of the Secured Parties, into which Collection Accounts, as applicable, the Trustee shall from time to time deposit (i) all Sale Proceeds (unless simultaneously reinvested in Replacement Loan Obligations in accordance with terms set forth in Section 12.2(a)) and (ii) all Interest Proceeds and all Principal Proceeds. In addition, the Issuer may, but under no circumstances shall, be required to, deposit from time to time such amounts in the Collection Accounts as it deems, in its sole discretion, to be advisable. All amounts deposited from time to time in the Collection Accounts pursuant to this Indenture shall be held by the Trustee as part of the Assets and shall be applied to the purposes herein provided. The Collection Accounts shall remain at all times with the Corporate Trust Office or a financial institution having a long-term debt rating at least equal to “Aa3” by Moody’s and a short-term debt rating at least equal to “P-1” by Moody’s.

(b) All distributions of principal or interest received in respect of the Assets, and any Sale Proceeds from the sale or disposition of a Loan Obligation or other Assets received by the Trustee shall be immediately credited to the Interest Collection Account or the Principal Collection Account, as Interest Proceeds or Principal Proceeds, respectively (unless, in the case of proceeds received from the sale or disposition of any Assets, such proceeds are simultaneously reinvested pursuant to Section 10.2(d) in Replacement Loan Obligations, in accordance with Section 12.2(a)). Subject to Sections 10.2(d), 10.2(e) and 11.2, all such property, together with any securities in which funds included in such property are or will be invested or reinvested during the term of this Indenture, and any income or other gain realized from such investments, shall be held by the Trustee in the Collection Accounts as part of the Assets subject to disbursement and withdrawal as provided in this Section 10.2. Subject to Section 10.2(e) by Issuer Order (which may be in the form of standing instructions), the Issuer (or the Loan Obligation Manager on behalf of the Issuer) shall at all times direct the Trustee to, and, upon receipt of such Issuer Order, the Trustee shall, invest all funds received into the Collection Accounts during a Due Period, and amounts received in prior Due Periods and retained in the Collection Accounts, as so directed in Eligible Investments having stated maturities no later than the Business Day immediately preceding the next Payment Date. The Trustee, within one Business Day after receipt of any Scheduled Distribution or other proceeds in respect of the Assets which is not Cash, shall so notify the Issuer and the Loan Obligation Manager and the Issuer (or the Loan Obligation Manager on behalf of the Issuer) shall, within

five Business Days of receipt of such notice from the Trustee, sell such Scheduled Distribution or other non-Cash proceeds for Cash in an arm's length transaction to a Person which is not an Affiliate of the Issuer or the Loan Obligation Manager and deposit the proceeds thereof in the applicable Collection Account for investment pursuant to this Section 10.2; provided, however, that the Issuer (or the Loan Obligation Manager on behalf of the Issuer) need not sell such Scheduled Distributions or other non-Cash proceeds if it delivers an Officer's Certificate to the Trustee certifying that such Scheduled Distributions or other proceeds constitute Loan Obligations or Eligible Investments.

(c) If prior to the occurrence of an Event of Default, the Issuer (or the Loan Obligation Manager on behalf of the Issuer) shall not have given any investment directions pursuant to Section 10.2(b), the Trustee shall seek instructions from the Issuer (or the Loan Obligation Manager on behalf of the Issuer) within three Business Days after transfer of such funds to the applicable Collection Account. If the Trustee does not thereupon receive written instructions from the Issuer (or the Loan Obligation Manager on behalf of the Issuer) within five Business Days after transfer of such funds to the applicable Collection Account, it shall invest and reinvest the funds held in the applicable Collection Account in one or more Eligible Investments described in clause (ii) of the definition of Eligible Investments maturing no later than the Business Day immediately preceding the next Payment Date. If after the occurrence of an Event of Default, the Issuer (or the Loan Obligation Manager on behalf of the Issuer) shall not have given investment directions to the Trustee pursuant to Section 10.2(b) for three consecutive days, the Trustee shall invest and reinvest such amounts as fully as practicable in Eligible Investments described in clause (ii) of the definition of Eligible Investments with maturities of less than 30 days and that are sold by the Issuer not later than two Business Days immediately preceding the next Payment Date. All interest and other income from such investments shall be deposited in the applicable Collection Account, any gain realized from such investments shall be credited to the applicable Collection Account, and any loss resulting from such investments shall be charged to the applicable Collection Account. The Trustee shall not in any way be held liable (except as a result of negligence, willful misconduct or bad faith) by reason of any insufficiency of such applicable Collection Account resulting from any loss relating to any such investment, except with respect to investments in obligations of the Trustee or any Affiliate thereof.

(d) During the Replacement Period (and up to 60 days thereafter to the extent necessary to acquire Loan Obligations pursuant to binding commitments entered into during the Replacement Period using Principal Proceeds received during or after the Replacement Period), the Loan Obligation Manager on behalf of the Issuer may by Issuer Order direct the Trustee to, and upon receipt of such Issuer Order the Trustee shall, reinvest Principal Proceeds in Loan Obligations selected by the Loan Obligation Manager as permitted under and in accordance with the requirements of Article 12 and such Issuer Order. Any Principal Proceeds standing to the credit of the Principal Collection Account may be designated by the Loan Obligation Manager for application to reinvestment in Replacement Loan Obligations (such Principal Proceeds, "Designated Principal Proceeds") and, if and for so long as such Principal Proceeds are Designated Principal Proceeds, such Principal Proceeds shall remain in the Principal Collection Account (or invested in Eligible Investments) until the earlier of (i) the time the Loan Obligation Manager notifies the Trustee in writing that such Principal Proceeds are no longer so designated, (ii) the Loan Obligation Manager notifies the Trustee in writing that such Principal Proceeds are to be applied to the purchase of Replacement Loan Obligations in accordance with Section

12.2(a) and (iii) the later of (x) the first Business Day after the last day of the Replacement Period and (y) if after the last day of the Replacement Period, the last settlement date within 60 days of the last day of the Replacement Period with respect to the last Replacement Loan Obligation that the Issuer has entered into an irrevocable commitment to purchase. Any Principal Proceeds that are not Designated Principal Proceeds as of the Determination Date related to any Payment Date shall be applied pursuant to clauses (4) through (8) of Section 11.1(a)(ii) or pursuant to Section 11.1(a)(iii), as applicable.

(e) The Trustee shall transfer to the Payment Account for application pursuant to Section 11.1(a) and in accordance with the calculations and the instructions contained in the Monthly Report prepared by the Trustee on behalf of the Issuer pursuant to Section 10.11(e), on or prior to the Business Day prior to each Payment Date, any amounts then held in the Collection Accounts other than (i) Interest Proceeds or Principal Proceeds received after the end of the Due Period with respect to such Payment Date and (ii) amounts that the Issuer is entitled to reinvest in accordance with Section 12.2 and which the Issuer so elects to reinvest in accordance with the terms of this Indenture, except that, to the extent that Principal Proceeds in the Principal Collection Account as of such date are in excess of the amounts required to be applied pursuant to the Priority of Payments up to and including the next Payment Date as shown in the Monthly Report with respect to such Payment Date, the Issuer may direct the Trustee to retain such excess amounts in the Principal Collection Account and not to transfer such excess amounts to the Payment Account and the Trustee shall do so.

#### Section 10.3 Payment Account.

The Trustee shall, prior to the Closing Date, establish a Securities Account with the Custodial Securities Intermediary which shall be designated as the “Payment Account,” which shall be held in trust for the benefit of the Secured Parties and over which the Trustee shall have exclusive control and the sole right of withdrawal. Any and all funds at any time on deposit in, or otherwise to the credit of, the Payment Account shall be held in trust by the Trustee for the benefit of the Secured Parties. Except as provided in Sections 11.1 and 11.2, the only permitted withdrawal from or application of funds on deposit in, or otherwise to the credit of, the Payment Account shall be (i) to pay the interest on and the principal on the Notes and make other payments in respect of the Notes in accordance with their terms and the provisions of this Indenture, (ii) to pay the Preferred Shares Paying Agent for deposit into the Preferred Share Distribution Account for distributions to the Preferred Shareholders in accordance with the terms and the provisions of the Preferred Share Paying Agency Agreement, (iii) upon Issuer Order, to pay other amounts specified therein, and (iv) otherwise to pay amounts payable pursuant to and in accordance with the terms of this Indenture, each in accordance with the Priority of Payments. The Trustee agrees to give the Issuer and the Co-Issuer immediate notice if it becomes aware that the Payment Account or any funds on deposit therein, or otherwise to the credit of the Payment Account, shall become subject to any writ, order, judgment, warrant of attachment, execution or similar process. Neither the Issuer nor the Co-Issuer shall have any legal, equitable or beneficial interest in the Payment Account other than in accordance with the Priority of Payments. The Payment Account shall remain at all times with the Corporate Trust Office or a financial institution having a long-term debt rating of at least “Aa3” by Moody’s and “A (low)” by DBRS (or, if not rated by DBRS, an equivalent (or higher) rating by any two other NRSROs (which may include Moody’s)) or a short-term debt rating of at least “P-1” by Moody’s and the

equivalent by DBRS (if rated by DBRS) (or, in each case, such lower rating as the applicable Rating Agency shall approve). Amounts on deposit in the Payment Account shall remain uninvested.

Section 10.4      Unused Proceeds Account.

(a)      The Trustee shall, on or prior to the Closing Date, establish a single, segregated trust account which shall be designated as the “Unused Proceeds Account” which shall be held in trust in the name of the Trustee for the benefit of the Secured Parties, into which the amount specified in Section 3.2(f) shall be deposited. All amounts credited from time to time to the Unused Proceeds Account pursuant to this Indenture shall be held by the Trustee as part of the Assets and shall be applied to the purposes herein provided.

(b)      The Trustee agrees to give the Issuer immediate notice if it becomes aware that the Unused Proceeds Account or any funds on deposit therein, or otherwise to the credit of the Unused Proceeds Account, becomes subject to any writ, order, judgment, warrant of attachment, execution or similar process. The Unused Proceeds Account shall remain at all times with the Corporate Trust Office or a financial institution having a long-term debt rating of at least “Aa3” by Moody’s or a short-term debt rating of at least “P-1” by Moody’s.

(c)      Amounts remaining in the Unused Proceeds Account shall, on the Business Day after the Portfolio Finalization Date, be transferred by the Trustee to the Principal Collection Account (for subsequent transfer to the Payment Account) and treated as Principal Proceeds and applied in accordance with the Priority of Payments on the next Payment Date after the Portfolio Finalization Date.

(d)      During the Post-Closing Acquisition Period, the Issuer (or the Loan Obligation Manager on behalf of the Issuer) may by Issuer Order direct the Trustee to, and upon receipt of such Issuer Order the Trustee shall, apply amounts on deposit in the Unused Proceeds Account to acquire Additional Loan Obligations selected by the Loan Obligation Manager as permitted under and in accordance with the requirements of Section 7.18 and such Issuer Order.

(e)      To the extent not applied pursuant to Section 7.18, the Loan Obligation Manager, on behalf of the Issuer, may direct the Trustee to, and upon such direction the Trustee shall, invest all funds in the Unused Proceeds Account in Eligible Investments designated by the Loan Obligation Manager. All interest and other income from such investments shall be deposited in the Unused Proceeds Account, any gain realized from such investments shall be credited to the Unused Proceeds Account, and any loss resulting from such investments shall be charged to the Unused Proceeds Account. The Trustee shall not in any way be held liable (except as a result of negligence, willful misconduct or bad faith) by reason of any insufficiency of the Unused Proceeds Account resulting from any loss relating to any such investment, except with respect to investments in obligations of the Trustee or any Affiliate thereof. If the Trustee does not receive investment instructions from an Authorized Officer of the Loan Obligation Manager, the Trustee may invest funds received in the Unused Proceeds Account in Eligible Investments of the type described in clause (ii) of the definition thereto.

Section 10.5      Reserved.

Section 10.6      RDD Funding Account.

(a)      In the event any RDD Obligation is purchased by the Issuer, the Trustee will establish a Securities Account with the Custodial Securities Intermediary (the “RDD Funding Account”) which shall be held in trust for the benefit of the Secured Parties, into which the Issuer will be required to deposit the full amount of all funding amounts with respect to such RDD Obligation. All amounts in the RDD Funding Account shall be deposited in overnight funds in Eligible Investments and released to fulfill such commitments. If a RDD Obligation is sold or otherwise disposed before the full commitment thereunder has been drawn, or if excess funds remain following the termination of the funding obligation giving rise to the deposit of such funds in the RDD Funding Account, such Eligible Investments on deposit in the RDD Funding Account for the purpose of fulfilling such commitment shall be transferred to the Principal Collection Account, treated as Principal Proceeds and applied in accordance with the Priority of Payments. The RDD Funding Account shall remain at all times with the Corporate Trust Office or a financial institution having a long-term debt rating from Moody’s at least equal to “A-” or “A2,” as applicable, and “A (low)” by DBRS (or, if not rated by DBRS, an equivalent (or higher) rating by any two other NRSROs (which may include Moody’s)) or a short-term debt rating at least equal to “A-1,” “P-1” or “F1,” as applicable, and the equivalent by DBRS (if rated by DBRS) (or, in each case, such lower rating as the applicable Rating Agency shall approve).

(b)      Except as provided in Section 10.6(c) below, funds in the RDD Funding Account shall be available solely to fund RDD Funding Advances under any RDD Obligations included in the Loan Obligations.

(c)      The Loan Obligation Manager or the CLO Servicer, as applicable, shall direct the Trustee to withdraw funds from the RDD Funding Account to fund any required RDD Funding Advances for any RDD Obligation. Pursuant to an Issuer Order, all or a portion of the funds, as specified in such Issuer Order, on deposit in the RDD Funding Account in respect of amounts previously held on deposit in respect of unfunded commitments for RDD Obligations that have been sold or otherwise disposed of before such commitments thereunder have been drawn or as to which excess funds remain shall be transferred by the Trustee to the Collection Account as Principal Proceeds.

Section 10.7      Expense Account.

(a)      The Trustee shall prior to the Closing Date establish a Securities Account with the Custodial Securities Intermediary which shall be designated as the “Expense Account” which shall be held in trust in the name of the Trustee for the benefit of the Secured Parties. The only permitted withdrawal from or application of funds on deposit in, or otherwise standing to the credit of, the Expense Account shall be to pay (on any day other than a Payment Date, accrued and unpaid Company Administrative Expenses (other than accrued and unpaid expenses and indemnities payable to the Loan Obligation Manager under the Loan Obligation Management Agreement); provided that the Trustee shall be entitled (but not required) without liability on its part, to refrain from making any such payment of a Company Administrative Expense on any day other than a Payment Date if, in its reasonable determination, taking into

account the Priority of Payments, the payment of such amounts is likely to leave insufficient funds available to pay in full each of the items payable prior thereto in the Priority of Payments on the next succeeding Payment Date. On the Closing Date, Arbor Parent or its Affiliates shall deposit into the Expense Account an amount equal to U.S.\$200,000. On or after the first Payment Date, any amount remaining in the Expense Account may, at the election of the Loan Obligation Manager be designated as Interest Proceeds. On the date on which all or substantially all of the Issuer's assets have been sold or otherwise disposed of, the Issuer by Issuer Order executed by an Authorized Officer of the Loan Obligation Manager shall direct the Trustee to, and, upon receipt of such Issuer Order, the Trustee shall, transfer all amounts on deposit in the Expense Account to the Interest Collection Account for application pursuant to Section 11.1(a)(i) as Interest Proceeds. Amounts credited to the Expense Account may be applied on or prior to the Determination Date preceding the first Payment Date to pay amounts due in connection with the offering of the Notes.

(b) On each Payment Date, the Loan Obligation Manager may designate Interest Proceeds (in an amount not to exceed U.S.\$100,000 on such Payment Date) after application of amounts payable pursuant to clauses (1) through (10) of Section 11.1(a)(i) for deposit into the Expense Account.

(c) The Trustee agrees to give the Issuer immediate notice if it becomes aware that the Expense Account or any funds on deposit therein, or otherwise to the credit of the Expense Account, shall become subject to any writ, order, judgment, warrant of attachment, execution or similar process. The Issuer shall not have any legal, equitable or beneficial interest in the Expense Account. The Expense Account shall remain at all times with the Corporate Trust Office or a financial institution having capital and surplus of at least U.S.\$200,000,000 and a long-term debt rating at least equal to "Baa1" by Moody's and "AA (low)" by DBRS (or, if not rated by DBRS, an equivalent (or higher) rating by any two other NRSROs (which may include Moody's)).

(d) The Loan Obligation Manager, on behalf of the Issuer, may direct the Trustee to, and upon such direction the Trustee shall, invest all funds in the Expense Account in Eligible Investments designated by the Loan Obligation Manager. All interest and other income from such investments shall be deposited in the Expense Account, any gain realized from such investments shall be credited to the Expense Account, and any loss resulting from such investments shall be charged to the Expense Account. The Trustee shall not in any way be held liable (except as a result of negligence, willful misconduct or bad faith) by reason of any insufficiency of such Expense Account resulting from any loss relating to any such investment, except with respect to investments in obligations of the Trustee or any Affiliate thereof. If the Trustee does not receive investment instructions from an Authorized Officer of the Loan Obligation Manager, the Trustee shall invest funds received in the Expense Account in Eligible Investments of the type described in clause (ii) of the definition thereto.

Section 10.8      Reserved.

Section 10.9      Interest Advances.

(a) With respect to each Determination Date for which the sum of Interest Proceeds and, if applicable, Principal Proceeds, collected during the related Due Period that are available to pay interest on the Notes in accordance with the Priority of Payments, are insufficient to remit the interest due and payable with respect to the Notes on the following Payment Date as a result of interest shortfalls on the Loan Obligations (the amount of such insufficiency, an “Interest Shortfall”), the Trustee shall provide the Advancing Agent with written notice of such Interest Shortfall no later than the close of business on the Business Day following such Determination Date. The Trustee shall provide the Advancing Agent with notice, prior to any funding of an Interest Advance by the Advancing Agent, of any additional interest remittances received by the Trustee after delivery of such initial notice that reduce such Interest Shortfall. No later than 5:00 p.m. (New York time) on the Business Day immediately preceding the related Payment Date (but in any event no earlier than one Business Day following the Advancing Agent’s receipt of notice of such Interest Shortfall), the Advancing Agent shall advance the difference between such amounts (each such advance, an “Interest Advance”) by deposit of an amount equal to such Interest Advance in the Payment Account, subject to a determination of recoverability by the Advancing Agent as described in Section 10.9(b), and subject in all events to a maximum limit in respect of any Payment Date equal to the lesser of (i) the aggregate of such Interest Shortfalls that would otherwise occur on the Notes and (ii) the aggregate of the interest payments not received in respect of Loan Obligations. Notwithstanding the foregoing, in no circumstance will the Advancing Agent be required to make an Interest Advance in respect of a Loan Obligation to the extent that the aggregate outstanding amount of all unreimbursed Interest Advances would exceed the aggregate outstanding principal amount of the Notes. Any Interest Advance made by the Advancing Agent with respect to a Payment Date that is in excess of the actual Interest Shortfall for such Payment Date shall be refunded to the Advancing Agent by the Trustee on the same Business Day that such Interest Advance was made (or, if such Interest Advance is made prior to final determination by the Trustee of such Interest Shortfall, on the Business Day of such final determination). The Advancing Agent shall provide the Trustee written notice of a determination by the Advancing Agent that a proposed Interest Advance would constitute a Nonrecoverable Interest Advance no later than the close of business on the Business Day immediately preceding the related Payment Date (or, in the event that the Advancing Agent did not receive notice of the related Interest Shortfall on the related Determination Date, no later than the close of business on the Business Day immediately following the Advancing Agent’s receipt of notice of such Interest Shortfall). If the Advancing Agent shall fail to make any required Interest Advance at or prior to the time at which distributions are to be made pursuant to Section 11.1(a), the Backup Advancing Agent shall be required to make such Interest Advance, subject to a determination of recoverability by the Backup Advancing Agent as described in Section 10.9(b). The Backup Advancing Agent shall be entitled to conclusively rely on any affirmative determination by the Advancing Agent that an Interest Advance would constitute a Nonrecoverable Interest Advance. Based upon available information at the time, the Backup Advancing Agent, the Loan Obligation Manager or the Advancing Agent will provide 15 days prior notice to the Rating Agencies if recovery of a Nonrecoverable Interest Advance would result in an Interest Shortfall on the next succeeding Payment Date. No later than the close of business on the Determination Date related to a

Payment Date on which the recovery of a Nonrecoverable Interest Advance would result in an Interest Shortfall, the Loan Obligation Manager will provide the Rating Agencies notice of such recovery.

(b) Notwithstanding anything herein to the contrary, neither the Advancing Agent nor the Backup Advancing Agent, as applicable, shall be required to make any Interest Advance unless such Person determines, in its sole discretion, exercised in good faith that such Interest Advance, or such proposed Interest Advance, plus interest expected to accrue thereon at the Reimbursement Rate, will be recoverable from subsequent payments or collections with respect to all Loan Obligations and has determined in its reasonable judgment that the recovery would not result in an Interest Shortfall. In determining whether any proposed Interest Advance will be, or whether any Interest Advance previously made is, a Nonrecoverable Interest Advance, the Advancing Agent or the Backup Advancing Agent, as applicable, will take into account:

- (i) amounts that may be realized on each Underlying Mortgaged Property in its “as is” or then-current condition and occupancy;
- (ii) the potential length of time before such Interest Advance may be reimbursed and the resulting degree of uncertainty with respect to such reimbursement; and
- (iii) the possibility and effects of future adverse changes with respect to the Underlying Mortgaged Properties, and
- (iv) the fact that Interest Advances are intended to provide liquidity only and not credit support to the Holders of the Class A Notes, the Class B Notes and the Class C Notes.

For purposes of any such determination of whether an Interest Advance constitutes or would constitute a Nonrecoverable Interest Advance, an Interest Advance will be deemed to be nonrecoverable if the Advancing Agent or the Backup Advancing Agent, as applicable, determines that future Interest Proceeds and Principal Proceeds may be ultimately insufficient to fully reimburse such Interest Advance, plus interest thereon at the Reimbursement Rate within a reasonable period of time. Absent bad faith, the determination by the Advancing Agent or the Backup Advancing Agent, as applicable, as to the nonrecoverability of any Interest Advance shall be conclusive and binding on the Holders of the Notes.

(c) Each of the Advancing Agent and the Backup Advancing Agent will be entitled to recover any previously unreimbursed Interest Advance made by it (including any Nonrecoverable Interest Advance to the extent made), together with interest thereon, *first*, from Interest Proceeds and *second* (to the extent that there are insufficient Interest Proceeds for such reimbursement), from Principal Proceeds to the extent that such reimbursement would not trigger an additional Interest Shortfall; provided that if at any time an Interest Advance is determined to be a Nonrecoverable Interest Advance, the Advancing Agent or the Backup Advancing Agent shall be entitled to recover all outstanding Interest Advances from the Collection Accounts on any Business Day during any Interest Accrual Period prior to the related Determination Date (or on a Payment Date prior to any payment of interest on or principal of the Notes in accordance

with the Priority of Payments). The Advancing Agent shall be permitted (but not obligated) to defer or otherwise structure the timing of recoveries of Nonrecoverable Interest Advances in such manner as the Advancing Agent determines is in the best interest of the Class A Notes, the Class B Notes and the Class C Notes, as a collective whole, which may include being reimbursed for Nonrecoverable Interest Advances in installments.

On each Payment Date that is not a Redemption Date or a Payment Date following the occurrence and continuation of an acceleration of the Notes as a result of an Event of Default, Principal Proceeds with respect to the related Due Period shall be distributed in the following order of priority:

(1) to the payment of the amounts referred to in clauses (1) through (8) of Section 11.1(a)(i) in the same order of priority specified therein, without giving effect to any limitations on amounts payable set forth therein, but only to the extent not paid in full thereunder;

(3) on each Payment Date following the occurrence of a Rating Confirmation Failure, to the extent that application of Interest Proceeds pursuant to Section 11.1(a)(i)(9) is insufficient to cause the ratings assigned to each Class of Notes to be reinstated or any affected Class to be paid in full, to the payment of principal (i) *first*, to the Class A Notes, (ii) *second*, to the Class B Notes and (iii) *third*, to the Class C Notes, in each case until the rating assigned on the Closing Date to each Class of Notes has been reinstated or such Class has been paid in full;

(4) during the Replacement Period, so long as the Issuer is permitted to purchase Replacement Loan Obligations in accordance with Section 12.2, at the direction of the Loan Obligation Manager, the amount designated by the Loan Obligation Manager during the related Interest Accrual Period for payment of the purchase price of Replacement Loan Obligations;

(5) to the payment of principal of the Class A Notes until the Class A Notes have been paid in full;

(6) to the payment of principal of the Class B Notes until the Class B Notes have been paid in full;

(7) to the payment of principal of the Class C Notes until the Class C Notes have been paid in full; and

Shares Distribution Amount subject to and in accordance with the provisions of the Preferred Share Paying Agency Agreement.

(iii) Redemption Dates During Events of Default. On any Redemption Date or a Payment Date following the occurrence and continuation of an acceleration of the Notes as result of an Event of Default, Interest Proceeds and Principal Proceeds with respect to the related Due Period will be distributed in the following order of priority:

(1) to the payment of the amounts referred to in clauses (1) through (5) of Section 11.1(a)(i) in the same order of priority specified therein, but without giving effect to any limitations on amounts payable set forth therein;

(2) to the payment of any out-of-pocket fees and expenses of the Issuer and Trustee (including legal fees and expenses) incurred in connection with an acceleration of the Notes following an Event of Default, including in connection with sale and liquidation of any of the Assets in connection therewith;

(3) to the payment of the Class A Interest Distribution Amount, plus, any Class A Defaulted Interest Amount;

(4) to the payment in full of principal of the Class A Notes;

(5) to the payment of the Class B Interest Distribution Amount, plus, any Class B Defaulted Interest Amount;

(6) to the payment in full of principal of the Class B Notes;

(7) to the payment of the Class C Interest Distribution Amount, plus, any Class C Defaulted Interest Amount;

(8) to the payment in full of principal of the Class C Notes; and

(9) any remaining Principal Proceeds to be released from the lien of this Indenture and paid (upon standing order of the Issuer) to the Preferred Shares Paying Agent for deposit into the Preferred Share Distribution Account for distribution to the holder of the Preferred Shares as payments of the Preferred Shares Distribution Amount subject to and in accordance with the provisions of the Preferred Share Paying Agency Agreement.

(b) On or before the Business Day prior to each Payment Date, the Issuer shall, pursuant to Section 10.2(e), remit or cause to be remitted to the Trustee for deposit in the Payment Account an amount of Cash sufficient to pay the amounts described in Section 11.1(a) required to be paid on such Payment Date.

(c) If on any Payment Date the amount available in the Payment Account from amounts received in the related Due Period is insufficient to make the full amount of the disbursements required by the statements furnished by the Trustee pursuant to Section 10.11(e) hereof, the Trustee shall make the disbursements called for in the order and according to the

priority set forth under Section 11.1(a) above, subject to Section 13.1 hereof, to the extent funds are available therefor.

(d) If on any Payment Date the amount available in the Payment Account from amounts received in the related Due Period are insufficient to make the full amount of the disbursements required by any lettered clause of Section 11.1(a)(i), Section 11.1(a)(ii) or Section 11.1(a)(iii), the Trustee shall make the disbursements called for by such clause ratably in accordance with the respective amounts of such disbursements then due and payable to the extent funds are available therefor.

(e) In the event that Interest Proceeds or Principal Proceeds on any Payment Date are to be applied to the payment of principal of or interest on any Class of Notes pursuant to Section 11.1(a)(i), Section 11.1(a)(ii) or Section 11.1(a)(iii), such payments will be made to Noteholders of each applicable Class, as to each such Section, *pro rata* based on the amounts thereof then due and payable.

(f) In connection with any required payment by the Issuer to the CLO Servicer pursuant to the Servicing Agreement of any amount scheduled to be paid from time to time between Payment Dates from amounts received with respect to the Loan Obligations, such amounts shall be distributed to the CLO Servicer pursuant to the terms of the Servicing Agreement.

#### Section 11.2 Securities Accounts.

All amounts held by, or deposited with the Trustee in the Collection Accounts, the Payment Account, the Expense Account, the Unused Proceeds Account or the RDD Funding Account pursuant to the provisions of this Indenture, and not invested in Eligible Investments as herein provided, shall be credited to one or more securities accounts established and maintained pursuant to the Securities Account Control Agreement at the Corporate Trust Office of the Trustee, in its capacity as Custodial Securities Intermediary or at another financial institution whose long-term rating is at least equal to, "A2" by Moody's and "A" by DBRS (or, if not rated by DBRS, an equivalent (or higher) rating by any two other NRSROs (which may include Moody's)) (or, in each case, such lower rating as the applicable Rating Agency shall approve) and agrees to act as a Securities Intermediary on behalf of the Trustee on behalf of the Secured Parties pursuant to an account control agreement in form and substance similar to the Securities Account Control Agreement. To the extent amounts deposited in such trust account exceed amounts insured by the Bank Insurance Fund or Savings Association Insurance Fund administered by the Federal Deposit Insurance Corporation, or any agencies succeeding to the insurance functions thereof, and are not fully collateralized by direct obligations of the United States of America, such excess shall be invested in Eligible Investments as directed by Issuer Order.

### SALE OF LOAN OBLIGATIONS

#### Section 12.1 Sales of Loan Obligations.

(a) Except as otherwise expressly permitted or required by this Indenture, the Issuer shall not sell or otherwise dispose of any Loan Obligation. The Loan Obligation Manager, on behalf of the Issuer, acting pursuant to the Loan Obligation Management Agreement may direct the Trustee in writing to sell:

(i) any Defaulted Obligation at any time;

(ii) a Buy/Sell Interest at any time; and

(iii) any Credit Risk Obligation on or prior to the last day of the Replacement Period unless (x) either of the Note Protection Tests were not satisfied as of the immediately preceding Determination Date and have not been cured as of the proposed sale date or (y) the Trustee, upon written direction of a majority of the Controlling Class, has provided written notice to the Loan Obligation Manager that no further sales of Credit Risk Obligations shall be permitted. The Trustee shall sell any Loan Obligation in any sale permitted pursuant to this Section 12.1(a), as directed by the Loan Obligation Manager.

(b) In addition with respect to any Defaulted Obligation or Credit Risk Obligation permitted to be sold pursuant to Section 12.1(a), the Loan Obligation Manager may, on behalf of the Issuer, instruct the Trustee to dispose of such Defaulted Obligation or Credit Risk Obligation in one of the following additional manners:

(i) by purchasing or causing its affiliate to purchase (x) such Credit Risk Obligation or Defaulted Obligation from the Issuer for a cash purchase price that will be equal to the sum of (i) the Principal Balance thereof plus (ii) all accrued and unpaid interest thereon (such purchase, a “Credit Risk/Defaulted Obligation Cash Purchase”) (and no Advisory Committee consent will be required in connection with a Credit Risk/Defaulted Obligation Cash Purchase); or

(ii) upon disclosure to, and with the prior consent of, the Advisory Committee, directing the Issuer to exchange such Defaulted Obligation for (1) a substitute Loan Obligation owned by an affiliate of the Loan Obligation Manager that satisfies the Eligibility Criteria (such Replacement Loan Obligation, an “Exchange Obligation”) or (2) a combination of an Exchange Obligation and cash (such exchange, a “Defaulted Obligation Exchange”); provided that:

(1) the sum of (1) the Principal Balance of such Exchange Obligation plus (2) all accrued and unpaid interest thereon plus (3) the Cash amount (if any) to be paid to the Issuer in respect of such exchange by such affiliate of the Loan Obligation Manager, is equal to or greater than:

(2) the sum of (1) the Principal Balance of the Defaulted Obligation sought to be exchanged plus (2) all accrued and unpaid interest thereon.

If a Loan Obligation that is a Defaulted Obligation is not sold by the Issuer (at the direction of the Loan Obligation Manager) within three years of such Loan Obligation becoming a Defaulted Obligation, the Loan Obligation Manager, on behalf of the Issuer, will use its commercially reasonable efforts to sell such Loan Obligation as soon as commercially practicable thereafter.

(c) After the Issuer has notified the Trustee of an Optional Redemption, a Clean-Up Call or a Tax Redemption in accordance with Section 9.1, the Loan Obligation Manager, on behalf of the Issuer, and acting pursuant to the Loan Obligation Management Agreement, may at any time direct the Trustee in writing to sell, and the Trustee shall sell in the manner directed by the Loan Obligation Manager in writing, any Loan Obligation without regard to the foregoing limitations in Section 12.1(a); provided that:

(i) the Sale Proceeds therefrom must be used to pay certain expenses and redeem all of the Notes in whole but not in part pursuant to Section 9.1, and upon any such sale the Trustee shall release such Loan Obligation pursuant to Section 10.12;

(ii) the Issuer may not direct the Trustee to sell (and the Trustee shall not be required to release) a Loan Obligation pursuant to this Section 12.1(b) unless:

(1) the Loan Obligation Manager certifies to the Trustee that, in the Loan Obligation Manager's reasonable business judgment based on calculations included in the certification (which shall include the sales prices of the Loan Obligations), the Sale Proceeds from the sale of one or more of the Loan Obligations and all Cash and proceeds from Eligible Investments will be at least equal to the Total Redemption Price; and

(2) the Independent accountants appointed by the Issuer pursuant to Section 10.13 shall recalculate the calculations made in clause (1) above and prepare an agreed-upon procedures report.

(iii) in connection with an Optional Redemption, a Clean-up Call or a Tax Redemption, all the Loan Obligations to be sold pursuant to this Section 12.1(b) must be sold in accordance with the requirements set forth in Section 9.1(e).

(d) In the event that any Notes remain Outstanding as of the Payment Date occurring six months prior to the Stated Maturity Date of the Notes, the Loan Obligation Manager will be required to determine whether the proceeds expected to be received on the Assets prior to the Stated Maturity Date of the Notes will be sufficient to pay in full the principal amount of (and accrued interest on) the Notes on the Stated Maturity Date. If the Loan Obligation Manager determines, in its sole discretion, that such proceeds will not be sufficient to pay the outstanding principal amount of and accrued interest on the Notes (a "Note Liquidation Event") on the Stated Maturity Date of the Notes, the Issuer will, at the direction of the Loan Obligation Manager, be obligated to liquidate the portion of Loan Obligations sufficient to pay the remaining principal amount of and interest on the Notes on or before the Stated Maturity

Date. The Loan Obligations to be liquidated by the Issuer will be selected by the Loan Obligation Manager.

(e) Notwithstanding anything herein to the contrary, (a) in the event that a “buy/sell” arrangement has been initiated with respect to a Buy/Sell Interest, or (b) a Loan Obligation is subject to a workout and, in either case, the Loan Obligation Manager determines in accordance with the Loan Obligation Manager Standard that the sale of any such Loan Obligation is in the best interest of the Noteholders, the Loan Obligation Manager may, on behalf of the Issuer, direct the Trustee to sell such Loan Obligation in accordance with the terms of the related Underlying Instruments; provided that, in the event any such sale is to be made to an Affiliate of the Issuer or the Loan Obligation Manager, such sale may be made only upon disclosure to, and with the prior consent of, the Advisory Committee.

(f) Notwithstanding anything herein to the contrary, the Loan Obligation Manager on behalf of the Issuer shall be permitted to sell to a Permitted Subsidiary any Sensitive Asset for consideration consisting of equity interests in such Permitted Subsidiary (or an increase in the value of equity interests already owned).

(g) Notwithstanding anything herein to the contrary, to the extent the Loan Obligation Manager deems necessary or advisable in accordance with the Loan Obligation Manager Standard, the Issuer may, at the direction of the Loan Obligation Manager (but only upon disclosure to, and with the prior consent of, the Advisory Committee), assign its right to purchase under a “buy/sell” arrangement in respect of a Loan Obligation to the Holder of the Preferred Shares or any Affiliate thereof.

#### Section 12.2 Replacement Loan Obligations.

(a) Except as provided in Section 12.3(c), during the Replacement Period (or within 60 days after the end of the Replacement Period with respect to reinvestments made pursuant to binding commitments to purchase entered into during the Replacement Period), Principal Proceeds received may, but are not required to, be reinvested in Replacement Loan Obligations (which shall be, and hereby are upon acquisition by the Issuer, Granted to the Trustee pursuant to the Granting Clause of this Indenture) that satisfy the applicable Eligibility Criteria and the following additional criteria (the “Replacement Criteria”), as evidenced by an Officer’s Certificate of the Loan Obligation Manager on behalf of the Issuer delivered to the Trustee, as of the date of the commitment to purchase such Replacement Loan Obligations:

- (i) the Note Protection Tests are satisfied; and
- (ii) no Event of Default has occurred and is continuing.

(b) Notwithstanding the foregoing provisions, (i) Cash on deposit in the Collection Accounts may be invested in Eligible Investments, pending investment in Replacement Loan Obligations and (ii) if an Event of Default shall have occurred and be continuing, no Replacement Loan Obligation may be acquired unless it was the subject of a commitment entered into by the Issuer prior to the occurrence of such Event of Default.

(c) Notwithstanding the foregoing provisions, at any time when ARMS Equity or an Affiliate that is wholly-owned by the Arbor Parent and is a disregarded entity for U.S. federal income tax purposes holds 100% of the Preferred Shares, it may contribute additional Cash, Eligible Investments and/or Loan Obligations to the Issuer so long as any such contributions satisfy the Eligibility Criteria at the time of such contribution. Cash contributed to the Issuer by ARMS Equity (whether before or after the Replacement Period) may be reinvested by the Issuer in Replacement Loan Obligations in accordance with the requirements set forth in Section 12.2(a).

Section 12.3      Conditions Applicable to all Transactions Involving Sale or Grant.

(a) Any transaction effected after the Closing Date under this Article 12 or Section 10.12 shall be conducted in accordance with the requirements of the Loan Obligation Management Agreement; provided that (1) the Loan Obligation Manager shall not direct the Trustee to acquire any Replacement Loan Obligation for inclusion in the Assets from the Loan Obligation Manager or any of its Affiliates as principal or to sell any Loan Obligation from the Assets to the Loan Obligation Manager or any of its Affiliates as principal unless the transaction is effected in accordance with the Loan Obligation Management Agreement and (2) the Loan Obligation Manager shall not direct the Trustee to acquire any Replacement Loan Obligation for inclusion in the Assets from any account or portfolio for which the Loan Obligation Manager serves as investment adviser or direct the Trustee to sell any Loan Obligation to any account or portfolio for which the Loan Obligation Manager serves as investment adviser unless such transactions comply with the Loan Obligation Management Agreement and Section 206(3) of the Advisers Act. The Trustee shall have no responsibility to oversee compliance with this clause by the other parties.

(b) Upon any Grant pursuant to this Article 12, all of the Issuer's right, title and interest to the Asset or Securities shall be Granted to the Trustee pursuant to this Indenture, such Asset or Securities shall be registered in the name of the Trustee, and, if applicable, the Trustee shall receive such Pledged Loan Obligation or Securities. The Trustee also shall receive, not later than the date of delivery of any Loan Obligation delivered after the Closing Date, an Officer's Certificate of the Loan Obligation Manager certifying that, as of the date of such Grant, such Grant complies with the applicable conditions of and is permitted by this Article 12 (and setting forth, to the extent appropriate, calculations in reasonable detail necessary to determine such compliance).

(c) Notwithstanding anything contained in this Article 12 to the contrary, the Issuer shall, subject to this Section 12.3(c), have the right to effect any transaction which has been consented to by the Holders of Notes evidencing 100% of the Aggregate Outstanding Amount of each and every Class of Notes (or if there are no Notes Outstanding, 100% of the Preferred Shares).

Section 12.4      Modifications to Moody's Tests.

In the event Moody's modifies the definitions or calculations relating to any of the Eligibility Criteria or either of the Note Protection Tests (each, a "Moody's Test Modification"), in any case in order to correspond with published changes in the guidelines,

methodology or standards established by Moody's, the Issuer may, but is under no obligation solely as a result of this Section 12.4 to, incorporate corresponding changes into this Indenture by an amendment or supplement hereto without the consent of the Holders of the Notes (except as provided below) (but with written notice to the Noteholders) or the Preferred Shares if (x) the Rating Agency Condition is satisfied and (y) written notice of such modification is delivered by the Loan Obligation Manager to the Trustee and the Holders of the Notes and Preferred Shares (which notice may be included in the next regularly scheduled report to Noteholders). Any such Moody's Test Modification shall be effected without execution of a supplemental indenture; provided, however, that such amendment shall be (i) evidenced by a written instrument executed and delivered by each of the Co-Issuers and the Loan Obligation Manager and delivered to the Trustee, (ii) accompanied by delivery by the Issuer to the Trustee of an Officer's Certificate of the Issuer (or the Loan Obligation Manager on behalf of the Issuer) certifying that such amendment has been made pursuant to and in compliance with this Section 12.4.

### NOTEHOLDERS' RELATIONS

#### Section 13.1 Subordination.

(a) Anything in this Indenture or the Notes to the contrary notwithstanding, the Issuer and the Holders agree that, for the benefit of the Holders of the Class A Notes that the rights of the Holders of the Class B Notes and the Class C Notes shall be subordinate and junior to the Class A Notes to the extent and in the manner set forth in Article XI of this Indenture. On each Redemption Date and each Payment Date as a result of the occurrence and continuation of the acceleration of the Notes following the occurrence of an Event of Default, all accrued and unpaid interest on and outstanding principal on the Class A Notes shall be paid pursuant to Section 11.1(a)(iii) in full in Cash or, to the extent 100% of Holders of the Class A Notes consent, other than in Cash, before any further payment or distribution is made on account of any other Class of Notes, to the extent and in the manner provided in Section 11.1(a)(iii).

(b) Anything in this Indenture or the Notes to the contrary notwithstanding, the Issuer and the Holders agree that, for the benefit of the Holders of the Class B Notes that the rights of the Holders of the Class C Notes shall be subordinate and junior to the Class B Notes to the extent and in the manner set forth in Article XI of this Indenture. On each Redemption Date and each Payment Date as a result of the occurrence and continuation of the acceleration of the Notes following the occurrence of an Event of Default, all accrued and unpaid interest on and outstanding principal on the Class B Notes shall be paid pursuant to Section 11.1(a)(iii) in full in Cash or, to the extent 100% of Holders of the Class B Notes consent, other than in Cash, before any further payment or distribution is made on account of the Class C Notes, to the extent and in the manner provided in Section 11.1(a)(iii).

(c) In the event that notwithstanding the provisions of this Indenture, any Holders of any Class of Notes shall have received any payment or distribution in respect of such Class contrary to the provisions of this Indenture, then, unless and until all accrued and unpaid interest on and outstanding principal of all more senior Classes of Notes has been paid in full in accordance with this Indenture, such payment or distribution shall be received and held in trust

for the benefit of, and shall forthwith be paid over and delivered to, the Trustee, which shall pay and deliver the same to the Holders of the more senior Class of Notes in accordance with this Indenture.

(d) Each Holder of Class A Notes agrees with the Trustee on behalf of the Secured Parties that such Holder shall not demand, accept, or receive any payment or distribution in respect of the Class A Notes in violation of the provisions of this Indenture including Section 11.1(a) and this Section 13.1. Nothing in this Section 13.1 shall affect the obligation of the Issuer to pay Holders of the Class A Notes any amounts due and payable hereunder.

(e) Each Holder of Class B Notes agrees with the Trustee on behalf of the Secured Parties that such Holder shall not demand, accept, or receive any payment or distribution in respect of the Class B Notes in violation of the provisions of this Indenture including Section 11.1(a) and this Section 13.1; provided, however, that after all accrued and unpaid interest on, and principal of, the Class A Notes have been paid in full, the Holders of the Class B Notes shall be fully subrogated to the rights of the Holders the Class A Notes. Nothing in this Section 13.1 shall affect the obligation of the Issuer to pay Holders of the Class B Notes any amounts due and payable hereunder.

(f) Each Holder of Class C Notes agrees with the Trustee on behalf of the Secured Parties that such Holder shall not demand, accept, or receive any payment or distribution in respect of the Class C Notes in violation of the provisions of this Indenture including Section 11.1(a) and this Section 13.1; provided, however, that after all accrued and unpaid interest on, and principal of, the Class A Notes and the Class B Notes have been paid in full, the Holders of the Class C Notes shall be fully subrogated to the rights of the Holders the Class A Notes and the Class B Notes. Nothing in this Section 13.1 shall affect the obligation of the Issuer to pay Holders of the Class C Notes any amounts due and payable hereunder.

(g) The Holders of each Class of Notes agree, for the benefit of all Holders of each Class of Notes, not to cause the filing of a petition in bankruptcy against the Issuer, the Co-Issuer or any Permitted Subsidiary until the payment in full of the Notes and not before one year and a day, or if longer, the applicable preference period then in effect, has elapsed since such payment.

Section 13.2      Standard of Conduct.

In exercising any of its or their voting rights, rights to direct and consent or any other rights as a Securityholder under this Indenture, a Securityholder or Securityholders shall not have any obligation or duty to any Person or to consider or take into account the interests of any Person and shall not be liable to any Person for any action taken by it or them or at its or their direction or any failure by it or them to act or to direct that an action be taken, without regard to whether such action or inaction benefits or adversely affects any Securityholder, the Issuer, or any other Person, except for any liability to which such Securityholder may be subject to the extent the same results from such Securityholder's taking or directing an action, or failing to take or direct an action, in bad faith or in violation of the express terms of this Indenture.

## ARTICLE 14

### MISCELLANEOUS

#### Section 14.1 Form of Documents Delivered to the Trustee.

In any case where several matters are required to be certified by, or covered by an opinion of, any specified Person, it is not necessary that all such matters be certified by, or covered by the opinion of, only one such Person, or that they be so certified or covered by only one document, but one such Person may certify or give an opinion with respect to some matters and one or more other such Persons as to other matters, and any such Person may certify or give an opinion as to such matters in one or several documents.

Any certificate or opinion of an Authorized Officer of the Issuer or the Co-Issuer may be based, insofar as it relates to legal matters, upon a certificate or opinion of, or representations by, counsel, unless such Authorized Officer knows, or in the exercise of reasonable care should know, that the certificate or opinion or representations with respect to the matters upon which his certificate or opinion is based are erroneous. Any such certificate of an Authorized Officer of the Issuer or the Co-Issuer or Opinion of Counsel may be based, insofar as it relates to factual matters, upon a certificate or opinion of, or representations by, the Issuer, the Co-Issuer, the Loan Obligation Manager or any other Person, stating that the information with respect to such factual matters is in the possession of the Issuer, the Co-Issuer, the Loan Obligation Manager or such other Person, unless such Authorized Officer of the Issuer or the Co-Issuer or such counsel knows that the certificate or opinion or representations with respect to such matters are erroneous. Any Opinion of Counsel also may be based, insofar as it relates to factual matters, upon a certificate or opinion of, or representations by, an Authorized Officer of the Issuer or the Co-Issuer, or the Loan Obligation Manager on behalf of the Issuer, certifying as to the factual matters that form a basis for such Opinion of Counsel and stating that the information with respect to such matters is in the possession of the Issuer or the Co-Issuer or the Loan Obligation Manager on behalf of the Issuer, unless such counsel knows that the certificate or opinion or representations with respect to such matters are erroneous.

Where any Person is required to make, give or execute two or more applications, requests, consents, certificates, statements, opinions or other instruments under this Indenture, they may, but need not, be consolidated and form one instrument.

Whenever in this Indenture it is provided that the absence of the occurrence and continuation of a Default or Event of Default is a condition precedent to the taking of any action by the Trustee at the request or direction of the Issuer or the Co-Issuer, then notwithstanding that the satisfaction of such condition is a condition precedent to the Issuer's or the Co-Issuer's rights to make such request or direction, the Trustee shall be protected in acting in accordance with such request or direction if it does not have knowledge of the occurrence and continuation of such Default or Event of Default as provided in Section 6.1(e).

Section 14.2      Acts of Securityholders.

(a) Any request, demand, authorization, direction, notice, consent, waiver or other action provided by this Indenture to be given or taken by Securityholders may be embodied in and evidenced by one or more instruments of substantially similar tenor signed by such Securityholders in person or by an agent duly appointed in writing; and, except as herein otherwise expressly provided, such action shall become effective when such instrument or instruments are delivered to the Trustee, and, where it is hereby expressly required, to the Issuer and/or the Co-Issuer. Such instrument or instruments (and the action or actions embodied therein and evidenced thereby) are herein sometimes referred to as the “Act” of the Securityholders signing such instrument or instruments. Proof of execution of any such instrument or of a writing appointing any such agent shall be sufficient for any purpose of this Indenture and conclusive in favor of the Trustee, the Issuer and the Co-Issuer, if made in the manner provided in this Section 14.2.

(b) The fact and date of the execution by any Person of any such instrument or writing may be proved in any manner which the Trustee deems sufficient.

(c) The principal amount and registered numbers of Notes held by any Person, and the date of his holding the same, shall be proved by the Notes Register. The Notional Amount and registered numbers of the Preferred Shares held by any Person, and the date of his holding the same, shall be proved by the register maintained with respect to the Preferred Shares.

(d) Any request, demand, authorization, direction, notice, consent, waiver or other action by the Securityholder shall bind such Securityholder (and any transferee thereof) of such Security and of every Security issued upon the registration thereof or in exchange therefor or in lieu thereof, in respect of anything done, omitted or suffered to be done by the Trustee, the Preferred Shares Paying Agent, the Share Registrar, the Issuer or the Co-Issuer in reliance thereon, whether or not notation of such action is made upon such Security.

Section 14.4 Notices to Noteholders; Waiver.

Except as otherwise expressly provided herein, where this Indenture provides for notice to Holders of Notes of any event,

(a) such notice shall be sufficiently given to Holders of Notes if in writing and mailed, first class postage prepaid, to each Holder of a Note affected by such event, at the address of such Holder as it appears in the Notes Register, not earlier than the earliest date and not later than the latest date, prescribed for the giving of such notice;

(b) such notice shall be in the English language; and

(c) all reports or notices to Preferred Shareholders shall be sufficiently given if provided in writing and mailed, first class postage prepaid, to the Preferred Shares Paying Agent.

Notwithstanding clause (a) above, a Holder of Notes may give the Trustee written notice that it is requesting that notices to it be given by facsimile transmissions and stating the facsimile number for such transmission. Thereafter, the Trustee shall give notices to such Holder by facsimile transmission; provided that if such notice also requests that notices be given by mail, then such notice shall also be given by mail in accordance with clause (a) above.

The Trustee shall deliver to the Holders of the Notes any information or notice requested to be so delivered by at least 25% of the Holders of any Class of Notes.

Neither the failure to mail any notice, nor any defect in any notice so mailed, to any particular Holder of a Note shall affect the sufficiency of such notice with respect to other Holders of Notes. In case by reason of the suspension of regular mail service or by reason of any other cause, it shall be impracticable to give such notice by mail, then such notification to

Holders of Notes shall be made with the approval of the Trustee and shall constitute sufficient notification to such Holders of Notes for every purpose hereunder.

Where this Indenture provides for notice in any manner, such notice may be waived in writing by any Person entitled to receive such notice, either before or after the event, and such waiver shall be the equivalent of such notice. Waivers of notice by Noteholders shall be filed with the Trustee but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

In the event that, by reason of the suspension of the regular mail service as a result of a strike, work stoppage or similar activity, it shall be impractical to mail notice of any event to Noteholders when such notice is required to be given pursuant to any provision of this Indenture, then any manner of giving such notice as shall be satisfactory to the Trustee shall be deemed to be a sufficient giving of such notice.

Section 14.5      Effect of Headings and Table of Contents.

The Article and Section headings herein and the Table of Contents are for convenience only and shall not affect the construction hereof.

Section 14.6      Successors and Assigns.

All covenants and agreements in this Indenture by the Issuer and the Co-Issuer shall bind their respective successors and assigns, whether so expressed or not.

Section 14.7      Severability.

In case any provision in this Indenture or in the Notes shall be invalid, illegal or unenforceable, the validity, legality, and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

Section 14.8      Benefits of Indenture.

Nothing in this Indenture or in the Securities, expressed or implied, shall give to any Person, other than (i) the parties hereto and their successors hereunder and (ii) the Loan Obligation Manager, the Preferred Shareholders, the Preferred Shares Paying Agent, the Share Registrar and the Noteholders (each of whom, in the case of this clause (ii), shall be an express third party beneficiary hereunder), any benefit or any legal or equitable right, remedy or claim under this Indenture.

Section 14.9      Governing Law.

THIS INDENTURE AND EACH NOTE SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF STATE OF NEW YORK APPLICABLE TO AGREEMENTS MADE AND TO BE PERFORMED THEREIN WITHOUT REGARD TO CONFLICT OF LAWS PRINCIPLES.

Section 14.10 Submission to Jurisdiction.

Each of the Issuer and the Co-Issuer hereby irrevocably submits to the non-exclusive jurisdiction of any New York State or federal court sitting in the Borough of Manhattan in The City of New York in any action or proceeding arising out of or relating to the Notes or this Indenture, and each of the Issuer and the Co-Issuer hereby irrevocably agrees that all claims in respect of such action or proceeding may be heard and determined in such New York State or federal court. Each of the Issuer and the Co-Issuer hereby irrevocably waives, to the fullest extent that they may legally do so, the defense of an inconvenient forum to the maintenance of such action or proceeding. Each of the Issuer and the Co-Issuer irrevocably consents to the service of any and all process in any action or proceeding by the mailing or delivery of copies of such process to it at the office of the Issuer's and the Co-Issuer's agent set forth in Section 7.2. Each of the Issuer and the Co-Issuer agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law.

Section 14.11 Counterparts.

This instrument may be executed in any number of counterparts, each of which so executed shall be deemed to be an original, but all such counterparts shall together constitute but one and the same instrument.

Section 14.12 Liability of Co-Issuers.

Notwithstanding any other terms of this Indenture, the Notes or any other agreement entered into between, *inter alios*, the Issuer and the Co-Issuer or otherwise, neither the Issuer nor the Co-Issuer shall have any liability whatsoever to the Co-Issuer or the Issuer, respectively, under this Indenture, the Notes, any such agreement or otherwise and, without prejudice to the generality of the foregoing, neither the Issuer nor the Co-Issuer shall be entitled to take any steps to enforce, or bring any action or proceeding, in respect of this Indenture, the Notes, any such agreement or otherwise against the other Co-Issuer or the Issuer, respectively. In particular, neither the Issuer nor the Co-Issuer shall be entitled to petition or take any other steps for the winding up or bankruptcy of the Co-Issuer or the Issuer, respectively or shall have any claim in respect of any assets of the Co-Issuer or the Issuer, respectively.

Section 14.13 17g-5 Information.

(a) The parties hereto agree that all 17g-5 Information provided to the Rating Agencies, or any of its officers, directors or employees, to be given or provided to the Rating Agencies pursuant to, in connection with or related, directly or indirectly, to this Indenture, any other Transaction Document, the Assets or the Notes, shall be in each case furnished directly to the Rating Agencies at the address set forth in clause Section 14.3(h) with a prior electronic copy to the Issuer or the Information Agent, as provided in Section 2A of the Collateral Administration Agreement (for forwarding to the 17g-5 Website in accordance with the Collateral Administration Agreement). The Co-Issuers also shall furnish such other information regarding the Co-Issuers or the Assets as may be reasonably requested by the Rating Agencies to the extent such party has or can obtain such information without unreasonable effort or expense.

Notwithstanding the foregoing, the failure to deliver such notices or copies shall not constitute an Event of Default under this Indenture. Any confirmation of the rating by the Rating Agencies required hereunder shall be in writing. For the avoidance of doubt, such information under this Section 14.13 shall not include any Accountants' Reports.

(b) The Co-Issuers shall comply with their obligations under Rule 17g-5 promulgated under the Exchange Act ("Rule 17g-5"), by their or their agent's posting on the 17g-5 Website, no later than the time such information is provided to the Rating Agencies, all 17g-5 Information. At all times while any Notes are rated by the Rating Agencies or any other NRSRO, the Co-Issuers shall engage a third-party to post 17g-5 Information to the 17g-5 Website, which shall initially be the Collateral Administrator (in such capacity, the "Information Agent").

(c) To the extent any of the Co-Issuers, the Trustee or the Loan Obligation Manager are engaged in oral communications with the Rating Agencies, for the purposes of determining the initial credit rating of the Notes or credit rating surveillance of the Notes, the party communicating with the Rating Agencies shall cause such oral communication to either be (x) recorded and an audio file containing the recording to be promptly delivered to the Information Agent for posting to the 17g-5 Website or (y) summarized in writing and the summary to be promptly delivered to the Information Agent for posting to the 17g-5 Website.

(d) Notwithstanding the requirements herein, the Trustee shall have no obligation to engage in or respond to any oral communications, for the purposes of determining the initial credit rating of the Notes or undertaking credit rating surveillance of the Notes, with the Rating Agencies or any of their respective officers, directors or employees.

(e) Notwithstanding anything to the contrary in this Indenture, a breach of this Section 14.13 shall not constitute a Default or Event of Default.

Section 14.14 Rating Agency Condition.

Any request for satisfaction of the Rating Agency Condition made by the Issuer, Co-Issuer or Trustee, as applicable, pursuant to this Indenture, shall be made in writing, which writing shall contain a cover page indicating the nature of the request for satisfaction of the Rating Agency Condition, and shall contain all back-up material necessary for the Rating Agencies to process such request. Such written request for satisfaction of the Rating Agency Condition shall be provided in electronic format to the Information Agent for posting on the 17g-5 Website in accordance with Section 14.13 hereof and after receiving actual knowledge of such posting (which may be in the form of an automatic email notification of posting delivered by the 17g-5 Website to such party), the Requesting Party shall send the request for satisfaction of such Condition to the Rating Agencies in accordance with the instructions for notices set forth in Section 14.3(h) hereof.

### ASSIGNMENT OF LOAN OBLIGATION PURCHASE AGREEMENTS AND LOAN MANAGEMENT AGREEMENT

#### Section 15.1 Assignment of Loan Obligation Purchase Agreements and the Loan Obligation Management Agreement.

(a) The Issuer, in furtherance of the covenants of this Indenture and as security for the Notes and amounts payable to the Secured Parties hereunder and the performance and observance of the provisions hereof, hereby collaterally assigns, transfers, conveys and sets over to the Trustee, for the benefit of the Noteholders, all of the Issuer's estate, right, title and interest in, to and under each Loan Obligation Purchase Agreement (now or hereafter entered into) and the Loan Obligation Management Agreement (each, an "Article 15 Agreement"), including, without limitation, (i) the right to give all notices, consents and releases thereunder, (ii) the right to give all notices of termination and to take any legal action upon the breach of an obligation of a Seller or the Loan Obligation Manager thereunder, including the commencement, conduct and consummation of proceedings at law or in equity, (iii) the right to receive all notices, accountings, consents, releases and statements thereunder and (iv) the right to do any and all other things whatsoever that the Issuer is or may be entitled to do thereunder; provided, however, that the Trustee hereby grants the Issuer a license to exercise all of the Issuer's rights pursuant to the Article 15 Agreements without notice to or the consent of the Trustee (except as otherwise expressly required by this Indenture, including, without limitation, as set forth in Section 15.1(f)) which license shall be and is hereby deemed to be automatically revoked upon the occurrence of an Event of Default hereunder until such time, if any, that such Event of Default is cured or waived.

(b) The assignment made hereby is executed as collateral security, and the execution and delivery hereby shall not in any way impair or diminish the obligations of the Issuer under the provisions of each of the Article 15 Agreements, nor shall any of the obligations contained in each of the Article 15 Agreements be imposed on the Trustee.

(c) Upon the retirement of the Notes and the release of the Assets from the lien of this Indenture, this assignment and all rights herein assigned to the Trustee for the benefit of the Noteholders shall cease and terminate and all the estate, right, title and interest of the Trustee in, to and under each of the Article 15 Agreements shall revert to the Issuer and no further instrument or act shall be necessary to evidence such termination and reversion.

(d) The Issuer represents that it has not executed any assignment of any of the Article 15 Agreements other than this collateral assignment.

(e) The Issuer agrees that this assignment is irrevocable, and that it shall not take any action which is inconsistent with this assignment or make any other assignment inconsistent herewith. The Issuer shall, from time to time upon the request of the Trustee, execute all instruments of further assurance and all such supplemental instruments with respect to this assignment as the Trustee may specify.

(f) The Issuer hereby agrees, and hereby undertakes to obtain the agreement and consent of the Sellers and the Loan Obligation Manager, as applicable, in the Loan Obligation Purchase Agreements and the Loan Obligation Management Agreement, as applicable, to the following:

(i) each of the Sellers and the Loan Obligation Manager consents to the provisions of this collateral assignment and agrees to perform any provisions of this Indenture made expressly applicable to each of the Sellers and the Loan Obligation Manager pursuant to the applicable Article 15 Agreement;

(ii) each of the Sellers and the Loan Obligation Manager, as applicable, acknowledges that the Issuer is collaterally assigning all of its right, title and interest in, to and under the Loan Obligation Purchase Agreements and the Loan Obligation Management Agreement, as applicable, to the Trustee for the benefit of the Noteholders, and each of the Sellers and the Loan Obligation Manager, as applicable, agrees that all of the representations, covenants and agreements made by each of the Sellers and the Loan Obligation Manager, as applicable, in the applicable Article 15 Agreement are also for the benefit of, and enforceable by, the Trustee and the Noteholders;

(iii) each of the Sellers and the Loan Obligation Manager, as applicable, shall deliver to the Trustee duplicate original copies of all notices, statements, communications and instruments delivered or required to be delivered to the Issuer pursuant to the applicable Article 15 Agreement;

(iv) none of the Issuer, the Sellers or the Loan Obligation Manager shall enter into any agreement amending, modifying or terminating the applicable Article 15 Agreement, (other than in respect of an amendment or modification to cure any inconsistency, ambiguity or manifest error) or selecting or consenting to a successor Loan Obligation Manager, as applicable, without notifying the Rating Agencies and without the prior written consent and written confirmation of the Rating Agencies that such amendment, modification or termination will not cause its then-current ratings of the Notes to be downgraded or withdrawn;

(v) except as otherwise set forth herein and therein (including, without limitation, pursuant to Section 12 of the Loan Obligation Management Agreement), the Loan Obligation Manager shall continue to serve as Loan Obligation Manager under the Loan Obligation Management Agreement, notwithstanding that the Loan Obligation Manager shall not have received amounts due it under the Loan Obligation Management Agreement because sufficient funds were not then available hereunder to pay such amounts pursuant to the Priority of Payments. The Loan Obligation Manager agrees not to cause the filing of a petition in bankruptcy against the Issuer for the nonpayment of the fees or other amounts payable to the Loan Obligation Manager under the Loan Obligation Management Agreement until the payment in full of all Notes issued under this Indenture and the expiration of a period equal to the applicable preference period under the Bankruptcy Code plus ten days following such payment; and

(vi) the Loan Obligation Manager irrevocably submits to the non-exclusive jurisdiction of any New York State or federal court sitting in the Borough of Manhattan in The City of New York in any action or proceeding arising out of or relating to the Notes or this Indenture, and the Loan Obligation Manager irrevocably agrees that all claims in respect of such action or proceeding may be heard and determined in such New York State or federal court. The Loan Obligation Manager irrevocably waives, to the fullest extent it may legally do so, the defense of an inconvenient forum to the maintenance of such action or proceeding. The Loan Obligation Manager irrevocably consents to the service of any and all process in any action or Proceeding by the mailing by certified mail, return receipt requested, or delivery requiring signature and proof of delivery of copies of such initial process to it at Arbor Realty Trust, Inc., 333 Earle Ovington Boulevard, 9th Floor, Uniondale, New York 11553, Attention: Executive Vice President—Structured Securitization. The Loan Obligation Manager agrees that a final and non-appealable judgment by a court of competent jurisdiction in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law.

### CURE RIGHTS; PURCHASE RIGHTS; REPLACEMENT LOAN OBLIGATIONS

Section 16.1 Reserved.

Section 16.2 Loan Obligation Purchase Agreements.

Following the Closing Date, unless a Loan Obligation Purchase Agreement is necessary to comply with the provisions of this Indenture, the Issuer may acquire Loan Obligations in accordance with customary settlement procedures in the relevant markets. In any event, the Issuer (or the Loan Obligation Manager on behalf of the Issuer) shall obtain from any seller of a Loan Obligation, all Underlying Instruments with respect to each Loan Obligation that govern, directly or indirectly, the rights and obligations of the owner of the Loan Obligation with respect to the Loan Obligation and any certificate evidencing the Loan Obligation.

Section 16.3 Representations and Warranties Related to Replacement Loan Obligations.

(a) Upon the acquisition of a Replacement Loan Obligation by the Issuer, the related seller shall be required to make representations and warranties substantially in the form attached as Exhibit I hereto.

(b) The representations and warranties in Section 16.3(a) with respect to the acquisition of a Replacement Loan Obligation may be subject to any modification, limitation or qualification that the Loan Obligation Manager determines to be reasonably acceptable in accordance with the Loan Obligation Manager Standard; provided that the Loan Obligation Manager will provide the Rating Agencies with a report attached to each Monthly Report identifying each such affected representation or warranty and the modification, exception, limitation or qualification received with respect to the acquisition of any Replacement Loan

Obligation during the period covered by the Monthly Report, which report may contain explanations by the Loan Obligation Manager as to its determinations.

(c) The Issuer (or the Loan Obligation Manager on behalf of the Issuer) shall obtain a covenant from the Person making any representation or warranty to the Issuer pursuant to Section 16.3(a) that such Person shall repurchase the related Loan Obligation if any such representation or warranty is breached (but only after the expiration of any permitted cure periods and failure to cure such breach). The purchase price for any Loan Obligation repurchased (the "Repurchase Price") shall be a price equal to the sum of the following (in each case, without duplication) as of the date of such repurchase: (i) the then outstanding Principal Balance of such Loan Obligation, discounted based on the percentage amount of any discount that was applied when such Loan Obligation was purchased by the Issuer, *plus* (ii) accrued and unpaid interest on such Loan Obligation, *plus* (iii) any unreimbursed advances, *plus* (iv) accrued and unpaid interest on advances on the Loan Obligation, *plus* (v) any reasonable costs and expenses (including, but not limited to, the cost of any enforcement action, incurred by the Issuer or the Trustee in connection with any such purchase by a seller).

## ARTICLE 17

### ADVANCING AGENT

Section 17.1      Liability of the Advancing Agent.

The Advancing Agent shall be liable in accordance herewith only to the extent of the obligations specifically imposed upon and undertaken by the Advancing Agent.

Section 17.2      Merger or Consolidation of the Advancing Agent.

(a) The Advancing Agent will keep in full effect its existence, rights and franchises as a corporation under the laws of the jurisdiction in which it was formed, and will obtain and preserve its qualification to do business as a foreign corporation in each jurisdiction in which such qualification is or shall be necessary to protect the validity and enforceability of this Indenture to perform its duties under this Indenture.

(b) Any Person into which the Advancing Agent may be merged or consolidated, or any corporation resulting from any merger or consolidation to which the Advancing Agent shall be a party, or any Person succeeding to the business of the Advancing Agent shall be the successor of the Advancing Agent, hereunder, without the execution or filing of any paper or any further act on the part of any of the parties hereto, anything herein to the

contrary notwithstanding (it being understood and agreed by the parties hereto that the consummation of any such transaction by the Advancing Agent shall have no effect on the Trustee's obligations under Section 10.9, which obligations shall continue pursuant to the terms of Section 10.9).

Section 17.3      Limitation on Liability of the Advancing Agent and Others.

None of the Advancing Agent or any of its affiliates, directors, officers, employees or agents shall be under any liability for any action taken or for refraining from the taking of any action in good faith pursuant to this Indenture, or for errors in judgment; provided, however, that this provision shall not protect the Advancing Agent against liability to the Issuer or Noteholders for any breach of warranties or representations made herein or any liability which would otherwise be imposed by reason of willful misfeasance, bad faith or negligence in the performance of duties or by reason of negligent disregard of obligations and duties hereunder. The Advancing Agent and any director, officer, employee or agent of the Advancing Agent may rely in good faith on any document of any kind prima facie properly executed and submitted by any Person respecting any matters arising hereunder. The Advancing Agent and any director, officer, employee or agent of the Advancing Agent shall be indemnified by the Issuer pursuant to the priorities set forth in Section 11.1(a) and held harmless against any loss, liability or expense incurred in connection with any legal action relating to this Indenture or the Notes, other than any loss, liability or expense (i) specifically required to be borne by the Advancing Agent pursuant to the terms hereof or otherwise incidental to the performance of obligations and duties hereunder (except as any such loss, liability or expense shall be otherwise reimbursable pursuant to this Indenture); or (ii) incurred by reason of any breach of a representation, warranty or covenant made herein, any misfeasance, bad faith or negligence by the Advancing Agent in the performance of or negligent disregard of, obligations or duties hereunder or any violation of any state or federal securities law.

Section 17.4      Representations and Warranties of the Advancing Agent.

The Advancing Agent represents and warrants that:

(a) the Advancing Agent (i) has been duly organized, is validly existing and is in good standing under the laws of the State of Maryland, (ii) has full power and authority to own the Advancing Agent's assets and to transact the business in which it is currently engaged, and (iii) is duly qualified and in good standing under the laws of each jurisdiction where the Advancing Agent's ownership or lease of property or the conduct of the Advancing Agent's business requires, or the performance of this Indenture would require, such qualification, except for failures to be so qualified that would not in the aggregate have a material adverse effect on the business, operations, assets or financial condition of the Advancing Agent or the ability of the Advancing Agent to perform its obligations under, or on the validity or enforceability of, the provisions of this Indenture applicable to the Advancing Agent;

(b) the Advancing Agent has full power and authority to execute, deliver and perform this Indenture; this Indenture has been duly authorized, executed and delivered by the Advancing Agent and constitutes a legal, valid and binding agreement of the Advancing Agent, enforceable against it in accordance with the terms hereof, except that the enforceability hereof

may be subject to (i) bankruptcy, insolvency, reorganization, moratorium or other similar laws now or hereafter in effect relating to creditors' rights and (ii) general principles of equity (regardless of whether such enforcement is considered in a proceeding in equity or at law);

(c) neither the execution and delivery of this Indenture nor the performance by the Advancing Agent of its duties hereunder conflicts with or will violate or result in a breach or violation of any of the terms or provisions of, or constitutes a default under: (i) the charter and bylaws of the Advancing Agent, (ii) the terms of any indenture, contract, lease, mortgage, deed of trust, note agreement or other evidence of indebtedness or other agreement, obligation, condition, covenant or instrument to which the Advancing Agent is a party or is bound, (iii) any law, decree, order, rule or regulation applicable to the Advancing Agent of any court or regulatory, administrative or governmental agency, body or authority or arbitrator having jurisdiction over the Advancing Agent or its properties, and which would have, in the case of any of (i), (ii) or (iii) of this Section 17.4(c), either individually or in the aggregate, a material adverse effect on the business, operations, assets or financial condition of the Advancing Agent or the ability of the Advancing Agent to perform its obligations under this Indenture;

(d) no litigation is pending or, to the best of the Advancing Agent's knowledge, threatened, against the Advancing Agent that would materially and adversely affect the execution, delivery or enforceability of this Indenture or the ability of the Advancing Agent to perform any of its obligations under this Indenture in accordance with the terms hereof; and

(e) no consent, approval, authorization or order of or declaration or filing with any government, governmental instrumentality or court or other Person is required for the performance by the Advancing Agent of its duties hereunder, except such as have been duly made or obtained.

**Section 17.5      Resignation and Removal; Appointment of Successor.**

(a) No resignation or removal of the Advancing Agent and no appointment of a successor Advancing Agent pursuant to this Article 17 shall become effective until the acceptance of appointment by the successor Advancing Agent under Section 17.6.

(b) The Advancing Agent may resign at any time by giving written notice thereof to the Issuer, the Co-Issuer, the Trustee, the Loan Obligation Manager, the Noteholders and the Rating Agencies.

(c) The Advancing Agent may be removed at any time by Act of at least 66- 2/3% of the Preferred Shares upon written notice delivered to the Trustee and to the Issuer and the Co-Issuer.

(d) If the Advancing Agent fails to make an Interest Advance required by this Indenture with respect to a Payment Date, the Backup Advancing Agent shall be required to make such Interest Advance and shall be entitled to receive, in consideration thereof, the Advancing Agent Fee (in lieu of the Backup Advancing Agent Fee) in accordance with the Priority of Payments. If the Advancing Agent fails to make a required Interest Advance and it has not determined such Interest Advance to be a Nonrecoverable Interest Advance, the Loan Obligation Manager may, and at the direction of the Controlling Class shall, terminate such

Advancing Agent and replace such Advancing Agent with a successor advancing agent, subject to the satisfaction of the Rating Agency Condition. In the event that the Loan Obligation Manager has not terminated and replaced such Advancing Agent within 30 days of such Advancing Agent's failure to make a required Interest Advance, the Trustee may terminate such Advancing Agent and appoint a successor Advancing Agent.

(e) Subject to Section 17.5(d), if the Advancing Agent shall resign or be removed, upon receiving such notice of resignation or removal, the Issuer and the Co-Issuer shall promptly appoint a successor advancing agent by written instrument, in duplicate, executed by an Authorized Officer of the Issuer and an Authorized Officer of the Co-Issuer, one copy of which shall be delivered to the Advancing Agent so resigning and one copy to the successor Advancing Agent, together with a copy to each Noteholder, the Trustee and the Loan Obligation Manager; provided that such successor Advancing Agent shall be appointed only subject to satisfaction of the Rating Agency Condition, upon the written consent of a Majority of Preferred Shareholders. If no successor Advancing Agent shall have been appointed and an instrument of acceptance by a successor Advancing Agent shall not have been delivered to the Advancing Agent within 30 days after the giving of such notice of resignation, the resigning Advancing Agent, the Trustee or any Preferred Shareholder, on behalf of himself and all others similarly situated, may petition any court of competent jurisdiction for the appointment of a successor Advancing Agent.

(f) The Issuer and the Co-Issuer shall give prompt notice of each resignation and each removal of the Advancing Agent and each appointment of a successor Advancing Agent by mailing written notice of such event by first class mail, postage prepaid, to the Rating Agencies and to the Holders of the Notes as their names and addresses appear in the Notes Register.

Section 17.6      Acceptance of Appointment by Successor Advancing Agent.

(a) Every successor Advancing Agent appointed hereunder shall execute, acknowledge and deliver to the Issuer, the Co-Issuer, the Loan Obligation Manager, the Trustee and the retiring Advancing Agent an instrument accepting such appointment. Upon delivery of the required instruments, the resignation or removal of the retiring Advancing Agent shall become effective and such successor Advancing Agent, without any further act, deed or conveyance, shall become vested with all the rights, powers, trusts, duties and obligations of the retiring Advancing Agent.

(b) No appointment of a successor Advancing Agent shall become effective unless the Rating Agencies have confirmed in writing that the employment of such successor would not adversely affect the rating on the Notes.

IN WITNESS WHEREOF, the parties hereto have executed and delivered this Indenture as of the day and year first above written.

**LIBOR**

The London interbank offered rate (“LIBOR”) shall be determined by the Calculation Agent in accordance with the following provisions:

On the second London Banking Day preceding the first Business Day of an Interest Accrual Period (each such day, a “LIBOR Determination Date”), LIBOR (other than for the initial Interest Accrual Period) will equal the rate, as obtained by the Calculation Agent, for deposits in U.S. Dollars for a period of one month, which appears on the Reuters Page LIBOR01 (or such other page that may replace that page on such service for the purpose of displaying comparable rates) as reported by Bloomberg Financial Markets Commodities News as of 11:00 a.m., London time, on the LIBOR Determination Date. “London Banking Day” means any day on which commercial banks are open for general business (including dealings in foreign exchange and foreign currency deposits) in London, England.

If, on any LIBOR Determination Date, such rate does not appear on Reuters Screen LIBOR01, the Calculation Agent will determine LIBOR on the basis of the rates at which deposits in U.S. Dollars are offered by Reference Banks at approximately 11:00 a.m. (London time) on the LIBOR Determination Date to prime banks in the London interbank market for a period of one month commencing on the LIBOR Determination Date and in a representative amount of U.S.\$1,000. The Calculation Agent will request the principal London office of each of the Reference Banks to provide a quotation of its rate. If at least two such quotations are provided, the rate for that LIBOR Determination Date will be the arithmetic mean of the quotations. If fewer than two quotations are provided as requested, the rate for that LIBOR Determination Date will be the arithmetic mean of the rates quoted by major banks in New York City, selected by the Calculation Agent, at approximately 11:00 a.m. (New York City time) on the LIBOR Determination Date for loans in U.S. Dollars to leading European banks for a period of one month commencing on the LIBOR Determination Date and in a representative amount of U.S.\$1,000. As used herein, “Reference Banks” means four major banks in the London interbank market selected by the Calculation Agent and approved by the Loan Obligation Manager.

In respect of the initial Interest Accrual Period, LIBOR will be determined on the second London Banking Day preceding the Closing Date.

In making the above calculations, (A) all percentages resulting from the calculation (other than the calculation determined pursuant to clause (c) above) will be rounded, if necessary, to the nearest one hundred-thousandth of a percentage point (0.00001%) and (B) all percentages determined pursuant to clause (c) above will be rounded, if necessary, in accordance with the method set forth in (A), but to the same degree of accuracy as the two rates used to make the determination (except that such percentages will not be rounded to a lower degree of accuracy than the nearest one thousandth of a percentage point (0.001%)).

Except as specifically provided herein and in the Indenture, neither the Issuer nor the Co-Issuer shall be required to make any payment with respect to any tax, assessment or other governmental charge imposed by any government or any political subdivision or taxing authority thereof or therein.

Unless the certificate of authentication hereon has been executed by the Trustee or by the Authenticating Agent by the manual signature of one of their Authorized Officers, this Note shall not be entitled to any benefit under the Indenture or be valid or obligatory for any purpose.

This Note is one of a duly authorized issue of Class A Senior Secured Floating Rate Notes Due 2024, of the Issuer and the Co-Issuer (the "Class A Notes"), limited in aggregate principal amount to U.S.\$221,250,000 issued under an indenture dated as of April 28, 2014 (the "Indenture") by and among the Issuer, the Co-Issuer, U.S. Bank National Association, as trustee (in such capacity and together with any successor trustee permitted under the Indenture, the "Trustee"), paying agent, calculation agent, transfer agent, custodial securities intermediary, backup advancing agent and notes registrar and Arbor Realty SR, Inc., as advancing agent. Also authorized under the Indenture are (a) up to U.S.\$24,250,000 Class B Secured Floating Rate Notes Due 2024 (the "Class B Notes") and (b) up to U.S.\$35,750,000 Class C Secured Floating Rate Notes Due 2024 (the "Class C Notes" and, together with the Class A Notes and the Class B Notes, the "Notes").

Concurrently with the issuance of the Notes, the Issuer also will issue preferred shares (the "Preferred Shares"), under the Issuer's memorandum and articles of association as part of its issued share capital.

Reference is hereby made to the Indenture and all indentures supplemental thereto for a statement of the respective rights, limitations of rights, duties and immunities thereunder of the Issuer, the Co-Issuer, the Trustee, the Advancing Agent, the Holders of the Notes and the Preferred Shares and the terms upon which the Notes and the Preferred Shares are, and are to be, executed, authenticated and delivered.

Payments of principal of the Class A Notes shall be payable in accordance with Section 11.1(a) of the Indenture.

Capitalized terms used herein and not otherwise defined shall have the meanings set forth in the Indenture.

Pursuant to Section 9.1(a) of the Indenture, the Notes are subject to redemption by the Issuer at the direction of the Loan Obligation Manager (such redemption, a "Clean-up Call Redemption"), in whole but not in part, at a price equal to the applicable Redemption Price, upon notice given in the manner provided in the Indenture, on any Payment Date on or after the Payment Date on which the Aggregate Outstanding Amount of the Notes has been reduced to 10% of the Aggregate Outstanding Amount of the Notes on the Closing Date; *provided* that the funds available to be used for such redemption will be sufficient to pay the Total Redemption Price.

Pursuant to Section 9.1(b) of the Indenture, the Notes and the Preferred Shares shall be redeemable, in whole but not in part, by Act of a Majority of the Preferred Shares delivered to the Trustee, on the Payment Date following the occurrence of a Tax Event if the Tax Materiality Condition is satisfied at a price equal

to the applicable Redemption Prices; *provided* that that the funds available to be used for such Tax Redemption will be sufficient to pay the Total Redemption Price.

Pursuant to Section 9.1(c) of the Indenture, the Notes and the Preferred Shares are subject to redemption, in whole but not in part, by the Issuer at a price equal to the applicable Redemption Prices, on any Payment Date occurring after the end of the Non-call Period at the direction of the Issuer (such redemption, an “Optional Redemption”) by Act of a Majority of the Preferred Shares delivered to the Trustee; *provided* that the funds available to be used for such Optional Redemption will be sufficient to pay the Total Redemption Price.

Notes for whose redemption and payment provision is made in accordance with the Indenture shall cease to bear interest on the applicable Redemption Date (unless the Issuer shall default in the payment of the Redemption Price and accrued interest thereon).

Pursuant to Section 9.5 of the Indenture, if any of the Note Protection Tests applicable to any Class of Notes is not satisfied as of the most recent Measurement Date the Notes shall be redeemed in accordance with the Priority of Payments set forth in the Indenture, only, and to the extent necessary, to cause each of the Note Protection Tests to be satisfied.

If an Event of Default shall occur and be continuing, the Class A Notes may become or be declared due and payable in the manner and with the effect provided in the Indenture.

At any time after a declaration of acceleration of Maturity of the Notes has been made, and before a judgment or decree for payment of the amounts due has been obtained by the Trustee as provided in the Indenture, a Majority of each Class of Notes (voting as a separate Class), other than with respect to an Event of Default specified in Section 5.1(d), 5.1(e), 5.1(h) or 5.1(i) of the Indenture, by written notice to the Issuer, the Co-Issuer and the Trustee, may rescind and annul such declaration and its consequences if certain conditions set forth in the Indenture are satisfied.

The Indenture may be amended and supplemented under the circumstances, and in accordance with the conditions, set forth therein.

The Notes are issuable in minimum denominations of U.S.\$250,000 and integral multiples of \$500 in excess thereof.

The principal of each Note shall be payable on the Stated Maturity Date, unless the unpaid principal of such Note becomes due and payable at an earlier date by declaration of acceleration, call for redemption or otherwise.

In connection with the purchase of this Note, the Holder and each beneficial owner thereof agrees that: (A) none of the Co-Issuers, the Loan Obligation Manager, the CLO Servicer, the Lead Placement Agent, the European Co-Placement Agent, the Trustee, the Collateral Administrator or any of their respective affiliates is acting as a fiduciary or financial or investment advisor for such Holder or beneficial owner; (B) such Holder or beneficial owner is not relying (for purposes of making any investment decision or otherwise) upon any advice, counsel or representations (whether written or oral) of the Co-Issuers, the Loan Obligation Manager, the CLO Servicer, the Trustee, the Collateral Administrator, the Lead Placement Agent, the European Co-Placement Agent or any of their respective affiliates other than any statements in the final offering memorandum for such Notes, and such Holder or beneficial owner has read and understands such final offering memorandum; (C) such Holder or beneficial owner

has consulted with its own legal, regulatory, tax, business, investment, financial and accounting advisors to the extent it has deemed necessary and has made its own investment decisions (including decisions regarding the suitability of any transaction pursuant to the Indenture) based upon its own judgment and upon any advice from such advisors as it has deemed necessary and not upon any view expressed by the Co-Issuers, the Loan Obligation Manager, the CLO Servicer, the Trustee, the Collateral Administrator, the Lead Placement Agent, the European Co-Placement Agent or any of their respective affiliates.

Each Holder, by its acquisition of an interest in the Notes, shall be deemed to have represented to the Issuer, the Co-Issuer, the Loan Obligation Manager, the CLO Servicer, the Lead Placement Agent, the European Co-Placement Agent and the Trustee that either (A) no part of the funds being used to pay the purchase price for such Notes constitutes an asset of any “employee benefit plan” (as defined in Section 3(3) of ERISA) or “plan” (as defined in Section 4975(e)(1) of the Code) that is subject to Title I of ERISA or Section 4975 of the Code or any other employee benefit plan or plan which is subject to any federal, state or local law (“Similar Law”) that is substantially similar to Section 406 of ERISA or Section 4975 of the Code (each a “Benefit Plan”), or an entity whose underlying assets include plan assets of any such Benefit Plan, or (B) if the funds being used to pay the purchase price for such Notes include plan assets of any Benefit Plan, its purchase and holding will not constitute or result in a non-exempt prohibited transaction under Section 406 of ERISA or Section 4975 of the Code, or in the case of any Benefit Plan subject to Similar Law, will not constitute or result in a non-exempt violation of Similar Law.

Title to Notes shall pass by registration in the Register kept by the Trustee, acting through its Corporate Trust Office.

No service charge shall be made to a Holder for any registration of transfer or exchange of this Note, but the Trustee may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

No right or remedy conferred herein or in the Indenture upon or reserved to the Trustee or to the Holder hereof is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or thereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder or under the Indenture, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

This instrument may be executed in any number of counterparts, each of which so executed shall be deemed to be an original, but all such counterparts shall together constitute but one and the same instrument.

THE HOLDER OF THIS NOTE AGREES NOT TO CAUSE THE FILING OF A PETITION IN BANKRUPTCY AGAINST THE ISSUER, THE CO-ISSUER OR ANY PERMITTED SUBSIDIARY IN ANY APPLICABLE OR RELEVANT JURISDICTION UNTIL AT LEAST ONE YEAR AND ONE DAY (OR, IF LONGER, THE APPLICABLE PREFERENCE PERIOD THEN IN EFFECT), AFTER THE PAYMENT IN FULL OF ALL NOTES ISSUED UNDER THE INDENTURE.

Concurrently with the issuance of the Notes, the Issuer also will issue preferred shares (the “Preferred Shares”), under the Issuer’s memorandum and articles of association as part of its issued share capital.

Reference is hereby made to the Indenture and all indentures supplemental thereto for a statement of the respective rights, limitations of rights, duties and immunities thereunder of the Issuer, the Co-Issuer, the Trustee, the Advancing Agent, the Holders of the Notes and the Preferred Shares and the terms upon which the Notes and the Preferred Shares are, and are to be, executed, authenticated and delivered.

Payments of principal of the Class A Notes shall be payable in accordance with Section 11.1(a) of the Indenture.

Capitalized terms used herein and not otherwise defined shall have the meanings set forth in the Indenture.

Pursuant to Section 9.1(a) of the Indenture, the Notes are subject to redemption by the Issuer at the direction of the Loan Obligation Manager (such redemption, a “Clean-up Call Redemption”), in whole but not in part, at a price equal to the applicable Redemption Price, upon notice given in the manner provided in the Indenture, on any Payment Date on or after the Payment Date on which the Aggregate Outstanding Amount of the Notes has been reduced to 10% of the Aggregate Outstanding Amount of the Notes on the Closing Date; *provided* that the funds available to be used for such redemption will be sufficient to pay the Total Redemption Price.

Pursuant to Section 9.1(b) of the Indenture, the Notes and the Preferred Shares shall be redeemable, in whole but not in part, by Act of a Majority of the Preferred Shares delivered to the Trustee, on the Payment Date following the occurrence of a Tax Event if the Tax Materiality Condition is satisfied at a price equal to the applicable Redemption Prices; *provided* that the funds available to be used for such Tax Redemption will be sufficient to pay the Total Redemption Price.

Pursuant to Section 9.1(c) of the Indenture, the Notes and the Preferred Shares are subject to redemption, in whole but not in part, by the Issuer at a price equal to the applicable Redemption Prices, on any Payment Date occurring after the end of the Non-call Period at the direction of the Issuer (such redemption, an “Optional Redemption”) by Act of a Majority of the Preferred Shares delivered to the Trustee; *provided* that the funds available to be used for such Optional Redemption will be sufficient to pay the Total Redemption Price.

Notes for whose redemption and payment provision is made in accordance with the Indenture shall cease to bear interest on the applicable Redemption Date (unless the Issuer shall default in the payment of the Redemption Price and accrued interest thereon).

Pursuant to Section 9.5 of the Indenture, if any of the Note Protection Tests applicable to any Class of Notes is not satisfied as of the most recent Measurement Date the Notes shall be redeemed in accordance with the Priority of Payments set forth in the Indenture, only, and to the extent necessary, to cause each of the Note Protection Tests to be satisfied.

If an Event of Default shall occur and be continuing, the Class A Notes may become or be declared due and payable in the manner and with the effect provided in the Indenture.

At any time after a declaration of acceleration of Maturity of the Notes has been made, and before a judgment or decree for payment of the amounts due has been obtained by the Trustee as provided in the Indenture, a Majority of each Class of Notes (voting as a separate Class), other than with respect to an Event of Default specified in Section 5.1(d), 5.1(e), 5.1(h) or 5.1(i) of the Indenture, by written notice to the Issuer, the Co-Issuer and the Trustee, may rescind and annul such declaration and its consequences if certain conditions set forth in the Indenture are satisfied.

The Indenture may be amended and supplemented under the circumstances, and in accordance with the conditions, set forth therein.

The Notes are issuable in minimum denominations of U.S.\$250,000 and integral multiples of \$500 in excess thereof.

The principal of each Note shall be payable on the Stated Maturity Date, unless the unpaid principal of such Note becomes due and payable at an earlier date by declaration of acceleration, call for redemption or otherwise.

The term "Issuer" as used in this Note includes any successor-in-interest to the Issuer under the Indenture and the term "Co-Issuer" as used in this Note includes any successor-in-interest to the Co-Issuer under the Indenture.

Each purchaser and any subsequent transferee of this Note or any interest herein shall, by virtue of its purchase or other acquisition of this Note or any interest herein, be deemed to have agreed to treat this Note as debt for U.S. federal income tax purposes.

In connection with the purchase of this Note, the Holder and each beneficial owner thereof agrees that: (A) none of the Co-Issuers, the Loan Obligation Manager, the CLO Servicer, the Lead Placement Agent, the European Co-Placement Agent, the Trustee, the Collateral Administrator or any of their respective affiliates is acting as a fiduciary or financial or investment advisor for such Holder or beneficial owner; (B) such Holder or beneficial owner is not relying (for purposes of making any investment decision or otherwise) upon any advice, counsel or representations (whether written or oral) of the Co-Issuers, the Loan Obligation Manager, the CLO Servicer, the Trustee, the Collateral Administrator, the Lead Placement Agent, the European Co-Placement Agent or any of their respective affiliates other than any statements in the final offering memorandum for such Notes, and such Holder or beneficial owner has read and understands such final offering memorandum; (C) such Holder or beneficial owner has consulted with its own legal, regulatory, tax, business, investment, financial and accounting advisors to the extent it has deemed necessary and has made its own investment decisions (including decisions regarding the suitability of any transaction pursuant to the Indenture) based upon its own judgment and upon any advice from such advisors as it has deemed necessary and not upon any view expressed by the Co-Issuers, the Loan Obligation Manager, the CLO Servicer, the Trustee, the Collateral Administrator, the Lead Placement Agent, the European Co-Placement Agent or any of their respective affiliates.

Each Holder, by its acquisition of an interest in the Notes, shall be deemed to have represented to the Issuer, the Co-Issuer, the Loan Obligation Manager, the CLO Servicer, the Lead Placement Agent, the European

Co-Placement Agent and the Trustee that either (A) no part of the funds being used to pay the purchase price for such Notes constitutes an asset of any “employee benefit plan” (as defined in Section 3(3) of ERISA) or “plan” (as defined in Section 4975(e)(1) of the Code) that is subject to Title I of ERISA or Section 4975 of the Code or any other employee benefit plan or plan which is subject to any federal, state or local law (“Similar Law”) that is substantially similar to Section 406 of ERISA or Section 4975 of the Code (each a “Benefit Plan”), or an entity whose underlying assets include plan assets of any such Benefit Plan, or (B) if the funds being used to pay the purchase price for such Notes include plan assets of any Benefit Plan, its purchase and holding will not constitute or result in a non-exempt prohibited transaction under Section 406 of ERISA or Section 4975 of the Code, or in the case of any Benefit Plan subject to Similar Law, will not constitute or result in a non-exempt violation of Similar Law.

Title to Notes shall pass by registration in the Register kept by the Trustee, acting through its Corporate Trust Office.

No service charge shall be made to a Holder for any registration of transfer or exchange of this Note, but the Trustee may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

No right or remedy conferred herein or in the Indenture upon or reserved to the Trustee or to the Holder hereof is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or thereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder or under the Indenture, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

This instrument may be executed in any number of counterparts, each of which so executed shall be deemed to be an original, but all such counterparts shall together constitute but one and the same instrument.

THE HOLDER OF THIS NOTE AGREES NOT TO CAUSE THE FILING OF A PETITION IN BANKRUPTCY AGAINST THE ISSUER, THE CO-ISSUER OR ANY PERMITTED SUBSIDIARY IN ANY APPLICABLE OR RELEVANT JURISDICTION UNTIL AT LEAST ONE YEAR AND ONE DAY (OR, IF LONGER, THE APPLICABLE PREFERENCE PERIOD THEN IN EFFECT), AFTER THE PAYMENT IN FULL OF ALL NOTES ISSUED UNDER THE INDENTURE.

AS PROVIDED IN THE INDENTURE, THE INDENTURE AND THE NOTES SHALL BE CONSTRUED IN ACCORDANCE WITH, AND GOVERNED BY, THE LAWS OF THE STATE OF NEW YORK APPLICABLE TO AGREEMENTS MADE AND TO BE PERFORMED THEREIN WITHOUT REGARD TO THE CONFLICT OF LAWS PRINCIPLES THEREOF.

Interest on the Class B Notes shall accrue at the Class B Note Interest Rate and shall be computed on the basis of the actual number of days in the related Interest Accrual Period divided by 360. The interest so payable on any Payment Date will, as provided in the Indenture, be paid to the Person in whose name this Note (or one or more predecessor Notes) is registered at the close of business on the Record Date for such interest, which shall be the fifteenth day (whether or not a Business Day) prior to the applicable Payment Date.

The obligations of the Issuer and the Co-Issuer under this Note and the Indenture are limited recourse obligations of the Issuer and non-recourse obligations of the Co-Issuer payable solely from the Loan Obligations and other Assets pledged by the Issuer as security for the Notes under the Indenture, and in the event the Loan Obligations and such other Assets are insufficient to satisfy such obligations, any claims of the Holders of the Notes shall be extinguished, all in accordance with the Indenture.

The payment of interest on this Note is senior to the payments of the principal of, and interest on, the Preferred Shares. Except as set forth in the Indenture, the payment of principal of this Note is subordinate to the payments of principal of and interest on the Class A Notes and no payments of principal on the Class B Notes will be made until the Class A Notes are paid in full. The principal of this Note shall be due and payable no later than the Stated Maturity Date unless the unpaid principal of such Note becomes due and payable at an earlier date by declaration of acceleration, call for redemption or otherwise; *provided, however*, that, except as set forth in the Indenture, the payment of principal of this Note may only occur after principal on the Class A Notes has been paid in full and is subordinated to the payment on each Payment Date of the principal and interest due and payable on the Class A Notes and other amounts in accordance with the Priority of Payments, all in accordance with the Indenture.

Payments in respect of principal and interest and any other amounts due on any Payment Date on this Note shall be payable by the Trustee or a Paying Agent, subject to any laws or regulations applicable thereto, by wire transfer in immediately available funds to a Dollar account maintained by the Holder or its nominee; *provided* that the Holder has provided wiring instructions to the Trustee on or before the related Record Date or, if wire transfer cannot be effected, by a Dollar check drawn on a bank in the United States, or by a Dollar check mailed to the Holder at its address in the Notes Register, as provided in the Indenture.

Interest will cease to accrue on this Note, or in the case of a partial repayment, on such part, from the date of repayment or the Stated Maturity Date, unless payment of principal is improperly withheld or unless a Default is otherwise made with respect to such payments of principal.

Notwithstanding the foregoing, the final payment of interest and principal due on this Note shall be made only upon presentation and surrender of this Note (except as otherwise provided in the Indenture) at the Corporate Trust Office of the Trustee or at the office of the Paying Agent.

The Holder of this Note shall be treated as the owner hereof for all purposes.

Except as specifically provided herein and in the Indenture, neither the Issuer nor the Co-Issuer shall be required to make any payment with respect to any tax, assessment or other governmental charge imposed by any government or any political subdivision or taxing authority thereof or therein.

Unless the certificate of authentication hereon has been executed by the Trustee or by the Authenticating Agent by the manual signature of one of their Authorized Officers, this Note shall not be entitled to any benefit under the Indenture or be valid or obligatory for any purpose.

This Note is one of a duly authorized issue of Class B Secured Floating Rate Notes Due 2024, of the Issuer and the Co-Issuer (the “Class B Notes”), limited in aggregate principal amount to U.S.\$24,250,000 issued under an indenture dated as of April 28, 2014 (the “Indenture”) by and among the Issuer, the Co-Issuer, U.S. Bank National Association, as trustee (in such capacity and together with any successor trustee permitted under the Indenture, the “Trustee”), paying agent, calculation agent, transfer agent, custodial securities intermediary, backup advancing agent and notes registrar and Arbor Realty SR, Inc., as advancing agent. Also authorized under the Indenture are (a) U.S. \$221,250,000 Class A Senior Secured Floating Rate Notes Due 2024, (the “Class A Notes”) and (b) U.S. \$35,750,000 Class C Secured Floating Rate Notes Due 2024, (the “Class C Notes” and, together with the Class A Notes and the Class B Notes, the “Notes”).

Concurrently with the issuance of the Notes, the Issuer also will issue preferred shares (the “Preferred Shares”), under the Issuer’s memorandum and articles of association as part of its issued share capital.

Reference is hereby made to the Indenture and all indentures supplemental thereto for a statement of the respective rights, limitations of rights, duties and immunities thereunder of the Issuer, the Co-Issuer, the Trustee, the Advancing Agent, the Holders of the Notes and the Preferred Shares and the terms upon which the Notes and the Preferred Shares are, and are to be, executed, authenticated and delivered.

Payments of principal of the Class B Notes shall be payable in accordance with Section 11.1(a) of the Indenture.

Capitalized terms used herein and not otherwise defined shall have the meanings set forth in the Indenture.

Pursuant to Section 9.1(a) of the Indenture, the Notes are subject to redemption by the Issuer at the direction of the Loan Obligation Manager (such redemption, a “Clean-up Call Redemption”), in whole but not in part, at a price equal to the applicable Redemption Price, upon notice given in the manner provided in the Indenture, on any Payment Date on or after the Payment Date on which the Aggregate Outstanding Amount of the Notes has been reduced to 10% of the Aggregate Outstanding Amount of the Notes on the Closing Date; *provided* that the funds available to be used for such redemption will be sufficient to pay the Total Redemption Price.

Pursuant to Section 9.1(b) of the Indenture, the Notes and the Preferred Shares shall be redeemable, in whole but not in part, by Act of a Majority of the Preferred Shares delivered to the Trustee, on the Payment Date following the occurrence of a Tax Event if the Tax Materiality Condition is satisfied at a price equal to the applicable Redemption Prices; *provided* that that the funds available to be used for such Tax Redemption will be sufficient to pay the Total Redemption Price.

Pursuant to Section 9.1(c) of the Indenture, the Notes and the Preferred Shares are subject to redemption, in whole but not in part, by the Issuer at a price equal to the applicable Redemption Prices, on any Payment Date occurring after the end of the Non-call Period at the direction of the Issuer (such redemption, an

“Optional Redemption”) by Act of a Majority of the Preferred Shares delivered to the Trustee; *provided* that the funds available to be used for such Optional Redemption will be sufficient to pay the Total Redemption Price.

Notes for whose redemption and payment provision is made in accordance with the Indenture shall cease to bear interest on the applicable Redemption Date (unless the Issuer shall default in the payment of the Redemption Price and accrued interest thereon).

Pursuant to Section 9.5 of the Indenture, if any of the Note Protection Tests applicable to any Class of Notes is not satisfied as of the most recent Measurement Date the Notes shall be redeemed in accordance with the Priority of Payments set forth in the Indenture, only, and to the extent necessary, to cause each of the Note Protection Tests to be satisfied.

If an Event of Default shall occur and be continuing, the Class B Notes may become or be declared due and payable in the manner and with the effect provided in the Indenture.

At any time after a declaration of acceleration of Maturity of the Notes has been made, and before a judgment or decree for payment of the amounts due has been obtained by the Trustee as provided in the Indenture, a Majority of each Class of Notes (voting as a separate Class), other than with respect to an Event of Default specified in Section 5.1(d), 5.1(e), 5.1(h) or 5.1(i) of the Indenture, by written notice to the Issuer, the Co-Issuer and the Trustee, may rescind and annul such declaration and its consequences if certain conditions set forth in the Indenture are satisfied.

The Indenture may be amended and supplemented under the circumstances, and in accordance with the conditions, set forth therein.

The Notes are issuable in minimum denominations of U.S.\$250,000 and integral multiples of \$500 in excess thereof.

The principal of each Note shall be payable on the Stated Maturity Date, unless the unpaid principal of such Note becomes due and payable at an earlier date by declaration of acceleration, call for redemption or otherwise.

The term “Issuer” as used in this Note includes any successor-in-interest to the Issuer under the Indenture and the term “Co-Issuer” as used in this Note includes any successor-in-interest to the Co-Issuer under the Indenture.

Each purchaser and any subsequent transferee of this Note or any interest herein shall, by virtue of its purchase or other acquisition of this Note or any interest herein, be deemed to have agreed to treat this Note as debt for U.S. federal income tax purposes.

In connection with the purchase of this Note, the Holder and each beneficial owner thereof agrees that: (A) none of the Co-Issuers, the Loan Obligation Manager, the CLO Servicer, the Lead Placement Agent, the European Co-Placement Agent, the Trustee, the Collateral Administrator or any of their respective affiliates is acting as a fiduciary or financial or investment advisor for such Holder or beneficial owner; (B) such Holder or beneficial owner is not relying (for purposes of making any investment decision or otherwise) upon any advice, counsel or representations (whether written or oral) of the Co-Issuers, the Loan Obligation Manager, the CLO Servicer, the Trustee, the Collateral Administrator, the Lead Placement Agent, the European Co-Placement Agent or any of their respective affiliates other than any statements in the final offering memorandum for such Notes, and such Holder or beneficial owner has read and understands such final offering memorandum; (C) such Holder or beneficial owner has consulted with its own legal, regulatory, tax, business, investment, financial and accounting advisors to the extent it has deemed necessary and has made its own investment decisions (including decisions regarding the suitability of any transaction pursuant to the Indenture) based upon its own judgment and upon any advice from such advisors as it has deemed necessary and not upon any view expressed by the Co-Issuers, the Loan Obligation Manager, the CLO Servicer, the Trustee, the Collateral Administrator, the Lead Placement Agent, the European Co-Placement Agent or any of their respective affiliates.

Each Holder, by its acquisition of an interest in the Notes, shall be deemed to have represented to the Issuer, the Co-Issuer, the Loan Obligation Manager, the CLO Servicer, the Lead Placement Agent, the European Co-Placement Agent and the Trustee that either (A) no part of the funds being used to pay the purchase price for such Notes constitutes an asset of any “employee benefit plan” (as defined in Section 3(3) of ERISA) or “plan” (as defined in Section 4975(e)(1) of the Code) that is subject to Title I of ERISA or Section 4975 of the Code or any other employee benefit plan or plan which is subject to any federal, state or local law (“Similar Law”) that is substantially similar to Section 406 of ERISA or Section 4975 of the Code (each a “Benefit Plan”), or an entity whose underlying assets include plan assets of any such Benefit Plan, or (B) if the funds being used to pay the purchase price for such Notes include plan assets of any Benefit Plan, its purchase and holding will not constitute or result in a non-exempt prohibited transaction under Section 406 of ERISA or Section 4975 of the Code, or in the case of any Benefit Plan subject to Similar Law, will not constitute or result in a non-exempt violation of Similar Law.

Title to Notes shall pass by registration in the Register kept by the Trustee, acting through its Corporate Trust Office.

No service charge shall be made to a Holder for any registration of transfer or exchange of this Note, but the Trustee may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

No right or remedy conferred herein or in the Indenture upon or reserved to the Trustee or to the Holder hereof is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or thereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder or under the Indenture, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

This instrument may be executed in any number of counterparts, each of which so executed shall be deemed to be an original, but all such counterparts shall together constitute but one and the same instrument.

THE HOLDER OF THIS NOTE AGREES NOT TO CAUSE THE FILING OF A PETITION IN BANKRUPTCY AGAINST THE ISSUER, THE CO-ISSUER OR ANY PERMITTED SUBSIDIARY IN ANY APPLICABLE OR RELEVANT JURISDICTION UNTIL AT LEAST ONE YEAR AND ONE DAY (OR, IF LONGER, THE APPLICABLE PREFERENCE PERIOD THEN IN EFFECT), AFTER THE PAYMENT IN FULL OF ALL NOTES ISSUED UNDER THE INDENTURE.

AS PROVIDED IN THE INDENTURE, THE INDENTURE AND THE NOTES SHALL BE CONSTRUED IN ACCORDANCE WITH, AND GOVERNED BY, THE LAWS OF THE STATE OF NEW YORK APPLICABLE TO AGREEMENTS MADE AND TO BE PERFORMED THEREIN WITHOUT REGARD TO THE CONFLICT OF LAWS PRINCIPLES THEREOF.

IN WITNESS WHEREOF, the Co-Issuers have caused this Note to be duly executed.

Notes for whose redemption and payment provision is made in accordance with the Indenture shall cease to bear interest on the applicable Redemption Date (unless the Issuer shall default in the payment of the Redemption Price and accrued interest thereon).

Pursuant to Section 9.5 of the Indenture, if any of the Note Protection Tests applicable to any Class of Notes is not satisfied as of the most recent Measurement Date the Notes shall be redeemed in accordance with the Priority of Payments set forth in the Indenture, only, and to the extent necessary, to cause each of the Note Protection Tests to be satisfied.

If an Event of Default shall occur and be continuing, the Class C Notes may become or be declared due and payable in the manner and with the effect provided in the Indenture.

At any time after a declaration of acceleration of Maturity of the Notes has been made, and before a judgment or decree for payment of the amounts due has been obtained by the Trustee as provided in the Indenture, a Majority of each Class of Notes (voting as a separate Class), other than with respect to an Event of Default specified in Section 5.1(d), 5.1(e), 5.1(h) or 5.1(i) of the Indenture, by written notice to the Issuer, the Co-Issuer and the Trustee, may rescind and annul such declaration and its consequences if certain conditions set forth in the Indenture are satisfied.

The Indenture may be amended and supplemented under the circumstances, and in accordance with the conditions, set forth therein.

The Notes are issuable in minimum denominations of U.S.\$250,000 and integral multiples of \$500 in excess thereof.

The principal of each Note shall be payable on the Stated Maturity Date, unless the unpaid principal of such Note becomes due and payable at an earlier date by declaration of acceleration, call for redemption or otherwise.

The term “Issuer” as used in this Note includes any successor-in-interest to the Issuer under the Indenture and the term “Co-Issuer” as used in this Note includes any successor-in-interest to the Co-Issuer under the Indenture.

Each purchaser and any subsequent transferee of this Note or any interest herein shall, by virtue of its purchase or other acquisition of this Note or any interest herein, be deemed to have agreed to treat this Note as debt for U.S. federal income tax purposes.

In connection with the purchase of this Note, the Holder and each beneficial owner thereof agrees that: (A) none of the Co-Issuers, the Loan Obligation Manager, the CLO Servicer, the Lead Placement Agent, the Trustee, the Collateral Administrator or any of their respective affiliates is acting as a fiduciary or financial or investment advisor for such Holder or beneficial owner; (B) such Holder or beneficial owner is not relying (for purposes of making any investment decision or otherwise) upon any advice, counsel or representations (whether written or oral) of the Co-Issuers, the Loan Obligation Manager, the CLO Servicer, the Trustee, the Collateral

Administrator, the Lead Placement Agent or any of their respective affiliates other than any statements in the final offering memorandum for such Notes, and such Holder or beneficial owner has read and understands such final offering memorandum; (C) such Holder or beneficial owner has consulted with its own legal, regulatory, tax, business, investment, financial and accounting advisors to the extent it has deemed necessary and has made its own investment decisions (including decisions regarding the suitability of any transaction pursuant to the Indenture) based upon its own judgment and upon any advice from such advisors as it has deemed necessary and not upon any view expressed by the Co-Issuers, the Loan Obligation Manager, the CLO Servicer, the Trustee, the Collateral Administrator, the Lead Placement Agent or any of their respective affiliates.

Each Holder, by its acquisition of an interest in the Notes, shall be deemed to have represented to the Issuer, the Co-Issuer, the Loan Obligation Manager, the CLO Servicer, the Lead Placement Agent and the Trustee that either (A) no part of the funds being used to pay the purchase price for such Notes constitutes an asset of any “employee benefit plan” (as defined in Section 3(3) of ERISA) or “plan” (as defined in Section 4975(e)(1) of the Code) that is subject to Title I of ERISA or Section 4975 of the Code or any other employee benefit plan or plan which is subject to any federal, state or local law (“Similar Law”) that is substantially similar to Section 406 of ERISA or Section 4975 of the Code (each a “Benefit Plan”), or an entity whose underlying assets include plan assets of any such Benefit Plan, or (B) if the funds being used to pay the purchase price for such Notes include plan assets of any Benefit Plan, its purchase and holding will not constitute or result in a non-exempt prohibited transaction under Section 406 of ERISA or Section 4975 of the Code, or in the case of any Benefit Plan subject to Similar Law, will not constitute or result in a non-exempt violation of Similar Law.

Title to Notes shall pass by registration in the Register kept by the Trustee, acting through its Corporate Trust Office.

No service charge shall be made to a Holder for any registration of transfer or exchange of this Note, but the Trustee may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

No right or remedy conferred herein or in the Indenture upon or reserved to the Trustee or to the Holder hereof is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or thereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder or under the Indenture, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

This instrument may be executed in any number of counterparts, each of which so executed shall be deemed to be an original, but all such counterparts shall together constitute but one and the same instrument.

THE HOLDER OF THIS NOTE AGREES NOT TO CAUSE THE FILING OF A PETITION IN BANKRUPTCY AGAINST THE ISSUER, THE CO-ISSUER OR ANY PERMITTED SUBSIDIARY IN ANY APPLICABLE OR RELEVANT JURISDICTION UNTIL AT LEAST ONE YEAR AND ONE DAY (OR, IF LONGER, THE APPLICABLE PREFERENCE PERIOD THEN IN EFFECT), AFTER THE PAYMENT IN FULL OF ALL NOTES ISSUED UNDER THE INDENTURE.

AS PROVIDED IN THE INDENTURE, THE INDENTURE AND THE NOTES SHALL BE CONSTRUED IN ACCORDANCE WITH, AND GOVERNED BY, THE LAWS OF THE STATE OF NEW YORK APPLICABLE TO AGREEMENTS MADE AND TO BE PERFORMED THEREIN WITHOUT REGARD TO THE CONFLICT OF LAWS PRINCIPLES THEREOF.

IN WITNESS WHEREOF, the Co-Issuers have caused this Note to be duly executed.

Each of ARBOR REALTY COLLATERALIZED LOAN OBLIGATION 2014-1, LTD., a Cayman Islands exempted company with limited liability (the “Issuer”) and ARBOR REALTY COLLATERALIZED LOAN OBLIGATION 2014-1, LLC, a Delaware limited liability company (the “Co-Issuer”) for value received, hereby promises to pay to [ ] or its registered assigns (a) upon presentation and surrender of this Note (except as otherwise permitted by the Indenture referred to below), the principal sum of [ ] United States Dollars (U.S.\$[ ]) on the Payment Date occurring in May 2024 (the “Stated Maturity Date”), to the extent not previously paid, in accordance with the Indenture referred to below unless the unpaid principal of this Note becomes due and payable at an earlier date by declaration of acceleration, call for redemption or otherwise and (b) the Class C Interest Distribution Amount allocable to this Note in accordance with the Indenture payable initially on June 15, 2014, and thereafter monthly on the 15<sup>th</sup> day of each calendar month (or if such day is not a Business Day, then on the next succeeding Business Day) (each, a “Payment Date”). Interest on the Class C Notes shall accrue at the Class C Note Interest Rate and shall be computed on the basis of the actual number of days in the related Interest Accrual Period divided by 360. The interest so payable on any Payment Date will, as provided in the Indenture, be paid to the Person in whose name this Note (or one or more predecessor Notes) is registered at the close of business on the Record Date for such interest, which shall be the fifteenth day (whether or not a Business Day) prior to the applicable Payment Date.

The obligations of the Issuer and the Co-Issuer under this Note and the Indenture are limited recourse obligations of the Issuer and non-recourse obligations of the Co-Issuer payable solely from the Loan Obligations and other Assets pledged by the Issuer as security for the Notes under the Indenture, and in the event the Loan Obligations and such other Assets are insufficient to satisfy such obligations, any claims of the Holders of the Notes shall be extinguished, all in accordance with the Indenture.

The payment of interest on this Note is senior to the payments of the principal of, and interest on, the Preferred Shares. Except as set forth in the Indenture, the payment of principal of this Note is subordinate to the payments of principal of and interest on the Class A Notes and the Class B Notes and no payments of principal on the Class C Notes will be made until the Class A Notes and the Class B Notes are paid in full. The principal of this Note shall be due and payable no later than the Stated Maturity Date unless the unpaid principal of such Note becomes due and payable at an earlier date by declaration of acceleration, call for redemption or otherwise; *provided, however*, that, except as set forth in the Indenture, the payment of principal of this Note may only occur after principal on the Class A Notes and the Class B Notes has been paid in full and is subordinated to the payment on each Payment Date of the principal and interest due and payable on the Class A Notes and the Class B Notes and other amounts in accordance with the Priority of Payments, all in accordance with the Indenture.

Payments in respect of principal and interest and any other amounts due on any Payment Date on this Note shall be payable by the Trustee or a Paying Agent, subject to any laws or regulations applicable thereto, by wire transfer in immediately available funds to a Dollar account maintained by the Holder or its nominee; *provided* that the Holder has provided wiring instructions to the Trustee on or before the related Record Date or, if wire transfer cannot be effected, by a Dollar check drawn on a bank in the United States, or by a Dollar check mailed to the Holder at its address in the Notes Register, as provided in the Indenture.

Interest will cease to accrue on this Note, or in the case of a partial repayment, on such part, from the date of repayment or the Stated Maturity Date, unless payment of principal is improperly withheld or unless a Default is otherwise made with respect to such payments of principal.

Notwithstanding the foregoing, the final payment of interest and principal due on this Note shall be made only upon presentation and surrender of this Note (except as otherwise provided in the Indenture) at the Corporate Trust Office of the Trustee or at the office of the Paying Agent.

The Holder of this Note shall be treated as the owner hereof for all purposes.

Except as specifically provided herein and in the Indenture, neither the Issuer nor the Co-Issuer shall be required to make any payment with respect to any tax, assessment or other governmental charge imposed by any government or any political subdivision or taxing authority thereof or therein.

Unless the certificate of authentication hereon has been executed by the Trustee or by the Authenticating Agent by the manual signature of one of their Authorized Officers, this Note shall not be entitled to any benefit under the Indenture or be valid or obligatory for any purpose.

This Note is one of a duly authorized issue of Class C Secured Floating Rate Notes Due 2024, of the Issuer and the Co-Issuer (the “Class C Notes”), limited in aggregate principal amount to U.S.\$35,750,000 issued under an indenture dated as of April 28, 2014 (the “Indenture”) by and among the Issuer, the Co-Issuer, U.S. Bank National Association, as trustee (in such capacity and together with any successor trustee permitted under the Indenture, the “Trustee”), paying agent, calculation agent, transfer agent, custodial securities intermediary, backup advancing agent and notes registrar and Arbor Realty SR, Inc., as advancing agent. Also authorized under the Indenture are (a) U.S. \$221,250,000 Class A Senior Secured Floating Rate Notes Due 2024, (the “Class A Notes”) and (b) U.S. \$24,250,000 Class B Secured Floating Rate Notes Due 2024, (the “Class B Notes” and, together with the Class A Notes and the Class C Notes, the “Notes”).

Concurrently with the issuance of the Notes, the Issuer also will issue preferred shares (the “Preferred Shares”), under the Issuer’s memorandum and articles of association as part of its issued share capital.

Reference is hereby made to the Indenture and all indentures supplemental thereto for a statement of the respective rights, limitations of rights, duties and immunities thereunder of the Issuer, the Co-Issuer, the Trustee, the Advancing Agent, the Holders of the Notes and the Preferred Shares and the terms upon which the Notes and the Preferred Shares are, and are to be, executed, authenticated and delivered.

Payments of principal of the Class C Notes shall be payable in accordance with Section 11.1(a) of the Indenture.

Capitalized terms used herein and not otherwise defined shall have the meanings set forth in the Indenture.

Pursuant to Section 9.1(a) of the Indenture, the Notes are subject to redemption by the Issuer at the direction of the Loan Obligation Manager (such redemption, a “Clean-up Call Redemption”), in whole but not in part, at a price equal to the applicable Redemption Price, upon notice given in the manner provided in the Indenture, on any Payment Date on or after the Payment Date on which the Aggregate Outstanding Amount of the Notes has been reduced to 10% of the Aggregate Outstanding Amount of the Notes on the Closing Date; *provided* that the funds available to be used for such redemption will be sufficient to pay the Total Redemption Price.

Pursuant to Section 9.1(b) of the Indenture, the Notes and the Preferred Shares shall be redeemable, in whole but not in part, by Act of a Majority of the Preferred Shares delivered to the Trustee, on the Payment Date following the occurrence of a Tax Event if the Tax Materiality Condition is satisfied at a price equal to the applicable Redemption Prices; *provided* that that the funds available to be used for such Tax Redemption will be sufficient to pay the Total Redemption Price.

Pursuant to Section 9.1(c) of the Indenture, the Notes and the Preferred Shares are subject to redemption, in whole but not in part, by the Issuer at a price equal to the applicable Redemption Prices, on any Payment Date occurring after the end of the Non-call Period at the direction of the Issuer (such redemption, an

“Optional Redemption”) by Act of a Majority of the Preferred Shares delivered to the Trustee; *provided* that the funds available to be used for such Optional Redemption will be sufficient to pay the Total Redemption Price.

Notes for whose redemption and payment provision is made in accordance with the Indenture shall cease to bear interest on the applicable Redemption Date (unless the Issuer shall default in the payment of the Redemption Price and accrued interest thereon).

Pursuant to Section 9.5 of the Indenture, if any of the Note Protection Tests applicable to any Class of Notes is not satisfied as of the most recent Measurement Date the Notes shall be redeemed in accordance with the Priority of Payments set forth in the Indenture, only, and to the extent necessary, to cause each of the Note Protection Tests to be satisfied.

If an Event of Default shall occur and be continuing, the Class C Notes may become or be declared due and payable in the manner and with the effect provided in the Indenture.

At any time after a declaration of acceleration of Maturity of the Notes has been made, and before a judgment or decree for payment of the amounts due has been obtained by the Trustee as provided in the Indenture, a Majority of each Class of Notes (voting as a separate Class), other than with respect to an Event of Default specified in Section 5.1(d), 5.1(e), 5.1(h) or 5.1(i) of the Indenture, by written notice to the Issuer, the Co-Issuer and the Trustee, may rescind and annul such declaration and its consequences if certain conditions set forth in the Indenture are satisfied.

The Indenture may be amended and supplemented under the circumstances, and in accordance with the conditions, set forth therein.

The Notes are issuable in minimum denominations of U.S.\$250,000 and integral multiples of \$500 in excess thereof.

The principal of each Note shall be payable on the Stated Maturity Date, unless the unpaid principal of such Note becomes due and payable at an earlier date by declaration of acceleration, call for redemption or otherwise.

The term “Issuer” as used in this Note includes any successor-in-interest to the Issuer under the Indenture and the term “Co-Issuer” as used in this Note includes any successor-in-interest to the Co-Issuer under the Indenture.

Each purchaser and any subsequent transferee of this Note or any interest herein shall, by virtue of its purchase or other acquisition of this Note or any interest herein, be deemed to have agreed to treat this Note as debt for U.S. federal income tax purposes.

In connection with the purchase of this Note, the Holder and each beneficial owner thereof agrees that: (A) none of the Co-Issuers, the Loan Obligation Manager, the CLO Servicer, the Lead Placement Agent, the Trustee, the Collateral Administrator or any of their respective affiliates is acting as a fiduciary or financial or investment advisor for such Holder or beneficial owner; (B) such Holder or beneficial owner is not relying (for purposes of making any investment decision or otherwise) upon any advice, counsel or representations (whether written or oral) of the Co-Issuers, the Loan Obligation Manager, the CLO Servicer, the Trustee, the Collateral Administrator, the Lead Placement Agent or any of their respective affiliates other than any statements in the final offering memorandum for such Notes, and such Holder or beneficial owner has read and understands such final offering memorandum; (C) such Holder or beneficial owner has consulted with its own legal, regulatory, tax, business, investment, financial and accounting advisors to the extent it has deemed necessary and has made its own investment decisions (including decisions regarding the suitability of any transaction pursuant to the Indenture) based upon its own judgment and upon any advice from such advisors as it has deemed necessary and not upon any view expressed by the Co-Issuers, the Loan Obligation Manager, the CLO Servicer, the Trustee, the Collateral Administrator, the Lead Placement Agent or any of their respective affiliates.

Each Holder, by its acquisition of an interest in the Notes, shall be deemed to have represented to the Issuer, the Co-Issuer, the Loan Obligation Manager, the CLO Servicer, the Lead Placement Agent and the Trustee that either (A) no part of the funds being used to pay the purchase price for such Notes constitutes an asset of any “employee benefit plan” (as defined in Section 3(3) of ERISA) or “plan” (as defined in Section 4975(e)(1) of the Code) that is subject to Title I of ERISA or Section 4975 of the Code or any other employee benefit plan or plan which is subject to any federal, state or local law (“Similar Law”) that is substantially similar to Section 406 of ERISA or Section 4975 of the Code (each a “Benefit Plan”), or an entity whose underlying assets include plan assets of any such Benefit Plan, or (B) if the funds being used to pay the purchase price for such Notes include plan assets of any Benefit Plan, its purchase and holding will not constitute or result in a non-exempt prohibited transaction under Section 406 of ERISA or Section 4975 of the Code, or in the case of any Benefit Plan subject to Similar Law, will not constitute or result in a non-exempt violation of Similar Law.

Title to Notes shall pass by registration in the Register kept by the Trustee, acting through its Corporate Trust Office.

No service charge shall be made to a Holder for any registration of transfer or exchange of this Note, but the Trustee may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

No right or remedy conferred herein or in the Indenture upon or reserved to the Trustee or to the Holder hereof is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or thereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder or under the Indenture, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

This instrument may be executed in any number of counterparts, each of which so executed shall be deemed to be an original, but all such counterparts shall together constitute but one and the same instrument.

THE HOLDER OF THIS NOTE AGREES NOT TO CAUSE THE FILING OF A PETITION IN BANKRUPTCY AGAINST THE ISSUER, THE CO-ISSUER OR ANY PERMITTED SUBSIDIARY IN ANY APPLICABLE OR RELEVANT JURISDICTION UNTIL AT LEAST ONE YEAR AND ONE DAY (OR, IF LONGER, THE APPLICABLE PREFERENCE PERIOD THEN IN EFFECT), AFTER THE PAYMENT IN FULL OF ALL NOTES ISSUED UNDER THE INDENTURE.

AS PROVIDED IN THE INDENTURE, THE INDENTURE AND THE NOTES SHALL BE CONSTRUED IN ACCORDANCE WITH, AND GOVERNED BY, THE LAWS OF THE STATE OF NEW YORK APPLICABLE TO AGREEMENTS MADE AND TO BE PERFORMED THEREIN WITHOUT REGARD TO THE CONFLICT OF LAWS PRINCIPLES THEREOF.

IN WITNESS WHEREOF, the Co-Issuers have caused this Note to be duly executed.

the Transferee understands that the Transferred Notes will bear the applicable legend set forth on such Transferred Notes;

the Transferee represents that either (a) it is not and is not investing on behalf of an "employee benefit plan" (as defined in Section 3(3) of ERISA) or "plan" (as defined in Section 4975(e)(1) of the Code) that is subject to Title I of ERISA or Section 4975 of the Code, or any other employee benefit plan or plan which is subject to any federal, state or local law ("Similar Law") that is substantially similar to Section 406 of ERISA or Section 4975 of the Code (each a "Benefit Plan") or an entity whose underlying assets include plan assets of any such Benefit Plan or (b) its purchase and holding of the Transferred Notes will not constitute or result in a non-exempt prohibited transaction under Section 406 of ERISA or Section 4975 of the Code, or, in the case of a Benefit Plan subject to Similar Law, do not result in a non-exempt violation of Similar Law;

Except to the extent permitted by the Securities Act and the 1940 Act and any rules thereunder as in effect and applicable at the time of any such offer, the Transferee will not, at any time, offer to buy or offer to sell the Transferred Notes by any form of general solicitation or advertising, including, but not limited to, any advertisement, article, notice or other communication published in any newspaper, magazine or similar medium or broadcast over television or radio or at a seminar or meeting whose attendees have been invited by general solicitations or advertising;

the Transferee is not a member of the public in the Cayman Islands, within the meaning of Section 175 of the Cayman Islands Companies Law (2013 Revision);

the Transferee understands that (A) the Issuer, the Co-Issuer, the Trustee or the Paying Agent will require certification acceptable to them (1) as a condition to the payment of principal of and interest on any Notes without, or at a reduced rate of, U.S. withholding or backup withholding tax, and (2) to enable the Issuer, the Co-Issuer, the Trustee and the Paying Agent to determine their duties and liabilities with respect to any taxes or other charges that they may be required to pay, deduct or withhold from payments in respect of such Notes or the holder of such Notes under any present or future law or regulation of the Cayman Islands or the United States or any present or future law or regulation of any political subdivision thereof or taxing authority therein or to comply with any reporting or other requirements under any such law or regulation, which certification may include U.S. federal income tax forms (such as IRS Form W-8BEN or W-8BEN-E (Certification of Foreign Status of Beneficial Owner), IRS Form W-8IMY (Certification of Foreign Intermediary Status), IRS Form W-9 (Request for Taxpayer Identification Number and Certification), or IRS Form W-8ECI (Certification of Foreign Person's Claim for Exemption from Withholding on Income Effectively Connected with Conduct of a U.S. Trade or Business) or any successors to such IRS forms); (B) the Issuer, the Co-Issuer, the Trustee or the Paying Agent may require certification acceptable to them to enable the Issuer to qualify for a reduced rate of withholding in any jurisdiction from or through which the Issuer receives payments on its assets; (C) if the Issuer is no longer a Qualified REIT Subsidiary but is instead considered to be a foreign corporation for U.S. federal income tax purposes, the Issuer, the Co-Issuer, the Trustee or the Paying Agent will require the Transferee to provide the Issuer, the Co-Issuer, the Trustee or the Paying Agent with any correct, complete and accurate information that may be required for the Issuer, the Co-Issuer, the Trustee or the Paying Agent to comply with FATCA requirements and will take any other actions necessary for the Issuer, the Co-Issuer, the Trustee or the Paying Agent to comply with FATCA requirements and, in the event the Transferee fails to provide such information or take such actions, (1) the Issuer, the Co-Issuer, the Trustee and the Paying Agent are authorized to withhold amounts otherwise distributable to the Transferee as compensation for any amount withheld from payments to the Issuer, the Co-Issuer, the Trustee or the Paying Agent as a result of such failure, (2) to the extent necessary to avoid an adverse effect on the Issuer or any other holder of Notes as a result of such failure, the Issuer, the Co-Issuer, the Trustee and the Paying Agent will have the right to compel the Transferee to sell its Notes or, if the Transferee does not sell its Notes within 10 Business Days after notice from the Issuer, the Co-Issuer, the Trustee or the Paying Agent, to sell such Notes at a public or private sale called and conducted in any manner permitted by law, and to remit the net proceeds of such sale (taking into account any taxes incurred by the Issuer in connection with such sale) to the Transferee as payment in full for such Notes and (3) the Issuer may also assign each such Note a separate CUSIP or CUSIPs in the Issuer's sole discretion; (D) if the Transferee is a "foreign financial institution" or other foreign financial entity subject to FATCA and does not provide the Issuer, Co-Issuer, Trustee or Paying Agent with evidence that it has complied with the applicable FATCA requirements, the Issuer, Co-Issuer, Trustee or Paying Agent will be required to withhold amounts under FATCA on payments to the Transferee; and (E) the Transferee agrees to provide any certification requested pursuant to this paragraph and to update or replace such form or certification in accordance with its terms or its subsequent amendments;

the Transferee acknowledges that it is its intent and that it understands it is the intent of the Issuer that, for purposes of U.S. federal, state and local income and franchise tax and any other income taxes, for so long as a direct or indirect wholly owned disregarded subsidiary of the Arbor Parent owns 100% of the Preferred Shares and the Issuer Ordinary Shares, the Issuer will be treated as a Qualified REIT Subsidiary and the Notes will be treated as indebtedness solely of the Arbor Parent; the Transferee agrees to such treatment and agrees to take no action inconsistent with such treatment;

the Transferee, if not a "United States person" (as defined in Section 7701(a)(30) of the Code), either: (A) is not a bank (within the meaning of Section 881(c)(3)(A) of the Code); (B) is a bank that has provided an IRS Form W-8ECI representing that all payments received or to be received by it from the Issuer are effectively connected with the conduct of a trade or business in the United States, or (C) is a bank and is eligible for benefits under an income tax treaty with the United States that eliminates U.S. federal income taxation of U.S. source interest not attributable to a permanent establishment in the United States

the Transferee understands that the Notes have not been approved or disapproved by the SEC or any other governmental authority or agency or any jurisdiction and that neither the SEC nor any other governmental authority or agency has passed upon the adequacy or accuracy of the final offering memorandum relating to the Notes. The Transferee further understands that any representation to the contrary is a criminal offense;

the Transferee will, prior to any sale, pledge or other transfer by such Transferee of any Note (or interest therein), obtain from the prospective transferee, and deliver to the Trustee, a duly executed transferee certificate addressed to each of the Trustee, the Issuer, the Co-Issuer and the Loan Obligation Manager in the form of the relevant exhibit attached to the Indenture, and such other certificates and other information as the Issuer, the Co-Issuer, the Loan Obligation Manager or the Trustee may reasonably require to confirm that the proposed transfer complies with the transfer restrictions contained in the Indenture;

the Transferee agrees that no Note may be purchased, sold, pledged or otherwise transferred in an amount less than the minimum denomination set forth in the Indenture. In addition, the Transferee understands that the Notes will be transferable only upon registration of the transferee in the Notes Register of the Issuer following delivery to the Notes Registrar of a duly executed transfer certificate and any other certificates and other information required by the Indenture;

the Transferee is aware and agrees that no Note (or beneficial interest therein) may be reoffered, resold, pledged or otherwise transferred (i) to a transferee taking delivery of such Note represented by a Rule 144A Global Security except (A) to a transferee that the Transferee reasonably believes is a QIB, purchasing for its account or the account of another QIB, to which notice is given that the resale, pledge or other transfer is being made in reliance on the exemption from the registration requirements of the Securities Act provided by Rule 144A or another person the sale to which is exempt under the Securities Act, (B) to a transferee that is a Qualified Purchaser, and (C) if such transfer is made in accordance with any applicable securities laws of any state of the United States and any other relevant jurisdiction, (ii) to a transferee taking delivery of such Note represented by a Regulation S Global Security except (A) to a transferee that is a non-U.S. Person acquiring such interest in an Offshore Transaction in accordance with Rule 903 or Rule 904 of Regulation S, (B) to a transferee that is not a U.S. resident (within the meaning of the 1940 Act) unless such transferee is a Qualified Purchaser, (C) such transfer is made in compliance with the other requirements set forth in the Indenture and (D) if such transfer is made in accordance with any applicable securities laws of any state of the United States and any other jurisdiction or (iii) if such transfer would have the effect of requiring the Issuer, the Co-Issuer or the pool of Assets to register as an "investment company" under the 1940 Act;

the Transferee understands that there is no assurance that the Notes will be approved for listing or that such listing will be maintained and that there is no secondary market for the Notes and that no assurances can be given as to the liquidity of any trading market for the Notes and that it is unlikely that a trading market for the Notes will develop. The Transferee further understands that, although the Lead Placement Agent may from time to time make a market in the Notes, the Lead Placement Agent is not under any obligation to do so and, following the commencement of any market-making, may discontinue the same at any time. Accordingly, the Transferee must be prepared to hold the Notes until the Stated Maturity Date;

the Transferee agrees that (i) any sale, pledge or other transfer of a Note (or any beneficial interest therein) made in violation of the transfer restrictions contained in the Indenture, or made based upon any false or inaccurate representation made by the Transferee or a transferee to the Issuer, the Trustee or the Notes Registrar, will be void and of no force or effect and (ii) none of the Issuer, the Trustee and the Notes Registrar has any obligation to recognize any sale, pledge or other transfer of a Note (or any beneficial interest therein) made in violation of any such transfer restriction or made based upon any such false or inaccurate representation;

the Transferee approves and consents to any direct trades between the Issuer and the Loan Obligation Manager and/or its affiliates that is permitted under the terms of the Indenture and the Loan Obligation Management Agreement; and

the Transferee acknowledges that the Issuer, the Co-Issuer, the Trustee, the Notes Registrar, the Loan Obligation Manager, the Placement Agents and others will rely upon the truth and accuracy of the foregoing acknowledgments, representations and agreements and agrees that, if any of the acknowledgments, representations or warranties made or deemed to have been made by it in connection with its purchase of the Notes are no longer accurate, the Transferee will promptly notify the Issuer, the Co-Issuer, the Trustee, Notes Registrar, the Loan Obligation Manager and the Placement Agents.

the Notes will bear a legend to the following effect unless the Issuer and the Co-Issuer determine otherwise in compliance with applicable law:

the Transferee understands that the Notes have not been approved or disapproved by the SEC or any other governmental authority or agency or any jurisdiction and that neither the SEC nor any other governmental authority or agency has passed upon the adequacy or accuracy of the final offering memorandum relating to the Notes. The Transferee further understands that any representation to the contrary is a criminal offense;

the Transferee will, prior to any sale, pledge or other transfer by such Transferee of any Note (or interest therein), obtain from the prospective transferee, and deliver to the Trustee, a duly executed transferee certificate addressed to each of the Trustee, the Issuer, the Co-Issuer and the Loan Obligation Manager in the form of the relevant exhibit attached to the Indenture, and such other certificates and other information as the Issuer, the Co-Issuer, the Loan Obligation Manager or the Trustee may reasonably require to confirm that the proposed transfer complies with the transfer restrictions contained in the Indenture;

the Transferee agrees that no Note may be purchased, sold, pledged or otherwise transferred in an amount less than the minimum denomination set forth in the Indenture. In addition, the Transferee understands that the Notes will be transferable only upon registration of the transferee in the Notes Register of the Issuer following delivery to the Notes Registrar of a duly executed transfer certificate and any other certificates and other information required by the Indenture;

the Transferee is aware and agrees that no Note (or beneficial interest therein) may be reoffered, resold, pledged or otherwise transferred (i) to a transferee taking delivery of such Note represented by a Rule 144A Global Security except (A) to a transferee that the Transferee reasonably believes is a QIB, purchasing for its account or the account of another QIB, to which notice is given that the resale, pledge or other transfer is being made in reliance on the exemption from the registration requirements of the Securities Act provided by Rule 144A or another person the sale to which is exempt under the Securities Act, (B) to a transferee that is a Qualified Purchaser, and (C) if such transfer is made in accordance with any applicable securities laws of any state of the United States and any other relevant jurisdiction, (ii) to a transferee taking delivery of such Note represented by a Regulation S Global Security except (A) to a transferee that is a non-U.S. Person acquiring such interest in an Offshore Transaction in accordance with Rule 903 or Rule 904 of Regulation S, (B) to a transferee that is not a U.S. resident (within the meaning of the 1940 Act) unless such transferee is a Qualified Purchaser, (C) such transfer is made in compliance with the other requirements set forth in the Indenture and (D) if such transfer is made in accordance with any applicable securities laws of any state of the United States and any other jurisdiction or (iii) if such transfer would have the effect of requiring the Issuer, the Co-Issuer or the pool of Assets to register as an “investment company” under the 1940 Act;

the Transferee understands that there is no assurance that the Notes will be approved for listing or that such listing will be maintained and that there is no secondary market for the Notes and that no assurances can be given as to the liquidity of any trading market for the Notes and that it is unlikely that a trading market for the Notes will develop. The Transferee further understands that, although the Lead Placement Agent may from time to time make a market in the Notes, the Lead Placement Agent is not under any obligation to do so and, following the commencement of any market-making, may discontinue the same at any time. Accordingly, the Transferee must be prepared to hold the Notes until the Stated Maturity Date;

the Transferee agrees that (i) any sale, pledge or other transfer of a Note (or any beneficial interest therein) made in violation of the transfer restrictions contained in the Indenture, or made based upon any false or inaccurate representation made by the Transferee or a transferee to the Issuer, the Trustee or the Notes Registrar, will be void and of no force or effect and (ii) none of the Issuer, the Trustee and the Notes Registrar has any obligation to recognize any sale, pledge or other transfer of a Note (or any beneficial interest therein) made in violation of any such transfer restriction or made based upon any such false or inaccurate representation;

the Transferee approves and consents to any direct trades between the Issuer and the Loan Obligation Manager and/or its affiliates that is permitted under the terms of the Indenture and the Loan Obligation Management Agreement;

the Transferee acknowledges that the Issuer, the Co-Issuer, the Trustee, the Notes Registrar, the Loan Obligation Manager, the Placement Agents and others will rely upon the truth and accuracy of the foregoing acknowledgments, representations and agreements and agrees that, if any of the acknowledgments, representations or warranties made or deemed to have been made by it in connection with its purchase of the Notes are no longer accurate, the Transferee will promptly notify the Issuer, the Co-Issuer, the Trustee, Notes Registrar, the Loan Obligation Manager and the Placement Agents; and

the Notes will bear a legend to the following effect unless the Issuer and the Co-Issuer determine otherwise in compliance with applicable law:

Reference is hereby made to the Indenture dated as of April 28, 2014 (the “Indenture”), by and among Arbor Realty Collateralized Loan Obligation 2014-1, Ltd., as Issuer and Arbor Realty Collateralized Loan Obligation 2014-1, LLC, as Co-Issuer of the Class A Notes, the Class B Notes and the Class C Notes, U.S. Bank National Association, as Trustee, and Arbor Realty SR, Inc., as Advancing Agent. Capitalized terms used but not defined herein will have the meanings assigned to such terms in the Indenture and if not defined in the Indenture then such terms will have the meanings assigned to them in Regulation S (“Regulation S”), or Rule 144A (“Rule 144A”), under the United States Securities Act of 1933, as amended (the “Securities Act”), and the rules promulgated thereunder, or as defined under the Investment Company Act of 1940, as amended (the “1940 Act”), and the rules promulgated thereunder.

This letter relates to the transfer of U.S.\$[•] aggregate principal amount of [Class A][Class B][Class C] Notes being transferred in exchange for a Definitive Note of the same Class in the name of [name of transferee] (the “Transferee”).

In connection with such request, the Transferee hereby certifies that such transfer has been effected in accordance with the transfer restrictions set forth in the Indenture and the Offering Memorandum dated April 17, 2014 and hereby represents, warrants and agrees for the benefit of the Issuer, the Co-Issuer and the Trustee that:

(i) the Transferee is an institution that is an “accredited investor” as defined in Rule 501(a)(1), (2), (3) or (7) of Regulation D under the Securities Act or any entity in which all of the equity owners are such “accredited investors” (an “IAI”) who is also a “qualified purchaser” as defined in Section 2(a)(51) of the 1940 Act and the rules promulgated thereunder (a “Qualified Purchaser”);

(ii) the Transferee is acquiring the Notes for its own account (and not for the account of any other Person) in a minimum denomination of U.S.\$250,000 and in integral multiples of U.S.\$500 in excess thereof;

(iii) the Transferee understands that the Notes have not been and will not be registered or qualified under the Securities Act or the securities laws of any state or other jurisdiction, and, if in the future the Transferee decides to reoffer, resell, pledge or otherwise transfer the Notes, such Notes may be reoffered, resold, pledged or otherwise transferred only in accordance with the provisions of the Indenture and the legends on such Notes, including the requirement for written certifications. In particular, the Transferee understands that the Notes may be transferred only to a person that is either (a) a Qualified Purchaser or a corporation, partnership, limited liability company or other entity (other than a trust), each shareholder, partner, member or other equity owner of which is a Qualified Purchaser, that in each case is either (i) a “qualified institutional buyer” as defined in Rule 144A (a “QIB”) who purchases such Notes in reliance on the exemption from Securities Act registration provided by Rule 144A, or (ii) solely in the case of Notes that are issued in the form of Definitive Securities, an IAI; or (b) a person that is not a “U.S. person” as defined in Regulation S (a “U.S. Person”), and is acquiring the Notes in an “offshore transaction” as defined in Regulation S (an “Offshore Transaction”), in reliance on the exemption from registration provided by

Regulation S. The Transferee acknowledges that no representation is made as to the availability of any exemption from registration or qualification under the Securities Act or any state or other securities laws for resale of the Notes;

(iv) in connection with the Transferee's purchase of the Notes: (a) none of the Issuer, the Co-Issuer, the Placement Agents, the Loan Obligation Manager, the Trustee, the Collateral Administrator or any of their respective affiliates is acting as a fiduciary or financial or investment adviser for the Transferee; (b) the Transferee is not relying (for purposes of making any investment decision or otherwise) upon any written or oral advice, counsel or representations of the Issuer, the Co-Issuer, the Placement Agents, the Loan Obligation Manager, the Trustee, the Collateral Administrator or any of their respective affiliates, other than any statements in the final offering memorandum relating to such Transferred Notes and any representations expressly set forth in a written agreement with such party; (c) the Transferee has read and understands the final offering memorandum relating to such Transferred Notes (including, without limitation, the descriptions therein of the structure of the transaction in which such Transferred Notes are being issued and the risks to purchasers of the Transferred Notes); (d) none of the Issuer, the Co-Issuer, the Placement Agents, the Loan Obligation Manager, the Trustee, the Collateral Administrator or any of their respective affiliates has given to the Transferee (directly or indirectly through any other person) any assurance, guarantee, or representation whatsoever as to the expected or projected success, profitability, return, performance, result, effect, consequence, or benefit (including legal, regulatory, tax, financial, accounting, or otherwise) of the Transferee's purchase of the Transferred Notes; (e) the Transferee has consulted with its own legal, regulatory, tax, business, investment, financial, accounting and other advisers to the extent it has deemed necessary, and has made its own investment decisions (including decisions regarding the suitability of any transaction pursuant to the Indenture) based upon its own judgment and upon any advice from such advisers as it has deemed necessary and not upon any view expressed by the Issuer, the Co-Issuer, the Placement Agents, the Loan Obligation Manager, the Trustee, the Collateral Administrator or any of their respective affiliates; (f) the Transferee will hold and transfer at least the minimum denomination of such Transferred Notes; (g) the Transferee was not formed for the purpose of investing in the Transferred Notes; and (h) the Transferee is a sophisticated investor and is purchasing the Transferred Notes with a full understanding of all of the terms, conditions and risks thereof (economic and otherwise), and it is capable of assuming and willing to assume those risks;

(v) the Transferee is acquiring the Notes as principal solely for its own account for investment and not with a view to the resale, distribution or other disposition thereof in violation of the Securities Act or the securities laws of any state or other jurisdiction; it is not a (A) partnership, (B) common trust fund, or (C) special trust, pension, profit-sharing or other retirement trust fund or plan in which the partners, beneficiaries or participants may designate the particular investments to be made; it agrees that it shall not hold any Notes for the benefit of any other person, that it shall at all times be the sole beneficial owner thereof for purposes of the 1940 Act and all other purposes and that it shall not sell participation interests in the Notes or enter into any other arrangement pursuant to which any other person shall be entitled to a beneficial interest in the distributions on the Notes;

(vi) the Transferee represents that either (a) it is not and is not investing on behalf of an “*employee benefit plan*” (as defined in Section 3(3) of ERISA) or “*plan*” (as defined in Section 4975(e)(1) of the Code) that is subject to Title I of ERISA or Section 4975 of the Code, or any other employee benefit plan or plan which is subject to any federal, state or local law (“*Similar Law*”) that is substantially similar to Section 406 of ERISA or Section 4975 of the Code (each a “*Benefit Plan*”) or an entity whose underlying assets include plan assets of any such Benefit Plan or (b) its purchase and holding of the Transferred Notes will not constitute or result in a non-exempt prohibited transaction under Section 406 of ERISA or Section 4975 of the Code, or, in the case of a Benefit Plan subject to Similar Law, do not result in a non-exempt violation of Similar Law;

(vii) the Transferee will treat its Notes as debt of the Issuer for United States federal and, to the extent permitted by law, state and local income and franchise tax purposes unless otherwise required by any relevant taxing authority;

(viii) the Transferee is a “United States person” within the meaning of Section 7701(a)(30) of the Code, and has submitted a properly completed and signed IRS Form W-9 containing its name, address and U.S. taxpayer identification number (or applicable successor form); or it is not a “United States person” within the meaning of Section 7701(a)(30) of the Code, and has submitted a properly completed and signed applicable IRS Form W-8 (or applicable successor form);

(ix) the Transferee acknowledges that it is its intent and that it understands it is the intent of the Issuer that, for purposes of U.S. federal, state and local income and franchise tax and any other income taxes, for so long as a direct or indirect wholly owned disregarded subsidiary of the Arbor Parent owns 100% of the Preferred Shares and the Issuer Ordinary Shares, the Issuer will be treated as a Qualified REIT Subsidiary and the Notes will be treated as indebtedness solely of the Arbor Parent; the Transferee agrees to such treatment and agrees to take no action inconsistent with such treatment;

(x) the Transferee is not a “United States person” (as defined in Section 7701(a)(30) of the Code), it hereby represents that (i) either (A) it is not a bank extending credit pursuant to a loan agreement entered into in the ordinary course of its trade or business (within the meaning of Section 881(c)(3)(A) of the Code), a 10% shareholder of the Issuer within the meaning of Section 871(h)(3) of the Code or a controlled foreign corporation within the meaning of Section 957(a) of the Code that is related to the Issuer within the meaning of Section 881(c)(3) of the Code, or (B) it is a person that is eligible for benefits under an income tax treaty with the United States that completely eliminates U.S. federal income taxation of U.S. source interest not attributable to a permanent establishment in the United States, and (ii) it is not purchasing the Notes in order to reduce its U.S. federal income tax liability pursuant to a tax avoidance plan;

(xi) the Transferee understands that (A) the Issuer, the Co-Issuer, the Trustee or the Paying Agent will require certification acceptable to them (1) as a condition to the payment of principal of and interest on any Notes without, or at a reduced rate of, U.S. withholding or backup withholding tax, and (2) to enable the Issuer, the Co-Issuer, the Trustee and the Paying Agent to determine their duties and liabilities with respect to any taxes or other charges that they may be required to pay, deduct or withhold from payments in respect of such Notes or the holder of such Notes under any present or future law or regulation of the Cayman Islands or the United States or any present or future law or regulation of any political subdivision thereof or taxing authority therein or to comply with any reporting or other requirements under any such law or regulation, which certification may include U.S. federal income tax forms (such as IRS Form W-8BEN or W-8BEN-E (Certification of Foreign Status of Beneficial Owner), IRS Form W-8IMY (Certification of Foreign Intermediary Status), IRS Form W-9 (Request for Taxpayer Identification Number and Certification), or IRS Form W-8ECI (Certification of Foreign Person’s Claim for Exemption from Withholding on Income Effectively Connected with Conduct of a U.S. Trade or Business) or any successors to such IRS forms); (B) the Issuer, the Co-Issuer, the Trustee or the Paying Agent may require certification acceptable to them to enable the Issuer to qualify for a reduced rate of withholding in any jurisdiction from or through which the Issuer receives payments on its assets; (C) if the Issuer is no longer a Qualified REIT Subsidiary but is instead considered to be a foreign corporation for U.S. federal income tax purposes, the Issuer, the Co-Issuer, the Trustee or the Paying Agent will require the Transferee to provide the Issuer, the Co-Issuer, the Trustee or the Paying Agent with any correct, complete and accurate information that may be required for the Issuer, the Co-Issuer, the Trustee or the Paying Agent to comply with FATCA requirements and will take any other actions necessary for the Issuer, the Co-Issuer, the Trustee or the Paying Agent to comply with FATCA requirements and, in the event the Transferee fails to provide such information or take such actions, (1) the Issuer, the Co-Issuer, the Trustee and the Paying Agent are authorized to withhold amounts otherwise distributable to the Transferee as compensation for any amount withheld from payments to the Issuer, the Co-Issuer, the Trustee or the Paying Agent as a result of such failure, (2) to the extent necessary to avoid an adverse effect on the Issuer or any other holder of Notes as a result of such failure, the Issuer, the Co-Issuer, the Trustee and the Paying Agent will have the right to compel the Transferee to sell its Notes or, if the Transferee does not sell its Notes within 10 Business Days after notice from the Issuer, the Co-Issuer, the Trustee or the Paying Agent, to sell such Notes at a public or private sale called and conducted in any manner permitted by law, and to remit the net proceeds of such sale (taking into account any taxes incurred by the Issuer in connection with such sale) to the Transferee as payment in full for such Notes and (3) the Issuer may also assign each such Note a separate CUSIP or CUSIPs in the Issuer’s sole discretion; (D) if the Transferee is a “foreign financial institution” or other foreign financial entity subject to FATCA and does not provide the Issuer, Co-Issuer, Trustee or Paying Agent with evidence that it has complied with the applicable FATCA requirements, the Issuer, Co-Issuer, Trustee or Paying Agent will be required to withhold amounts under FATCA on payments to the Transferee; and (E) the Transferee agrees to provide any certification requested pursuant to this paragraph and to update or replace such form or certification in accordance with its terms or its subsequent amendments;

(xii) the Transferee agrees not to seek to commence in respect of the Issuer, or cause the Issuer to commence, a bankruptcy proceeding before a year and a day has elapsed since the payment in full to the holders of

the Notes issued pursuant to the Indenture or, if longer, the applicable preference period (plus one day) then in effect;

(xiii) the Transferee acknowledges that, to the extent required by the Issuer, as determined by the Issuer or the Loan Obligation Manager on behalf of the Issuer, the Issuer may, upon notice to the Trustee, impose additional transfer restrictions on the Notes to comply with the Uniting and Strengthening America by Providing Appropriate Tools Required to Intercept and Obstruct Terrorism Act of 2001 (the “USA PATRIOT Act”) and other similar laws or regulations, including, without limitation, requiring each transferee of a Note to make representations to the Issuer in connection with such compliance;

(xiv) the Transferee acknowledges that, each investor or prospective investor will be required to make such representations to the Issuer, as determined by the Issuer or the Loan Obligation Manager on behalf of the Issuer, as the Issuer will require in connection with applicable AML/OFAC obligations, including, without limitation, representations to the Issuer that such investor or prospective investor (or any person controlling or controlled by the investor or prospective investor; if the investor or prospective investor is a privately held entity, any person having a beneficial interest in the investor or prospective investor; or any person for whom the investor or prospective investor is acting as agent or nominee in connection with the investment) is not (i) an individual or entity named on any available lists of known or suspected terrorists, terrorist organizations or of other sanctioned persons issued by the United States government and the government(s) of any jurisdiction(s) in which the Partnership is doing business, including the List of Specially Designated Nationals and Blocked Persons administered by OFAC, as such list may be amended from time to time; (ii) an individual or entity otherwise prohibited by the OFAC sanctions programs; or (iii) a current or former senior foreign political figure or politically exposed person, or an immediate family member or close associate of such an individual. Further, such investor or prospective investor must represent to the Issuer that it is not a prohibited foreign shell bank;

(xv) the Transferee acknowledges that, each investor or prospective investor will also be required to represent to the Issuer that amounts invested with the Issuer were not directly or indirectly derived from activities that may contravene U.S. Federal, state or international laws and regulations, including, without limitation, any applicable anti-money laundering laws and regulations;

(xvi) the Transferee acknowledges that, by law, the Issuer, the Placement Agents, the Loan Obligation Manager or other service providers acting on behalf of the Issuer, may be obligated to “freeze” any investment in a Note by such investor. The Issuer, the Placement Agents, the Loan Obligation Manager or other service providers acting on behalf of the Issuer may also be required to report such action and to disclose the investor’s identity to OFAC or other applicable governmental and regulatory authorities;

(xvii) the Transferee understands that the Issuer, the Trustee and the Placement Agents will rely upon the accuracy and truth of the foregoing representations, and it hereby consents to such reliance; and

(xviii) the Definitive Notes will bear a legend to the following effect unless the Issuer and the Co-Issuer determine otherwise in compliance with applicable law:

THIS NOTE HAS NOT BEEN AND WILL NOT BE REGISTERED OR QUALIFIED UNDER THE UNITED STATES SECURITIES ACT OF 1933, AS AMENDED (THE “SECURITIES ACT”), OR THE SECURITIES LAWS OF ANY STATE OF THE UNITED STATES OR OTHER JURISDICTION, AND NEITHER THE ISSUER NOR THE CO-ISSUER HAS BEEN REGISTERED UNDER THE UNITED STATES INVESTMENT COMPANY ACT OF 1940, AS AMENDED (THE “1940 ACT”). THIS NOTE MAY NOT BE OFFERED, SOLD, PLEDGED OR OTHERWISE TRANSFERRED, EXCEPT: (A)(X) EITHER (1) TO A “QUALIFIED INSTITUTIONAL BUYER” (A “QIB”), AS DEFINED IN RULE 144A UNDER THE SECURITIES ACT (“RULE 144A”) OR (2) AN INSTITUTION THAT IS AN “ACCREDITED INVESTOR” (WITHIN THE MEANING OF RULE 501(a)(1), (2), (3) OR (7) OF REGULATION D UNDER THE SECURITIES ACT) OR ANY ENTITY IN WHICH ALL OF THE EQUITY OWNERS ARE SUCH “ACCREDITED INVESTORS”, AND (Y) WHO IS A “QUALIFIED PURCHASER” AS DEFINED IN SECTION 2(a)(51) OF THE 1940 ACT AND THE RULES THEREUNDER (A “QUALIFIED PURCHASER”) AND IS EITHER PURCHASING FOR ITS OWN ACCOUNT OR FOR THE ACCOUNT OF A QIB WHO IS A QUALIFIED PURCHASER, IN A PRINCIPAL AMOUNT OF NOT LESS THAN U.S.\$250,000 (AND INTEGRAL MULTIPLES OF U.S.\$500 IN EXCESS THEREOF) FOR THE PURCHASER AND FOR EACH SUCH ACCOUNT, IN A TRANSACTION

## Representations and Warranties

All capitalized terms used in this schedule to Exhibit I will have the meanings assigned to such terms in the Loan Obligation Purchase Agreement.

- (A) Whole Loan; Ownership of Loan Obligations. Except for the Loan Obligation identified in Annex A to the Offering Memorandum as a Senior Participation, each Closing Date Loan Obligation is a whole loan and not a participation interest in a Mortgage Loan. Each Additional Loan Obligation and Replacement Loan Obligation that is a Senior Participation is a senior portion (or a pari passu interest in a senior portion) of a whole mortgage loan. At the time of the sale, transfer and assignment to Purchaser, no Note, Mortgage or Senior Participation was subject to any assignment (other than assignments to the Seller), participation (other than with respect to the Senior Participations) or pledge, and the Seller had good title to, and was the sole owner of, each Loan Obligation free and clear of any and all liens, charges, pledges, encumbrances, participations (other than with respect to the Senior Participations), any other ownership interests on, in or to such Loan Obligation other than any servicing rights appointment or similar agreement. Seller has full right and authority to sell, assign and transfer each Loan Obligation, and the assignment to Purchaser constitutes a legal, valid and binding assignment of such Loan Obligation free and clear of any and all liens, pledges, charges or security interests of any nature encumbering such Loan Obligation.
- (B) Loan Document Status. Each related Note, Mortgage, Assignment of Leases, Rents and Profits (if a separate instrument), guaranty and other agreement executed by or on behalf of the related borrower, guarantor or other obligor in connection with such Mortgage Loan is the legal, valid and binding obligation of the related borrower, guarantor or other obligor (subject to any non-recourse provisions contained in any of the foregoing agreements and any applicable state anti-deficiency or market value limit deficiency legislation), as applicable, and is enforceable in accordance with its terms, except (i) as such enforcement may be limited by (a) bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium or other similar laws affecting the enforcement of creditors' rights generally and (b) general principles of equity (regardless of whether such enforcement is considered in a proceeding in equity or at law) and (ii) that certain provisions in such Loan Documents (including, without limitation, provisions requiring the payment of default interest, late fees or prepayment/yield maintenance or prepayment fees, charges and/or premiums) are, or may be, further limited or rendered unenforceable by or under applicable law, but (subject to the limitations set forth in clause (i) above) such limitations or unenforceability will not render such Loan Documents invalid as a whole or materially interfere with the mortgagee's realization of the principal benefits and/or security provided thereby (clauses (i) and (ii) collectively, the "Standard Qualifications").
- Except as set forth in the immediately preceding sentences, there is no valid offset, defense, counterclaim or right of rescission available to the related borrower with respect to any of the related Notes, Mortgages or other Loan Documents, including, without limitation, any such valid offset, defense, counterclaim or right based on intentional fraud by Seller in connection with the origination of the Mortgage Loan, that would deny the mortgagee the principal benefits intended to be provided by the Note, Mortgage or other Loan Documents.
- (C) Mortgage Provisions. The Loan Documents for each Mortgage Loan contain provisions that render the rights and remedies of the holder thereof adequate for the practical realization against the Mortgaged Property of the principal benefits of the security intended to be provided thereby, including realization by judicial or, if applicable, nonjudicial foreclosure subject to the limitations set forth in the Standard Qualifications.
- (D) Mortgage Status; Waivers and Modifications. Since origination and except prior to the Cut-off Date by written instruments set forth in the related Mortgage File (a) the material terms of such Mortgage, Note, Mortgage Loan guaranty, participation agreement, if applicable, and related Loan Documents have not been waived, impaired, modified, altered, satisfied, canceled, subordinated or rescinded in any respect which materially interferes with the security intended to be provided by such Mortgage; (b) no related

Mortgaged Property or any portion thereof has been released from the lien of the related Mortgage in any manner which materially interferes with the security intended to be provided by such Mortgage or the use or operation of the remaining portion of such Mortgaged Property; and (c) neither the related borrower nor the related guarantor nor the related Participating Institution has been released from its material obligations under the Mortgage Loan or participation agreement, if applicable.

- (E) Lien; Valid Assignment. Subject to the Standard Qualifications, each assignment of Mortgage and assignment of Assignment of Leases, Rents and Profits from the Seller constitutes a legal, valid and binding assignment from the Seller. Each related Mortgage is a legal, valid and enforceable first lien on the related borrower's fee or leasehold interest in the Mortgaged Property in the principal amount of such Mortgage Loan or allocated loan amount subject to the Title Exceptions, Permitted Encumbrances and Standard Qualifications (each as defined herein). Each related Assignment of Mortgage and Assignment of Leases, Rents and Profits from the Seller to the Purchaser constitutes the legal, valid and binding first priority assignment from the Seller, except as such enforcement may be limited by the Standard Qualifications, any Permitted Encumbrances and any Title Exceptions (as defined herein). Each Mortgage and Assignment of Leases, Rents and Profits is freely assignable. Notwithstanding anything herein to the contrary, no representation is made as to the perfection of any security interest in rents or other personal property to the extent that possession or control of such items or actions other than the filing of Uniform Commercial Code ("UCC") financing statements is required in order to effect such perfection.
- (F) Permitted Liens; Title Insurance. Each Mortgaged Property securing a Mortgage Loan is covered by an American Land Title Association loan title insurance policy or a comparable form of loan title insurance policy approved for use in the applicable jurisdiction (or, if such policy is yet to be issued, by a pro forma policy, a preliminary title policy with escrow instructions or a "marked up" commitment, in each case binding on the title insurer) (the "Title Policy") in the original principal amount of such Mortgage Loan (or with respect to a Mortgage Loan secured by multiple properties, an amount equal to at least the allocated loan amount with respect to the Title Policy for each such property) after all advances of principal (including any advances held in escrow or reserves), that insures for the benefit of the owner of the indebtedness secured by the Mortgage, the first priority lien of the Mortgage, which lien is subject only to the following title exceptions (each such title exception, including any exceptions set forth on Schedule 1(a) to the applicable Loan Obligations Purchase Agreement, a "Title Exception" and collectively, the "Title Exceptions"): (a) the lien of current real property taxes, water charges, sewer rents and assessments not yet due and payable; (b) covenants, conditions and restrictions, rights of way, easements and other matters of public record; (c) the exceptions (general and specific) and exclusions set forth in such Title Policy; (d) other matters to which like properties are commonly subject; (e) the rights of tenants (as tenants only) under leases (including subleases) pertaining to the related Mortgaged Property and condominium declarations; and (f) if the related Mortgage Loan is cross-collateralized and cross-defaulted with another Mortgage Loan (each a "Crossed Mortgage Loan"), the lien of the Mortgage for another Mortgage Loan that is cross-collateralized and cross-defaulted with such Crossed Mortgage Loan; *provided* that none of which items (a) through (f), individually or in the aggregate, materially and adversely interferes with the value or current use of the Mortgaged Property or the security intended to be provided by such Mortgage or the borrower's ability to pay its obligations when they become due (collectively, the "Permitted Encumbrances"). Except as contemplated by clause (f) of the preceding sentence, none of the Permitted Encumbrances are mortgage liens that are senior to or coordinate and co-equal with the lien of the related Mortgage. Such Title Policy (or, if it has yet to be issued, the coverage to be provided thereby) is in full force and effect, all premiums thereon have been paid and no claims have been made by the Seller thereunder and no claims have been paid thereunder. Neither the Seller, nor to the Seller's knowledge, any other holder of the Mortgage Loan, has done, by act or omission, anything that would materially impair the coverage under such Title Policy.
- (G) Junior Liens. It being understood that B notes and junior participation interests secured by the same Mortgage as a Mortgage Loan are not subordinate mortgages or junior liens, except for any Crossed Mortgage Loan, there are, as of origination, and to the Seller's knowledge, as of the Cut-off Date, no subordinate mortgages or junior liens securing the payment of money encumbering the related Mortgaged Property (other than Permitted Encumbrances and the Title Exceptions, taxes and assessments, mechanics and materialmen's liens (which are the subject of the representation in paragraph (5) above), and equipment

and other personal property financing). Except as set forth in Schedule 1(b) to the applicable Loan Obligations Purchase Agreement, the Seller has no knowledge of any mezzanine debt secured directly by interests in the related borrower.

- (H) Assignment of Leases, Rents and Profits. There exists as part of the related Mortgage File an Assignment of Leases, Rents and Profits (either as a separate instrument or incorporated into the related Mortgage). Subject to the Permitted Encumbrances and the Title Exceptions, each related Assignment of Leases, Rents and Profits creates a valid first-priority collateral assignment of, or a valid first-priority lien or security interest in, rents and certain rights under the related lease or leases, subject only to a license granted to the related borrower to exercise certain rights and to perform certain obligations of the lessor under such lease or leases, including the right to operate the related leased property, except as the enforcement thereof may be limited by the Standard Qualifications. The related Mortgage or related Assignment of Leases, Rents and Profits, subject to applicable law, provides that, upon an event of default under the Mortgage Loan, a receiver is permitted to be appointed for the collection of rents or for the related mortgagee to enter into possession to collect the rents or for rents to be paid directly to the mortgagee.
- (I) UCC Filings. The Seller has filed and/or recorded or caused to be filed and/or recorded (or, if not filed and/or recorded, have been submitted in proper form for filing and/or recording), UCC financing statements in the appropriate public filing and/or recording offices necessary at the time of the origination of the Mortgage Loan to perfect a valid security interest in all items of physical personal property reasonably necessary to operate such Mortgaged Property owned by such borrower and located on the related Mortgaged Property (other than any non-material personal property, any personal property subject to a purchase money security interest, a sale and leaseback financing arrangement as permitted under the terms of the related Mortgage Loan documents or any other personal property leases applicable to such personal property), to the extent perfection may be effected pursuant to applicable law by recording or filing, as the case may be. Subject to the Standard Qualifications, each related Mortgage (or equivalent document) creates a valid and enforceable lien and security interest on the items of personalty described above. No representation is made as to the perfection of any security interest in rents or other personal property to the extent that possession or control of such items or actions other than the filing of UCC financing statements are required in order to effect such perfection.
- (J) Condition of Property. Seller or the originator of the Mortgage Loan (i) inspected or caused to be inspected each related Mortgaged Property at least six months prior to origination of the Mortgage Loan and, (ii) if the term of the Mortgage Loan has already continued for at least twelve months, inspected or caused to be inspected each related Mortgaged Property at least once during the past twelve months.

An engineering report or property condition assessment was prepared in connection with the origination of each Mortgage Loan at least twelve months prior to the origination of such Mortgage Loan. To the Seller's knowledge, based solely upon due diligence customarily performed in connection with the origination of comparable mortgage loans, as of the Closing Date, each related Mortgaged Property was free and clear of any material damage (other than (i) deferred maintenance for which escrows were established at origination and (ii) any damage fully covered by insurance) that would affect materially and adversely the use or value of such Mortgaged Property as security for the Mortgage Loan.

- (K) Taxes and Assessments. All taxes, governmental assessments and other outstanding governmental charges (including, without limitation, water and sewage charges), or installments thereof, that could be a lien on the related Mortgaged Property that would be of equal or superior priority to the lien of the Mortgage and that prior to the Cut-off Date have become delinquent in respect of each related Mortgaged Property have been paid, or an escrow of funds has been established in an amount sufficient to cover such payments and reasonably estimated interest and penalties, if any, thereon. For purposes of this representation and warranty, real estate taxes and governmental assessments and other outstanding governmental charges and installments thereof shall not be considered delinquent until the earlier of (a) the date on which interest and/or penalties would first be payable thereon and (b) the date on which enforcement action is entitled to be taken by the related taxing authority.

- (L) Condemnation. As of the date of origination and to the Seller's knowledge as of the Cut-off Date, there is no proceeding pending, and, to the Seller's knowledge as of the date of origination and as of the Cut-off Date, there is no proceeding threatened, for the total or partial condemnation of such Mortgaged Property that would have a material adverse effect on the value, use or operation of the Mortgaged Property.
- (M) Actions Concerning Mortgage Loan. As of the date of origination and to the Seller's knowledge as of the Cut-off Date, there was no pending or filed action, suit or proceeding, arbitration or governmental investigation involving any borrower, guarantor, or borrower's interest in the Mortgaged Property, an adverse outcome of which would reasonably be expected to materially and adversely affect (a) such borrower's title to the Mortgaged Property, (b) the validity or enforceability of the Mortgage, (c) such borrower's ability to perform under the related Mortgage Loan, (d) such guarantor's ability to perform under the related guaranty, (e) the principal benefit of the security intended to be provided by the Mortgage Loan documents or (f) the current principal use of the Mortgaged Property.
- (N) Escrow Deposits. All escrow deposits and payments required to be escrowed with lender pursuant to each Mortgage Loan are in the possession, or under the control, of the Seller or its servicer, and there are no deficiencies (subject to any applicable grace or cure periods) in connection therewith, and all such escrows and deposits (or the right thereto) that are required to be escrowed with lender under the related Loan Documents are being conveyed by the Seller to Purchaser or its servicer.
- (O) No Holdbacks. The Stated Principal Balance as of the Cut-off Date of the Mortgage Loan set forth on the mortgage loan schedule attached as Exhibit A to the applicable Loan Obligations Purchase Agreement has been fully disbursed as of the Closing Date and there is no requirement for future advances thereunder (except in those cases where the full amount of the Mortgage Loan has been disbursed but a portion thereof is being held in escrow or reserve accounts pending the satisfaction of certain conditions relating to leasing, repairs or other matters with respect to the related Mortgaged Property, the borrower or other considerations determined by Seller to merit such holdback).
- (P) Insurance. Each related Mortgaged Property is, and is required pursuant to the related Mortgage to be, insured by a property insurance policy providing coverage for loss in accordance with coverage found under a "special cause of loss form" or "all risk form" that includes replacement cost valuation issued by an insurer meeting the requirements of the related Loan Documents and having a claims-paying or financial strength rating of at least A or better and a financial class of X or better by A.M. Best Company, Inc. (collectively the "Insurance Rating Requirements"), in an amount (subject to a customary deductible) not less than the lesser of (1) the original principal balance of the Mortgage Loan and (2) the full insurable value on a replacement cost basis of the improvements, furniture, furnishings, fixtures and equipment owned by the borrower and included in the Mortgaged Property (with no deduction for physical depreciation), but, in any event, not less than the amount necessary or containing such endorsements as are necessary to avoid the operation of any coinsurance provisions with respect to the related Mortgaged Property.

Each related Mortgaged Property is also covered, and required to be covered pursuant to the related Loan Documents, by business interruption or rental loss insurance which (subject to a customary deductible) covers a period of not less than 12 months (or with respect to each Mortgage Loan on a single asset with a principal balance of \$50 million or more, 18 months).

If any material part of the improvements, exclusive of a parking lot, located on a Mortgaged Property is in an area identified in the Federal Register by the Federal Emergency Management Agency as having special flood hazards, the related borrower is required to maintain insurance in the maximum amount available under the National Flood Insurance Program.

If the Mortgaged Property is located within 25 miles of the coast of the Gulf of Mexico or the Atlantic coast of Florida, Georgia, South Carolina or North Carolina, the related borrower is required to maintain coverage for windstorm and/or windstorm related perils and/or "named storms" issued by an insurer meeting the Insurance Rating Requirements or endorsement covering damage from windstorm and/or windstorm related perils and/or named storms.

The Mortgaged Property is covered, and required to be covered pursuant to the related Loan Documents, by a commercial general liability insurance policy issued by an insurer meeting the Insurance Rating Requirements including coverage for property damage, contractual damage and personal injury (including bodily injury and death) in amounts as are generally required by the Seller for loans originated for securitization, and in any event not less than \$1 million per occurrence and \$1 million in the aggregate.

An architectural or engineering consultant has performed an analysis of each of the Mortgaged Properties located in seismic zones 3 or 4 in order to evaluate the structural and seismic condition of such property, for the sole purpose of assessing the scenario expected limit (“SEL”) for the Mortgaged Property in the event of an earthquake. In such instance, the SEL was based on a 475-year return period, an exposure period of 50 years and a 10% probability of exceedance. If the resulting report concluded that the SEL would exceed 20% of the amount of the replacement costs of the improvements, earthquake insurance on such Mortgaged Property was obtained by an insurer rated least “A:VIII” by A.M. Best Company or “A3” (or the equivalent) from Moody’s Investors Service, Inc. or “A-” by Standard & Poor’s Ratings Service in an amount not less than 100% of the SEL.

The Loan Documents provide that if a specified percentage (which is in no event greater than 20%) of the reasonably estimated aggregate fair market value of the Mortgaged Property is damaged or destroyed, the lender shall have the option, in its sole discretion, to apply the net casualty insurance proceeds received to the payment of the Mortgage Loan or to allow such proceeds to be used for the repair or restoration of the Mortgaged Property.

All premiums on all insurance policies referred to in this section required to be paid as of the Cut-off Date have been paid, and such insurance policies name the lender under the Mortgage Loan and its successors and assigns as a loss payee under a mortgagee endorsement clause or, in the case of the general liability insurance policy, as named or additional insured. Such insurance policies will inure to the benefit of the Trustee. Each related Mortgage Loan obligates the related borrower to maintain all such insurance and, at such borrower’s failure to do so, authorizes the lender to maintain such insurance at the borrower’s cost and expense and to charge such borrower for related premiums. All such insurance policies (other than commercial liability policies) require at least 30 days prior notice to the lender of termination or cancellation (or such lesser period, not less than 10 days, as may be required by applicable law) arising for any reason other than non-payment of a premium and no such notice has been received by Seller.

- (Q) Access; Utilities; Separate Tax Lots. Each Mortgaged Property (a) is located on or adjacent to a public road and has direct legal access to such road, or has access via an irrevocable easement or irrevocable right of way permitting ingress and egress to/from a public road, (b) is served by or has uninhibited access rights to public or private water and sewer (or well and septic) and all required utilities, all of which are appropriate for the current use of the Mortgaged Property, and (c) constitutes one or more separate tax parcels which do not include any property which is not part of the Mortgaged Property or is subject to an endorsement under the related Title Policy insuring the Mortgaged Property, or in certain cases, an application has been, or will be, made to the applicable governing authority for creation of separate tax lots, in which case the Mortgage Loan requires the borrower to escrow an amount sufficient to pay taxes for the existing tax parcel of which the Mortgaged Property is a part until the separate tax lots are created.
- (R) No Encroachments. To Seller’s knowledge based solely on surveys obtained in connection with origination and the lender’s Title Policy (or, if such policy is not yet issued, a pro forma title policy, a preliminary title policy with escrow instructions or a “marked up” commitment) obtained in connection with the origination of each Mortgage Loan, all material improvements that were included for the purpose of determining the appraised value of the related Mortgaged Property at the time of the origination of such Mortgage Loan are within the boundaries of the related Mortgaged Property, except encroachments that do not materially and adversely affect the value or current use of such Mortgaged Property or for which insurance or endorsements were obtained under the Title Policy. No improvements on adjoining parcels encroach onto the related Mortgaged Property except for encroachments that do not materially and adversely affect the value or current use of such Mortgaged Property or for which insurance or endorsements were obtained under the Title Policy. No improvements encroach upon any easements except for encroachments the

removal of which would not materially and adversely affect the value or current use of such Mortgaged Property or for which insurance or endorsements obtained with respect to the Title Policy.

- (S) No Contingent Interest or Equity Participation. No Mortgage Loan has a shared appreciation feature, any other contingent interest feature or a negative amortization feature or an equity participation by Seller.
- (T) Compliance with Usury Laws. The Mortgage Rate (exclusive of any default interest, late charges, yield maintenance charge, or prepayment premiums) of such Mortgage Loan complied as of the date of origination with, or was exempt from, applicable state or federal laws, regulations and other requirements pertaining to usury.
- (U) Authorized to do Business. To the extent required under applicable law, as of the Cut-off Date or as of the date that such entity held the Note, each holder of the Note was authorized to transact and do business in the jurisdiction in which each related Mortgaged Property is located, or the failure to be so authorized does not materially and adversely affect the enforceability of such Mortgage Loan.
- (V) Trustee under Deed of Trust. With respect to each Mortgage which is a deed of trust, as of the date of origination and, to the Seller's knowledge, as of the Closing Date, a trustee, duly qualified under applicable law to serve as such, currently so serves and is named in the deed of trust or has been substituted in accordance with the Mortgage and applicable law or may be substituted in accordance with the Mortgage and applicable law by the related mortgagee.
- (W) Local Law Compliance. To the Seller's knowledge, based upon any of a letter from any governmental authorities, a legal opinion, an architect's letter, a zoning consultant's report, an endorsement to the related Title Policy, or other affirmative investigation of local law compliance consistent with the investigation conducted by the Seller for similar commercial and multi-family mortgage loans intended for securitization, with respect to the improvements located on or forming part of each Mortgaged Property securing a Mortgage Loan as of the date of origination of such Mortgage Loan and as of the Cut-off Date, there are no material violations of applicable zoning ordinances, building codes and land laws (collectively "Zoning Regulations") other than those which (i) are insured by the Title Policy or a law and ordinance or other insurance policy or (ii) would not have a material adverse effect on the Mortgage Loan. The terms of the Loan Documents require the borrower to comply in all material respects with all applicable governmental regulations, zoning and building laws.
- (X) Licenses and Permits. Each borrower covenants in the Loan Documents that it shall keep all material licenses, permits and applicable governmental authorizations necessary for its operation of the Mortgaged Property in full force and effect, and to the Seller's knowledge based upon a letter from any government authorities or other affirmative investigation of local law compliance consistent with the investigation conducted by the Seller for similar commercial and multi-family mortgage loans intended for securitization, all such material licenses, permits and applicable governmental authorizations are in effect. The Mortgage Loan requires the related borrower to be qualified to do business in the jurisdiction in which the related Mortgaged Property is located.
- (Y) Recourse Obligations. The Loan Documents for each Mortgage Loan provide that such Mortgage Loan is non-recourse to the related parties thereto except for certain carve-outs, including but not limited to the following: (a) the related borrower and at least one individual or entity shall be fully liable for actual losses, liabilities, costs and damages arising from certain acts of the related borrower and/or its principals specified in the related Loan Documents, which acts generally include the following: (i) acts of fraud or intentional material misrepresentation, (ii) misapplication or misappropriation of rents, insurance proceeds or condemnation awards, (iii) intentional material physical waste of the Mortgaged Property, and (iv) any breach of the environmental covenants contained in the related Loan Documents, and (b) the Mortgage Loan shall become full recourse to the related borrower and at least one individual or entity, if the related borrower files a voluntary petition under federal or state bankruptcy or insolvency law.
- (Z) Mortgage Releases. The terms of the related Mortgage or related Loan Documents do not provide for release of any material portion of the Mortgaged Property from the lien of the Mortgage except (a) a partial

release, accompanied by principal repayment of not less than a specified percentage at least equal to the lesser of (i) 110% of the related allocated loan amount of such portion of the Mortgaged Property and (ii) the outstanding principal balance of the Mortgage Loan, (b) upon payment in full of such Mortgage Loan, (c) releases of out-parcels that are unimproved or other portions of the Mortgaged Property which will not have a material adverse effect on the underwritten value of the Mortgaged Property and which were not afforded any value in the appraisal obtained at the origination of the Mortgage Loan and are not necessary for physical access to the Mortgaged Property or compliance with zoning requirements, or (d) as required pursuant to an order of condemnation.

(AA) Financial Reporting and Rent Rolls. Each Mortgage requires the borrower to provide the owner or holder of the Mortgage with quarterly and annual operating statements, and quarterly rent rolls for properties and annual financial statements, which annual financial statements with respect to each Mortgage Loan with more than one borrower are in the form of an annual combined balance sheet of the borrower entities (and no other entities), together with the related combined statements of operations, members' capital and cash flows, including a combining balance sheet and statement of income for the Mortgaged Properties on a combined basis.

(BB) Acts of Terrorism Exclusion. With respect to each Mortgage Loan over \$20 million, the related special-form all-risk insurance policy and business interruption policy (issued by an insurer meeting the Insurance Rating Requirements) do not specifically exclude Acts of Terrorism, as defined in the Terrorism Risk Insurance Act of 2002, as amended by the Terrorism Risk Insurance Program Reauthorization Act of 2007 (collectively referred to as "TRIA"), from coverage, or if such coverage is excluded, it is covered by a separate terrorism insurance policy. With respect to each other Mortgage Loan, the related special-form all-risk insurance policy and business interruption policy (issued by an insurer meeting the Insurance Rating Requirements) did not, as of the date of origination of the Mortgage Loan, and, to Seller's knowledge, do not, as of the Cut-off Date, specifically exclude Acts of Terrorism, as defined in TRIA, from coverage, or if such coverage is excluded, it is covered by a separate terrorism insurance policy. With respect to each Mortgage Loan, the related Loan Documents do not expressly waive or prohibit the mortgagee from requiring coverage for Acts of Terrorism, as defined in TRIA, or damages related thereto except to the extent that any right to require such coverage may be limited by commercial availability on commercially reasonable terms, or as otherwise indicated in Schedule 1(a) to the applicable Loan Obligations Purchase Agreement; provided, however, that if TRIA or a similar or subsequent statute is not in effect, then; provided that terrorism insurance is commercially available, the borrower under each Mortgage Loan is required to carry terrorism insurance, but in such event the borrower shall not be required to spend on terrorism insurance coverage more than two times the amount of the insurance premium that is payable in respect of the property and business interruption/rental loss insurance required under the related Loan Documents (without giving effect to the cost of terrorism and earthquake components of such casualty and business interruption/rental loss insurance) at the time of the origination of the Mortgage Loan, and if the cost of terrorism insurance exceeds such amount, the borrower is required to purchase the maximum amount of terrorism insurance available with funds equal to such amount.

(CC) Due on Sale or Encumbrance. Subject to specific exceptions set forth below, each Mortgage Loan contains a "due on sale" or other such provision for the acceleration of the payment of the unpaid principal balance of such Mortgage Loan if, without the consent of the holder of the Mortgage (which consent, in some cases, may not be unreasonably withheld) and/or complying with the requirements of the related Loan Documents (which provide for transfers without the consent of the lender which are customarily acceptable to the Seller lending on the security of property comparable to the related Mortgaged Property, including, without limitation, transfers of worn-out or obsolete furnishings, fixtures, or equipment promptly replaced with property of equivalent value and functionality and transfers by leases entered into in accordance with the Loan Documents), (a) the related Mortgaged Property, or any equity interest of greater than 50% in the related borrower, is directly or indirectly pledged, transferred or sold, other than as related to (i) family and estate planning transfers or transfers upon death or

legal incapacity, (ii) transfers to certain affiliates as defined in the related Loan Documents, (iii) transfers of less than, or other than, a controlling interest in the related borrower, (iv) transfers to another holder of direct or indirect equity in the borrower, a specific Person designated in the related Loan Documents or a Person satisfying specific criteria identified in the related Loan Documents, such as a qualified equityholder, (v) transfers of stock or similar equity units in publicly traded companies or (vi) a substitution or release of collateral within the parameters of paragraph (26) herein or the exceptions thereto set forth in Schedule 1(a) to the applicable Loan Obligations Purchase Agreement, or (vii) as set forth in Schedule 1(b) to the applicable Loan Obligations Purchase Agreement by reason of any mezzanine debt that existed at the origination of the related Mortgage Loan, or future permitted mezzanine debt as set forth on Schedule 1(c) to the applicable Loan Obligations Purchase Agreement or (b) the related Mortgaged Property is encumbered with a subordinate lien or security interest against the related Mortgaged Property, other than (i) any Companion Loan or any subordinate debt that existed at origination and is permitted under the related Loan Documents, (ii) purchase money security interests, (iii) any Crossed Mortgage Loan as set forth on Schedule 1(d) to the applicable Loan Obligations Purchase Agreement, or (iv) Permitted Encumbrances. The Mortgage or other Loan Documents provide that to the extent any Rating Agency fees are incurred in connection with the review of and consent to any transfer or encumbrance, the borrower is responsible for such payment along with all other reasonable fees and expenses incurred by the Mortgagee relative to such transfer or encumbrance.

- (DD) Single-Purpose Entity. Each Mortgage Loan requires the borrower to be a Single-Purpose Entity for at least as long as the Mortgage Loan is outstanding. Both the Loan Documents and the organizational documents of the borrower with respect to each Mortgage Loan with a Cut-off Date Stated Principal Balance in excess of \$5 million provide that the borrower is a Single-Purpose Entity, and each Mortgage Loan with a Cut-off Date Stated Principal Balance of \$20 million or more has a counsel's opinion regarding non-consolidation of the borrower. For this purpose, a "Single-Purpose Entity" shall mean an entity, other than an individual, whose organizational documents (or if the Mortgage Loan has a Cut-off Date Stated Principal Balance equal to \$5 million or less, its organizational documents or the related Loan Documents) provide substantially to the effect that it was formed or organized solely for the purpose of owning and operating one or more of the Mortgaged Properties securing the Mortgage Loans and prohibit it from engaging in any business unrelated to such Mortgaged Property or Properties, and whose organizational documents further provide, or which entity represented in the related Loan Documents, substantially to the effect that it does not have any assets other than those related to its interest in and operation of such Mortgaged Property or Properties, or any indebtedness other than as permitted by the related Mortgage(s) or the other related Loan Documents, that it has its own books and records and accounts separate and apart from those of any other person (other than a borrower for a Crossed Mortgage Loan), and that it holds itself out as a legal entity, separate and apart from any other person or entity.
- (EE) Ground Leases. For purposes of each Loan Obligations Purchase Agreement, a "Ground Lease" shall mean a lease creating a leasehold estate in real property where the fee owner as the ground lessor conveys for a term or terms of years its entire interest in the land and buildings and other improvements, if any, comprising the premises demised under such lease to the ground lessee (who may, in certain circumstances, own the building and improvements on the land), subject to the reversionary interest of the ground lessor as fee owner and does not include industrial development agency (IDA) or similar leases for purposes of conferring a tax abatement or other benefit.

With respect to any Mortgage Loan where the Mortgage Loan is secured by a leasehold estate under a Ground Lease in whole or in part, and the related Mortgage does not also encumber the related lessor's fee interest in such Mortgaged Property, based upon the terms of the Ground Lease and any estoppel or other agreement received from the ground lessor in favor of Seller, its successors and assigns, Seller represents and warrants that:

- (a) The Ground Lease or a memorandum regarding such Ground Lease has been duly recorded or submitted for recordation in a form that is acceptable for recording in the applicable jurisdiction. The Ground Lease or an estoppel or other agreement received from the ground lessor permits the

interest of the lessee to be encumbered by the related Mortgage and does not restrict the use of the related Mortgaged Property by such lessee, its successors or assigns in a manner that would materially adversely affect the security provided by the related Mortgage;

- (b) The lessor under such Ground Lease has agreed in a writing included in the related Mortgage File (or in such Ground Lease) that the Ground Lease may not be amended or modified, or canceled or terminated by agreement of lessor and lessee, without the prior written consent of the lender, and no such consent has been granted by the Seller since the origination of the Mortgage Loan except as reflected in any written instruments which are included in the related Mortgage File;
- (c) The Ground Lease has an original term (or an original term plus one or more optional renewal terms, which, under all circumstances, may be exercised, and will be enforceable, by either borrower or the mortgagee) that extends not less than 20 years beyond the stated maturity of the related Mortgage Loan, or 10 years past the stated maturity if such Mortgage Loan fully amortizes by the stated maturity (or with respect to a Mortgage Loan that accrues on an actual 360 basis, substantially amortizes);
- (d) The Ground Lease either (i) is not subject to any liens or encumbrances superior to, or of equal priority with, the Mortgage, except for the related fee interest of the ground lessor and the Permitted Encumbrances, or (ii) is subject to a subordination, non-disturbance and attornment agreement to which the mortgagee on the lessor's fee interest in the Mortgaged Property is subject;
- (e) The Ground Lease does not place commercially unreasonable restrictions on the identity of the Mortgagee and the Ground Lease is assignable to the holder of the Mortgage Loan and its successors and assigns without the consent of the lessor thereunder, and in the event it is so assigned, it is further assignable by the holder of the Mortgage Loan and its successors and assigns without the consent of the lessor;
- (f) The Seller has not received any written notice of material default under or notice of termination of such Ground Lease. To the Seller's knowledge, there is no material default under such Ground Lease and no condition that, but for the passage of time or giving of notice, would result in a material default under the terms of such Ground Lease and to the Seller's knowledge, such Ground Lease is in full force and effect as of the Closing Date;
- (g) The Ground Lease or ancillary agreement between the lessor and the lessee requires the lessor to give to the lender written notice of any default, and provides that no notice of default or termination is effective against the lender unless such notice is given to the lender;
- (h) A lender is permitted a reasonable opportunity (including, where necessary, sufficient time to gain possession of the interest of the lessee under the Ground Lease through legal proceedings) to cure any default under the Ground Lease which is curable after the lender's receipt of notice of any default before the lessor may terminate the Ground Lease;
- (i) The Ground Lease does not impose any restrictions on subletting that would be viewed as commercially unreasonable by the Seller in connection with loans originated for securitization;
- (j) Under the terms of the Ground Lease, an estoppel or other agreement received from the ground lessor and the related Mortgage (taken together), any related insurance proceeds or the portion of the condemnation award allocable to the ground lessee's interest (other than (i) de minimis amounts for minor casualties or (ii) in respect of a total or substantially total loss or taking as addressed in clause (k) below) will be applied either to the repair or to restoration of all or part of the related Mortgaged Property with (so long as such proceeds are in excess of the threshold amount specified in the related Loan Documents) the lender or a trustee appointed by it having the

right to hold and disburse such proceeds as repair or restoration progresses, or to the payment of the outstanding principal balance of the Mortgage Loan, together with any accrued interest;

- (k) In the case of a total or substantially total taking or loss, under the terms of the Ground Lease, an estoppel or other agreement and the related Mortgage (taken together), any related insurance proceeds, or portion of the condemnation award allocable to ground lessee's interest in respect of a total or substantially total loss or taking of the related Mortgaged Property to the extent not applied to restoration, will be applied first to the payment of the outstanding principal balance of the Mortgage Loan, together with any accrued interest; and
  - (l) Provided that the lender cures any defaults which are susceptible to being cured, the ground lessor has agreed to enter into a new lease with the lender upon termination of the Ground Lease for any reason, including rejection of the Ground Lease in a bankruptcy proceeding.
- (FF) Servicing. The servicing and collection practices used by the Seller with respect to the Mortgage Loan have been, in all respects, legal and have met customary industry standards for servicing of commercial loans for conduit loan programs.
- (GG) Origination and Underwriting. The origination practices of the Seller (or the related originator if the Seller was not the originator) with respect to each Mortgage Loan have been, in all material respects, legal and as of the date of its origination, such Mortgage Loan and the origination thereof complied in all material respects with, or was exempt from, all requirements of federal, state or local law relating to the origination of such Mortgage Loan; provided that such representation and warranty does not address or otherwise cover any matters with respect to federal, state or local law otherwise covered in this Exhibit I.
- (HH) No Material Default; Payment Record. No Mortgage Loan has been more than 30 days delinquent, without giving effect to any grace or cure period, in making required payments since origination, and as of the date hereof, no Mortgage Loan is more than 30 days delinquent (beyond any applicable grace or cure period) in making required payments as of the Closing Date. To the Seller's knowledge, there is (a) no material default, breach, violation or event of acceleration existing under the related Mortgage Loan or participation agreement, if applicable, or (b) no event (other than payments due but not yet delinquent) which, with the passage of time or with notice and the expiration of any grace or cure period, would constitute a material default, breach, violation or event of acceleration, which default, breach, violation or event of acceleration, in the case of either clause (a) or clause (b), materially and adversely affects the value of the Mortgage Loan or participation agreement, if applicable, or the value, use or operation of the related Mortgaged Property, provided, however, that this representation and warranty does not cover any default, breach, violation or event of acceleration that specifically pertains to or arises out of an exception scheduled to any other representation and warranty made by the Seller in this Exhibit I. No person other than the holder of such Mortgage Loan may declare any event of default under the Mortgage Loan or accelerate any indebtedness under the Loan Documents.
- (II) Bankruptcy. As of the date of origination of the related Mortgage Loan and to the Seller's knowledge as of the Cut-off Date, no borrower, guarantor or tenant occupying a single-tenant property is a debtor in state or federal bankruptcy, insolvency or similar proceeding.
- (JJ) Organization of Borrower. With respect to each Mortgage Loan, in reliance on certified copies of the organizational documents of the borrower delivered by the borrower in connection with the origination of such Mortgage Loan, the borrower is an entity organized under the laws of a state of the United States of America, the District of Columbia or the Commonwealth of Puerto Rico. Except with respect to any Crossed Mortgage Loan, no Mortgage Loan has a borrower that is an Affiliate of another borrower. (An "Affiliate" for purposes of this paragraph (36) means, a borrower that is under direct or indirect common ownership and control with another borrower.)
- (KK) Environmental Conditions. A Phase I environmental site assessment (or update of a previous Phase I and or Phase II site assessment) and, with respect to certain Mortgage Loans, a Phase II environmental site assessment (collectively, an "ESA") meeting ASTM requirements conducted by a reputable environmental

consultant in connection with such Mortgage Loan was delivered to seller within 12 months prior to the origination date of each Mortgage Loan (or an update of a previous ESA was prepared), and such ESA (i) did not identify the existence of recognized environmental conditions (as such term is defined in ASTM E1527-05 or its successor, hereinafter “Environmental Condition”) at the related Mortgaged Property or the need for further investigation, or (ii) if the existence of an Environmental Condition or need for further investigation was indicated in any such ESA, then at least one of the following statements is true: (A) an amount reasonably estimated by a reputable environmental consultant to be sufficient to cover the estimated cost to cure any material noncompliance with applicable environmental laws or the Environmental Condition has been escrowed by the related borrower and is held or controlled by the related lender; (B) if the only Environmental Condition relates to the presence of asbestos-containing materials, radon in indoor air, lead based paint or lead in drinking water, and the only recommended action in the ESA is the institution of such a plan, an operations or maintenance plan has been required to be instituted by the related borrower that can reasonably be expected to mitigate the identified risk; (C) the Environmental Condition identified in the related environmental report was remediated or abated in all material respects prior to the date hereof, and, if and as appropriate, a no further action or closure letter was obtained from the applicable governmental regulatory authority (or the Environmental Condition affecting the related Mortgaged Property was otherwise listed by such governmental authority as “closed” or a reputable environmental consultant has concluded that no further action is required); (D) a secured creditor environmental policy or a pollution legal liability insurance policy that covers liability for the Environmental Condition was obtained from an insurer rated no less than A- (or the equivalent) by Moody’s, S&P and/or Fitch; (E) a party not related to the borrower was identified as the responsible party for such Environmental Condition and such responsible party has financial resources reasonably estimated to be adequate to address the situation; or (F) a party related to the borrower having financial resources reasonably estimated to be adequate to address the situation is required to take action. To Seller’s knowledge, except as set forth in the ESA, there is no Environmental Condition (as such term is defined in ASTM E1527-05 or its successor) at the related Mortgaged Property.

- (LL) Appraisal. The Servicing File contains an appraisal of the related Mortgaged Property with an appraisal date within six months of the Mortgage Loan origination date. The appraisal is signed by an appraiser who is either a Member of the Appraisal Institute (“MAI”) and/or has been licensed and certified to prepare appraisals in the state where the Mortgaged Property is located. Each appraiser has represented in such appraisal or in a supplemental letter that the appraisal satisfies the requirements of the “Uniform Standards of Professional Appraisal Practice” as adopted by the Appraisal Standards Board of the Appraisal Foundation and has certified that such appraiser had no interest, direct or indirect, in the Mortgaged Property or the borrower or in any loan made on the security thereof, and its compensation is not affected by the approval or disapproval of the Mortgage Loan.
- (MM) Loan Obligation Schedule. The information pertaining to each Loan Obligation that is set forth in the schedule attached as Exhibit A to the Loan Obligations Purchase Agreement is true and correct in all material respects as of the Cut-off Date and contains all information required by the Loan Obligations Purchase Agreement to be contained therein.
- (NN) Cross-Collateralization. No Mortgage Loan is cross-collateralized or cross-defaulted with any mortgage loan that is not owned by the Issuer, except as set forth in Schedule 1(d) to the applicable Loan Obligations Purchase Agreement.
- (OO) Advance of Funds by the Seller. After origination, no advance of funds has been made by Seller to the related borrower other than in accordance with the Loan Documents, and, to Seller’s knowledge, no funds have been received from any person other than the related borrower or an affiliate for, or on account of, payments due on the Mortgage Loan (other than as contemplated by the Loan Documents, such as, by way of example and not in limitation of the foregoing, amounts paid by the tenant(s) into a lender-controlled lockbox if required or contemplated under the related lease or Loan Documents). Neither Seller nor any affiliate thereof has any obligation to make any capital contribution to any borrower under a Mortgage Loan, other than contributions made on or prior to the date hereof.

- (PP) Compliance with Anti-Money Laundering Laws. Seller (or the related originator if the Seller was not the originator) has complied in all material respects with all applicable anti-money laundering laws and regulations, including without limitation the USA Patriot Act of 2001 with respect to the origination of the Mortgage Loan, the failure to comply with which would have a material adverse effect on the Mortgage Loan.
- (QQ) Floating Interest Rates. Each Mortgage Loan bears interest at a floating rate based on LIBOR.
- (RR) Senior Participations. With respect to each Loan Obligation that is a Senior Participation:
- (i) Either (A) the Senior Participation is treated as a real estate asset for purposes of Section 856(c) of the Code, and the interest payable pursuant to such Senior Participation is treated as interest on an obligation secured by a mortgage on real property or on an interest in real property for purposes of Section 856(c) of the Code, or (B) the Senior Participation qualifies as a security that would not otherwise cause ARMS Equity to fail to qualify as a REIT under the Code (including after the sale, transfer and assignment to the Issuer of such Senior Participation);
  - (ii) To the actual knowledge of the Seller, as of the Closing Date, the related Participating Institution was not a debtor in any outstanding proceeding pursuant to the federal bankruptcy code;
  - (iii) The Seller has not received written notice of any outstanding liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind for which the holder of such Senior Participation is or may become obligated;

(iv) The participation agreement is legal, valid and enforceable as between its parties, and provides that (other than any Non-Controlling Participations) the lead and control participant (the “Lead Participant”) has full power, authority and discretion to service the Loan Obligation, modify and amend the terms thereof, pursue remedies and enforcement actions, including foreclosure or other legal action, without consent or approval of any other participant (each, a “Third Party Participant”);

(v) Each Third Party Participant is required to pay its pro rata share of any expenses, costs and fees associated with servicing and enforcing rights and remedies under the related Loan Obligation upon request therefor by the Lead Participant;

(vi) Each participation agreement is effective to convey the participation interest to the related Third Party Participant and is not intended to be or effective as a loan or other financing secured by the Loan Obligation. The Lead Participant owes no fiduciary duty or obligation to any Third Party Participant pursuant to the participation agreement;

(vii) All amounts due and owing to any Third Party Participant pursuant to each participation agreement have been duly and timely paid. There is no default by the Lead Participant, or to the Seller’s knowledge, by any Third Party Participant under any participation agreement;

(viii) The participation interest and Lead Participant role, rights and responsibilities are assignable by the Seller without consent or approval other than those that have been obtained;

(ix) The terms of the participation agreement do not require or obligate the Lead Participant or its successor or assigns to repurchase the participation interest under any circumstances; and

(x) The Seller, in selling the participation interest to each Third Party Participant, made no misrepresentation, fraud or omission of information necessary for the Participant to make an informed decision to purchase its participation interest.

For purposes of these representations and warranties, the phrases “the Seller’s knowledge” or “the Seller’s belief” and other words and phrases of like import shall mean, except where otherwise expressly set forth herein, the actual state of knowledge or belief of the Seller, its officers and employees directly responsible for the underwriting, origination, servicing or sale of the Mortgage Loans regarding the matters expressly set forth herein.

(v) the Seller has delivered to the Issuer or its designee (A) the original of any note (or a copy of such note together with a lost note affidavit and indemnity), certificate or other instrument, if any, constituting or evidencing such Loan Obligation together with an assignment in blank and all other assignment documents reasonably necessary to evidence the transfer of the Loan Obligation including, where applicable, UCC assignments and any other Underlying Instrument and copies of any other documents

related to the Loan Obligation in the Seller's possession, including copies of any related mortgage loan documents if the Loan Obligation is a Mortgage Loan, related to such Loan Obligation the delivery of which is necessary to perfect the security interest of the Trustee in such Loan Obligation and (B) copies of the Underlying Instruments.

(d) For purposes of the representations and warranties set forth in Schedule 1(a), the phrases "to the knowledge of the Seller" or "to the Seller's knowledge" shall mean, except where otherwise expressly set forth in a particular representation and warranty, the actual state of knowledge of the Seller or any servicer acting on its behalf regarding the matters referred to, in each case: (i) at the time of the Seller's origination or acquisition of the particular Loan Obligation, after the Seller having conducted such inquiry and due diligence into such matters as would be customarily performed by a prudent institutional commercial or multifamily, as applicable, mortgage lender; and (ii) subsequent to such origination, the Seller having utilized monitoring practices that would be utilized by a prudent institutional commercial or multifamily, as applicable, mortgage lender and having made prudent inquiry as to the knowledge of the servicer servicing such Loan Obligation on its behalf. Also, for purposes of such representations and warranties, the phrases "to the actual knowledge of the Seller" or "to the Seller's actual knowledge" shall mean, except where otherwise expressly set forth below, the actual state of knowledge of the Seller or any servicer acting on its behalf without any express or implied obligation to make inquiry. All information contained in documents which are part of or required to be part of a Collateral File shall be deemed to be within the knowledge and the actual knowledge of the Seller. Wherever there is a reference to receipt by, or possession of, the Seller of any information or documents, or to any action taken by the Seller or not taken by the Seller, such reference shall include the receipt or possession of such information or documents by, or the taking of such action or the failure to take such action by, the Seller or any servicer acting on its behalf.

(e) If the Seller receives written notice of a breach of a representation or a warranty pursuant to this Agreement relating to any Loan Obligation, then the Seller shall (1) not later than 90 days from receipt of such notice or discovery by the Seller, cure such breach (to the extent such breach is capable of being cured), (2) subject to the consent of a majority of the holders of each Class of Notes (excluding any Note held by the Seller or any of its affiliates), make a Cash payment to the Issuer in an amount that the Loan Obligation Manager, on behalf of the Issuer, determines is sufficient to compensate the Issuer for such breach of representation or warranty (such payment, a "Loss Value Payment"), which Loss Value Payment will be deemed to cure such breach of representation or warranty, or (3) if such breach cannot be cured within such 90-day period, repurchase the affected Loan Obligation not later than the end of such 90-day period at the Repurchase Price (as defined in Section 16.3(c) of the Indenture)

(f) The Seller hereby acknowledges and consents to the collateral assignment by the Issuer of this Agreement and all right, title and interest thereto to the Trustee, for the benefit of the Noteholders, as required in Sections 15.1(f)(i) and (ii) of the Indenture.

(g) The Seller hereby covenants and agrees that it shall perform any provisions of the Indenture made expressly applicable to the Seller by the Indenture, as required by Section 15.1(f)(i) of the Indenture.

(h) The Seller hereby covenants and agrees that all of the representations, covenants and agreements made by or otherwise entered into by it in this Agreement shall also be for the benefit of the Trustee and the Noteholders, as required by Section 15.1(f)(ii) of the Indenture and agrees that enforcement of any rights hereunder by the Trustee shall have the same force and effect as if the right or remedy had been enforced or executed by the Issuer but that such rights and remedies shall not be any greater than the rights and remedies of the Issuer under Section 4(e) above.

(i) On or prior to the Closing Date, the Seller shall deliver the Underlying Instruments to the Issuer or, at the direction of the Issuer, to the Trustee, with respect to each Loan Obligation sold to the Issuer hereunder. The Seller hereby covenants and agrees, as required by Section 15.1(f)(iii) of the Indenture, that it shall deliver to the Trustee duplicate original copies of all notices, statements, communications and instruments delivered or required to be delivered to the Issuer by each party pursuant to this Agreement.

(j) The Seller hereby covenants and agrees, as required by Section 15.1(f)(iv) of the Indenture, that it shall not enter into any agreement amending, modifying or terminating this Agreement (other than in respect of an amendment or modification to cure any inconsistency, ambiguity or manifest error), without notifying the Rating Agencies.

(k) Seller hereby covenants, that at all times (1) Seller will qualify as a REIT for federal income tax purposes and the Issuer will qualify as a Qualified REIT Subsidiary (or other disregarded entity) of Seller for federal income tax purposes, (2) based on an Opinion of Counsel, the Issuer will be treated as a Qualified REIT Subsidiary (or other disregarded entity) of a REIT other than Seller, or (3) based on an Opinion of Counsel, the Issuer will be treated as a foreign corporation that will not be treated as engaged in a trade or business in the United States for U.S. federal income tax purposes.

5. Sale.

It is the intention of the parties hereto that the transfer and assignment contemplated by this Agreement shall constitute a sale of the Loan Obligations from the Seller to the Issuer and the beneficial interest in and title to the Loan Obligations shall not be part of the Seller's estate in the event of the filing of a bankruptcy petition by or against the Seller under any bankruptcy law. In the event that, notwithstanding the intent of the parties hereto, the transfer and assignment contemplated hereby is held not to be a sale (for non-tax purposes), this Agreement shall constitute a security agreement under applicable law, and, in such event, the Seller shall be deemed to have granted, and the Seller hereby grants, to the Issuer a security interest in the Loan Obligations for the benefit of the Secured Parties and its assignees as security for the Seller's obligations hereunder and the Seller consents to the pledge of the Loan Obligations to the Trustee.

6. Non-Petition.

The Seller agrees not to institute against, or join any other Person in instituting against the Issuer any bankruptcy, reorganization, arrangement, insolvency, moratorium or liquidation proceedings or other proceedings under U.S. federal or state bankruptcy or similar

laws in any jurisdiction until at least one year and one day or, if longer, the applicable preference period then in effect after the payment in full of all Notes issued under the Indenture. This Section 6 shall survive the termination of this Agreement for any reason whatsoever.

7. Amendments.

This Agreement may not be modified, amended, altered or supplemented, except upon the execution and delivery of a written agreement by the parties hereto and receipt by the parties hereto of prior written confirmation of each Rating Agency that such amendment or modification shall not cause the rating of the Notes to be reduced.

8. Communications.

9. Governing Law and Consent to Jurisdiction.

(a) THIS AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK, WITHOUT REGARD TO THE CONFLICTS OF LAW PROVISIONS THEREOF (OTHER THAN TITLE 14 OF ARTICLE 5 OF THE NEW YORK GENERAL OBLIGATIONS LAW).

(b) The parties hereto hereby irrevocably submit to the non-exclusive jurisdiction of the United States District Court for the Southern District of New York and any court in the State of New York located in the City and County of New York, and any appellate court hearing appeals from the Courts mentioned above, in any action, suit or proceeding brought against it and to or in connection with this Agreement or the transaction contemplated hereunder or for recognition or enforcement of any judgment, and the parties hereto hereby irrevocably and unconditionally agree that all claims in respect of any such action or proceeding may be heard or determined in such New York State court or, to the extent permitted by law, in such federal court. The parties hereto agree that a final judgment in any such action, suit or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. To the extent permitted by applicable law, the parties hereto hereby waive and agree not to assert by way of motion, as a defense or otherwise in any such suit, action or proceeding, any claim that it is not personally subject to the jurisdiction of such courts, that the suit, action or proceeding is brought in any inconvenient forum, that the venue of the suit, action or proceeding is improper or that the subject matter thereof may not be litigated in or by such courts.

(e) The Seller irrevocably consents to the service of any and all process in any action or proceeding by the mailing by certified mail, return receipt requested, or delivery requiring proof of delivery of copies of such process to it at the address set forth in Section 8 hereof.

10. Counterparts.

This Agreement may be executed in any number of counterparts, each of which shall be an original, but all of which together shall constitute one and the same agreement.

11. Limited Recourse Agreement.

All obligations of the Issuer arising hereunder or in connection herewith are limited in recourse to the Pledged Obligations and to the extent the proceeds of the Pledged Obligations, when applied in accordance with the Priority of Payments, are insufficient to meet the obligations of the Issuer hereunder in full, the Issuer shall have no further liability in respect of any such outstanding obligations and any obligations of, and claims against, the Issuer, arising hereunder or in connection herewith, shall be extinguished and shall not thereafter revive. The obligations of the Issuer hereunder or in connection herewith will be solely the corporate obligations of the Issuer and the Seller will not have recourse to any of the directors, officers, employees, shareholders or affiliates of the Issuer with respect to any claims, losses, damages,

liabilities, indemnities or other obligations in connection with any transactions contemplated hereby or in connection herewith. This Section 11 shall survive the termination of this Agreement for any reason whatsoever.

IN WITNESS WHEREOF, the parties hereto have executed and delivered this Loan Obligations Purchase Agreement as of the day and year first above written.

## **SCHEDULE 1(a)**

### **REPRESENTATIONS AND WARRANTIES RE: LOAN OBLIGATIONS**

- (1) Whole Loan; Ownership of Loan Obligations. Except for the Loan Obligation identified on Annex A to the Offering Memorandum as a Senior Participation, each Closing Date Loan Obligation is a whole loan and not a participation interest in a Mortgage Loan. Each Additional Loan Obligation and Replacement Loan Obligation that is a Senior Participation is a senior portion (or a pari passu interest in a senior portion) of a whole mortgage loan. At the time of the sale, transfer and assignment to Purchaser, no Note, Mortgage or Senior Participation was subject to any assignment (other than assignments to the Seller), participation (other than with respect to the Senior Participations) or pledge, and the Seller had good title to, and was the sole owner of, each Loan Obligation free and clear of any and all liens, charges, pledges, encumbrances, participations (other than with respect to the Senior Participations), any other ownership interests on, in or to such Loan Obligation other than any servicing rights appointment or similar agreement. Seller has full right and authority to sell, assign and transfer each Loan Obligation, and the assignment to Purchaser constitutes a legal, valid and binding assignment of such Loan Obligation free and clear of any and all liens, pledges, charges or security interests of any nature encumbering such Loan Obligation.
- (2) Loan Document Status. Each related Note, Mortgage, Assignment of Leases, Rents and Profits (if a separate instrument), guaranty and other agreement executed by or on behalf of the related Borrower, guarantor or other obligor in connection with such Mortgage Loan is the legal, valid and binding obligation of the related Borrower, guarantor or other obligor (subject to any non-recourse provisions contained in any of the foregoing agreements and any applicable state anti-deficiency or market value limit deficiency legislation), as applicable, and is enforceable in accordance with its terms, except (i) as such enforcement may be limited by (a) bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium or other similar laws affecting the enforcement of creditors' rights generally and (b) general principles of equity (regardless of whether such enforcement is considered in a proceeding in equity or at law) and (ii) that certain provisions in such Loan Documents (including, without limitation, provisions requiring the payment of default interest, late fees or prepayment/yield maintenance or prepayment fees, charges and/or premiums) are, or may be, further limited or rendered unenforceable by or under applicable law, but (subject to the limitations set forth in clause (i) above) such limitations or unenforceability will not render such Loan Documents invalid as a whole or materially interfere with the mortgagee's realization of the principal benefits and/or security provided thereby (clauses (i) and (ii) collectively, the "Standard Qualifications").
- Except as set forth in the immediately preceding sentences, there is no valid offset, defense, counterclaim or right of rescission available to the related Borrower with respect to any of the related Notes, Mortgages or other Loan Documents, including, without limitation, any such valid offset, defense, counterclaim or right based on intentional fraud by Seller in connection with the origination of the Mortgage Loan, that would deny the mortgagee the principal benefits intended to be provided by the Note, Mortgage or other Loan Documents.
- (3) Mortgage Provisions. The Loan Documents for each Mortgage Loan contain provisions that render the rights and remedies of the holder thereof adequate for the practical realization against the Mortgaged Property of the principal benefits of the security intended to be provided thereby, including realization by judicial or, if applicable, nonjudicial foreclosure subject to the limitations set forth in the Standard Qualifications.
- (4) Mortgage Status; Waivers and Modifications. Since origination and except prior to the Cut-off Date by written instruments set forth in the related Mortgage File (a) the material terms of such Mortgage, Note, Mortgage Loan guaranty, participation agreement, if applicable, and related Loan Documents have not been waived, impaired, modified, altered, satisfied, canceled, subordinated or rescinded in any respect which materially interferes with the security intended to be provided by such Mortgage; (b) no related
-

Mortgaged Property or any portion thereof has been released from the lien of the related Mortgage in any manner which materially interferes with the security intended to be provided by such Mortgage or the use or operation of the remaining portion of such Mortgaged Property; and (c) neither the related Borrower nor the related guarantor nor the related Participating Institution has been released from its material obligations under the Mortgage Loan or participation agreement, if applicable.

- (5) Lien; Valid Assignment. Subject to the Standard Qualifications, each assignment of Mortgage and assignment of Assignment of Leases, Rents and Profits from the Seller constitutes a legal, valid and binding assignment from the Seller. Each related Mortgage is a legal, valid and enforceable first lien on the related Borrower's fee or leasehold interest in the Mortgaged Property in the principal amount of such Mortgage Loan or allocated loan amount subject to the Title Exceptions, Permitted Encumbrances and Standard Qualifications (each as defined herein). Each related Assignment of Mortgage and Assignment of Leases, Rents and Profits from the Seller to the Purchaser constitutes the legal, valid and binding first priority assignment from the Seller, except as such enforcement may be limited by the Standard Qualifications, any Permitted Encumbrances and any Title Exceptions (as defined herein). Each Mortgage and Assignment of Leases, Rents and Profits is freely assignable. Notwithstanding anything herein to the contrary, no representation is made as to the perfection of any security interest in rents or other personal property to the extent that possession or control of such items or actions other than the filing of Uniform Commercial Code ("UCC") financing statements is required in order to effect such perfection.
- (6) Permitted Liens; Title Insurance. Each Mortgaged Property securing a Mortgage Loan is covered by an American Land Title Association loan title insurance policy or a comparable form of loan title insurance policy approved for use in the applicable jurisdiction (or, if such policy is yet to be issued, by a pro forma policy, a preliminary title policy with escrow instructions or a "marked up" commitment, in each case binding on the title insurer) (the "Title Policy") in the original principal amount of such Mortgage Loan (or with respect to a Mortgage Loan secured by multiple properties, an amount equal to at least the allocated loan amount with respect to the Title Policy for each such property) after all advances of principal (including any advances held in escrow or reserves), that insures for the benefit of the owner of the indebtedness secured by the Mortgage, the first priority lien of the Mortgage, which lien is subject only to the following title exceptions (each such title exception, including any exceptions set forth on Schedule 1(a) hereto, a "Title Exception" and collectively, the "Title Exceptions"): (a) the lien of current real property taxes, water charges, sewer rents and assessments not yet due and payable; (b) covenants, conditions and restrictions, rights of way, easements and other matters of public record; (c) the exceptions (general and specific) and exclusions set forth in such Title Policy; (d) other matters to which like properties are commonly subject; (e) the rights of tenants (as tenants only) under leases (including subleases) pertaining to the related Mortgaged Property and condominium declarations; and (f) if the related Mortgage Loan is cross-collateralized and cross-defaulted with another Mortgage Loan (each a "Crossed Mortgage Loan"), the lien of the Mortgage for another Mortgage Loan that is cross-collateralized and cross-defaulted with such Crossed Mortgage Loan, provided that none of which items (a) through (f), individually or in the aggregate, materially and adversely interferes with the value or current use of the Mortgaged Property or the security intended to be provided by such Mortgage or the Borrower's ability to pay its obligations when they become due (collectively, the "Permitted Encumbrances"). Except as contemplated by clause (f) of the preceding sentence, none of the Permitted Encumbrances are mortgage liens that are senior to or coordinate and co-equal with the lien of the related Mortgage. Such Title Policy (or, if it has yet to be issued, the coverage to be provided thereby) is in full force and effect, all premiums thereon have been paid and no claims have been made by the Seller thereunder and no claims have been paid thereunder. Neither the Seller, nor to the Seller's knowledge, any other holder of the Mortgage Loan, has done, by act or omission, anything that would materially impair the coverage under such Title Policy.
- (7) Junior Liens. It being understood that B notes and junior participation interests secured by the same Mortgage as a Mortgage Loan are not subordinate mortgages or junior liens, except for any Crossed Mortgage Loan, there are, as of origination, and to the Seller's knowledge, as of the Cut-off Date, no subordinate mortgages or junior liens securing the payment of money encumbering the related Mortgaged Property (other than Permitted Encumbrances and the Title Exceptions, taxes and assessments, mechanics and materialmens liens (which are the subject of the representation in paragraph (5) above), and equipment
-

and other personal property financing). Except as set forth in Schedule 1(b), the Seller has no knowledge of any mezzanine debt secured directly by interests in the related Borrower.

- (8) Assignment of Leases, Rents and Profits. There exists as part of the related Mortgage File an Assignment of Leases, Rents and Profits (either as a separate instrument or incorporated into the related Mortgage). Subject to the Permitted Encumbrances and the Title Exceptions, each related Assignment of Leases, Rents and Profits creates a valid first-priority collateral assignment of, or a valid first-priority lien or security interest in, rents and certain rights under the related lease or leases, subject only to a license granted to the related Borrower to exercise certain rights and to perform certain obligations of the lessor under such lease or leases, including the right to operate the related leased property, except as the enforcement thereof may be limited by the Standard Qualifications. The related Mortgage or related Assignment of Leases, Rents and Profits, subject to applicable law, provides that, upon an event of default under the Mortgage Loan, a receiver is permitted to be appointed for the collection of rents or for the related mortgagee to enter into possession to collect the rents or for rents to be paid directly to the mortgagee.
- (9) UCC Filings. The Seller has filed and/or recorded or caused to be filed and/or recorded (or, if not filed and/or recorded, have been submitted in proper form for filing and/or recording), UCC financing statements in the appropriate public filing and/or recording offices necessary at the time of the origination of the Mortgage Loan to perfect a valid security interest in all items of physical personal property reasonably necessary to operate such Mortgaged Property owned by such Borrower and located on the related Mortgaged Property (other than any non-material personal property, any personal property subject to a purchase money security interest, a sale and leaseback financing arrangement as permitted under the terms of the related Mortgage Loan documents or any other personal property leases applicable to such personal property), to the extent perfection may be effected pursuant to applicable law by recording or filing, as the case may be. Subject to the Standard Qualifications, each related Mortgage (or equivalent document) creates a valid and enforceable lien and security interest on the items of personalty described above. No representation is made as to the perfection of any security interest in rents or other personal property to the extent that possession or control of such items or actions other than the filing of UCC financing statements are required in order to effect such perfection.
- (10) Condition of Property. Seller or the originator of the Mortgage Loan (i) inspected or caused to be inspected each related Mortgaged Property at least six months prior to origination of the Mortgage Loan and, (ii) if the term of the Mortgage Loan has already continued for at least twelve months, inspected or caused to be inspected each related Mortgaged Property at least once during the past twelve months.

An engineering report or property condition assessment was prepared in connection with the origination of each Mortgage Loan at least twelve months prior to the origination of such Mortgage Loan. To the Seller's knowledge, based solely upon due diligence customarily performed in connection with the origination of comparable mortgage loans, as of the Closing Date, each related Mortgaged Property was free and clear of any material damage (other than (i) deferred maintenance for which escrows were established at origination and (ii) any damage fully covered by insurance) that would affect materially and adversely the use or value of such Mortgaged Property as security for the Mortgage Loan.

- (11) Taxes and Assessments. All taxes, governmental assessments and other outstanding governmental charges (including, without limitation, water and sewage charges), or installments thereof, that could be a lien on the related Mortgaged Property that would be of equal or superior priority to the lien of the Mortgage and that prior to the Cut-off Date have become delinquent in respect of each related Mortgaged Property have been paid, or an escrow of funds has been established in an amount sufficient to cover such payments and reasonably estimated interest and penalties, if any, thereon. For purposes of this representation and warranty, real estate taxes and governmental assessments and other outstanding governmental charges and installments thereof shall not be considered delinquent until the earlier of (a) the date on which interest and/or penalties would first be payable thereon and (b) the date on which enforcement action is entitled to be taken by the related taxing authority.
- (12) Condemnation. As of the date of origination and to the Seller's knowledge as of the Cut-off Date, there is no proceeding pending, and, to the Seller's knowledge as of the date of origination and as of the Cut-off
-

Date, there is no proceeding threatened, for the total or partial condemnation of such Mortgaged Property that would have a material adverse effect on the value, use or operation of the Mortgaged Property.

- (13) Actions Concerning Mortgage Loan. As of the date of origination and to the Seller's knowledge as of the Cut-off Date, there was no pending or filed action, suit or proceeding, arbitration or governmental investigation involving any Borrower, guarantor, or Borrower's interest in the Mortgaged Property, an adverse outcome of which would reasonably be expected to materially and adversely affect (a) such Borrower's title to the Mortgaged Property, (b) the validity or enforceability of the Mortgage, (c) such Borrower's ability to perform under the related Mortgage Loan, (d) such guarantor's ability to perform under the related guaranty, (e) the principal benefit of the security intended to be provided by the Mortgage Loan documents or (f) the current principal use of the Mortgaged Property.
- (14) Escrow Deposits. All escrow deposits and payments required to be escrowed with lender pursuant to each Mortgage Loan are in the possession, or under the control, of the Seller or its servicer, and there are no deficiencies (subject to any applicable grace or cure periods) in connection therewith, and all such escrows and deposits (or the right thereto) that are required to be escrowed with lender under the related Loan Documents are being conveyed by the Seller to Purchaser or its servicer.
- (15) No Holdbacks. The Stated Principal Balance as of the Cut-off Date of the Mortgage Loan set forth on the mortgage loan schedule attached as Exhibit A to this Agreement has been fully disbursed as of the Closing Date and there is no requirement for future advances thereunder (except in those cases where the full amount of the Mortgage Loan has been disbursed but a portion thereof is being held in escrow or reserve accounts pending the satisfaction of certain conditions relating to leasing, repairs or other matters with respect to the related Mortgaged Property, the Borrower or other considerations determined by Seller to merit such holdback).
- (16) Insurance. Each related Mortgaged Property is, and is required pursuant to the related Mortgage to be, insured by a property insurance policy providing coverage for loss in accordance with coverage found under a "special cause of loss form" or "all risk form" that includes replacement cost valuation issued by an insurer meeting the requirements of the related Loan Documents and having a claims-paying or financial strength rating of at least A or better and a financial class of X or better by A.M. Best Company, Inc. (collectively the "Insurance Rating Requirements"), in an amount (subject to a customary deductible) not less than the lesser of (1) the original principal balance of the Mortgage Loan and (2) the full insurable value on a replacement cost basis of the improvements, furniture, furnishings, fixtures and equipment owned by the Borrower and included in the Mortgaged Property (with no deduction for physical depreciation), but, in any event, not less than the amount necessary or containing such endorsements as are necessary to avoid the operation of any coinsurance provisions with respect to the related Mortgaged Property.

Each related Mortgaged Property is also covered, and required to be covered pursuant to the related Loan Documents, by business interruption or rental loss insurance which (subject to a customary deductible) covers a period of not less than 12 months (or with respect to each Mortgage Loan on a single asset with a principal balance of \$50 million or more, 18 months).

If any material part of the improvements, exclusive of a parking lot, located on a Mortgaged Property is in an area identified in the Federal Register by the Federal Emergency Management Agency as having special flood hazards, the related Borrower is required to maintain insurance in the maximum amount available under the National Flood Insurance Program.

If the Mortgaged Property is located within 25 miles of the coast of the Gulf of Mexico or the Atlantic coast of Florida, Georgia, South Carolina or North Carolina, the related Borrower is required to maintain coverage for windstorm and/or windstorm related perils and/or "named storms" issued by an insurer meeting the Insurance Rating Requirements or endorsement covering damage from windstorm and/or windstorm related perils and/or named storms.

---

The Mortgaged Property is covered, and required to be covered pursuant to the related Loan Documents, by a commercial general liability insurance policy issued by an insurer meeting the Insurance Rating Requirements including coverage for property damage, contractual damage and personal injury (including bodily injury and death) in amounts as are generally required by the Seller for loans originated for securitization, and in any event not less than \$1 million per occurrence and \$1 million in the aggregate.

An architectural or engineering consultant has performed an analysis of each of the Mortgaged Properties located in seismic zones 3 or 4 in order to evaluate the structural and seismic condition of such property, for the sole purpose of assessing the scenario expected limit (“SEL”) for the Mortgaged Property in the event of an earthquake. In such instance, the SEL was based on a 475-year return period, an exposure period of 50 years and a 10% probability of exceedance. If the resulting report concluded that the SEL would exceed 20% of the amount of the replacement costs of the improvements, earthquake insurance on such Mortgaged Property was obtained by an insurer rated least “A:VIII” by A.M. Best Company or “A3” (or the equivalent) from Moody’s Investors Service, Inc. or “A-” by Standard & Poor’s Ratings Service in an amount not less than 100% of the SEL.

The Loan Documents provide that if a specified percentage (which is in no event greater than 20%) of the reasonably estimated aggregate fair market value of the Mortgaged Property is damaged or destroyed, the lender shall have the option, in its sole discretion, to apply the net casualty insurance proceeds received to the payment of the Mortgage Loan or to allow such proceeds to be used for the repair or restoration of the Mortgaged Property.

All premiums on all insurance policies referred to in this section required to be paid as of the Cut-off Date have been paid, and such insurance policies name the lender under the Mortgage Loan and its successors and assigns as a loss payee under a mortgagee endorsement clause or, in the case of the general liability insurance policy, as named or additional insured. Such insurance policies will inure to the benefit of the Trustee. Each related Mortgage Loan obligates the related Borrower to maintain all such insurance and, at such Borrower’s failure to do so, authorizes the lender to maintain such insurance at the Borrower’s cost and expense and to charge such Borrower for related premiums. All such insurance policies (other than commercial liability policies) require at least 30 days prior notice to the lender of termination or cancellation (or such lesser period, not less than 10 days, as may be required by applicable law) arising for any reason other than non-payment of a premium and no such notice has been received by Seller.

- (17) Access; Utilities; Separate Tax Lots. Each Mortgaged Property (a) is located on or adjacent to a public road and has direct legal access to such road, or has access via an irrevocable easement or irrevocable right of way permitting ingress and egress to/from a public road, (b) is served by or has uninhibited access rights to public or private water and sewer (or well and septic) and all required utilities, all of which are appropriate for the current use of the Mortgaged Property, and (c) constitutes one or more separate tax parcels which do not include any property which is not part of the Mortgaged Property or is subject to an endorsement under the related Title Policy insuring the Mortgaged Property, or in certain cases, an application has been, or will be, made to the applicable governing authority for creation of separate tax lots, in which case the Mortgage Loan requires the Borrower to escrow an amount sufficient to pay taxes for the existing tax parcel of which the Mortgaged Property is a part until the separate tax lots are created.
- (18) No Encroachments. To Seller’s knowledge based solely on surveys obtained in connection with origination and the lender’s Title Policy (or, if such policy is not yet issued, a pro forma title policy, a preliminary title policy with escrow instructions or a “marked up” commitment) obtained in connection with the origination of each Mortgage Loan, all material improvements that were included for the purpose of determining the appraised value of the related Mortgaged Property at the time of the origination of such Mortgage Loan are within the boundaries of the related Mortgaged Property, except encroachments that do not materially and adversely affect the value or current use of such Mortgaged Property or for which insurance or endorsements were obtained under the Title Policy. No improvements on adjoining parcels encroach onto the related Mortgaged Property except for encroachments that do not materially and adversely affect the value or current use of such Mortgaged Property or for which insurance or endorsements were obtained under the Title Policy. No improvements encroach upon any easements except for encroachments the
-

removal of which would not materially and adversely affect the value or current use of such Mortgaged Property or for which insurance or endorsements obtained with respect to the Title Policy.

- (19) No Contingent Interest or Equity Participation. No Mortgage Loan has a shared appreciation feature, any other contingent interest feature or a negative amortization feature or an equity participation by Seller.
  - (20) Compliance with Usury Laws. The Mortgage Rate (exclusive of any default interest, late charges, yield maintenance charge, or prepayment premiums) of such Mortgage Loan complied as of the date of origination with, or was exempt from, applicable state or federal laws, regulations and other requirements pertaining to usury.
  - (21) Authorized to do Business. To the extent required under applicable law, as of the Cut-off Date or as of the date that such entity held the Note, each holder of the Note was authorized to transact and do business in the jurisdiction in which each related Mortgaged Property is located, or the failure to be so authorized does not materially and adversely affect the enforceability of such Mortgage Loan.
  - (22) Trustee under Deed of Trust. With respect to each Mortgage which is a deed of trust, as of the date of origination and, to the Seller's knowledge, as of the Closing Date, a trustee, duly qualified under applicable law to serve as such, currently so serves and is named in the deed of trust or has been substituted in accordance with the Mortgage and applicable law or may be substituted in accordance with the Mortgage and applicable law by the related mortgagee.
  - (23) Local Law Compliance. To the Seller's knowledge, based upon any of a letter from any governmental authorities, a legal opinion, an architect's letter, a zoning consultant's report, an endorsement to the related Title Policy, or other affirmative investigation of local law compliance consistent with the investigation conducted by the Seller for similar commercial and multi-family mortgage loans intended for securitization, with respect to the improvements located on or forming part of each Mortgaged Property securing a Mortgage Loan as of the date of origination of such Mortgage Loan and as of the Cut-off Date, there are no material violations of applicable zoning ordinances, building codes and land laws (collectively "Zoning Regulations") other than those which (i) are insured by the Title Policy or a law and ordinance or other insurance policy or (ii) would not have a material adverse effect on the Mortgage Loan. The terms of the Loan Documents require the Borrower to comply in all material respects with all applicable governmental regulations, zoning and building laws.
  - (24) Licenses and Permits. Each Borrower covenants in the Loan Documents that it shall keep all material licenses, permits and applicable governmental authorizations necessary for its operation of the Mortgaged Property in full force and effect, and to the Seller's knowledge based upon a letter from any government authorities or other affirmative investigation of local law compliance consistent with the investigation conducted by the Seller for similar commercial and multi-family mortgage loans intended for securitization, all such material licenses, permits and applicable governmental authorizations are in effect. The Mortgage Loan requires the related Borrower to be qualified to do business in the jurisdiction in which the related Mortgaged Property is located.
  - (25) Recourse Obligations. The Loan Documents for each Mortgage Loan provide that such Mortgage Loan is non-recourse to the related parties thereto except for certain carve-outs, including but not limited to the following: (a) the related Borrower and at least one individual or entity shall be fully liable for actual losses, liabilities, costs and damages arising from certain acts of the related Borrower and/or its principals specified in the related Loan Documents, which acts generally include the following: (i) acts of fraud or intentional material misrepresentation, (ii) misapplication or misappropriation of rents, insurance proceeds or condemnation awards, (iii) intentional material physical waste of the Mortgaged Property, and (iv) any breach of the environmental covenants contained in the related Loan Documents, and (b) the Mortgage Loan shall become full recourse to the related Borrower and at least one individual or entity, if the related Borrower files a voluntary petition under federal or state bankruptcy or insolvency law.
-

- (26) Mortgage Releases. The terms of the related Mortgage or related Loan Documents do not provide for release of any material portion of the Mortgaged Property from the lien of the Mortgage except (a) a partial release, accompanied by principal repayment of not less than a specified percentage at least equal to the lesser of (i) 110% of the related allocated loan amount of such portion of the Mortgaged Property and (ii) the outstanding principal balance of the Mortgage Loan, (b) upon payment in full of such Mortgage Loan, (c) releases of out-parcels that are unimproved or other portions of the Mortgaged Property which will not have a material adverse effect on the underwritten value of the Mortgaged Property and which were not afforded any value in the appraisal obtained at the origination of the Mortgage Loan and are not necessary for physical access to the Mortgaged Property or compliance with zoning requirements, or (d) as required pursuant to an order of condemnation.
- (27) Financial Reporting and Rent Rolls. Each Mortgage requires the Borrower to provide the owner or holder of the Mortgage with quarterly and annual operating statements, and quarterly rent rolls for properties and annual financial statements, which annual financial statements with respect to each Mortgage Loan with more than one Borrower are in the form of an annual combined balance sheet of the Borrower entities (and no other entities), together with the related combined statements of operations, members' capital and cash flows, including a combining balance sheet and statement of income for the Mortgaged Properties on a combined basis.
- (28) Acts of Terrorism Exclusion. With respect to each Mortgage Loan over \$20 million, the related special-form all-risk insurance policy and business interruption policy (issued by an insurer meeting the Insurance Rating Requirements) do not specifically exclude Acts of Terrorism, as defined in the Terrorism Risk Insurance Act of 2002, as amended by the Terrorism Risk Insurance Program Reauthorization Act of 2007 (collectively referred to as "TRIA"), from coverage, or if such coverage is excluded, it is covered by a separate terrorism insurance policy. With respect to each other Mortgage Loan, the related special-form all-risk insurance policy and business interruption policy (issued by an insurer meeting the Insurance Rating Requirements) did not, as of the date of origination of the Mortgage Loan, and, to Seller's knowledge, do not, as of the Cut-off Date, specifically exclude Acts of Terrorism, as defined in TRIA, from coverage, or if such coverage is excluded, it is covered by a separate terrorism insurance policy. With respect to each Mortgage Loan, the related Loan Documents do not expressly waive or prohibit the mortgagee from requiring coverage for Acts of Terrorism, as defined in TRIA, or damages related thereto except to the extent that any right to require such coverage may be limited by commercial availability on commercially reasonable terms, or as otherwise indicated in Schedule 1(a); provided, however, that if TRIA or a similar or subsequent statute is not in effect, then, provided that terrorism insurance is commercially available, the Borrower under each Mortgage Loan is required to carry terrorism insurance, but in such event the Borrower shall not be required to spend on terrorism insurance coverage more than two times the amount of the insurance premium that is payable in respect of the property and business interruption/rental loss insurance required under the related Loan Documents (without giving effect to the cost of terrorism and earthquake components of such casualty and business interruption/rental loss insurance) at the time of the origination of the Mortgage Loan, and if the cost of terrorism insurance exceeds such amount, the Borrower is required to purchase the maximum amount of terrorism insurance available with funds equal to such amount.
- (29) Due on Sale or Encumbrance. Subject to specific exceptions set forth below, each Mortgage Loan contains a "due on sale" or other such provision for the acceleration of the payment of the unpaid principal balance of such Mortgage Loan if, without the consent of the holder of the Mortgage (which consent, in some cases, may not be unreasonably withheld) and/or complying with the requirements of the related Loan Documents (which provide for transfers without the consent of the lender which are customarily acceptable to the Seller lending on the security of property comparable to the related Mortgaged Property, including, without limitation, transfers of worn-out or obsolete furnishings, fixtures, or equipment promptly replaced with property of equivalent value and functionality and transfers by leases entered into in accordance with the Loan Documents), (a) the related Mortgaged Property, or any equity interest of greater than 50% in the related Borrower, is directly or indirectly pledged, transferred or sold, other than as related to (i) family and estate planning transfers or transfers upon death or legal incapacity, (ii) transfers to certain affiliates as defined in the related Loan Documents, (iii) transfers of less than, or other than, a controlling interest in the related Borrower, (iv) transfers to another holder of direct or indirect equity in the Borrower, a specific
-

Person designated in the related Loan Documents or a Person satisfying specific criteria identified in the related Loan Documents, such as a qualified equityholder, (v) transfers of stock or similar equity units in publicly traded companies or (vi) a substitution or release of collateral within the parameters of paragraph (26) herein or the exceptions thereto set forth in Schedule 1(a), or (vii) as set forth on Schedule 1(b) hereto by reason of any mezzanine debt that existed at the origination of the related Mortgage Loan, or future permitted mezzanine debt as set forth on Schedule 1(c) hereto or (b) the related Mortgaged Property is encumbered with a subordinate lien or security interest against the related Mortgaged Property, other than (i) any Companion Loan or any subordinate debt that existed at origination and is permitted under the related Loan Documents, (ii) purchase money security interests, (iii) any Crossed Mortgage Loan as set forth on Schedule 1(d) hereto, or (iv) Permitted Encumbrances. The Mortgage or other Loan Documents provide that to the extent any Rating Agency fees are incurred in connection with the review of and consent to any transfer or encumbrance, the Borrower is responsible for such payment along with all other reasonable fees and expenses incurred by the Mortgagee relative to such transfer or encumbrance.

- (30) Single-Purpose Entity. Each Mortgage Loan requires the Borrower to be a Single-Purpose Entity for at least as long as the Mortgage Loan is outstanding. Both the Loan Documents and the organizational documents of the Borrower with respect to each Mortgage Loan with a Cut-off Date Stated Principal Balance in excess of \$5 million provide that the Borrower is a Single-Purpose Entity, and each Mortgage Loan with a Cut-off Date Stated Principal Balance of \$20 million or more has a counsel's opinion regarding non-consolidation of the Borrower. For this purpose, a "Single-Purpose Entity" shall mean an entity, other than an individual, whose organizational documents (or if the Mortgage Loan has a Cut-off Date Stated Principal Balance equal to \$5 million or less, its organizational documents or the related Loan Documents) provide substantially to the effect that it was formed or organized solely for the purpose of owning and operating one or more of the Mortgaged Properties securing the Mortgage Loans and prohibit it from engaging in any business unrelated to such Mortgaged Property or Properties, and whose organizational documents further provide, or which entity represented in the related Loan Documents, substantially to the effect that it does not have any assets other than those related to its interest in and operation of such Mortgaged Property or Properties, or any indebtedness other than as permitted by the related Mortgage(s) or the other related Loan Documents, that it has its own books and records and accounts separate and apart from those of any other person (other than a Borrower for a Crossed Mortgage Loan), and that it holds itself out as a legal entity, separate and apart from any other person or entity.
- (31) Ground Leases. For purposes of this Agreement, a "Ground Lease" shall mean a lease creating a leasehold estate in real property where the fee owner as the ground lessor conveys for a term or terms of years its entire interest in the land and buildings and other improvements, if any, comprising the premises demised under such lease to the ground lessee (who may, in certain circumstances, own the building and improvements on the land), subject to the reversionary interest of the ground lessor as fee owner and does not include industrial development agency (IDA) or similar leases for purposes of conferring a tax abatement or other benefit.

With respect to any Mortgage Loan where the Mortgage Loan is secured by a leasehold estate under a Ground Lease in whole or in part, and the related Mortgage does not also encumber the related lessor's fee interest in such Mortgaged Property, based upon the terms of the Ground Lease and any estoppel or other agreement received from the ground lessor in favor of Seller, its successors and assigns, Seller represents and warrants that:

- (a) The Ground Lease or a memorandum regarding such Ground Lease has been duly recorded or submitted for recordation in a form that is acceptable for recording in the applicable jurisdiction. The Ground Lease or an estoppel or other agreement received from the ground lessor permits the interest of the lessee to be encumbered by the related Mortgage and does not restrict the use of the related Mortgaged Property by such lessee, its successors or assigns in a manner that would materially adversely affect the security provided by the related Mortgage;
-

- (b) The lessor under such Ground Lease has agreed in a writing included in the related Mortgage File (or in such Ground Lease) that the Ground Lease may not be amended or modified, or canceled or terminated by agreement of lessor and lessee, without the prior written consent of the lender, and no such consent has been granted by the Seller since the origination of the Mortgage Loan except as reflected in any written instruments which are included in the related Mortgage File;
  - (c) The Ground Lease has an original term (or an original term plus one or more optional renewal terms, which, under all circumstances, may be exercised, and will be enforceable, by either Borrower or the mortgagee) that extends not less than 20 years beyond the stated maturity of the related Mortgage Loan, or 10 years past the stated maturity if such Mortgage Loan fully amortizes by the stated maturity (or with respect to a Mortgage Loan that accrues on an actual 360 basis, substantially amortizes);
  - (d) The Ground Lease either (i) is not subject to any liens or encumbrances superior to, or of equal priority with, the Mortgage, except for the related fee interest of the ground lessor and the Permitted Encumbrances, or (ii) is subject to a subordination, non-disturbance and attornment agreement to which the mortgagee on the lessor's fee interest in the Mortgaged Property is subject;
  - (e) The Ground Lease does not place commercially unreasonable restrictions on the identity of the Mortgagee and the Ground Lease is assignable to the holder of the Mortgage Loan and its successors and assigns without the consent of the lessor thereunder, and in the event it is so assigned, it is further assignable by the holder of the Mortgage Loan and its successors and assigns without the consent of the lessor;
  - (f) The Seller has not received any written notice of material default under or notice of termination of such Ground Lease. To the Seller's knowledge, there is no material default under such Ground Lease and no condition that, but for the passage of time or giving of notice, would result in a material default under the terms of such Ground Lease and to the Seller's knowledge, such Ground Lease is in full force and effect as of the Closing Date;
  - (g) The Ground Lease or ancillary agreement between the lessor and the lessee requires the lessor to give to the lender written notice of any default, and provides that no notice of default or termination is effective against the lender unless such notice is given to the lender;
  - (h) A lender is permitted a reasonable opportunity (including, where necessary, sufficient time to gain possession of the interest of the lessee under the Ground Lease through legal proceedings) to cure any default under the Ground Lease which is curable after the lender's receipt of notice of any default before the lessor may terminate the Ground Lease;
  - (i) The Ground Lease does not impose any restrictions on subletting that would be viewed as commercially unreasonable by the Seller in connection with loans originated for securitization;
  - (j) Under the terms of the Ground Lease, an estoppel or other agreement received from the ground lessor and the related Mortgage (taken together), any related insurance proceeds or the portion of the condemnation award allocable to the ground lessee's interest (other than (i) de minimis amounts for minor casualties or (ii) in respect of a total or substantially total loss or taking as addressed in clause (k) below) will be applied either to the repair or to restoration of all or part of the related Mortgaged Property with (so long as such proceeds are in excess of the threshold amount specified in the related Loan Documents) the lender or a trustee appointed by it having the right to hold and disburse such proceeds as repair or restoration progresses, or to the payment of the outstanding principal balance of the Mortgage Loan, together with any accrued interest;
-

- (k) In the case of a total or substantially total taking or loss, under the terms of the Ground Lease, an estoppel or other agreement and the related Mortgage (taken together), any related insurance proceeds, or portion of the condemnation award allocable to ground lessee's interest in respect of a total or substantially total loss or taking of the related Mortgaged Property to the extent not applied to restoration, will be applied first to the payment of the outstanding principal balance of the Mortgage Loan, together with any accrued interest; and
- (l) Provided that the lender cures any defaults which are susceptible to being cured, the ground lessor has agreed to enter into a new lease with the lender upon termination of the Ground Lease for any reason, including rejection of the Ground Lease in a bankruptcy proceeding.
- (32) Servicing. The servicing and collection practices used by the Seller with respect to the Mortgage Loan have been, in all respects, legal and have met customary industry standards for servicing of commercial loans for conduit loan programs.
- (33) Origination and Underwriting. The origination practices of the Seller (or the related originator if the Seller was not the originator) with respect to each Mortgage Loan have been, in all material respects, legal and as of the date of its origination, such Mortgage Loan and the origination thereof complied in all material respects with, or was exempt from, all requirements of federal, state or local law relating to the origination of such Mortgage Loan; provided that such representation and warranty does not address or otherwise cover any matters with respect to federal, state or local law otherwise covered in this Schedule 1(a).
- (34) No Material Default; Payment Record. No Mortgage Loan has been more than 30 days delinquent, without giving effect to any grace or cure period, in making required payments since origination, and as of the date hereof, no Mortgage Loan is more than 30 days delinquent (beyond any applicable grace or cure period) in making required payments as of the Closing Date. To the Seller's knowledge, there is (a) no material default, breach, violation or event of acceleration existing under the related Mortgage Loan or participation agreement, if applicable, or (b) no event (other than payments due but not yet delinquent) which, with the passage of time or with notice and the expiration of any grace or cure period, would constitute a material default, breach, violation or event of acceleration, which default, breach, violation or event of acceleration, in the case of either clause (a) or clause (b), materially and adversely affects the value of the Mortgage Loan or participation agreement, if applicable, or the value, use or operation of the related Mortgaged Property, provided, however, that this representation and warranty does not cover any default, breach, violation or event of acceleration that specifically pertains to or arises out of an exception scheduled to any other representation and warranty made by the Seller in this Schedule 1(a). No person other than the holder of such Mortgage Loan may declare any event of default under the Mortgage Loan or accelerate any indebtedness under the Loan Documents.
- (35) Bankruptcy. As of the date of origination of the related Mortgage Loan and to the Seller's knowledge as of the Cut-off Date, no Borrower, guarantor or tenant occupying a single-tenant property is a debtor in state or federal bankruptcy, insolvency or similar proceeding.
- (36) Organization of Borrower. With respect to each Mortgage Loan, in reliance on certified copies of the organizational documents of the Borrower delivered by the Borrower in connection with the origination of such Mortgage Loan, the Borrower is an entity organized under the laws of a state of the United States of America, the District of Columbia or the Commonwealth of Puerto Rico. Except with respect to any Crossed Mortgage Loan, no Mortgage Loan has a Borrower that is an Affiliate of another Borrower. (An "Affiliate" for purposes of this paragraph (36) means, a Borrower that is under direct or indirect common ownership and control with another Borrower.)
- (37) Environmental Conditions. A Phase I environmental site assessment (or update of a previous Phase I and or Phase II site assessment) and, with respect to certain Mortgage Loans, a Phase II environmental site assessment (collectively, an "ESA") meeting ASTM requirements conducted by a reputable environmental consultant in connection with such Mortgage Loan was delivered to seller within 12 months prior to the origination date of each Mortgage Loan (or an update of a previous ESA was prepared), and such ESA (i) did not identify the existence of recognized environmental conditions (as such term is defined in ASTM
-

E1527-05 or its successor, hereinafter “Environmental Condition”) at the related Mortgaged Property or the need for further investigation, or (ii) if the existence of an Environmental Condition or need for further investigation was indicated in any such ESA, then at least one of the following statements is true: (A) an amount reasonably estimated by a reputable environmental consultant to be sufficient to cover the estimated cost to cure any material noncompliance with applicable environmental laws or the Environmental Condition has been escrowed by the related Borrower and is held or controlled by the related lender; (B) if the only Environmental Condition relates to the presence of asbestos-containing materials, radon in indoor air, lead based paint or lead in drinking water, and the only recommended action in the ESA is the institution of such a plan, an operations or maintenance plan has been required to be instituted by the related Borrower that can reasonably be expected to mitigate the identified risk; (C) the Environmental Condition identified in the related environmental report was remediated or abated in all material respects prior to the date hereof, and, if and as appropriate, a no further action or closure letter was obtained from the applicable governmental regulatory authority (or the Environmental Condition affecting the related Mortgaged Property was otherwise listed by such governmental authority as “closed” or a reputable environmental consultant has concluded that no further action is required); (D) a secured creditor environmental policy or a pollution legal liability insurance policy that covers liability for the Environmental Condition was obtained from an insurer rated no less than A- (or the equivalent) by Moody’s, S&P and/or Fitch; (E) a party not related to the Borrower was identified as the responsible party for such Environmental Condition and such responsible party has financial resources reasonably estimated to be adequate to address the situation; or (F) a party related to the Borrower having financial resources reasonably estimated to be adequate to address the situation is required to take action. To Seller’s knowledge, except as set forth in the ESA, there is no Environmental Condition (as such term is defined in ASTM E1527-05 or its successor) at the related Mortgaged Property.

- (38) Appraisal. The Servicing File contains an appraisal of the related Mortgaged Property with an appraisal date within six months of the Mortgage Loan origination date. The appraisal is signed by an appraiser who is either a Member of the Appraisal Institute (“MAI”) and/or has been licensed and certified to prepare appraisals in the state where the Mortgaged Property is located. Each appraiser has represented in such appraisal or in a supplemental letter that the appraisal satisfies the requirements of the “Uniform Standards of Professional Appraisal Practice” as adopted by the Appraisal Standards Board of the Appraisal Foundation and has certified that such appraiser had no interest, direct or indirect, in the Mortgaged Property or the Borrower or in any loan made on the security thereof, and its compensation is not affected by the approval or disapproval of the Mortgage Loan.
  - (39) Loan Obligation Schedule. The information pertaining to each Loan Obligation that is set forth in the schedule attached as Exhibit A to this Agreement is true and correct in all material respects as of the Cut-off Date and contains all information required by this Agreement to be contained therein.
  - (40) Cross-Collateralization. No Mortgage Loan is cross-collateralized or cross-defaulted with any mortgage loan that is not owned by the Issuer, except as set forth in Schedule 1(d).
  - (41) Advance of Funds by the Seller. After origination, no advance of funds has been made by Seller to the related Borrower other than in accordance with the Loan Documents, and, to Seller’s knowledge, no funds have been received from any person other than the related Borrower or an affiliate for, or on account of, payments due on the Mortgage Loan (other than as contemplated by the Loan Documents, such as, by way of example and not in limitation of the foregoing, amounts paid by the tenant(s) into a lender-controlled lockbox if required or contemplated under the related lease or Loan Documents). Neither Seller nor any affiliate thereof has any obligation to make any capital contribution to any Borrower under a Mortgage Loan, other than contributions made on or prior to the date hereof.
  - (42) Compliance with Anti-Money Laundering Laws. Seller (or the related originator if the Seller was not the originator) has complied in all material respects with all applicable anti-money laundering laws and regulations, including without limitation the USA Patriot Act of 2001 with respect to the origination of the Mortgage Loan, the failure to comply with which would have a material adverse effect on the Mortgage Loan.
-

(43) Floating Interest Rates. Each Mortgage Loan bears interest at a floating rate based on LIBOR.

(44) Senior Participations. With respect to each Loan Obligation that is a Senior Participation:

(i) Either (A) the Senior Participation is treated as a real estate asset for purposes of Section 856(c) of the Code, and the interest payable pursuant to such Senior Participation is treated as interest on an obligation secured by a mortgage on real property or on an interest in real property for purposes of Section 856(c) of the Code, or (B) the Senior Participation qualifies as a security that would not otherwise cause ARMS Equity to fail to qualify as a REIT under the Code (including after the sale, transfer and assignment to the Issuer of such Senior Participation);

(ii) To the actual knowledge of the Seller, as of the Closing Date, the related Participating Institution was not a debtor in any outstanding proceeding pursuant to the federal bankruptcy code;

(iii) The Seller has not received written notice of any outstanding liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind for which the holder of such Senior Participation is or may become obligated

(iv) The participation agreement is legal, valid and enforceable as between its parties, and provides that (other than any Non-Controlling Participations) the lead and control participant (the “Lead Participant”) has full power, authority and discretion to service the Loan Obligation, modify and amend the terms thereof, pursue remedies and enforcement actions, including foreclosure or other legal action, without consent or approval of any other participant (each, a “Third Party Participant”);

(v) Each Third Party Participant is required to pay its pro rata share of any expenses, costs and fees associated with servicing and enforcing rights and remedies under the related Loan Obligation upon request therefor by the Lead Participant;

(vi) Each participation agreement is effective to convey the participation interest to the related Third Party Participant and is not intended to be or effective as a loan or other financing secured by the Loan Obligation. The Lead Participant owes no fiduciary duty or obligation to any Third Party Participant pursuant to the participation agreement;

(vii) All amounts due and owing to any Third Party Participant pursuant to each participation agreement have been duly and timely paid. There is no default by the Lead Participant, or to the Seller’s knowledge, by any Third Party Participant under any participation agreement;

(viii) The participation interest and Lead Participant role, rights and responsibilities are assignable by the Seller without consent or approval other than those that have been obtained;

(ix) The terms of the participation agreement do not require or obligate the Lead Participant or its successor or assigns to repurchase the participation interest under any circumstances; and

(x) The Seller, in selling the participation interest to each Third Party Participant, made no misrepresentation, fraud or omission of information necessary for the Participant to make an informed decision to purchase its participation interest.

For purposes of these representations and warranties, the phrases “the Seller’s knowledge” or “the Seller’s belief” and other words and phrases of like import shall mean, except where otherwise expressly set forth herein, the actual state of knowledge or belief of the Seller, its officers and employees directly responsible for the underwriting, origination, servicing or sale of the Mortgage Loans regarding the matters expressly set forth herein.

In connection therewith, it agrees that it has not offered, placed or sold and will not offer, place or sell the Notes in the United States or to, or for the benefit or account of, a U.S. Person (other than a distributor), in each case, as defined in Rule 902 under the Securities Act (i) as part of its distribution at any time and (ii) otherwise until 40 days after the later of the commencement of the offering of the Notes pursuant hereto and the Closing Date, other than in accordance with Regulation S or another exemption from the registration requirements of the Securities Act;

(i) no form of general solicitation or general advertising has been or will be used by it or any of its representatives in connection with the offer, placement and sale of any of the Securities, including, but not limited to, articles, notices or other communications published in any newspaper, magazine, or similar medium or broadcast over television or radio, or any seminar or meeting whose attendees have been invited by any general solicitation or general advertising; and

(j) (i) it has only communicated or caused to be communicated and will only communicate or cause to be communicated any invitation or inducement to engage in investment activity (within the meaning of Section 21 of the Financial Services and Markets Act 2000 (the “ FSMA”)) received by it in connection with the issue or sale of any Securities in circumstances in which Section 21(1) of the FSMA does not apply to the Issuer; and (ii) it has complied and will comply with all applicable provisions of the FSMA with respect to anything done by it in relation to the Notes in, from or otherwise involving the United Kingdom.

Terms used in this Section 5 that have meanings specified in Regulation S are used herein as so defined.

6. Fees and Expenses. The proceeds of the offering of the Securities shall be used by the Issuer to pay (or, the Issuer shall cause to be paid) all expenses incurred in connection with the offering of the Securities, including the preparation and printing of the preliminary and final offering memoranda, the preparation, issuance and delivery of the Notes to the initial purchasers thereof, any fees charged by the Rating Agencies in rating the Notes and the fees of counsel to the Issuer and Co-Issuer, the Lead Placement Agent, the European Co-Placement Agent, the Preferred Shares Paying Agent, the fees of the Loan Obligation Manager, the Trustee and out-of-pocket expenses of the Lead Placement Agent in the amount of \$125,000. In addition, the Lead Placement Agent shall receive a fee of 1.0% of the aggregate principal amount of the sale of the Class A Notes, Class B Notes and Class C Notes (it being understood that no fee shall be payable to the Lead Placement Agent with respect to (i) Class B Notes, Class C Notes or Preferred Shares purchased by the Loan Obligation Manager or its affiliates or (ii) any Class A Notes or Class B Notes sold by the European Co-Placement Agent for up to \$25,000,000 of Class A Notes in Regulation S global form or up to \$1,000,000 of Class B Notes in Regulation S global form).

- (j) Each Seller shall have duly authorized, executed and delivered the applicable Loan Obligations Purchase Agreement.

- (l) The Notes shall have been executed by the Issuer and the Co-Issuer and authenticated by the Trustee and the conditions precedent thereto, as set forth in the Indenture, shall have been satisfied.
- (m) The Preferred Shares shall have been issued by the Issuer and the conditions precedent thereto, as set forth in the Preferred Shares Paying Agency Agreement and the Governing Documents, shall have been satisfied.

- (o) Prior to the placement of the Notes, the Issuer and Co-Issuer, as applicable, shall have obtained a letter from each of Moody's and DBRS confirming that (i) the Class A Notes have been rated "Aaa(sf)" by Moody's and "AAA(sf)" by DBRS, (ii) the Class B Notes have been rated at least "Baa2(sf)" by Moody's and "BBB(sf)" by DBRS and (iii) the Class C Notes have been rated at least "BBB(low)(sf)" by DBRS, and shall deliver copies of such letter to the Lead Placement Agent.

8. Indemnification and Contribution.

(a) Subject to the Priority of Payments set forth in Section 11.1 of the Indenture, the Co-Issuers shall indemnify and hold harmless the Lead Placement Agent and each of its affiliates, their respective partners, officers, directors, agents and employees and each person who controls the Lead Placement Agent or any of its affiliates within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act (each, a “Placement Agent Indemnified Person”), to the full extent lawful, from and against any losses, claims, damages, liabilities or expenses, joint or several, as the same are incurred, to which the Placement Agent Indemnified Person may become subject insofar as such losses, claims, damages, liabilities or expenses (or actions in respect thereof) (1) arise out of or are based upon an untrue statement or alleged untrue statement of a material fact contained in the Offering Materials or any amendment or supplement thereto or arise out of or are based upon the omission or alleged omission to state in the Offering Materials a material fact necessary to make the statements therein, in the light of the circumstances under which they are made, not misleading, other than the Placement Agent Information or (2) are based upon a breach by either of the Co-Issuers of any of its representations, warranties or agreements contained in this Agreement, and shall periodically reimburse the Lead Placement Agent for any and all legal or other expenses reasonably incurred by the Lead Placement Agent and each other Placement Agent Indemnified Person in connection with investigating or defending, settling, compromising or paying any such losses, claims, damages, liabilities, expenses or actions as such expenses are incurred; provided, however, that the foregoing indemnity with respect to any untrue statement contained in or any statement omitted from the Offering Memorandum (as the same may be amended or supplemented) shall not inure to the benefit of the Lead Placement Agent, if (x) such loss, liability, claim, damage or expense resulted from the fact that the Lead Placement Agent sold or placed Notes to a Person to whom there was not sent or given, at or prior to the written confirmation of such sale or placement, as the case may be, a copy of the Offering Memorandum, as then amended or supplemented, (y) the Issuer shall have previously and timely furnished sufficient copies of the Offering Memorandum, as so amended or supplemented, to the Lead Placement Agent in accordance with this Agreement and (z) the Offering Memorandum, as so amended or supplemented, would have corrected such untrue statement or omission.

(b) The Lead Placement Agent shall indemnify and hold harmless the Issuer and the Co-Issuer, each of their respective affiliates, their respective officers, directors, managers and each person controlling the Issuer and Co-Issuer within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act, against any losses, claims, damages, liabilities or expenses, joint or several, as the same are incurred, to which the Issuer or the Co-Issuer may become subject insofar as such losses, claims, damages, liabilities or expenses (or actions in respect thereof) arise out of or are based upon any untrue statement or alleged untrue statement of a material fact contained in the statements set forth in the Placement Agent Information or acts or omissions thereof or arise out of or are based upon the omission or alleged omission to state in such paragraphs a material fact necessary with respect to the Lead Placement Agent or acts or omissions thereof to make the statements in such paragraphs, in the light of the circumstances under which they are made, not misleading. For the avoidance of doubt, the Lead Placement Agent shall not have any obligation to verify or monitor, or have any liability for, any statements set forth in the Placement Agent Information that has not been provided by the Lead Placement Agent.

(c) Promptly after receipt by an indemnified party under Section 8(a) or (b) above of notice of the commencement of any action, such indemnified party shall, if a claim in respect thereof is to be made against the indemnifying party under such subsection, notify the indemnifying party in writing of the commencement thereof; but the omission so to notify the indemnifying party shall not relieve it from any liability which it may have to any indemnified party otherwise under such subsection except to the extent it has been materially prejudiced by such failure. In case any such action shall be brought against any indemnified party and it shall notify the indemnifying party of the commencement thereof, the indemnifying party shall be entitled to participate therein and, to the extent that it may elect, jointly with any other indemnifying party similarly notified, to assume the defense thereof, with counsel reasonably satisfactory to such indemnified party; provided, however, that if the defendants in any such action include both the indemnified party and the indemnifying party and the indemnified party shall have reasonably concluded that there may be legal defenses available to it and/or other indemnified parties which are different from or additional to those available to the indemnifying party, the indemnified party or parties shall have the right to select separate counsel to assert such legal defenses and to otherwise participate in the defense of such action on behalf of such indemnified party or parties. Upon receipt of notice from the indemnifying party to such indemnified party of its election so to assume the defense of such action and approval of counsel by the indemnified party, the indemnifying party shall not be liable to such indemnified party under this Section 8 for any legal or other expenses subsequently incurred by such indemnified party in connection with the defense thereof unless (i) the indemnified party shall have employed separate counsel in connection with the assertion of legal defenses in accordance with the proviso to the immediately preceding sentence (it being understood, however, that the indemnifying party shall not be liable for the expenses of more than one separate counsel (in addition to local counsel) for the indemnified party), (ii) the indemnifying party shall not have employed counsel satisfactory to the indemnified party at the expense of the indemnifying party to represent the indemnified party within a reasonable time after notice of commencement of the action or (iii) the indemnifying party has authorized the employment of counsel for the indemnified party at the expense of the indemnifying party.

(d) If the indemnification provided for in this Section 8 is unavailable to or insufficient to hold harmless an indemnified party under Section 8(a) or (b) above in respect of any losses, claims, damages, liabilities or expenses (or actions in respect thereof) referred to therein, then each indemnifying party shall contribute to the amount paid or payable by such indemnified party as incurred as a result of such losses, claims, damages, liabilities or expenses (or actions in respect thereof) in such proportion as is appropriate to reflect the relative benefits received by the Co-Issuers on the one hand and the Lead Placement Agent on the other from the offering of the Notes. If, however, the allocation provided by the immediately preceding sentence is not permitted by applicable law, then each indemnifying party shall contribute to such amount paid or payable by such indemnified party in such proportion as is appropriate to reflect not only such relative benefits but also the relative fault of the Co-Issuers on the one hand and the Lead Placement Agent on the other in connection with the statements or omissions or breaches of representations, warranties or agreements which resulted in such losses, claims, damages, liabilities or expenses (or actions in respect thereof), as well as any other relevant equitable considerations. The relative benefits received by the Co-Issuers on the one hand and by the Lead Placement Agent on the other shall be in the same proportion as the total proceeds to the Co-Issuers from the sale of Securities bears to, as applicable, the underwriting discounts and

commissions received by the Lead Placement Agent. The relative fault shall be determined by reference to, among other things, whether the indemnified party failed to give the notice required under Section 8(c) above, including the consequences of such failure, and whether any such untrue or alleged untrue statement of a material fact or omission or alleged omission to state a material fact relates to information supplied by the Co-Issuers on the one hand or the Lead Placement Agent on the other and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement, omission or breach. The Co-Issuers and the Lead Placement Agent agree that it would not be just and equitable if contribution pursuant to this Section 8(d) were determined by pro rata allocation or by any other method of allocation which does not take account of the equitable considerations referred to above in this Section 8(d). The amount paid or payable by an indemnified party as a result of the losses, claims, damages, liabilities or expenses (or actions in respect thereof) referred to above in this Section 8(d) shall be deemed to include any legal or other expenses reasonably incurred by such indemnified party in connection with investigating or defending any such action or claim (which shall be limited as provided in Section 8(c) above if the indemnifying party has assumed the defense of any such action in accordance with the provisions thereof). Notwithstanding the provisions of this Section 8(d), the Lead Placement Agent shall not be required to contribute any amount in excess of the amount by which the amount of the discounts and commissions received by it or fees paid to it, as applicable, exceeds the amount of any damages which the Lead Placement Agent has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. No person guilty of fraudulent misrepresentation shall be entitled to a contribution from any person who was not guilty of such fraudulent misrepresentation.

9. Duration, Termination and Assignment of this Agreement.

(a) This Agreement shall become effective as of the date first written above and shall remain in force until terminated as provided in this Section 9.

(b) This Agreement may be terminated by the Lead Placement Agent at any time without the payment of any penalty by the Lead Placement Agent, if there is a breach of any of the representations, warranties, covenants or agreements of the Issuer or the Co-Issuer hereunder or if any of the conditions set forth in Section 7 hereof have not been satisfied.

(c) This Agreement shall terminate in the event that on or after the date hereof, there shall have occurred any of the following: (i) a suspension or material limitation in trading in securities generally on the New York Stock Exchange or in trading of the securities of the Loan Obligation Manager or any affiliate of the Loan Obligation Manager on any exchange or over-the-counter market; (ii) a general moratorium on commercial banking activities declared by either federal or New York State authorities; or (iii) the outbreak or escalation of hostilities involving the United States or the declaration by the United States of a national emergency or war, or other calamity or crisis, if the effect of any such event specified in this clause (iii) in the judgment of the Lead Placement Agent makes it impracticable or inadvisable to proceed with the offering or delivery of the Notes on the terms and in the manner contemplated by this Agreement and in the Offering Memorandum.

(d) The Issuer shall pay all fees and expenses in connection with the offering, placement and sale of the Notes immediately following any termination of this Agreement pursuant to Section 9(c) hereof.

(e) This Agreement is not assignable by any party hereto.

11. Consent to Jurisdiction. Each of the parties hereto (i) agrees that any legal suit, action or proceeding brought by any party to enforce any rights under or with respect to this Agreement or any other document or the transactions contemplated hereby or thereby may be instituted in any federal court in the City of New York, State of New York, U.S.A.; provided, however, that if a federal court in the City of New York declines jurisdiction for any reason, any legal suit, action or proceeding brought by any party to enforce any rights under or with respect to this Agreement or any other document or the transactions contemplated hereby or thereby may be instituted in any state court in the City of New York, State of New York, U.S.A., (ii) irrevocably waives to the fullest extent permitted by law any objection which it may now or hereafter have to the laying of venue of any such suit, action or proceeding instituted in the City of New York, State of New York, U.S.A., (iii) irrevocably waives to the fullest extent permitted by law any claim that and agrees not to claim or plead in any court that any such action, suit or proceeding brought in a court in the City of New York, State of New York, U.S.A. has been brought in an inconvenient forum and (iv) irrevocably submits to the non-exclusive jurisdiction of any such court in any such suit, action or proceeding or for recognition and enforcement of any judgment in respect thereof.

Each of the Issuer and the Co-Issuer individually hereby irrevocably and unconditionally designates and appoints CT Corporation System, 111 8th Avenue, 13th Floor, New York, New York 10011, U.S.A. (and any successor entity), as their respective authorized agent to receive and forward on its behalf service of any and all process which may be served in any such suit, action or proceeding in any such court and agrees that service of process upon CT Corporation shall be deemed in every respect effective service of process upon it in any such suit, action or proceeding and shall be taken and held to be valid personal service upon it. Said designation and appointment shall be irrevocable. Nothing in this Section 11 shall affect the rights of the Lead Placement Agent, its respective affiliates or any indemnified party to serve process in any manner permitted by law. Each of the Issuer and the Co-Issuer further agrees to take any and all action, including the execution and filing of any and all such documents and instruments, as may be necessary to continue such designation and appointment of CT Corporation in full force and effect so long as the Notes are outstanding but in no event for a period longer than five years from the date of this Agreement. Each of the Issuer and the Co-Issuer hereby irrevocably and unconditionally authorizes and directs CT Corporation to accept such service on their behalf. If for any reason CT Corporation ceases to be available to act as such, each of the Issuer and the Co-Issuer agrees to designate a new agent in New York City on the terms and for the purposes of this provision reasonably satisfactory to the Lead Placement Agent.

To the extent that either the Issuer or the Co-Issuer has or hereafter may acquire any immunity from jurisdiction of any court (including, without limitation, any court in the United States, the State of New York, Cayman Islands or any political subdivision thereof) or from any legal process (whether through service of notice, attachment prior to judgment, attachment in aid of execution, execution or otherwise) with respect to itself or its property or

assets, this Agreement, or any other documents or actions to enforce judgments in respect of any thereof, it hereby irrevocably waives such immunity, and any defense based on such immunity, in respect of its obligations under the above-referenced documents and the transactions contemplated thereby, to the extent permitted by law.

12. Arms-Length Transaction. Each of the Co-Issuers acknowledges and agrees that (i) Sandler O'Neill is acting solely in the capacity of an arm's length contractual counterparty to the Issuer and the Co-Issuer with respect to the placement of the Notes pursuant to this Agreement and not as a financial advisor or a fiduciary to, or agent of, the Issuer or the Co-Issuer or any other person, (ii) Sandler O'Neill is not advising the Issuer, the Co-Issuer or any other person as to any legal, tax, investment, accounting or regulatory matters in any jurisdiction, (iii) the Issuer and the Co-Issuer shall consult with their own advisors concerning any such matter and shall be responsible for making their own independent investigation and appraisal of any transactions contemplated by this Agreement, and the Lead Placement Agent shall have no responsibility or liability to the Issuer or the Co-Issuer with respect thereto, and (iv) any review by the Lead Placement Agent of the Issuer, the Co-Issuer or any transactions contemplated by this Agreement or any other matters relating thereto will be performed solely for the benefit of the Lead Placement Agent and shall not be on behalf of the Issuer, the Co-Issuer or any other person. Each of the Co-Issuers waives, to the fullest extent permitted by law, any and all claims it may have against the Lead Placement Agent for breach of fiduciary duty or alleged breach of fiduciary duty and agrees that the Lead Placement Agent shall have no liability (whether direct or indirect) to either of the Co-Issuers in respect of such a fiduciary duty claim or to any person asserting a fiduciary duty claim on behalf of or in right of such Co-Issuer.

13. Judgment Currency. If, pursuant to a judgment or order being made or registered against either the Issuer or the Co-Issuer, any payment under or in connection with this Agreement to the Lead Placement Agent is made or satisfied in a currency (the "Judgment Currency") other than in United States Dollars then, to the extent that the payment (when converted into United States Dollars at the rate of exchange on the date of payment or, if it is not practicable for the Lead Placement Agent to purchase United States Dollars with the Judgment Currency on the date of payment, at the rate of exchange as soon thereafter as it is practicable to do so) actually received by the Lead Placement Agent falls short of the amount due under the terms of this Agreement, the Issuer or the Co-Issuer, as applicable, shall, to the extent permitted by law, as a separate and independent obligation, indemnify and hold harmless the Lead Placement Agent against the amount of such short fall and such indemnity shall continue in full force and effect notwithstanding any such judgment or order as aforesaid. For the purpose of this Section 13, "rate of exchange" means the rate at which the Lead Placement Agent is able on the relevant date to purchase United States Dollars with the Judgment Currency and shall take into account any premium and other costs of exchange.

14. Amendments to this Agreement. This Agreement may be amended by the parties hereto only if such amendment is specifically approved in writing by the Issuer, the Co-Issuer and the Lead Placement Agent. The Co-Issuers must provide notice of any amendment or modification of this Agreement to the Rating Agency rating the Notes at the time of any such amendment or modification.

15. Parties. This Agreement shall inure to the benefit of and be binding upon the Lead Placement Agent, the Co-Issuers and their respective successors. Nothing expressed or mentioned in this Agreement is intended or shall be construed to give any person, firm or corporation, other than the Lead Placement Agent, the Co-Issuers and their respective successors and affiliates and the controlling persons and partners, officers, directors, agents and employees referred to in Section 8, any legal or equitable right, remedy or claim under or in respect of this Agreement or any provisions herein contained. This Agreement and all conditions and provisions hereof are intended to be for the sole and exclusive benefit of the Lead Placement Agent, the Co-Issuers, each of their respective affiliates and their respective successors, and said controlling persons and officers, directors and managers and their heirs and legal representatives, and for the benefit of no other person, firm or corporation. No purchaser of Securities shall be deemed to be a successor by reason merely of such purchase.

16. Governing Law. **This Agreement shall be construed in accordance with the internal laws of the State of New York, without giving effect to the choice of law principles thereof.**

17. Counterparts. This Agreement may be simultaneously executed in several counterparts, each of which shall be deemed to be an original, and all such counterparts shall together constitute but one and the same agreement.

18. Representations, Warranties and Indemnities to Survive Delivery. The respective representations, warranties and indemnities of the Issuer, the Co-Issuer, of their respective officers and of the Lead Placement Agent set forth in or made pursuant to, this Agreement, including any warranty relating to the payment of expenses owed to the Lead Placement Agent hereunder shall remain in full force and effect and shall survive delivery of and payment for the Securities and any termination of this Agreement.

19. No Petition Agreement. The Lead Placement Agent agrees that, so long as any Note is outstanding and for a period of one year plus one day or, if longer, the applicable preference period then in effect after payment in full of all amounts payable under or in respect of the Transaction Documents, it shall not institute against or join or assist any other Person in instituting against, any of the Issuer or the Co-Issuer any bankruptcy, reorganization, arrangement, insolvency or liquidation proceedings, or other proceedings under any federal or state bankruptcy or similar law of any jurisdiction. This Section 19 shall survive any termination of this Agreement.

20. Non-Recourse Agreement. Notwithstanding any other provision of this Agreement, all obligations of the Issuer or the Co-Issuer arising hereunder or in connection herewith are limited in recourse to the Pledged Obligations and to the extent the proceeds of the Pledged Obligations, when applied in accordance with the Priority of Payments, are insufficient to meet the obligations of the Issuer or the Co-Issuer hereunder in full, the Issuer or the Co-Issuer, as applicable, shall have no further liability in respect of any such outstanding obligations and any claims against the Issuer or the Co-Issuer, as applicable, shall be extinguished and shall not thereafter revive. The Lead Placement Agent hereby agrees and acknowledges that the obligations of the Co-Issuers hereunder are solely the corporate obligations of the Co-Issuer and that no recourse shall be had against any officer, director, employee, shareholder, limited partner

or incorporator of the Co-Issuers for any amounts payable hereunder. This Section 20 shall survive any termination of this Agreement.

21. Taxes. The Issuer shall not be obligated to pay any additional amounts to the holders or beneficial owners of any Note as a result of withholding or deduction for, or on account of, any present or future taxes, duties, assessments or governmental charges with respect to such Notes.

22. Entire Agreement. This Agreement constitutes the entire understanding and agreement among the parties hereto and supercedes any and all prior understandings amongst them relating to the subject matter hereof (apart from the letter agreement dated April 9, 2014 between Arbor Realty Trust, Inc. and Sandler O'Neill, which shall remain in full force and effect in accordance with its terms).

(pp) the Co-Issuers, have confirmed that CUSIP has established a “fixed field” attached to the CUSIP numbers for the Notes represented by Rule 144A Global Securities containing “144A” indicators; and

(qq) the Co-Issuers have complied with the representations, certifications and covenants made to Moody’s Investor Service, Inc. (“Moody’s”) and DBRS, Inc., (“DBRS”) (the “Hired NRSROs”) in connection with the engagement of the Hired NRSROs to issue and monitor credit ratings on the Notes, including any certification provided to the Hired NRSROs in connection with Rule 17g-5(a)(iii) of the Exchange Act (“Rule 17g-5”). The Co-Issuers are the sole parties responsible for compliance with Rule 17g-5 in connection with the issuance and monitoring of the credit ratings on the Notes. Each of the Issuer and Co-Issuer shall comply with the representations, certifications and covenants made by it in the engagement letters with the Hired NRSROs, including any representation, certification or covenant provided to the Hired NRSROs in connection with Rule 17g-5, and shall make accessible to any non-hired nationally recognized statistical rating organization all information provided to each Hired NRSROs in connection with the issuance and monitoring of the credit ratings on the Notes in accordance with Rule 17g-5.

5. Representations, Warranties and Covenants of the European Co-Placement Agent. The European Co-Placement Agent, hereby represents and warrants to each of the Issuer and the Co-Issuer as of the Closing Date, and agrees with the Issuer and the Co-Issuer that:

(a) it understands that (i) the Notes have not been and shall not be registered under the Securities Act, and (ii) neither the Issuer nor the Co-Issuer are, and shall not be, registered as an “investment company” under the Investment Company Act;

(b) it shall place the Notes only to persons that the European Co-Placement Agent reasonably believes are not U.S. Persons or U.S. residents for purposes of the Investment Company Act and that the sale, reoffer, resale, pledge or other transfer is being made in compliance with Regulation S; terms used in this paragraph have the meanings given to them by Regulation S or Rule 144A, as applicable;

(c) it has not and shall not invite any member of the public in the Cayman Islands to subscribe for the Notes;

(d) it acknowledges that purchases and resales of the Notes are restricted as described under “Transfer Restrictions” in the Offering Memorandum;

(e) it acknowledges that the information relating solely to it furnished to the Issuer and the Co-Issuer specifically for use in the Offering Memorandum has been prepared by the European Co-Placement Agent and accordingly, the European Co-Placement Agent only assumes the responsibility for the accuracy, completeness or applicability of the information it has furnished;

(f) in relation to each Member State of the European Economic Area which has implemented the Prospectus Directive (each, a “Relevant Member State”), for any transaction which the European Co-Placement Agent sells as principal in connection with the initial placement of the Notes by the Co-Issuers, with effect from and including the date on which the Prospectus Directive is implemented in that Relevant Member State (the “Relevant Implementation Date”), the European Co-Placement Agent has not made and will not make an offer of Notes to the public in that Relevant Member State prior to the publication of a prospectus in relation to the Notes which has been approved by the competent authority in that Relevant Member State or, where appropriate, approved in another Relevant Member State and notified to the competent authority in that Relevant Member State, all in accordance with the Prospectus Directive, except that it may, with effect from and including the Relevant Implementation Date, make an offer of notes to the public in that Relevant Member State at any time: (i) to any legal entity which is a qualified investor as defined in the Prospectus Directive; (ii) to fewer than 100, or, if the Relevant Member State has implemented the relevant provision of the 2010 PD Amending Directive, 150, legal persons (other than qualified investors as defined in the Prospectus Directive) subject to obtaining the prior consent of the relevant dealer or dealers nominated by the Co-Issuer for any such offer; or (iii) at any time in any other circumstances falling within Article 3(2) of the Prospectus Directive, provided that no such offer of Notes referred to in (i) to (iii) above requires the publication by the Issuer or the European Co-Placement Agent of a prospectus pursuant to Article 3 of the Prospectus Directive. For the purposes of this clause, the expression an “offer of Notes to the public” in relation to any securities in any Relevant Member State means the communication in any form and by any means of sufficient information on the terms of the offer and the Notes to be offered so as to enable an investor to decide to purchase or subscribe the securities, as the same may be varied in that Member State by any measure implementing the Prospectus Directive in that Member State, the expression “Prospectus Directive” means Directive 2003/71/EC (and the amendments thereto, including the 2010 PD Amending Directive, to the extent implemented in the Relevant Member State), and includes any relevant implementing measure in the Relevant Member State and the expression “2010 PD Amending Directive” means Directive 2010/73/EU.

(g) it represents and agrees that the Notes offered and placed in reliance on Regulation S have been and will be offered, placed and sold only in offshore transactions. In connection therewith, it agrees that it has not offered, placed or sold and will not offer, place or sell the Notes in the United States or to, or for the benefit or account of, a U.S. Person (other than a distributor), in each case, as defined in Rule 902 under the Securities Act (i) as part of its distribution at any time and (ii) otherwise until 40 days after the later of the commencement of the offering of the Notes pursuant hereto and the Closing Date, other than in accordance with Regulation S or another exemption from the registration requirements of the Securities Act;

(h) no form of general solicitation or general advertising has been or will be used by it or any of its representatives in connection with the offer, placement and sale of any of the Securities; and

(i) (i) it has only communicated or caused to be communicated and will only communicate or cause to be communicated any invitation or inducement to engage in investment activity (within the meaning of Section 21 of the Financial Services and Markets Act 2000 (the “FSMA”)) received by it in connection with the issue or sale of any Securities in circumstances in

which Section 21(1) of the FSMA does not apply to the Issuer; and (ii) it has complied and will comply with all applicable provisions of the FSMA with respect to anything done by it in relation to the Notes in, from or otherwise involving the United Kingdom.

Terms used in this Section 5 that have meanings specified in Regulation S are used herein as so defined.

6. Fees and Expenses. The proceeds of the offering of the Securities shall be used to pay all expenses incurred in connection with the offering of the Securities, including the preparation and printing of the preliminary and final offering memoranda, the preparation, issuance and delivery of the Notes to the initial purchasers thereof, any fees charged by the Rating Agencies in rating the Notes and the fees of counsel to the Issuer and Co-Issuer, the European Co-Placement Agent, the Lead Placement Agent, the Preferred Shares Paying Agent, the fees of the Loan Obligation Manager, the Trustee and out-of-pocket expenses of the European Co-Placement Agent in the amount of \$35,000. (g) The Co-Issuer shall have duly authorized, executed and delivered the Indenture and this Agreement.

(k) Arbor Commercial Mortgage, LLC shall have duly authorized, executed and delivered the Servicing Agreement.

(l) The Notes shall have been executed by the Issuer and the Co-Issuer and authenticated by the Trustee and the conditions precedent thereto, as set forth in the Indenture, shall have been satisfied.

(m) The Preferred Shares shall have been issued by the Issuer and the conditions precedent thereto, as set forth in the Preferred Shares Paying Agency Agreement and the Governing Documents, shall have been satisfied.

(o) Prior to the placement of the Notes, the Issuer and Co-Issuer, as applicable, shall have obtained a letter signed by the Rating Agencies confirming that (i) the Class A Notes have been rated “Aaa(sf)” by Moody’s and “AAA(sf)” by DBRS, (ii) the Class B Notes have been rated at least “Baa2(sf)” by Moody’s and “BBB(sf)” by DBRS, and (iii) the Class C Notes have been rated at least “BBB(low)(sf)” by DBRS, and shall deliver copies of such letter to the European Co-Placement Agent.

(q) The Co-Issuers and DTC shall have executed and delivered one or more letters of representation with respect to the Notes each in a form reasonably satisfactory to the European Co-Placement Agent.

(r) All of the Preferred Shares shall have been purchased by ARMS Equity on the Closing Date.

8. Indemnification and Contribution. (a) Subject to the Priority of Payments set forth in Section 11.1 of the Indenture, the Co-Issuers shall indemnify and hold harmless the European Co-Placement Agent and each of its affiliates, their respective partners, officers, directors, agents and employees and each person who controls the European Co-Placement Agent or any of its affiliates within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act (each, a “European Co-Placement Agent Indemnified Person”), to the full extent lawful, from and against any losses, claims, damages, liabilities or expenses, joint or several, as the same are incurred, to which the European Co-Placement Agent Indemnified Person may become subject insofar as such losses, claims, damages, liabilities or expenses (or actions in respect thereof) (1) arise out of or are based upon an untrue statement or alleged untrue statement of a material fact contained in the Offering Materials or any amendment or supplement thereto or arise out of or are based upon the omission or alleged omission to state in the Offering Materials a material fact necessary to make the statements therein, in the light of the circumstances under which they are made, not misleading, other than the European Co-Placement Agent Information or (2) are based upon a breach by either of the Co-Issuers of any of its representations, warranties or agreements contained in this Agreement, and shall periodically reimburse the European Co-Placement Agent for any and all legal or other expenses reasonably incurred by the European Co-Placement Agent and each other European Co-Placement Agent Indemnified Person in connection with investigating or defending, settling, compromising or paying any such losses, claims, damages, liabilities, expenses or actions as such expenses are incurred; provided, however, that the foregoing indemnity with respect to any untrue statement contained in or any statement omitted from the Offering Memorandum (as the same may be amended or supplemented) shall not inure to the benefit of the European Co-Placement Agent, if (x) such loss, liability, claim, damage or expense resulted from the fact that the European Co-Placement Agent sold or placed Notes to a Person to whom there was not sent or given, at or prior to the written confirmation of such sale or placement, as the case may be, a copy of the

Offering Memorandum, as then amended or supplemented, (y) the Issuer and the Co-Issuer shall have previously and timely furnished sufficient copies of the Offering Memorandum, as so amended or supplemented, to the European Co-Placement Agent in accordance with this Agreement and (z) the Offering Memorandum, as so amended or supplemented, would have corrected such untrue statement or omission.

(b) The European Co-Placement Agent shall indemnify and hold harmless the Issuer and the Co-Issuer, each of their respective affiliates, their respective officers, directors, managers and each person controlling the Issuer and the Co-Issuer within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act, against any losses, claims, damages, liabilities or expenses, joint or several, as the same are incurred, to which the Issuer or the Co-Issuer may become subject insofar as such losses, claims, damages, liabilities or expenses (or actions in respect thereof) arise out of or are based upon any untrue statement or alleged untrue statement of a material fact contained in the statements set forth in the European Co-Placement Agent Information or acts or omissions thereof or arise out of or are based upon the omission or alleged omission to state in such paragraphs a material fact necessary with respect to the European Co-Placement Agent or acts or omissions thereof to make the statements in such paragraphs, in the light of the circumstances under which they are made, not misleading. For the avoidance of doubt, the European Co-Placement Agent shall not have any obligation to verify or monitor, or have any liability for, any statements set forth in the European Co-Placement Agent Information that has not been provided by the European Co-Placement Agent.

(c) Promptly after receipt by an indemnified party under Section 8(a) or (b) above of notice of the commencement of any action, such indemnified party shall, if a claim in respect thereof is to be made against the indemnifying party under such subsection, notify the indemnifying party in writing of the commencement thereof; but the omission so to notify the indemnifying party shall not relieve it from any liability which it may have to any indemnified party otherwise under such subsection except to the extent it has been materially prejudiced by such failure. In case any such action shall be brought against any indemnified party and it shall notify the indemnifying party of the commencement thereof, the indemnifying party shall be entitled to participate therein and, to the extent that it may elect, jointly with any other indemnifying party similarly notified, to assume the defense thereof, with counsel reasonably satisfactory to such indemnified party; provided, however, that if the defendants in any such action include both the indemnified party and the indemnifying party and the indemnified party shall have reasonably concluded that there may be legal defenses available to it and/or other indemnified parties which are different from or additional to those available to the indemnifying party, the indemnified party or parties shall have the right to select separate counsel to assert such legal defenses and to otherwise participate in the defense of such action on behalf of such indemnified party or parties. Upon receipt of notice from the indemnifying party to such indemnified party of its election so to assume the defense of such action and approval of counsel by the indemnified party, the indemnifying party shall not be liable to such indemnified party under this Section 8 for any legal or other expenses subsequently incurred by such indemnified party in connection with the defense thereof unless (i) the indemnified party shall have employed separate counsel in connection with the assertion of legal defenses in accordance with the proviso to the immediately preceding sentence (it being understood, however, that the indemnifying party shall not be liable for the expenses of more than one separate counsel (in addition to local counsel) for the indemnified party), (ii) the indemnifying party shall not have

employed counsel satisfactory to the indemnified party at the expense of the indemnifying party to represent the indemnified party within a reasonable time after notice of commencement of the action or (iii) the indemnifying party has authorized the employment of counsel for the indemnified party at the expense of the indemnifying party.

(d) If the indemnification provided for in this Section 8 is unavailable to or insufficient to hold harmless an indemnified party under Section 8(a) or (b) above in respect of any losses, claims, damages, liabilities or expenses (or actions in respect thereof) referred to therein, then each indemnifying party shall contribute to the amount paid or payable by such indemnified party as incurred as a result of such losses, claims, damages, liabilities or expenses (or actions in respect thereof) in such proportion as is appropriate to reflect the relative benefits received by the Co-Issuers on the one hand and the European Co-Placement Agent on the other from the offering of the Notes. If, however, the allocation provided by the immediately preceding sentence is not permitted by applicable law, then each indemnifying party shall contribute to such amount paid or payable by such indemnified party in such proportion as is appropriate to reflect not only such relative benefits but also the relative fault of the Co-Issuers on the one hand and the European Co-Placement Agent on the other in connection with the statements or omissions or breaches of representations, warranties or agreements which resulted in such losses, claims, damages, liabilities or expenses (or actions in respect thereof), as well as any other relevant equitable considerations. The relative benefits received by the Co-Issuers on the one hand and by the European Co-Placement Agent on the other shall be in the same proportion as the total proceeds to the Co-Issuers from the sale of Securities bears to, as applicable, the underwriting discounts and commissions received by the European Co-Placement Agent. The relative fault shall be determined by reference to, among other things, whether the indemnified party failed to give the notice required under Section 8(c) above, including the consequences of such failure, and whether any such untrue or alleged untrue statement of a material fact or omission or alleged omission to state a material fact relates to information supplied by the Co-Issuers on the one hand or the European Co-Placement Agent on the other and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement, omission or breach. The Co-Issuers and the European Co-Placement Agent agree that it would not be just and equitable if contribution pursuant to this Section 8(d) were determined by pro rata allocation or by any other method of allocation which does not take account of the equitable considerations referred to above in this Section 8(d). The amount paid or payable by an indemnified party as a result of the losses, claims, damages, liabilities or expenses (or actions in respect thereof) referred to above in this Section 8(d) shall be deemed to include any legal or other expenses reasonably incurred by such indemnified party in connection with investigating or defending any such action or claim (which shall be limited as provided in Section 8(c) above if the indemnifying party has assumed the defense of any such action in accordance with the provisions thereof). Notwithstanding the provisions of this Section 8(d), the European Co-Placement Agent shall not be required to contribute any amount in excess of the amount by which the amount of the discounts and commissions received by it or fees paid to it, as applicable, exceeds the amount of any damages which the European Co-Placement Agent has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. No person guilty of fraudulent misrepresentation shall be entitled to a contribution from any person who was not guilty of such fraudulent misrepresentation.

9. Duration, Termination and Assignment of this Agreement. (a) This Agreement shall become effective as of the date first written above and shall remain in force until terminated as provided in this Section 9.

(b) This Agreement may be terminated by the European Co-Placement Agent at any time without the payment of any penalty by the European Co-Placement Agent, if there is a breach of any of the representations, warranties, covenants or agreements of the Issuer and the Co-Issuer hereunder or if any of the conditions set forth in Section 7 hereof have not been satisfied.

(c) This European Co-Placement Agreement shall terminate in the event that on or after the date hereof, there shall have occurred any of the following: (i) a suspension or material limitation in trading in securities generally on the New York Stock Exchange or in trading of the securities of the Loan Obligation Manager or any affiliate of the Loan Obligation Manager on any exchange or over-the-counter market; (ii) a general moratorium on commercial banking activities declared by either US federal or New York State authorities; or (iii) a change in the national or international monetary, financial, political or economic conditions or currency exchange rates or exchange controls, if the effect of any such event specified in this clause (iii) in the sole judgment of the European Co-Placement Agent makes it impracticable or inadvisable to proceed with the offering or delivery of the Notes on the terms and in the manner contemplated by this Agreement and in the Offering Memorandum.

(d) The Issuer shall pay all fees and expenses in connection with the offering, placement and sale of the Notes immediately following any termination of this Agreement pursuant to Section 9(c) hereof.

(e) This Agreement is not assignable by any party hereto.

11. Consent to Jurisdiction. Each of the parties hereto (i) agrees that any legal suit, action or proceeding brought by any party to enforce any rights under or with respect to this Agreement or any other document or the transactions contemplated hereby or thereby may be instituted in any federal court in the City of New York, State of New York, U.S.A.; provided, however, that if a federal court in the City of New York declines jurisdiction for any reason, any legal suit, action or proceeding brought by any party to enforce any rights under or with respect to this Agreement or any other document or the transactions contemplated hereby or thereby may be instituted in any state court in the City of New York, State of New York, U.S.A., (ii) irrevocably waives to the fullest extent permitted by law any objection which it may now or hereafter have to the laying of venue of any such suit, action or proceeding instituted in the City

of New York, State of New York, U.S.A., (iii) irrevocably waives to the fullest extent permitted by law any claim that and agrees not to claim or plead in any court that any such action, suit or proceeding brought in a court in the City of New York, State of New York, U.S.A. has been brought in an inconvenient forum and (iv) irrevocably submits to the non-exclusive jurisdiction of any such court in any such suit, action or proceeding or for recognition and enforcement of any judgment in respect thereof.

The Issuer and Co-Issuer individually hereby irrevocably and unconditionally designate and appoint CT Corporation System, 111 8th Avenue, 13th Floor, New York, New York 10011, U.S.A. (and any successor entity), as their respective authorized agent to receive and forward on its behalf service of any and all process which may be served in any such suit, action or proceeding in any such court and agrees that service of process upon CT Corporation shall be deemed in every respect effective service of process upon it in any such suit, action or proceeding and shall be taken and held to be valid personal service upon it. Said designation and appointment shall be irrevocable. Nothing in this Section 11 shall affect the rights of the European Co-Placement Agent, its respective affiliates or any indemnified party to serve process in any manner permitted by law. The Issuer and Co-Issuer further agree to take any and all action, including the execution and filing of any and all such documents and instruments, as may be necessary to continue such designation and appointment of CT Corporation in full force and effect so long as the Notes are outstanding but in no event for a period longer than five years from the date of this Agreement. The Issuer and Co-Issuer hereby irrevocably and unconditionally authorize and direct CT Corporation to accept such service on their behalf. If for any reason CT Corporation ceases to be available to act as such, the Issuer and the Co-Issuer agree to designate a new agent in New York City on the terms and for the purposes of this provision reasonably satisfactory to the European Co-Placement Agent.

To the extent that either the Issuer or the Co-Issuer has or hereafter may acquire any immunity from jurisdiction of any court (including, without limitation, any court in the United States, the State of New York, Cayman Islands or any political subdivision thereof) or from any legal process (whether through service of notice, attachment prior to judgment, attachment in aid of execution, execution or otherwise) with respect to itself or its property or assets, this Agreement, or any other documents or actions to enforce judgments in respect of any thereof, it hereby irrevocably waives such immunity, and any defense based on such immunity, in respect of its obligations under the above-referenced documents and the transactions contemplated thereby, to the extent permitted by law.

12. Arms-Length Transaction. The Issuer acknowledges and agrees that (i) Chalkhill Partners LLP and any affiliates are acting solely in the capacity of an arm's length contractual counterparty to the Issuer and the Co-Issuer with respect to the placement of the Notes pursuant to this Agreement and not as a financial advisor or a fiduciary to, or agent of, the Issuer and the Co-Issuer or the Co-Issuer or any other person, (ii) Chalkhill Partners LLP and any affiliates are not advising the Issuer and the Co-Issuer, the Co-Issuers or any other person as to any legal, tax, investment, accounting or regulatory matters in any jurisdiction, (iii) the Issuers shall consult with their own advisors concerning any such matter and shall be responsible for making their own independent investigation and appraisal of any transactions contemplated by this Agreement, and the European Co-Placement Agent shall have no responsibility or liability to the Issuer and the Co-Issuer or the Co-Issuer with respect thereto, and (iv) any review by the

European Co-Placement Agent of the Issuer and the Co-Issuer, the Co-Issuer or any transactions contemplated by this Agreement or any other matters relating thereto will be performed solely for the benefit of the European Co-Placement Agent and shall not be on behalf of the Issuer and the Co-Issuer, the Co-Issuer or any other person. The Issuer waives, to the fullest extent permitted by law, any and all claims it may have against the European Co-Placement Agent for breach of fiduciary duty or alleged breach of fiduciary duty and agrees that the European Co-Placement Agent shall have no liability (whether direct or indirect) to either of the Co-Issuers in respect of such a fiduciary duty claim or to any person asserting a fiduciary duty claim on behalf of or in right of such Co-Issuer.

13. Judgment Currency. If, pursuant to a judgment or order being made or registered against either the Issuer or the Co-Issuer, any payment under or in connection with this Agreement to the European Co-Placement Agent is made or satisfied in a currency (the “Judgment Currency”) other than in United States Dollars then, to the extent that the payment (when converted into United States Dollars at the rate of exchange on the date of payment or, if it is not practicable for the European Co-Placement Agent to purchase United States Dollars with the Judgment Currency on the date of payment, at the rate of exchange as soon thereafter as it is practicable to do so) actually received by the European Co-Placement Agent falls short of the amount due under the terms of this Agreement, the Issuer or the Co-Issuer, as applicable, shall, to the extent permitted by law, as a separate and independent obligation, indemnify and hold harmless the European Co-Placement Agent against the amount of such short fall and such indemnity shall continue in full force and effect notwithstanding any such judgment or order as aforesaid. For the purpose of this Section 13, “rate of exchange” means the rate at which the European Co-Placement Agent is able on the relevant date to purchase United States Dollars with the Judgment Currency and shall take into account any premium and other costs of exchange.

14. Amendments to this Agreement. This Agreement may be amended by the parties hereto only if such amendment is specifically approved in writing by the Issuer, the Co-Issuer and the European Co-Placement Agent. The Co-Issuers must provide notice of any amendment or modification of this Agreement to the Rating Agencies rating the Notes at the time of any such amendment or modification.

15. Parties. This Agreement shall inure to the benefit of and be binding upon the European Co-Placement Agent, the Co-Issuers and their respective successors. Nothing expressed or mentioned in this Agreement is intended or shall be construed to give any person, firm or corporation, other than the European Co-Placement Agent and the Co-Issuers and their respective successors and affiliates and the controlling persons and partners, officers, directors, agents and employees referred to in Section 8, any legal or equitable right, remedy or claim under or in respect of this Agreement or any provisions herein contained. This Agreement and all conditions and provisions hereof are intended to be for the sole and exclusive benefit of the European Co-Placement Agent, the Co-Issuers, each of their respective affiliates and their respective successors, and said controlling persons and officers, directors and managers and their heirs and legal representatives, and for the benefit of no other person, firm or corporation. No purchaser of Securities shall be deemed to be a successor by reason merely of such purchase.

16. Governing Law. This Agreement shall be construed in accordance with the internal laws of the State of New York, without giving effect to the choice of law principles thereof.

17. Counterparts. This Agreement may be simultaneously executed in several counterparts, each of which shall be deemed to be an original, and all such counterparts shall together constitute but one and the same agreement.

18. Representations, Warranties and Indemnities to Survive Delivery. The respective representations, warranties and indemnities of the Issuer and the Co-Issuer, their respective officers and of the European Co-Placement Agent set forth in or made pursuant to, this Agreement, including any warranty relating to the payment of expenses owed to the European Co-Placement Agent hereunder shall remain in full force and effect and shall survive delivery of and payment for the Securities and any termination of this Agreement.

19. No Petition Agreement. The European Co-Placement Agent hereby agrees and acknowledges that the obligations of the Co-Issuers hereunder are solely the corporate obligations of the Co-Issuer and that no recourse shall be had against any officer, director, employee, shareholder, limited partner or incorporator of the Co-Issuers for any amounts payable hereunder. This Section 20 shall survive any termination of this Agreement.

21. Taxes. The Issuer shall not be obligated to pay any additional amounts to the holders or beneficial owners of any Note as a result of withholding or deduction for, or on account of, any present or future taxes, duties, assessments or governmental charges with respect to such Notes.
